342 government is selected. In designating the geographical
343 boundaries of the wards, each ward shall contain, as nearly as
344 possible, the population factor obtained by dividing the
345 municipality's population as shown by the most recent decennial
346 census by the number of wards into which the municipality is to be
347 divided.

348 (c) (i) It shall be the mandatory duty of the council
349 to redistrict the municipality by ordinance, which ordinance may
350 not be vetoed by the mayor, within six (6) months after the
351 official publication by the United States of the population of the
352 municipality as enumerated in each decennial census, and within
353 six (6) months after the effective date of any expansion of
354 municipal boundaries; however, if the publication of the most
355 recent decennial census or effective date of an expansion of the
356 municipal boundaries occurs six (6) months or more before the

357 preferential election in a municipality, then the council shall
358 redistrict the municipality by ordinance not less than sixty (60)
359 days before the preferential election.

360 (ii) If the publication of the most recent
361 decennial census occurs less than six (6) months before the
362 preferential election in a municipality, then the council shall
363 redistrict the municipality by ordinance not later than twenty
364 (20) days before the preferential election.

365 (iii) If the publication of the most recent
366 decennial census is not received by the council in time to
367 redistrict the municipality at least twenty (20) days before the
368 preferential election in a municipality, then the council shall
369 redistrict the municipality by ordinance not later than twenty
370 (20) days before a special preferential election provided for
371 hereafter in this subparagraph. If the census is not received in
372 time to redistrict the municipality, as provided above, the mayor
373 and councilmen shall be elected by the voters of the municipality
374 at a special general municipal election held on the fourth Tuesday
375 after the first Monday in June, and a special preferential
376 election shall be held on the second Tuesday after the first
377 Monday in June, notwithstanding any other provision of law to the
378 contrary.

379 (d) If annexation of additional territory into the
380 municipal corporate limits of the municipality shall occur less
381 than six (6) months before the preferential election in a
382 municipality, the council shall assign, by ordinance adopted
383 within three (3) days of the effective date of the
384 annexation, * * * annexed territory to an adjacent ward or wards
385 so as to maintain as nearly as possible substantial equality of
386 population between wards; any subsequent redistricting of the
387 municipality by ordinance as required by this chapter shall not
388 serve as the basis for representation until the next regularly
389 scheduled election for municipal councilmen.

390 (e) If the council shall have failed to redistrict the
391 municipality as herein required, the members of the council shall
392 not receive any further salaries until the council has adopted the
393 ordinance and the checks for such salaries for said periods shall
394 not be issued.

395 (5) Vacancies occurring in the council shall be filled as
396 provided in Section 23-15-857.

397 (6) The mayor shall maintain an office at the city hall.
398 The councilmen shall not maintain individual offices at the city
399 hall; provided, however, that in municipalities with populations
400 of one hundred ninety thousand (190,000) and above, councilmen may
401 have individual offices in the city hall. Clerical work of
402 councilmen in the performance of the duties of their office shall
403 be performed by municipal employees or at municipal expense, and
404 councilmen shall be reimbursed for the reasonable expenses
405 incurred in the performance of the duties of their office.

406 SECTION 19. Section 21-15-1, Mississippi Code of 1972, is
407 amended as follows:

408 21-15-1. All officers elected at the general municipal
409 election provided for in Section 11, House Bill No. _____, 1999
410 Regular Session, shall qualify and enter upon the discharge of
411 their duties on the first Monday of July after the general

570 subsection (2) of this section.

571 (5) The commissioners of election shall be entitled to

580 amended as follows:

581 23-15-159. (1) When the commissioners of election meet for
582 the purpose of revising the registration and pollbooks of the
583 several voting precincts, they may erase therefrom the names of
584 all persons who have not voted in at least one (1) election,
585 whether it be a general, preferential or special election, * * *
586 whether on a county, state or federal level, in the last four (4)
587 successive years.

588 (2) In erasing or removing the names of persons due to
589 failure to vote in at least one (1) election for four (4)
590 successive years, the notice procedure * * * provided by this
591 section shall have been completed before the erasure or removal.

592 (a) Ninety (90) days before the erasure or removal, the
593 commissioners of election shall examine the registration books and
594 pollbooks of the several voting precincts and shall suspend the
595 registration of all electors who have not voted in at least one
596 (1) general, preferential or special election, * * * whether on
597 the county, or state * * * level, during the last four (4)
598 successive years, and shall suspend the registration of all
599 electors who have not voted or appeared to vote in an election for
600 federal office during the period beginning the date of the notice
601 of cancellation of registration to vote and ending on the day
602 after the date of the second general election for federal office
603 that occurs after the date of the notice.

