154 provided that itemized statements of the foregoing are first
155 approved by order of the board entered on its minutes. The board

157 fees collected as hereinafter provided. All fees hereinafter
158 provided shall be paid to the secretary of the board and said
159 secretary shall deposit all monies received under this chapter in
160 the State Treasury. All such monies shall be kept in a special
161 fund in the State Treasury known as the "State Board of Registered
162 Foresters Fund" and shall be used for the administration of this
163 chapter. Said funds shall not lapse at the end of each year. All
164 expenditures from said fund shall be by requisition to the
165 Executive Director of the Department of Finance and
166 Administration, signed by the board chairman, and the State
167 Treasurer shall issue his warrant thereon. The secretary of the
168 board shall be under a surety bond in the penal sum of Five

185 (d) To prepare a biennial roster showing the names,
186 business addresses and such other information as the board may
187 deem necessary of all registered foresters qualified according to
188 the provisions of this chapter, and to provide copies of same to
189 the registered foresters and the public. A copy of such roster
190 shall be filed with the Secretary of State of the State of
191 Mississippi on or before April 1 in the year such roster is
192 prepared.

193 (e) To issue, suspend or revoke licenses as hereinafter
194 provided and to take all actions necessary with reference thereto.

195 (f) At any hearing before the board, any member may
196 administer oaths to witnesses appearing before the board. If any
197 person shall refuse to testify or to produce any books, papers or
198 documents, the board may present its petition to any court of
199 competent jurisdiction within the state setting forth the facts,
200 and thereupon such court, in a proper case, may issue its subpoena
201 to such person requiring his attendance before said court and
202 there to testify or to produce such books, papers and documents as

203 may be deemed necessary and pertinent thereto. Any person failing
204 or refusing to obey the subpoena of said court may be proceeded
205 against in the same manner as for refusal to obey any other
206 subpoena of said court.

207 (g) The board shall keep a record of its proceedings
208 and a register of all applications for registration, which
209 register shall show the name, age and residence of each applicant,
210 the date of the application and the board's action thereon and
211 such other information as may be deemed necessary by the board.
212 The board shall submit an annual report to the Governor of its
213 transactions and a report to the regular session of the
214 Legislature. The report to the Legislature shall include a
215 financial statement of the transactions of the board during the
216 year.

218 reenacted as follows:

219 73-36-21. Any person who shall have graduated with a
220 bachelor's degree or higher degree from a university or college of
221 forestry in a curriculum in forestry acceptable to the board and
222 found by the board to be substantially equivalent to curricula in
223 schools of forestry accredited by the Society of American
224 Foresters shall be eligible for registration as a registered
225 forester, and a license shall be issued upon application and
226 payment of the required fee, provided further, that such person
227 file such application for registration with the board and
228 successfully passes a written and/or oral examination.

229 SECTION 12. Section 73-36-23, Mississippi Code of 1972, is
230 reenacted as follows:

231 73-36-23. Applications for registration shall be made on
232 forms prescribed and furnished by the board. The initial
233 registration fee for a license as a registered forester shall be
234 fixed by the board, but shall not exceed Fifty Dollars (\$50.00).
235 Should the board deny the issuance of a license to any applicant,
236 the fee deposited shall be retained by the board as an application

237 fee.

238 Each application or filing made under this section shall
239 include the Social Security number(s) of the applicant in
240 accordance with Section 93-11-64, Mississippi Code of 1972.

241 SECTION 13. Section 73-36-25, Mississippi Code of 1972, is
242 reenacted as follows:

243 73-36-25. When written examinations are required, they shall
244 be held at such time and place as the board shall determine. The
245 methods of procedure shall be prescribed by the board. A
246 candidate failing an examination may apply for reexamination at
247 the expiration of six (6) months and shall be entitled to one (1)
248 reexamination without payment of an additional fee. Subsequent
249 examinations may be granted upon payment of a fee to be determined
250 by the board, but not in excess of Fifty Dollars (\$50.00).

