359 scholastic years from a school or college other than those
360 approved by the board plus a graduate degree in an engineering
361 curriculum from a school or college wherein the same engineering
362 curriculum at the undergraduate level is approved by the board as
363 of satisfactory standing; a specific record of four (4) years of
364 qualifying engineering experience indicating that the applicant is
365 competent to practice engineering (in counting years of
366 experience, the board at its discretion may give credit not in

397 (e) Any person having the necessary qualifications
398 prescribed in Sections 73-13-1 through 73-13-45 to entitle him to

406 (2) The following shall be considered as minimum evidence
407 satisfactory to the board that the applicant is qualified for
408 enrollment as an engineer intern:

409 (a) Graduation in an * * * engineering curriculum of
410 four (4) scholastic years or more from a school or college
411 approved by the board as of satisfactory standing or graduation in
412 an engineering, engineering technology, or related science
413 curriculum of four (4) scholastic years from a school or college
414 other than those approved by the board plus a graduate degree in
415 an engineering curriculum from a school or college wherein that
416 same engineering curriculum at the undergraduate level is approved
417 by the board as of satisfactory standing; and

418 (b) Successfully passing a written examination in the
419 fundamental engineering subjects.

420 SECTION 13. Section 73-13-25, Mississippi Code of 1972, is
421 reenacted and amended as follows:

422 73-13-25. Applications for enrollment as an engineer intern
423 or for registration as a professional engineer shall be on the
424 forms prescribed and furnished by the board, shall contain
425 statements made under oath, showing the applicant's education and

426 detailed summary of the applicant's qualifying experience.
427 Applications for registration or reregistration as a professional
428 engineer shall also contain not less than five (5) references, of
429 whom three (3) or more shall be engineers having personal
430 knowledge of the applicant's engineering experience.

431 The application fee for registration * * * as a professional
432 engineer shall be determined by the board but shall not exceed
433 Seventy-five Dollars (\$75.00), which fee shall accompany the
434 application.

435 The application fee for enrollment as an engineer intern
436 shall be determined by the board but shall not exceed Twenty-five
437 Dollars (\$25.00), which fee shall accompany the application.
438 Whenever an applicant is cited to an examination or reexamination,
439 an additional fee equal to the actual cost of the examination
440 shall be paid by the applicant.

441 Each application or filing made under this section shall
442 include the Social Security number(s) of the applicant in
443 accordance with Section 93-11-64, Mississippi Code of 1972.

444 SECTION 14. Section 73-13-27, Mississippi Code of 1972, is
445 reenacted as follows:

446 73-13-27. Examinations shall be required for enrollment as
447 an engineer intern and for registration as a professional
448 engineer. The examinations shall be held at such time and place
449 as the board may determine.

450 The scope of the examinations and the methods and procedure
451 shall be prescribed by the board with special reference to the
452 applicant's ability to design and supervise engineering works so
453 as to insure the safety of life, health and property.

454 SECTION 15. Section 73-13-29, Mississippi Code of 1972, is
455 reenacted and amended as follows:

456 73-13-29. The board shall issue a certificate of
457 registration upon payment of registration fee as provided for in
458 Sections 73-13-1 through 73-13-45, to any applicant who, in the
459 opinion of the board, has satisfactorily met all the requirements

460 of said sections. In the case of a registered engineer, the
461 certificate shall authorize the "practice of engineering." In the
462 case of an engineer intern, the certificate shall state that the
463 applicant has successfully passed the examination in fundamental
464 engineering subjects required by the board and has been enrolled
465 as an "engineer intern_." * * * Certificates shall show the full
466 name, shall have a serial number, and shall be signed by the
467 president and the secretary of the board under seal of the board.

468 The issuance of a certificate of registration by this board
469 shall be prima facie evidence that the person named therein is
470 entitled to all the rights and privileges of a registered
471 professional engineer while the said certificate remains unrevoked
472 or unexpired.

473 Before engaging in the practice of the profession, each
474 registrant hereunder shall upon registration obtain a seal of the
475 design authorized by the board, bearing the registrant's name and
476 the legend, "registered professional engineer." Plans,
477 specifications * * * and reports prepared by a registrant shall be
478 stamped with the seal by the registrant during the life of the
479 registrant's certificate, but it shall be unlawful for anyone to
480 stamp or seal any documents with the seal after the certificate of
481 the registrant named thereon is expired or * * * revoked, or while
482 the certificate is suspended. It shall be unlawful for anyone
483 other than the registrant to whom the seal has been issued to
484 stamp or seal any document utilizing such seal.

485 SECTION 16. Section 73-13-31, Mississippi Code of 1972, is
486 reenacted and amended as follows:

487 73-13-31. Certificates of registration shall expire on the
488 last day of the month of December following their issuance or
489 renewal and shall become invalid on that date unless renewed. It
490 shall be the duty of the board to notify every person registered
491 under Sections 73-13-1 through 73-13-105, of the date of the
492 expiration of his certificate and the amount of the fee that shall
493 be required for its renewal for one (1) year. Such notice shall

494 be sent by first class mail to the last known address of the
495 registrant at least one (1) month in advance of the date of the
496 expiration of said certificate. Renewal may be effected at any
497 time during the month of December by the payment of a fee, as
498 determined by the board, not to exceed Fifty Dollars (\$50.00). A
499 person who is registered as a professional engineer and as a
500 professional land surveyor may effect both renewals by the payment
501 of a fee not to exceed Seventy-five Dollars (\$75.00). The failure
502 on the part of any registrant to renew his certificate annually in
503 the month of December as required above, shall not deprive such
504 person of the right of renewal, but the fee to be paid for the
505 renewal of a certificate after the month of December shall be
506 increased ten percent (10%) for each month, or fraction of a month
507 that payment of renewal is delayed; provided, however, that the
508 maximum fee for delayed renewal shall not exceed five (5) times
509 the normal renewal fee. A state agency or any of the state's
510 political subdivisions, such as a county or municipality, may pay
511 the renewal fee of any registrant who is a full-time employee;
512 provided, however, that any registrant who permits his/her renewal
513 fee to be paid from any public funds shall not perform engineering
514 or land surveying services for a fee or other emoluments for the
515 public or for any other public entity. If a registrant fails to
516 renew his certificate within five (5) years from the date of
517 expiration, he must pay the back fees and be reexamined by the
518 board in principles and practice before his certificate will be
519 reissued. The reexamination requirement may be waived by the
520 board provided the applicant has continued to practice in another
521 jurisdiction from the date of expiration of his certificate.

