## SENATE BILL NO. 2863

1 AN ACT TO AMEND SECTION 65-1-171, MISSISSIPPI CODE OF 1972,  
2 TO REQUIRE THE MISSISSIPPI DEPARTMENT OF TRANSPORTATION TO UTILIZE  
3 STATE FUNDS TO MATCH ALL FEDERAL FUNDS UTILIZED IN THE PLANNING  
4 AND CONSTRUCTION OF A ROAD AND BRIDGE ACROSS THE PEARL RIVER TO  
5 THE ENTRANCE OF THE JACKSON INTERNATIONAL AIRPORT; TO REQUIRE THE  
6 LEGISLATURE TO APPROPRIATE MATCHING FUNDS FOR SUCH PROJECT; AND  
7 FOR RELATED PURPOSES.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

9 SECTION 1. Section 65-1-171, Mississippi Code of 1972, is  
10 amended as follows:

11 65-1-171. (1) Pursuant to federal appropriations for  
12 transportation system improvements, the Mississippi Department of  
13 Transportation is hereby authorized and empowered to construct a  
14 road and bridge along the following route: Begin at or near North  
15 State Street in the City of Jackson's central business district  
16 and extend in an easterly direction across the Pearl River to  
17 Mississippi 475 at or near the entrance to the Jackson  
18 International Airport, for a total distance of approximately 4.6  
19 miles. Final roadway alignment will be determined by a  
20 feasibility study.

21 (2) Except as otherwise provided in this section, the  
22 department shall utilize only monies made available to it from the  
23 boards of supervisors and the governing authorities of the  
24 counties and municipalities within which such project is located  
25 to defray the cost of the project; however, the department shall  
26 utilize state funds to match any federal funds which are specially  
27 provided for preliminary engineering, right-of-way acquisition and  
28 construction for the connections between I-55 and Mississippi 475

29 at or near the entrance to the Jackson International Airport, in  
30 addition to those federal funds with obligational authority as are  
31 regularly apportioned and appropriated to the State of Mississippi  
32 for highway purposes. The department shall utilize state funds to  
33 match any other federal funds that are used to pay the costs of  
34 the project. Accessory improvements shall be made to local  
35 streets to accommodate traffic generated by the project. All  
36 improvements shall conform to congressional appropriations enacted  
37 for planning and construction of the project.

38 (3) The Legislature shall appropriate to the Mississippi  
39 Department of Transportation the amounts necessary to provide  
40 funds to match any federal funds which are used to pay the costs  
41 of the project.

42 SECTION 2. This act shall take effect and be in force from  
43 and after July 1, 1999.