251 SECTION 14. Section 73-36-27, Mississippi Code of 1972, is
252 reenacted as follows:

253 73-36-27. The board shall issue a properly authenticated,
254 serially numbered license upon payment of the registration fee as
255 provided in this chapter to any applicant who in the opinion of
256 the board has satisfactorily met all the requirements of this
257 chapter and the rules and regulations of the board duly adopted
258 under the provisions of this chapter. The issuance of a license
259 by the board shall be evidence that the person named therein is
260 entitled to all the rights and privileges of a registered forester
261 while the said license remains unrevoked or unexpired.

262 SECTION 15. Section 73-36-29, Mississippi Code of 1972, is
263 reenacted as follows:

264 73-36-29. All licenses issued under the provisions of this
265 chapter shall expire on December 31 following their issuance or
266 renewal and shall become invalid on that date unless renewed. It
267 shall be the duty of the secretary of the board to mail a notice
268 to every person registered under this chapter notifying such
269 person of the date of the expiration of his license and the amount
270 of fee required for its renewal for one (1) year, such notice to

271 be mailed to the latest known address, according to the board's
272 records, at least one (1) month in advance of the date of the
273 expiration of said license. The board shall from time to time fix
274 the fee for renewal of licenses, provided said fee shall not
275 exceed the amount of Fifty Dollars (\$50.00) for one (1) year's
276 renewal. Any registrant failing to renew his license annually
277 desiring to apply for a license shall be required to pay a fee
278 equal to the total amount said license fees would have been had
279 his license been continued in effect, and also to comply with such
280 other reasonable requirements as may be established by rules and
281 regulations of the board, provided such requirement shall not be
282 greater than the requirements for an applicant who has never been
283 licensed.

284 SECTION 16. Section 73-36-31, Mississippi Code of 1972, is
285 reenacted as follows:

286 73-36-31. A person not a resident of and having no
287 established place of business in Mississippi, or who has recently
288 become a resident thereof, may use the title of registered
289 forester in Mississippi, provided: (a) such person is legally
290 licensed as a registered forester in his own state or county and
291 has submitted evidence to the board that he is so licensed and
292 that the requirements for registration therein are at least
293 substantially equivalent to the requirements of this chapter; and
294 (b) the state or county in which he is so licensed observes these
295 same rules of reciprocity in regard to persons originally licensed
296 under the provisions of this chapter. Each person seeking the
297 privileges of reciprocity granted under this chapter shall submit
298 his application therefor to the board and must receive a card or
299 certificate from the board before exercising such privileges. The
300 fee for obtaining such a license through reciprocity shall be the
301 same as charged a Mississippi licensee.

302 SECTION 17. Section 73-36-33, Mississippi Code of 1972, is
303 reenacted as follows:

304 73-36-33. (1) The board shall have the power, after notice

305 and hearing, to suspend or revoke the license of any registrant
306 who (a) is found guilty by the board of fraud or gross negligence
307 in the practice of professional forestry; (b) fails to comply with
308 board rules and regulations; (c) is found guilty by the board of
309 unprofessional or unethical conduct; or (d) has had his license
310 suspended or revoked for cause in another jurisdiction.

311 (2) Any person may prefer charges of fraud or gross
312 negligence in connection with any forestry practice against any
313 registrant. Such charges shall be in writing, shall be sworn to
314 by the person making them, and shall be filed with the secretary
315 of the board. All charges shall be heard by the board pursuant to
316 its rules and regulations without undue delay.

317 (3) Any applicant whose license is suspended or revoked by
318 the board may apply for a review of the proceedings with reference
319 to such suspension or revocation by appealing to the Chancery
320 Court of the First Judicial District of Hinds County, Mississippi,
321 provided a notice of appeal is filed by such applicant with the
322 clerk of said court within sixty (60) days from entry of an order
323 by the board suspending or revoking his license, provided said
324 applicant files with said notice of appeal a bond to be approved
325 by the court assuring the prompt payment of any and all costs of
326 said appeal, said amount to be fixed by the court. Upon the
327 filing of such notice of appeal and posting of such bond, the
328 clerk of the said court shall notify the secretary of the board
329 thereof and the record of the proceedings involved shall be
330 prepared by the secretary and forwarded to the court within a
331 period of sixty (60) days from such notice by the clerk. The
332 court shall thereupon review the proceedings on the record
333 presented and may hear such additional testimony as to the court
334 may appear material and dispose of the appeal in termtime or in
335 vacation, and the court may sustain or dismiss the appeal, or
336 modify or vacate the order complained of, but in case the order is
337 modified or vacated, the court may also, in its discretion, remand
338 the matter to the board for such further proceedings not

339 inconsistent with the court's order as, in the opinion of the
340 court, justice may require. The decision of the chancery court
341 may be appealed as other cases to the Supreme Court.