522 SECTION 17. Section 73-13-33, Mississippi Code of 1972, is
523 reenacted as follows:

524 73-13-33. All professional engineers, registered in
525 accordance with the provisions of Chapter 56 of the Laws of
526 Mississippi of 1928, Extraordinary Session, and as amended under
527 Senate Bill No. 383, Chapter 131, Laws of 1940, and whose

528 certificates of registration are in effect at the time of passage
529 of Sections 73-13-1 through 73-13-45, shall be entitled to all the
530 rights and privileges of a registered professional engineer as
531 provided for in those sections, while the said certificate remains
532 unrevoked or unexpired.

533 SECTION 18. Section 73-13-35, Mississippi Code of 1972, is
534 reenacted as follows:

535 73-13-35. The board may, upon application therefor and the
536 payment of a fee in accordance with Section 73-13-25, issue a
537 certificate of registration as a professional engineer to any
538 person who holds a certificate of qualification or registration
539 issued to him by proper authority of any state or territory or
540 possession of the United States, or of any country, provided that
541 the applicant's qualifications meet the requirements of Sections
542 73-13-1 through 73-13-45 and the rules established by the board.

543 SECTION 19. Section 73-13-37, Mississippi Code of 1972, is
544 reenacted and amended as follows:

545 73-13-37. (1) The board, upon satisfactory proof and in
546 accordance with the provisions of this chapter and the
547 implementing regulations of the board pertaining thereto, is
548 authorized to take the disciplinary actions provided for
549 hereinafter against any person, including nonregistrants, for any
550 of the following reasons:

551 (a) Violating any of the provisions of Sections 73-13-1
552 through 73-13-45 or the implementing bylaws, rules, regulations,
553 or standards of ethics or conduct duly adopted and promulgated by
554 the board pertaining to the practice of engineering;

555 (b) Fraud, deceit or misrepresentation in obtaining a
556 certificate of registration;

557 (c) Gross negligence, malpractice or incompetency;

558 (d) Any professional misconduct, as defined by the
559 board through bylaws, rules and regulations, and standards of
560 conduct and ethics;

561 (e) Practicing or offering to practice engineering on

562 an expired certificate or while under suspension or revocation of
563 certificate unless said suspension or revocation be abated through
564 probation, as provided for hereinafter;

565 (f) Addiction to or dependence on alcohol or other
566 habit-forming drugs or being an habitual user of alcohol,
567 narcotics, barbiturates, amphetamines, hallucinogens, or other
568 drugs having similar effect.

569 (2) Any person may prefer charges against any other person,
570 including nonregistrants, for committing any of the acts set forth
571 in subsection (1). Such charges shall be sworn to, either upon
572 actual knowledge or upon information and belief, and shall be
573 filed with the board. In the event any person certified under
574 Sections 73-13-1 through 73-13-45 is expelled from membership in
575 any Mississippi professional engineering society or association,
576 the board shall thereafter cite said person to appear at a hearing
577 before the board and to show cause why disciplinary action should
578 not be taken against him.

579 The board shall investigate all charges filed with it and,
580 upon finding reasonable cause to believe that the charges are not
581 frivolous, unfounded or filed in bad faith, may, in its
582 discretion, cause a hearing to be held, at a time and place fixed
583 by the board, regarding the charges and may compel the accused by
584 subpoena to appear before the board to respond to said charges.

585 No disciplinary action taken hereunder may be taken until the
586 accused has been furnished both a statement of the charges against
587 him and notice of the time and place of the hearing thereof, which
588 shall be personally served on or mailed by registered or certified
589 mail, return receipt requested, to the last-known business or
590 residence address of the accused not less than thirty (30) days
591 prior to the date fixed for the hearing.

592 (3) At any hearing held hereunder, the board shall have the
593 power to subpoena witnesses and compel their attendance and may
594 also require the production of books, papers, documents, etc., as
595 provided elsewhere in this chapter. The board is authorized to

596 designate or secure a hearing officer to conduct the hearing. All
597 evidence shall be presented under oath, which may be administered
598 by any member of the board, and thereafter the proceedings may, if
599 necessary, be transcribed in full by the court reporter and filed
600 as part of the record in the case. Copies of such transcriptions
601 may be provided to any party to the proceedings at a cost to be
602 fixed by the board.

603 All witnesses who shall be subpoenaed and who shall appear in
604 any proceedings before the board shall receive the same fees and
605 mileage as allowed by law in judicial civil proceedings, and all
606 such fees shall be taxed as part of the costs in the case.

607 Where in any proceeding before the board any witness shall
608 fail or refuse to attend upon subpoena issued by the board, shall
609 refuse to testify or shall refuse to produce any books and papers,
610 the production of which is called for by the subpoena, the
611 attendance of such witness and the giving of his testimony and the
612 production of the books and papers shall be enforced by any court
613 of competent jurisdiction of this state in the manner provided for
614 the enforcement of attendance and testimony of witnesses in civil
615 cases in the courts of this state.

