HOUSE BILL NO. 105

1 AN ACT TO AMEND SECTION 25-11-103, MISSISSIPPI CODE OF 1972,
2 TO PROVIDE THAT PUBLIC SCHOOL BUS DRIVERS SHALL BE ELIGIBLE TO
3 BECOME OR REMAIN MEMBERS OF THE PUBLIC EMPLOYEES' RETIREMENT
4 SYSTEM REGARDLESS OF THE WEEKLY OR MONTHLY NUMBER OF HOURS WORKED;
5 TO AMEND SECTION 25-11-105, MISSISSIPPI CODE OF 1972, IN
6 CONFORMITY TO THE PRECEDING PROVISION; AND FOR RELATED PURPOSES.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

8 SECTION 1. Section 25-11-103, Mississippi Code of 1972, is
9 amended as follows:

10 25-11-103. The following words and phrases as used in
11 Articles 1 and 3, unless a different meaning is plainly required
12 by the context, shall have the following meanings:

13 (a) "Accumulated contributions" shall mean the sum of
14 all the amounts deducted from the compensation of a member and
15 credited to his individual account in the annuity savings account,
16 together with regular interest thereon as provided in Section
17 25-11-123.

18 (b) "Actuarial cost" shall mean the amount of funds
19 presently required to provide future benefits as determined by the
20 board based on applicable tables and formulas provided by the
21 actuary.

22 (c) "Actuarial equivalent" shall mean a benefit of
23 equal value to the accumulated contributions, annuity or benefit,

24 as the case may be, when computed upon the basis of such mortality
25 tables as shall be adopted by the board of trustees, and regular
26 interest.

27 (d) "Actuarial tables" shall mean such tables of
28 mortality and rates of interest as shall be adopted by the board
29 in accordance with the recommendation of the actuary.

30 (e) "Agency" shall mean any governmental body employing
31 persons in the state service.

32 (f) "Average compensation" shall mean the average of
33 the four (4) highest years of earned compensation reported for an
34 employee in a fiscal or calendar year period, or combination
35 thereof which do not overlap, or the last forty-eight (48)
36 consecutive months of earned compensation reported for an
37 employee. The four (4) years need not be successive or joined
38 years of service. In no case shall the average compensation so
39 determined be in excess of One Hundred Twenty-five Thousand
40 Dollars (\$125,000.00). In computing the average compensation, any
41 amount paid in a lump sum for personal leave shall be included in
42 the calculation to the extent that such amount does not exceed an
43 amount which is equal to thirty (30) days of earned compensation
44 and to the extent that it does not cause the employees' earned
45 compensation to exceed the maximum reportable amount specified in
46 Section 25-11-103(k); provided, however, that such thirty-day
47 limitation shall not prevent the inclusion in the calculation of
48 leave earned under federal regulations prior to July 1, 1976, and
49 frozen as of that date as referred to in Section 25-3-99. Only
50 the amount of lump sum pay for personal leave due and paid upon
51 the death of a member attributable for up to one hundred fifty
52 (150) days shall be used in the deceased member's average
53 compensation calculation in determining the beneficiary's
54 benefits. In computing the average compensation, no amounts shall

55 be used which are in excess of the amount on which contributions
56 were required and paid. If any member who is or has been granted
57 any increase in annual salary or compensation of more than eight
58 percent (8%) retires within twenty-four (24) months from the date
59 that such increase becomes effective, then the board shall exclude
60 that part of the increase in salary or compensation that exceeds
61 eight percent (8%) in calculating that member's average
62 compensation for retirement purposes. The board may enforce this
63 provision by rule or regulation. However, increases in
64 compensation in excess of eight percent (8%) per year granted
65 within twenty-four (24) months of the date of retirement may be
66 included in such calculation of average compensation if
67 satisfactory proof is presented to the board showing that the
68 increase in compensation was the result of an actual change in the
69 position held or services rendered, or that such compensation
70 increase was authorized by the State Personnel Board or was
71 increased as a result of statutory enactment, and the employer
72 furnishes an affidavit stating that such increase granted within
73 the last twenty-four (24) months was not contingent on a promise
74 or agreement of the employee to retire. Nothing in Section
75 25-3-31 shall affect the calculation of the average compensation
76 of any member for the purposes of this article. The average
77 compensation of any member who retires before July 1, 1992, shall
78 not exceed the annual salary of the Governor.