342 (4) The board is authorized to secure, by contract, the
343 services of an investigator when deemed necessary by the board to
344 properly consider any charge then before it. The board may, at
345 its discretion, establish a program of routine inspections.

346 (5) In addition to the reasons specified in subsection (1)
347 of this section, the board shall be authorized to suspend the
348 license of any licensee for being out of compliance with an order
349 for support, as defined in Section 93-11-153. The procedure for
350 suspension of a license for being out of compliance with an order
351 for support, and the procedure for the reissuance or reinstatement
352 of a license suspended for that purpose, and the payment of any
353 fees for the reissuance or reinstatement of a license suspended
354 for that purpose, shall be governed by Section 93-11-157 or
355 93-11-163, as the case may be. Actions taken by the board in
356 suspending a license when required by Section 93-11-157 or
357 93-11-163 are not actions from which an appeal may be taken under
358 this section. Any appeal of a license suspension that is required
359 by Section 93-11-157 or 93-11-163 shall be taken in accordance
360 with the appeal procedure specified in Section 93-11-157 or
361 93-11-163, as the case may be, rather than the procedure specified
362 in this section. If there is any conflict between any provision of
363 Section 93-11-157 or 93-11-163 and any provision of this chapter,
364 the provisions of Section 93-11-157 or 93-11-163, as the case may
365 be, shall control.

366 SECTION 18. Section 73-36-35, Mississippi Code of 1972, is
367 reenacted as follows:

368 73-36-35. Any person who shall practice or offer to practice
369 the profession of forestry in this state as a registered forester
370 without being registered in accordance with the provisions of this
371 chapter, or any person who shall use in connection with his name,
372 or otherwise assume, use or advertise any title or description

373 tending to convey the impression that he is a registered forester
374 without being registered in accordance with the provisions of this
375 chapter, or any person who shall present or attempt to use as his
376 own the license of another, or any person who shall give any false
377 or forged evidence of any kind to the board or any member thereof
378 in obtaining a license, or any person who shall attempt to use an
379 expired or revoked license, or any person, firm, partnership or
380 corporation who shall violate any of the provisions of this
381 chapter shall be guilty of a misdemeanor and upon conviction
382 thereof shall be fined not more than Five Hundred Dollars
383 (\$500.00) for each such violation. The board, or such person or
384 persons as may be designated by the board to act in its stead, is
385 empowered to prefer charges for any violations of this chapter in
386 any court of competent jurisdiction. It shall be the duty of all
387 duly constituted officers of the law of this state to enforce the
388 provisions of this chapter and to prosecute any persons, firms,
389 partnerships or corporations violating same. The Attorney General
390 of the state or his designated assistant shall act as legal
391 advisor of the board and render such assistance as may be
392 necessary in carrying out the provisions of this chapter.

393 SECTION 19. Section 73-36-37, Mississippi Code of 1972, is
394 amended as follows:

395 73-36-37. Sections 73-36-1 through 73-36-35, which create a
396 board of registration for foresters and prescribe its duties and
397 powers, shall stand repealed as of December 31, 2000.

398 SECTION 20. Each section of the Mississippi Code of 1972
399 that is reenacted but not amended by this act, and that appears in
400 the main volume of the Code, shall not be reprinted in the
401 supplement. Instead, an editor's note shall be placed in the
402 supplement following the section to explain that the section was
403 reenacted, and that it has not been reprinted in the supplement
404 because the language of the section in the main volume was
405 unaffected by the legislation.

406 SECTION 21. This act shall take effect and be in force from

407 and after July 1, 1999.