616 The accused shall have the right to be present at the hearing
617 in person, by counsel or other representative, or both. The board
618 is authorized to continue or recess the hearing as may be
619 necessary.

620 (4) At the conclusion of the hearing, the board may either
621 decide the issue at that time or take the case under advisement
622 for further deliberation. The board shall render its decision not
623 more than ninety (90) days after the close of the hearing, and
624 shall forward to the last-known business or residence address of
625 the accused, by certified or registered mail, return receipt
626 requested, a written statement of the decision of the board.

627 If a majority of the board finds the accused guilty of the
628 charges filed, the board may: (a) issue a public or private
629 reprimand; (b) require the guilty party to complete a course,

630 approved by the board, in ethics; (c) suspend or revoke the
631 certificate of the accused, if the accused is a registrant; or (d)
632 in lieu of or in addition to such reprimand, course completion,
633 suspension or revocation, assess and levy upon the guilty party a
634 monetary penalty of not less than One Hundred Dollars (\$100.00)
635 nor more than Five Thousand Dollars (\$5,000.00) for each
636 violation.

637 (5) A monetary penalty assessed and levied under this
638 section shall be paid to the board upon the expiration of the
639 period allowed for appeal of such penalties under this section, or
640 may be paid sooner if the guilty party elects. Money collected by
641 the board under this section shall be deposited to the credit of
642 the board's special fund in the State Treasury.

643 When payment of a monetary penalty assessed and levied by the
644 board in accordance with this section is not paid when due, the
645 board shall have the power to institute and maintain proceedings
646 in its name for enforcement of payment in the chancery court of
647 the county and judicial district of residence of the guilty party
648 and if the guilty party be a nonresident of the State of
649 Mississippi, such proceedings shall be in the Chancery Court of
650 the First Judicial District of Hinds County, Mississippi.

651 (6) When the board has taken a disciplinary action under
652 this section, the board may, in its discretion, stay such action
653 and place the guilty party on probation for a period not to exceed
654 one (1) year upon the condition that the guilty party shall not
655 further violate either the laws of the State of Mississippi
656 pertaining to the practice of engineering or the bylaws, rules and
657 regulations, or standards of conduct and ethics promulgated by the
658 board.

659 (7) The board, in its discretion, may assess and tax any
660 part or all of the costs of any disciplinary proceedings conducted
661 under this section against either the accused, the charging party,
662 or both, as it may elect.

663 (8) The power and authority of the board to assess and levy

664 the monetary penalties provided for in this section shall not be
665 affected or diminished by any other proceeding, civil or criminal,
666 concerning the same violation or violations except as provided in
667 this section.

668 (9) The board, for sufficient cause, may reissue a revoked
669 certificate of registration whenever a majority of the board
670 members vote to do so.

671 (10) Any person aggrieved by an action of the board denying
672 or revoking his certificate of registration or re-registration as
673 a professional engineer or his certificate of enrollment as an
674 engineer intern, or who is aggrieved by the action of the board as
675 a result of disciplinary proceedings conducted under this section
676 may appeal therefrom to the chancery court of either the county
677 wherein the appellant resides or the Chancery Court of the First
678 Judicial District of Hinds County, at the election of the
679 appellant. If the appellant is a nonresident of this state, the
680 appeal shall be made to the Chancery Court of the First Judicial
681 District of Hinds County. Such appeal shall be perfected before
682 the board by the filing with the board of a notice of appeal to
683 the chancery court. The court shall require a bond in an amount
684 not to exceed One Thousand Dollars (\$1,000.00) conditioned to pay
685 all costs which may be adjudged against the appellant. The notice
686 of appeal shall be filed not later than thirty (30) days after the
687 decision of the board is forwarded to the guilty party, as
688 provided hereinabove.

689 All appeals perfected hereunder shall act as a supersedeas,
690 and shall be made to the chancery court solely upon the record
691 made before the board during the disciplinary hearing. When the
692 appeal shall have been properly perfected as provided herein, the
693 board shall cause the record of the proceedings conducted before
694 it to be compiled, certified and filed with the chancery court.
695 The briefing schedule shall be the same as for appeals to the
696 Supreme Court. The chancery court shall be required to rule on
697 the case within sixty (60) days of the close of briefing. All

698 procedures and penalties provided for in this section shall apply
699 to nonregistrants as well as registrants.

700 (11) In addition to the reasons specified in subsection (1)
701 of this section, the board shall be authorized to suspend the
702 certificate of registration of any person for being out of
703 compliance with an order for support, as defined in Section
704 93-11-153. The procedure for suspension of a certificate for
705 being out of compliance with an order for support, and the
706 procedure for the reissuance or reinstatement of a certificate
707 suspended for that purpose, and the payment of any fees for the
708 reissuance or reinstatement of a certificate suspended for that
709 purpose, shall be governed by Section 93-11-157 or 93-11-163, as
710 the case may be. Actions taken by the board in suspending a
711 certificate when required by Section 93-11-157 or 93-11-163 are
712 not actions from which an appeal may be taken under this section.

713 Any appeal of a suspension of a certificate that is required by
714 Section 93-11-157 or 93-11-163 shall be taken in accordance with
715 the appeal procedure specified in Section 93-11-157 or 93-11-163,
716 as the case may be, rather than the procedure specified in this
717 section. If there is any conflict between any provision of
718 Section 93-11-157 or 93-11-163 and any provision of this chapter,
719 the provisions of Section 93-11-157 or 93-11-163, as the case may
720 be, shall control.