79 (g) "Beneficiary" shall mean any person entitled to
80 receive a retirement allowance, an annuity or other benefit as
81 provided by Articles 1 and 3. In the event of the death prior to
82 retirement of any member whose spouse and/or children are not

83 entitled to a retirement allowance, the lawful spouse of a member
84 at the time of the death of such member shall be the beneficiary
85 of such member unless the member has designated another
86 beneficiary subsequent to the date of marriage in writing, and
87 filed such writing in the office of the executive director of the
88 board of trustees. No designation or change of beneficiary shall
89 be made in any other manner.

90 (h) "Board" shall mean the board of trustees provided
91 in Section 25-11-15 to administer the retirement system herein
92 created.

93 (i) "Creditable service" shall mean "prior service,"
94 "retroactive service" and all lawfully credited unused leave not
95 exceeding the accrual rates and limitations provided in Section
96 25-3-91 et seq., as of the date of withdrawal from service plus
97 "membership service" for which credit is allowable as provided in
98 Section 25-11-109. Except to limit creditable service reported to
99 the system for the purpose of computing an employee's retirement
100 allowance or annuity or benefits provided in this article, nothing
101 in this paragraph shall limit or otherwise restrict the power of
102 the governing authority of a municipality or other political
103 subdivision of the state to adopt such vacation and sick leave
104 policies as it deems necessary.

105 (j) "Child" means either a natural child of the member,
106 a child that has been made a child of the member by applicable
107 court action before the death of the member, or a child under the
108 permanent care of the member at the time of the latter's death,
109 which permanent care status shall be determined by evidence
110 satisfactory to the board.

111 (k) "Earned compensation" shall mean the full amount
112 earned by an employee for a given pay period including any
113 maintenance furnished up to a maximum of One Hundred Twenty-five
114 Thousand Dollars (\$125,000.00) per year, and proportionately for
115 less than one (1) year of service. The value of such maintenance
116 when not paid in money shall be fixed by the employing state
117 agency, and, in case of doubt, by the board of trustees as defined
118 in Section 25-11-15. In any case, earned compensation shall be
119 limited to the regular periodic compensation paid, exclusive of
120 litigation fees, bond fees, and other similar extraordinary
121 nonrecurring payments. In addition, any member in a covered
122 position, as defined by Public Employees' Retirement System laws
123 and regulations, who is also employed by another covered agency or
124 political subdivision shall have the earnings of that additional
125 employment reported to the Public Employees' Retirement System
126 regardless of whether the additional employment is sufficient in
127 itself to be a covered position. In the case of fee officials,
128 the net earnings from their office after deduction of expenses
129 shall apply, except that in no case shall earned compensation be
130 less than the total direct payments made by the state or
131 governmental subdivisions to the official, and employer and
132 employee contributions shall be paid thereon. In the case of
133 members of the state Legislature, all remuneration or amounts
134 paid, except mileage allowance, shall apply. The amount by which
135 an eligible employee's salary is reduced pursuant to a salary
136 reduction agreement authorized under Section 25-17-5 shall be
137 included as earned compensation under this paragraph, provided
138 this inclusion does not conflict with federal law, including

139 federal regulations and federal administrative interpretations
140 thereunder, pertaining to the Federal Insurance Contributions Act
141 or to Internal Revenue Code Section 125 cafeteria plans.

142 Compensation in addition to an employee's base salary that is paid
143 to the employee pursuant to the vacation and sick leave policies
144 of a municipality or other political subdivision of the state that
145 employs him which exceeds the maximums authorized by Section
146 25-3-91 et seq., shall be excluded from the calculation of earned
147 compensation under this article. The maximum salary applicable
148 for retirement purposes before July 1, 1992, shall be the salary
149 of the Governor. Nothing in Section 25-3-31 shall affect the
150 determination of the earned compensation of any member for the
151 purposes of this article.

152 (l) "Employee" means any person legally occupying a
153 position in the state service, and shall include the employees of
154 the retirement system created hereunder.

155 (m) "Employer" shall mean the State of Mississippi or
156 any of its departments, agencies or subdivisions from which any
157 employee receives his compensation.

