37 establish, administer and maintain the system.

38           All teachers employed on a full-time basis shall be paid a

41 school year during which the local supplement paid to any  
42 individual teacher shall have been reduced to a sum less than that  
43 paid to that individual teacher for performing the same duties  
44 from local supplement during the immediately preceding school  
45 year. The amount actually spent for the purposes of group health

68 person shall have twenty-one (21) years of teaching experience.

69 The level of professional training of each teacher to be used

72 issued to those teachers on or before October 1 of the current  
73 school year.

74 (2) Prior to April 15 of any school year in which a teacher

80 receive a salary supplement in the amount of Six Thousand Dollars  
81 (\$6,000.00) in addition to any other compensation to which the  
82 teacher may be entitled. The teacher shall be reimbursed one (1)

85 process resulted in the award of the Master Teacher certificate.  
86 All such salary supplements and process reimbursement shall be  
87 paid directly by the State Department of Education to the local  
88 school district and shall be in addition to its minimum education  
89 program allotments and not a part thereof in accordance with  
90 regulations promulgated by the State Board of Education, and  
91 subject to appropriation by the Legislature. Local school  
92 districts shall not reduce the local supplement paid to any  
93 teacher receiving such salary supplement, and the teacher shall  
94 receive any local supplement to which teachers with similar  
95 training and experience are otherwise entitled.

96 (3) Beginning with the next school year following the school