604 (b) Within sixty (60) days after the suspension, the
605 commissioners of election shall mail notice by first class mail to
606 each elector whose registration is suspended, at his last-known
607 address, stating substantially as follows: "You are hereby
608 notified that, according to state law, your registration as a
609 qualified elector will be canceled for having failed to vote
610 within the past four (4) successive years, unless within thirty
611 (30) days of the date this notice is postmarked you continue your
612 registration by applying in writing to the commissioners of
613 election." The commissioners shall furnish each elector so
614 notified with the name and address of the commissioners of
615 elections printed on the face thereof which may be used by the
616 elector in notifying the commissioners of elections of the
617 elector's desire to continue the elector's registration. The
618 commissioners shall affix sufficient postage to the return card so
619 as to insure proper delivery to the commissioners.

620 (c) The commissioners shall cancel the registration of

621 all electors thus notified who have not applied for continuance
622 within the prescribed time period, and the names of all such
623 electors shall be removed from the list of qualified electors on
624 the date designated for erasure. * * * However, the names of
625 electors who have been removed from the list of qualified electors
626 shall be compiled and be made a part of a list entitled "Names of
627 those purged from the registration books," the list to be attached
628 to the registration books. A copy of the list shall be furnished
629 to the appropriate municipal election commissioners within the
630 county, and the persons whose names are contained thereon shall be
631 removed from the registration books.

632 (d) Any elector whose registration has been thus
633 canceled may cast, at any election, * * * a vote by affidavit
634 ballot in the same manner as set forth in Section 23-15-573. The
635 affidavit ballot shall be counted at the election in which it is
636 cast, if not otherwise disqualified, and the name of the person
637 shall be reentered on the registration books if the person is not
638 otherwise disqualified. As an alternative to casting an affidavit
639 ballot, any elector whose registration has been canceled pursuant
640 to this subsection may reregister in the manner provided for
641 original registration.

642 (3) Notwithstanding the provisions of this section, no
643 person who has been registered by any federal registrar shall be
644 removed except in conformity with any federal law, rules or
645 regulations providing for the removal of names from the
646 registration books.

647 (4) No years in which a person has not voted before January
648 1, 1984, shall be used in calculating the four-year period
649 provided for in this section.

677 shall be regularly elected, the selection to be in the following
678 manner, to wit: The chairman of the county executive committee of
679 the party desiring to select a municipal executive committee
680 shall, upon petition of five (5) or more members of that political
681 faith, call a mass meeting of the electors of their political
682 faith, residing in the municipality, to meet at some convenient
683 place within the municipality, at a time to be designated in the
684 call, and at the mass convention the members of that political
685 faith shall select an executive committee which shall serve until
686 the next * * * election. The public shall be given notice of the

691 official ballot is left to the discretion of the officer charged
692 with printing the official ballot; however, the names of the

713 issue elections, shall not be construed to affect any statutory
714 requirements specifying the notice procedure and the necessary
715 percentage of qualified electors voting in * * * an election which
716 is needed for adoption of the local issue. Whether or not a local
717 issue is adopted or defeated at a local issue election held on the
718 same day as a regular or general election shall be determined in
719 accordance with relevant statutory requirements regarding the

720 necessary percentage of qualified electors who voted in the local
721 issue election, and only those persons voting for or against the
722 issue shall be counted in making that determination. As used in
723 this section "local issue elections" include elections regarding
724 the issuance of bonds, local option elections, elections regarding
725 the levy of additional ad valorem taxes and other similar
726 elections authorized by law that are called to consider issues
727 that affect a single local governmental entity. As used in this

738 requirements: It shall secure to the voter secrecy in the act of
739 voting; it shall provide facilities for voting for all
740 candidates * * * and for or against as many questions as
741 submitted; * * * it shall permit the voter to vote for as many
742 persons for an office as he is lawfully entitled to vote for, but
743 not more; it shall prevent the voter from voting for the same
744 person more than once for the same office; it shall permit the
745 voter to vote for or against any question he may have the right to
746 vote on, but no other; * * * it shall correctly register or record
747 and accurately count all votes cast for any and all persons and

755 may * * * be provided with one (1) device for each party for
756 voting for all the presidential electors of that party by one (1)
757 operation, and a ballot therefor containing only the words
758 "Presidential Electors For" preceded by the name of that party and
759 followed by the names of the candidates thereof for the offices of
760 President and Vice President, and a registering device therefor
761 which shall register the vote cast for the electors when thus
762 voted collectively; provided, however, that means shall be
763 furnished whereby the voter can cast a vote for individual
764 electors when permitted to do so by law.