721 (12) Any board member whose objectivity in a disciplinary
722 proceeding is impaired shall either recuse himself from sitting as
723 a member of the board in a formal disciplinary hearing in that
724 proceeding or be disqualified therefrom. In the event a
725 disciplinary proceeding is brought against a member or former
726 member of the board, no member of the board who has served
727 concurrently with the respondent in the disciplinary proceeding
728 shall sit as a member of the board in a formal disciplinary
729 hearing in that proceeding. If, after recusal or disqualification
730 of board members as provided herein, there does not remain a
731 quorum of the board to sit for a disciplinary hearing, the board

732 shall have the power to select, in accordance with duly
733 promulgated regulations of the board, substitute panel members
734 from slates of candidates established by the Mississippi
735 Engineering Society and the Mississippi Association of
736 Professional Surveyors to the extent necessary to achieve the
737 number of panel members equivalent to a quorum of the board.
738 Substitute panel members must meet the qualifications of board
739 members as provided in Section 73-13-7 and shall receive
740 compensation as provided for board members in Section 73-13-9.

741 SECTION 20. Section 73-13-39, Mississippi Code of 1972, is
742 reenacted and amended as follows:

743 73-13-39. Any person who shall practice, or offer to
744 practice, engineering in this state without being registered in
745 accordance with the provisions of Sections 73-13-1 through
746 73-13-45, or any person presenting or attempting to use as his own
747 the certificate of registration or seal of another, or any person
748 who shall give any false or forged evidence of any kind to the
749 board or to any member thereof in obtaining a certificate of
750 registration, or any person who shall falsely impersonate any
751 other registrant of like or different name, or any person who
752 shall attempt to use an expired or revoked certificate of
753 registration, or any person who shall violate any of the
754 provisions of Sections 73-13-1 through 73-13-45, shall be guilty
755 of a misdemeanor, and shall, upon conviction, be sentenced to pay
756 a fine of not less than One Hundred Dollars (\$100.00), nor more
757 than One Thousand Dollars (\$1,000.00), or suffer imprisonment for
758 a period not exceeding three (3) months, or both. The criminal
759 penalties provided for in this section may be assessed in addition
760 to those civil penalties provided for in Section 73-13-37.

761 Unless registered in accordance with the provisions of
762 Sections 73-13-1 through 73-13-45, no person shall:

763 (a) Directly or indirectly employ, use, cause to be
764 used or make use of any of the following terms or any
765 combinations, variations or abbreviations thereof as a

766 professional, business or commercial identification, title, name,
767 representation, claim, asset or means of advantage or benefit:
768 "engineer," "professional engineer," "licensed engineer,"
769 "registered engineer," "registered professional engineer,"
770 "licensed professional engineer," "engineered," "engineering"; or

771 (b) Directly or indirectly employ, use, cause to be
772 used or make use of any letter, abbreviation, word, symbol,
773 slogan, sign or any combinations or variations thereof which in
774 any manner whatsoever tends or is likely to create any impression
775 with the public or any member thereof that any person is qualified
776 or authorized to practice engineering; or

777 (c) Receive any fee or compensation or the promise of
778 any fee or compensation for performing, offering or attempting to
779 perform any service, work, act or thing which is any part of the
780 practice of engineering.

781 Any person, firm, partnership, association or corporation
782 which shall do, offer or attempt to do any one or more of the acts
783 or things set forth in items (a) through (c) of the preceding
784 paragraph shall be conclusively presumed and regarded as engaged
785 in the practice of engineering.

786 It shall be the duty of all duly constituted officers of the
787 law of this state, or any political subdivision thereof, to
788 enforce the provisions of Sections 73-13-1 through 73-13-45 and to
789 prosecute any persons violating same. The Attorney General of the
790 state or his assistant shall act as legal advisor of the board in
791 carrying out the provisions of Sections 73-13-1 through 73-13-45.

792 SECTION 21. Section 73-13-41, Mississippi Code of 1972, is
793 reenacted and amended as follows:

794 73-13-41. Sections 73-13-1 through 73-13-45 shall not be
795 construed to prevent or to affect:

796 (a) The practice of any other legally recognized
797 profession or trade, such as: (i) engineers employed by
798 contractors to supervise work on which a registered engineer is
799 engaged; and (ii) architects who are registered under the

800 provisions of Chapter 1 of this Title; * * *

801 (b) The work of an employee or a subordinate of a
802 person holding a certificate of registration under this act,
803 provided such work does not include final designs or decisions and
804 is done under the responsibility, checking and supervision of a
805 person holding a certificate of registration under Sections
806 73-13-1 through 73-13-45; * * *

807 (c) The practice of officers and employees of the
808 government of the United States while engaged within this state in
809 the practice of engineering for said government; or

810 (d) The performance of engineering services by any
811 regular full-time employee of a manufacturing, public utility,
812 research and development, or other industrial corporation,
813 provided:

814 (i) Such services are rendered on or in connection
815 with existing fixed works, equipment, systems, processes or
816 facilities owned, operated, or leased by such corporation and/or
817 its affiliates;

818 (ii) Such services are not rendered to third
819 parties;

820 (iii) Such services do not consist of original
821 plant design, original system design, or original process design,
822 other than routine system extensions that do not compromise the
823 integrity of the original design;

824 (iv) Such services comply with all requirements
825 specified by the employee's company or corporation; and

826 (v) All fixed works, equipment, systems, processes
827 or facilities modified by such services undergo a pre-start-up
828 safety review that confirms:

829 1. The construction and equipment conform to
830 design specifications; and

831 2. Safety, operating, maintenance and
832 emergency procedures are in place to safeguard life, health and
833 property;

834 (vi) Such services are not required to be
835 performed, approved, or certified by a professional engineer
836 pursuant to law or regulation, whether federal, state, or local,
837 other than Section 73-13-1 through 73-13-45 hereof or any
838 applicable rules or regulations promulgated by the Mississippi
839 State Board of Registration for Professional Engineers and Land
840 Surveyors.

