279 information related to enabling the child to be involved in and

280 progress in the general curriculum or, for preschool children, to

281 participate in appropriate activities;

315 Education;

316 (b) In making such a determination of eligibility, a

317 child shall not be determined to be a child with a disability if

318 the determinant factor for such determination is lack of

319 instruction in reading or math or limited English proficiency; and

320 (c) A copy of the evaluation report and the

321 documentation of determination of eligibility will be given to the

322 parent.

323 (11) Parents shall have an opportunity to obtain an

324 independent educational evaluation of their child in accordance
325 with the requirements under IDEA.

326 SECTION 4. (1) The State Department of Education shall
327 establish the necessary rules and regulations in accordance with
328 IDEA to provide for an organization or individual to file a signed

357 (2) The State Department of Education shall ensure that the
358 mediation process is:

359 (a) Voluntary on the part of the parties;

363 (c) Conducted by a qualified and impartial mediator who
364 is trained in effective mediation techniques.

368 with a disinterested party who is under contract with a parent
369 training and information center or community parent resource
370 center in the state established under IDEA, or an appropriate
371 alternative dispute resolution entity. The purpose of the meeting
372 is to encourage the use, and explain the benefits, of the
373 mediation process to the parents.

374 (4) The State Department of Education shall maintain a list
375 of individuals who are qualified mediators and knowledgeable in
376 laws and regulations relating to the provision of special

379 including the costs of all meetings described in this section.

380 (6) Each session in the mediation process shall be scheduled
381 in a timely manner and shall be held in a location that is
382 convenient to the parties in dispute.

387 shall be confidential and may not be used as evidence in any

388 subsequent due process hearings or civil proceedings and the
389 parties to the mediation process may be required to sign a
390 confidentiality pledge prior to the commencement of such process.

391 SECTION 6. (1) When any public agency directly responsible
392 for the education of children with disabilities initiates or
393 refuses to initiate or change the identification, evaluation, or
394 educational placement of the child or the provision of a free
395 appropriate public education to the child, the parent of a child
396 with a disability or the agency shall have the opportunity to
397 request a state-level impartial due process hearing.

398 (2) The State Department of Education shall promulgate rules
399 and regulations consistent with the requirements under IDEA to
400 establish a system for the provision of state-level impartial due
401 process hearings. Such provisions shall include:

402 (a) At least five (5) business days prior to a hearing
403 being conducted, each party shall disclose to all other parties
404 all evaluations completed by that date and recommendations based
405 on the offering party's evaluations that the party intends to use
406 at the hearing. A hearing officer may bar any party that fails to

409 the other party.

428 by the hearing officer shall have the right to bring a civil
429 action with respect to the issues of the due process hearing.
430 Such civil action may be brought in any court of competent
431 jurisdiction within thirty (30) days from the date of the decision
432 of the impartial due process hearing officer.

433 (4) Except as provided under IDEA, during the pendency of
434 any proceedings conducted pursuant to this section, unless the

436 child will remain in the then-current educational placement of
437 such child, or, if applying for initial admission to a public
438 school, shall, with the consent of the parents, be placed in the
439 public school program until all such proceedings have been
440 completed. This requirement does not limit the local educational
441 agency from obtaining a temporary restraining order from any court
442 of competent jurisdiction, as deemed necessary by the agency.

443 SECTION 7. (1) The State Board of Education shall establish
444 and maintain an advisory panel for the purpose of providing policy

496 extent appropriate, with other goals and standards for children
497 established by the State Department of Education. Performance

499 that, at a minimum, address the performance of children with
500 disabilities on assessments, drop-out rates, and graduation rates

502 meeting the established performance goals shall be reported to the
503 public.

525 alternate assessments, not later than July 1, 2000, if doing so
526 would be statistically sound and would not result in the
527 disclosure of performance results identifiable to individual
528 children; and

529 (d) Data relating to the performance of children with
530 disabilities shall be disaggregated for assessments conducted
531 after July 1, 1998.

532 SECTION 10. There is hereby created in the State Treasury a
533 special fund to be designated as the "Special Education, Special
534 Services Fund" which shall be used to distribute any funds

547 and consideration, make provision for appropriate modification of

548 testing instruments and procedures for students with identified
549 handicaps or disabilities in order to ensure that the results of
550 the testing represent the student's achievement, rather than
551 reflecting the student's impaired sensory, manual, speaking or
552 psychological process skills, except when such skills are the
553 factors the test purports to measure.

554 (2) The public hearing and consideration required hereunder
555 shall not be construed to amend or nullify the requirements of

581 children; and

582 (d) Data relating to the performance of children with
583 disabilities shall be disaggregated for assessments conducted
584 after July 1, 1998.

604 interests of the child and his improvement at a time during which
605 he is most susceptible of improvement. Educational programs to
606 exceptional children under the age of three (3) years shall be
607 eligible for minimum program funds as defined in Sections 37-23-3
608 and 37-19-5.

609 The educational programs and services provided for

616 for special education programs and students with disabilities.

619 children for life after their years in school. These standards
620 shall be a part of the accreditation system and shall be
621 implemented before July 1, 1996.

622 The State Department of Education shall establish goals for
623 the performance of children with disabilities that will promote
624 the purpose of IDEA and are consistent, to the maximum extent
625 appropriate, with other goals and standards for children
626 established by the State Department of Education. Performance
627 indicators used to assess progress toward achieving those goals
628 that, at a minimum, address the performance of children with
629 disabilities on assessments, drop-out rates, and graduation rates
630 shall be developed. Every two (2) years, the progress toward
631 meeting the established performance goals shall be reported to the
632 public.

638 (including deafness), speech or language impairments, visual

658 this pilot project, a child with a disability as defined in the
659 Individuals with Disabilities Education Act (IDEA) may not be
660 denied language services because his measured cognitive

664 of the child in the language area must indicate a delay relative
665 to the child's chronological age. Individual determination of a

667 development in the language area, the need for support for basic
668 adaptive skills in language development and the extent to which the
669 child's lack of ability in the language area may have interfered
670 with academic achievement or development milestones. In the area
671 of language development, a child's need of alternative or
672 augmentative communication modes and the need for language
673 development must be considered fundamental in making their
674 determination of need for services.

683 pilot project; an estimate of the number of children who would
684 likely utilize similar services if provided on a statewide basis;
685 and an estimate of the cost of providing such services on a
686 statewide basis.
