SENATE BILL NO. 2819

1 AN ACT TO AMEND SECTION 25-3-97, MISSISSIPPI CODE OF 1972, TO
2 AUTHORIZE THE TRANSFER OF ACCUMULATED LEAVE BETWEEN STATE AND
3 COUNTY DEPARTMENTS AND AGENCIES; AND FOR RELATED PURPOSES. BE IT
4 ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

5
6 SECTION 1. Section 25-3-97, Mississippi Code of 1972, is
7 amended as follows:

8 25-3-97. (1) All organizations shall keep accurate records
9 of the leave accumulated and used by the officers and employees
10 thereof.

11 (2) The appointing authority in nonstate service agencies
12 within the meaning of Section 25-9-107 will develop rules for
13 proper maintenance of leave records. The rules shall include
14 provisions which shall keep the employee informed on a monthly
15 basis as to his accumulated leave balances. For accounting
16 purposes an employee's anniversary date is the date of employment
17 to full-time permanent or provisional service in state government.

18 (3) The appointing authority in nonstate service agencies,
19 in conjunction with the State Fiscal Officer, will develop rules
20 for the final payment of accrued leave at such time that an
21 employee leaves state employment. At no time will an employee be
22 paid for accrued leave while still employed in state service,
23 except that major medical leave pay may be made as heretofore
24 provided. No payment will be made for accrued major medical leave
25 except that an employee who presents medical evidence that his
26 physical condition is such that he can no longer work in a
27 capacity of state government may be paid for not more than one

28 hundred twenty (120) days of earned major medical leave.

29 (4) The State Fiscal Officer, before issuing a warrant to
30 any of said employees for the payment of his salary, shall be
31 furnished by each appointing authority any reports as required by
32 the State Fiscal Officer as to absences in the department. The
33 appointing authority shall make the required deduction from the
34 salary as indicated on the affidavit in submitting their payroll
35 requisitions to the Department of Finance and Administration, or
36 if the State Fiscal Officer learns of such excessive absence from
37 some other source, he is empowered to make such deduction, unless
38 such absence shall have been for official business, personal
39 leave, or by the permission of the Governor previously obtained.
40 The State Fiscal Officer may promulgate rules on reporting
41 absences in the agencies.

42 (5) All accrued leave, both major medical and personal
43 leave, earned by employees shall be transferrable between or among
44 any and all state agencies, junior colleges and senior colleges,
45 and county departments and agencies. Each appointing authority or
46 county employer shall be furnished a statement of accrued leave at
47 the time of transfer by an employee.

48 (6) Should an employee die having accumulated personal leave
49 as provided in Section 25-3-93, the wages or salary which would
50 have been paid to such employee during his leave shall be paid to
51 the person designated by such employee for this purpose or, in the
52 absence of such designation, to the beneficiary of such employee
53 as recorded with the Public Employees' Retirement System.
54 Accumulated leave shall be considered for the purpose of Sections
55 25-3-91 through 25-3-99 as wages or salary earned and not paid.

56 SECTION 2. This act shall take effect and be in force from
57 and after July 1, 1999.