841 SECTION 22. Section 73-13-43, Mississippi Code of 1972, is
842 reenacted and amended as follows:

843 73-13-43. A corporation, firm or partnership may engage in
844 the practice of professional engineering in this state, providing
845 the person or persons connected with such corporation or
846 partnership in charge of the designing, or supervision, which
847 constitutes such practice, is or are registered as herein required
848 of professional engineers. Any corporation, firm or partnership
849 engaged in offering engineering services to the public must have
850 at least one (1) registered professional engineer as a principal
851 officer or partner of the firm who has management responsibility
852 for such practice. A corporation, firm or partnership, when
853 performing engineering services to the public for a fee or other
854 emoluments, shall include in each agreement for such services the
855 name and registration number of the professional engineer who will
856 bear the primary responsibility for the engineering work involved.

857 The same exemptions shall apply to corporations, firms and
858 partnerships as apply to individuals under Sections 73-13-1
859 through 73-13-45.

860 SECTION 23. Section 73-13-45, Mississippi Code of 1972, is
861 reenacted as follows:

862 73-13-45. (1) (a) Neither the state, nor any of its
863 political subdivisions, such as a county, city or town, shall
864 award construction contracts of any public work involving the
865 practice of engineering or architecture unless the plans,
866 specifications and estimates have been prepared and such work
867 supervised by a registered professional engineer or architect;

868 provided, that nothing in this subsection shall be held to apply
869 to such public work wherein the expenditure does not exceed Fifty
870 Thousand Dollars (\$50,000.00); and provided further, that nothing
871 in this subsection shall apply to any municipality wherein such
872 public work is not financed in whole or in part through the
873 issuance of bonds and let to public contract.

874 (b) The state and any of its political subdivisions,
875 such as a county, city or town, may engage in construction of
876 public buildings involving the practice of engineering or
877 architecture and using political subdivision work forces without
878 the supervision of a registered professional engineer or
879 architect, provided that the total cost of the public building
880 does not exceed One Hundred Thousand Dollars (\$100,000.00). This
881 paragraph (1)(b) shall not supersede any rules and regulations
882 promulgated by the State Department of Health and the Department
883 of Environmental Quality.

884 (2) (a) In the awarding of public contracts for
885 professional engineering services, preference shall be given to
886 resident professional engineers over those nonresident
887 professional engineers domiciled in a state having laws which
888 grant a preference to the professional engineers who are residents
889 of that state. Nonresident professional engineers shall be
890 awarded Mississippi public contracts only on the same basis as the
891 nonresident professional's state awards contracts to Mississippi
892 professional engineers under similar circumstances. When a
893 nonresident professional engineer submits a proposal for a public
894 project, he shall attach thereto a copy of his resident state's
895 current statute, resolution, policy, procedure or executive order
896 pertaining to such state's treatment of nonresident professional
897 engineers. Resident professional engineers actually domiciled in
898 Mississippi, be they corporate, individuals or partnerships, shall
899 be granted preference over nonresidents in the awarding of
900 contracts in the same manner and to the same extent as provided by
901 the laws of the state of domicile of the nonresident. As used in

902 this section, the term "resident professional engineer" includes a
903 nonresident person, firm or corporation that has been qualified to
904 do business in this state and has maintained a permanent full-time
905 office in the State of Mississippi for not less than two (2) years
906 prior to submitting a proposal for a public project, and the
907 subsidiaries and affiliates of such a person, firm or corporation.

908 (b) The provisions of this subsection shall not apply
909 to any contract for any project upon which federal funds would be
910 withheld because of the preference requirements of this
911 subsection.

912 (c) Any contract, agreement or arrangement for
913 professional engineering services negotiated, made or entered
914 into, directly or indirectly, by the state, counties,
915 municipalities or any political subdivision thereof, or by any
916 special districts, which is in any way in violation of the
917 provisions of this subsection is hereby declared to be void as
918 contrary to the public policy of this state and shall not be given
919 effect or enforced by any court of this state or by any of its
920 officers or employees.

921 (d) Nothing in this subsection shall affect the
922 validity of any contract in existence prior to July 1, 1989.

923 (e) For purposes of this section, the term
924 "professional engineering services" means those within the scope
925 of the practice of professional engineering as defined by Sections
926 73-13-1 through 73-13-45, or those performed by any registered
927 professional engineer in connection with professional employment
928 or practice.

929 SECTION 24. Section 73-13-71, Mississippi Code of 1972, is
930 reenacted and amended as follows:

931 73-13-71. (a) The term "board," as used in Sections
932 73-13-71 through 73-13-105, shall mean the State Board of
933 Registration for Professional Engineers and Land Surveyors as
934 provided for in Section 73-13-5 of this chapter.

935 (b) The term "professional land surveyor," as used in

936 Sections 73-13-71 through 73-13-105, shall mean a person who
937 engages in the practice of land surveying as hereinafter defined,
938 whether in an individual capacity, or in behalf of or as an
939 employee of any state, county, or municipal authority of the State
940 of Mississippi.

941 (c) The term "land surveyor intern," as used in
942 Sections 73-13-71 through 73-13-105, shall mean a candidate for
943 registration as a professional land surveyor who has successfully
944 passed the fundamentals of land surveying examination, has met the
945 requirements of the board for enrollment, has received from the
946 board a certificate stating that he has successfully passed this
947 portion of the professional land surveying examinations and has
948 been enrolled as a land surveyor intern.

949 (d) The practice of "land surveying," within the
950 meaning and intent of Sections 73-13-71 through 73-13-105, is
951 surveying of areas for their correct determination and description
952 and for conveyancing, or for the establishment or re-establishment
953 of land boundaries and the platting of lands and subdivisions
954 thereof, and such other duties as traditional or sound surveying
955 practices would direct.