765 SECTION 31. Section 23-15-411, Mississippi Code of 1972, is
766 amended as follows:

767 23-15-411. The officer who furnishes the official ballots
768 for any polling place where a voting machine is to be used
769 shall * * * provide two (2) sample ballots or instruction ballots,

771 of a diagram showing that portion of the front of the voting
772 machine as it will appear after the official ballots are arranged
773 thereon or therein for voting on election day. The sample ballots
774 shall be open to the inspection of all voters on election day in
775 all preferential and general elections where voting machines are
776 used.

785 system in all or a part of the precincts within its boundaries or

786 in combination with paper ballots in any election. * * * It may
787 enlarge, consolidate or alter the boundaries of precincts where an
788 electronic voting system is used. The provisions of Sections
789 23-15-461 through 23-15-485 shall be controlling with respect to
790 elections where an electronic voting system is used, and shall be
791 liberally construed so as to carry out the purpose of this
792 chapter. The provisions of the election law relating to the
793 conduct of elections with paper ballots, insofar as they are
794 applicable and not inconsistent with the efficient conduct of
795 elections with electronic voting systems, shall apply. Absentee
796 ballots shall be voted as now provided by law.

797 SECTION 33. Section 23-15-465, Mississippi Code of 1972, is
798 amended as follows:

799 23-15-465. No electronic voting system consisting of a
800 marking or voting device in combination with automatic tabulating
801 equipment shall be acquired or used in accordance with Sections

812 is entitled to vote for the office or on the measure;

813 (c) Permit each voter at presidential elections by one
814 (1) mark or punch to vote for the candidates of that party for

817 law;

818 * * *

821 (e) Prevent the voter from voting for the same person
822 more than once for the same office;

823 (f) Be suitably designed for the purpose used, of
824 durable construction, and may be used safely, efficiently and
825 accurately in the conduct of elections and counting ballots;

826 (g) Be provided with means for sealing the voting or

839 or used in accordance with this chapter unless it shall:

840 (a) Permit each voter to vote at any election for all
841 persons and no others for whom and for which they are lawfully

843 they are entitled to vote for; to vote for or against any
844 questions upon which they are entitled to vote;

1431 be called on to take part if elected. It shall be unlawful for
1432 any person to directly or indirectly solicit or receive any

1449 persons employed for similar purposes in the highway district or
1450 supervisors district, as the case may be, during the months
1451 of * * * August, September, October and November of the three (3)
1452 years immediately preceding the year in which such general * * *

1476 to the employees, so that it may be ascertained, from an
1477 examination of the records, whether or not the provisions of this
1478 chapter have been violated.

1479 It is provided, however, because of the abnormal conditions
1480 existing in certain counties of the state due to recent floods in
1481 which roads and bridges have been materially damaged or washed
1482 away and destroyed, if the board of supervisors in any county
1483 passes a resolution as provided in Section 19-9-11, Mississippi

1503 office, free transportation or telegraph or telephone service, as
1504 the case may be, or any reduction thereof that is not made alike
1505 to all other persons. All persons required by the provisions of
1506 this chapter to make and file statements shall make oath that they

1516 manager pursuant to the provisions of Section 23-15-897, shall
1517 bear upon the face thereof the name and the address of the author
1518 and of the printer and publisher thereof, and failure to so
1519 provide shall be a misdemeanor, and it shall be a misdemeanor for

1523 SECTION 58. Section 23-15-911, Mississippi Code of 1972, is
1524 amended as follows:

1525 23-15-911. When the returns for a box and the contents of
1526 the ballot box and the conduct of the election thereat have been
1527 canvassed and reviewed by the county election commission, * * *
1528 all the contents of the box required to be placed and sealed in
1529 the ballot box by the managers shall be replaced therein by the
1530 election commission * * * and the box shall be * * * resealed
1531 immediately and delivered to the circuit clerk, who shall safely
1532 keep and secure the box against any tampering. * * * At any time