956 SECTION 25. Section 73-13-73, Mississippi Code of 1972, is
957 reenacted and amended as follows:

958 73-13-73. No person shall practice land surveying without
959 having first been duly and regularly registered by the State Board
960 of Registration for Professional Engineers and Land Surveyors as a
961 professional land surveyor as required by Sections 73-13-71
962 through 73-13-105, nor shall any person practice land surveying
963 whose authority to practice is revoked by the said board.

964 Duties within the practice of land surveying, which must be
965 performed by or under the direct supervision of a professional
966 land surveyor and each map or drawing of which must be stamped
967 with the seal of said registrant as provided in Section 73-13-83,
968 include the following: property and boundary surveys; subdivision
969 surveys and plats; public land surveys; easement surveys;

970 right-of-way surveys; lease surveys; and all other surveys that
971 require the establishment of property boundaries.

972 Duties within both the practice of land surveying and the
973 practice of engineering, which must be performed by or under the
974 direct supervision of a professional land surveyor or a
975 professional engineer and each map, drawing or report of which
976 must be stamped with the seal of said registrant as provided in
977 Sections 73-13-29 and 73-13-83, include, but are not limited to,
978 the following: topographic surveys; horizontal and vertical
979 control surveys; control surveys for construction layout; surveys
980 for record drawing (as-built surveys excluding the location of
981 property boundaries); profiles and cross-sections; quantity
982 surveys; cartographic surveys; hydrographic surveys; geodetic
983 surveys; and mine surveys.

984 SECTION 26. Section 73-13-75, Mississippi Code of 1972, is
985 reenacted and amended as follows:

986 73-13-75. The Mississippi State Board of Registration for
987 Professional Engineers and Land Surveyors is hereby authorized and
988 empowered to examine applicants for registration to practice land
989 surveying; to register and issue certificates of registration to
990 all applicants whom it deems qualified to practice land surveying
991 in accordance with Sections 73-13-71 through 73-13-105; and to
992 revoke certificates of registration for just cause as provided for
993 in Sections 73-13-71 through 73-13-105.

994 SECTION 27. Section 73-13-77, Mississippi Code of 1972, is
995 reenacted as follows:

996 73-13-77. (1) The following shall be considered as minimum
997 evidence satisfactory to the board that the applicant is qualified
998 for registration as a professional land surveyor:

999 (a) The successful completion of a curriculum of two
1000 (2) scholastic years or more from a school or college approved by
1001 the board as of satisfactory standing, including the completion of
1002 approved courses in surveying and related subjects; a specific
1003 record of three (3) years of qualifying land surveying experience

1004 indicating that the applicant is competent to practice land
1005 surveying; and successfully passing examinations in surveying
1006 prescribed by the board; or

1007 (b) A specific record of seven (7) years' or more
1008 experience in land surveying work of a character satisfactory to
1009 the board and indicating that the applicant is competent to
1010 practice land surveying; and successfully passing examinations in
1011 surveying prescribed by the board.

1012 No person shall be eligible for registration as a
1013 professional land surveyor who is not of good character and
1014 reputation.

1015 (2) The following shall be considered as minimum evidence
1016 satisfactory to the board that the applicant is qualified for
1017 certification as a land surveyor intern:

1018 (a) The successful completion of two (2) scholastic
1019 years or more from a school or college approved by the board as of
1020 satisfactory standing, including the completion of approved
1021 courses in land surveying and related subjects, and successfully
1022 passing an examination in the fundamentals of land surveying; or

1023 (b) A specific record of three (3) years or more of
1024 qualifying land surveying experience, and successfully passing an
1025 examination in the fundamentals of land surveying.

1026 SECTION 28. Section 73-13-79, Mississippi Code of 1972, is
1027 reenacted and amended as follows:

1028 73-13-79. Application for enrollment as a land surveyor
1029 intern or for registration as a professional land surveyor shall
1030 be on forms prescribed and furnished by the board, shall contain
1031 statements made under oath showing the applicant's education and a
1032 detailed summary of the applicant's qualifying experience.

1033 Applications for registration or reregistration as a professional
1034 land surveyor shall also contain not less than five (5)
1035 references, of whom three (3) or more shall be professional land
1036 surveyors having personal knowledge of the applicant's land
1037 surveying experience.

1038 The application fee for registration * * * as a professional
1039 land surveyor shall be determined by the board but shall not
1040 exceed Seventy-five Dollars (\$75.00), which fee shall accompany
1041 the application.

1042 The application fee for enrollment as a land surveyor intern
1043 shall be determined by the board, but shall not exceed Twenty-five
1044 Dollars (\$25.00), which fee shall accompany the application.

1045 Whenever an applicant is cited to an examination or
1046 reexamination, an additional fee equal to the actual cost of the
1047 examination shall be paid by the applicant.

1048 SECTION 29. Section 73-13-81, Mississippi Code of 1972, is
1049 reenacted as follows:

1050 73-13-81. Examinations shall be required for enrollment as a
1051 land surveyor intern and registration as a professional land
1052 surveyor. The examinations shall be held at such time and place
1053 as the board may determine.

1054 The scope of the examinations and the methods and procedures
1055 shall be prescribed by the board with special reference to the
1056 applicant's ability to exercise direct control and personal
1057 supervision of all land surveying functions.

1058 The board shall cite applicants to examinations in accordance
1059 with its rules and regulations.

1060 SECTION 30. Section 73-13-83, Mississippi Code of 1972, is
1061 reenacted and amended as follows:

1062 73-13-83. The board shall issue a certificate, upon payment
1063 of the required fee, to any applicant who, in the opinion of the
1064 board, has satisfactorily met all the requirements therefor. In
1065 the case of registered professional land surveyors, the
1066 certificate shall authorize the "practice of land surveying." In
1067 the case of a land surveyor intern, the certificate shall state
1068 that the applicant has successfully passed the examination in
1069 fundamental land surveying subjects required by the board and has
1070 been enrolled as a land surveyor intern * * *. Certificates
1071 shall show the full name of the professional land surveyor or land

1072 surveyor intern, shall have a serial number and shall be signed by
1073 the president and the secretary of the board under seal of the
1074 board.

1075 The issuance of a certificate of registration by this board
1076 shall be prima facie evidence that the person named therein is
1077 entitled to all the rights and privileges of a registered
1078 professional land surveyor, while the said certificate remains
1079 unrevoked or unexpired.

1080 Each person registering as a professional land surveyor after
1081 June 30, 1991, shall, upon registration, obtain a seal of the
1082 design authorized by the board, bearing the registrant's name and
1083 the legend "Registered Professional Land Surveyor." Each person
1084 registering as a professional land surveyor after June 30, 1991,
1085 who is also registered as a professional engineer in accordance
1086 with Sections 73-13-1 through 73-13-45 may also obtain one (1)
1087 seal bearing the registrant's name and the legend "Registered
1088 Professional Engineer and Professional Land Surveyor." Any person
1089 who, before July 1, 1991, was registered under this chapter as a
1090 land surveyor or as both a professional engineer and a land
1091 surveyor may continue to use the seal or seals that he obtained
1092 and that were authorized by the board to be used by such person
1093 before July 1, 1991. Plats, maps and reports prepared by a
1094 registrant shall be stamped with the seal during the life of the
1095 registrant's certificate, but it shall be unlawful for anyone to
1096 stamp or seal any documents with the seal after the certificate of
1097 the registrant named thereon has expired or * * * been revoked or
1098 suspended. It shall be unlawful for anyone other than the
1099 registrant to whom the seal has been issued to stamp or seal any
1100 documents utilizing such seal.

1101 SECTION 31. Section 73-13-85, Mississippi Code of 1972, is
1102 reenacted and amended as follows:

1103 73-13-85. Certificates of registration shall expire on the
1104 last day of the month of December following their issuance or
1105 renewal and shall become invalid on that date unless renewed. It

1106 shall be the duty of the board to notify every person registered
1107 under Sections 73-13-71 through 73-13-105 of the date of the
1108 expiration of his certificate and the amount of the fee that shall
1109 be required for its renewal for one (1) year; such notice shall be
1110 sent by first class mail to the last known address of the
1111 registrant at least one (1) month in advance of the date of the
1112 expiration of said certificate. Renewal may be effected at any
1113 time during the month of December by the payment of a fee not to
1114 exceed Fifty Dollars (\$50.00). A person who is registered as a
1115 professional land surveyor and as a professional engineer may
1116 effect both renewals by the payment of a single fee not to exceed
1117 Seventy-five Dollars (\$75.00). The failure on the part of any
1118 registrant to renew his certificate annually in the month of
1119 December as required above shall not deprive such person of the
1120 right of renewal, but the fee to be paid for the renewal of a
1121 certificate after the month of December shall be increased ten
1122 percent (10%) for each month that payment of renewal is delayed;
1123 however, the maximum fee for delayed renewal shall not exceed five
1124 (5) times the normal renewal fee.

1125 If the registrant shall fail to renew his certificate within
1126 five (5) years from the date of expiration, he must pay the back
1127 fees and be reexamined by the board in principles and practice
1128 before his certificate will be reissued. The reexamination may be
1129 waived by the board provided the applicant has continued to
1130 practice under another jurisdiction from the date of expiration of
1131 his certificate.

1132 SECTION 32. Section 73-13-87, Mississippi Code of 1972, is
1133 reenacted and amended as follows:

1134 73-13-87. The board may, upon application therefor and the
1135 payment of a fee to be determined by the board, but not to exceed
1136 Seventy-five Dollars (\$75.00), issue a certificate of registration
1137 as a professional land surveyor to any person who holds a
1138 certificate of registration issued to him by the proper authority
1139 of any state or territory or possession of the United States, or

1140 of any country, provided that the applicant's qualifications meet
1141 the requirements of Sections 73-13-71 through 73-13-105 and the
1142 rules established by the board.

1143 SECTION 33. Section 73-13-89, Mississippi Code of 1972, is
1144 reenacted and amended as follows:

1145 73-13-89. The powers and duties of the board regarding
1146 disciplinary actions against any person, including nonregistrants
1147 accused of violating any of the laws of the State of Mississippi
1148 regarding the practice of land surveying or the rules,
1149 regulations, bylaws, or standards of conduct and ethics pertaining
1150 thereto as duly promulgated by the board, as well as the
1151 procedures for conducting said disciplinary proceedings, the penal
1152 sanctions available to the board in the event the charges are
1153 established, and the procedures for appeal from such actions of
1154 the board shall be the same as those set forth in Sections
1155 73-13-37 and 73-13-39 regarding actions against persons charged
1156 with similar violations related to the practice of engineering.

1157 SECTION 34. Section 73-13-93, Mississippi Code of 1972, is
1158 reenacted as follows:

1159 73-13-93. Any person who may feel aggrieved by an action of
1160 the board denying or revoking his certificate of registration or
1161 re-registration as a professional land surveyor or enrollment as
1162 land surveyor intern may appeal therefrom to the chancery court of
1163 the county of residence of such person and, after full hearing,
1164 the court shall make such order sustaining or reversing the action
1165 of the board as to it may seem just and proper. However, in case
1166 of a nonresident licensee or applicant, such appeal shall be taken
1167 or made to the Chancery Court of the First Judicial District of
1168 Hinds County, Mississippi.

1169 Actions taken by the board in suspending a certificate of
1170 registration when required by Section 93-11-157 or 93-11-163 are
1171 not actions from which an appeal may be taken under this section.

1172 Any appeal of a suspension of a certificate that is required by
1173 Section 93-11-157 or 93-11-163 shall be taken in accordance with

1174 the appeal procedure specified in Section 93-11-157 or 93-11-163,
1175 as the case may be, rather than the procedure specified in this
1176 section.

1177 SECTION 35. Section 73-13-95, Mississippi Code of 1972, is
1178 reenacted and amended as follows:

1179 73-13-95. Any person who shall practice, or offer to
1180 practice, land surveying in this state without being registered in
1181 accordance with the provisions of Sections 73-13-71 through
1182 73-13-105, or any person presenting or attempting to use as his
1183 own the certificate of registration or the seal of another, or any
1184 person who shall give any false or forged evidence of any kind to
1185 the board or to any member thereof in obtaining a certificate of
1186 registration, or any person who shall falsely impersonate any
1187 other registrant of like or different name, or any person who
1188 shall attempt to use an expired or revoked certificate of
1189 registration, or any person who shall violate any of the
1190 provisions of Sections 73-13-71 through 73-13-105, shall be guilty
1191 of a misdemeanor, and shall, upon conviction, be sentenced to pay
1192 a fine of not less than One Hundred Dollars (\$100.00), nor more
1193 than One Thousand Dollars (\$1,000.00), or suffer imprisonment for
1194 a period of not exceeding three (3) months, or both. The criminal
1195 penalties provided for in this section may be assessed in addition
1196 to those civil penalties provided for in Section 73-13-37.

1197 Unless registered in accordance with the provisions of
1198 Sections 73-13-71 through 73-13-105, no person shall:

1199 (a) Directly or indirectly employ, use, cause to be
1200 used or make use of any of the following terms or any combination,
1201 variations or abbreviations thereof as a professional, business or
1202 commercial identification, title, name, representation, claim,
1203 asset or means of advantage or benefit: "surveyor," "professional
1204 surveyor," "licensed surveyor," "registered surveyor," "registered
1205 professional surveyor," "licensed professional surveyor,"
1206 "surveyed," "surveying," "professional land surveyor," or
1207 "registered professional land surveyor";

1208 (b) Directly or indirectly employ, use, cause to be
1209 used or make use of any letter, abbreviation, word, symbol,
1210 slogan, sign or any combinations or variations thereof, which in
1211 any manner whatsoever tends or is likely to create any impression
1212 with the public or any member thereof that any person is qualified
1213 or authorized to practice land surveying; or

1214 (c) Receive any fee or compensation or the promise of
1215 any fee or compensation for performing, offering or attempting to
1216 perform any service, work, act or thing which is any part of the
1217 practice of land surveying.

1218 Any person, firm, partnership, association or corporation
1219 which shall do, offer or attempt to do any one or more of the acts
1220 or things set forth in items (a) through (c) of the preceding
1221 paragraph shall be conclusively presumed and regarded as engaged
1222 in the practice of land surveying.

1223 It shall be the duty of all duly constituted officers of the
1224 law of this state, or any political subdivision thereof, to
1225 enforce the provisions of Sections 73-13-71 through 73-13-105 and
1226 to prosecute any persons violating same. The Attorney General of
1227 the state or his assistant shall act as legal adviser of the board
1228 and render such legal assistance as may be necessary in carrying
1229 out the provisions of Sections 73-13-71 through 73-13-105.

1230 SECTION 36. Section 73-13-97, Mississippi Code of 1972, is
1231 reenacted and amended as follows:

1232 73-13-97. Sections 73-13-71 through 73-13-105 shall not be
1233 construed to prevent or to affect:

1234 (a) Other professions or trades. The practice of any
1235 other legally recognized profession or trade; or

1236 * * *

1237 (b) Employees and subordinates. The work of an
1238 employee or a subordinate of a person holding a certificate of
1239 registration under Sections 73-13-71 through 73-13-105 * * *;
1240 providing such work does not include final decisions and is done
1241 under the direct responsibility, checking and supervision of a

1242 person holding a certificate of registration under Sections
1243 73-13-71 through 73-13-105 * * *; or

1244 (c) Government officers and employees. The practice of
1245 officers and employees of the government of the United States
1246 while engaged within this state in the practice of land surveying
1247 for said government; or

1248 (d) Certain elected or appointed county surveyors. A
1249 county surveyor as provided for in Section 135 of the Mississippi

1252 surveyor by either election or appointment, shall be exempt,
1253 through December 31, 1983, from the provisions of Sections
1254 73-13-71 through 73-13-105 insofar as his statutory duties within
1255 the boundaries of the county in which he is duly elected or
1256 appointed are concerned. From and after January 1, 1984, such
1257 surveyor shall not be exempt from the provisions of Sections
1258 73-13-71 through 73-13-105 unless he held the office of county
1259 surveyor by either election or appointment on December 31, 1983.

1260 (e) Employees of public service and/or utility
1261 companies. The work or practice of a regular employee of a public
1262 service company or public utility, by rendering to such company
1263 land surveying service in connection with its facilities which are
1264 subject to regulation, supervision and control in order to
1265 safeguard life, health and property by the Public Service
1266 Commission of this state, shall be exempt so long as such person
1267 is thus actually and exclusively employed and no longer.

1268 SECTION 37. Section 73-13-99, Mississippi Code of 1972,
1269 which provides for the repeal of Sections 73-13-1 through 73-13-45
1270 and Sections 73-13-71 through 73-13-97, Mississippi Code of 1972,
1271 is repealed.

1272 SECTION 38. A corporation, firm or partnership may engage in