158 (n) "Executive director" shall mean the secretary to
159 the board of trustees, as provided in Section 25-11-15(9), and the
160 administrator of the Public Employees' Retirement System and all
161 systems under the management of the board of trustees. Wherever
162 the term "Executive Secretary of the Public Employees' Retirement
163 System" or "executive secretary" appears in this article or in any
164 other provision of law, it shall be construed to mean the
165 Executive Director of the Public Employees' Retirement System.

166 (o) "Fiscal year" shall mean the period beginning on

167 July 1 of any year and ending on June 30 of the next succeeding
168 year.

169 (p) "Medical board" shall mean the board of physicians
170 or any governmental or nongovernmental disability determination
171 service designated by the board of trustees that is qualified to
172 make disability determinations as provided for in Section
173 25-11-119.

174 (q) "Member" shall mean any person included in the
175 membership of the system as provided in Section 25-11-105.

176 (r) "Membership service" shall mean service as an
177 employee rendered while a member of the retirement system.

178 (s) "Position" means any office or any employment in
179 the state service, or two (2) or more of them, the duties of which
180 call for services to be rendered by one (1) person, including
181 positions jointly employed by federal and state agencies
182 administering federal and state funds. The employer shall
183 determine upon initial employment and during the course of
184 employment of an employee who does not meet the criteria for
185 coverage in the Public Employees' Retirement System based on the
186 position held, whether the employee is or becomes eligible for
187 coverage in the Public Employees' Retirement System based upon any
188 other employment in a covered agency or political subdivision. If
189 or when the employee meets the eligibility criteria for coverage
190 in such other position, then the employer must withhold
191 contributions and report wages from the noncovered position in
192 accordance with the provisions for reporting of earned
193 compensation. Failure to deduct and report those contributions
194 shall not relieve the employee or employer of liability thereof.

195 The board shall adopt such rules and regulations as necessary to
196 implement and enforce this provision.

197 (t) "Prior service" shall mean service rendered before
198 February 1, 1953, for which credit is allowable under Sections
199 25-11-105 and 25-11-109, and which shall allow prior service for
200 any person who is now or becomes a member of the Public Employees'
201 Retirement System and who does contribute to the system for a
202 minimum period of four (4) years.

203 (u) "Regular interest" shall mean interest compounded
204 annually at such a rate as shall be determined by the board in
205 accordance with Section 25-11-121.

206 (v) "Retirement allowance" shall mean an annuity for
207 life as provided in this article, payable each year in twelve (12)
208 equal monthly installments beginning as of the date fixed by the
209 board. The retirement allowance shall be calculated in accordance
210 with Section 25-11-111. Provided, any spouse who received a
211 spouse retirement benefit in accordance with Section 25-11-111(d)
212 prior to March 31, 1971, and said benefits were terminated because
213 of eligibility for a Social Security benefit, may again receive
214 his spouse retirement benefit from and after making application
215 with the board of trustees to reinstate such spouse retirement
216 benefit.

217 (w) "Retroactive service" shall mean service rendered
218 after February 1, 1953, for which credit is allowable under
219 Section 25-11-105(b) and Section 25-11-105(k).

220 (x) "System" shall mean the Public Employees'
221 Retirement System of Mississippi established and described in
222 Section 25-11-101.

223 (y) "State" shall mean the State of Mississippi or any
224 political subdivision thereof or instrumentality thereof.

225 (z) "State service" shall mean all offices and
226 positions of trust or employment in the employ of the state, or
227 any political subdivision or instrumentality thereof, which elect
228 to participate as provided by Section 25-11-105 (f), including the
229 position of elected or fee officials of the counties and their
230 deputies and employees performing public services or any
231 department, independent agency, board or commission thereof, and
232 shall also include all offices and positions of trust or
233 employment in the employ of joint state and federal agencies
234 administering state and federal funds and service rendered by
235 employees of the public schools. Effective July 1, 1973, all
236 nonprofessional public school employees, such as bus drivers,
237 janitors, maids, maintenance workers and cafeteria employees,
238 shall have the option to become members in accordance with Section
239 25-11-105(b), and shall be eligible to receive credit for services
240 prior to July 1, 1973, provided the contributions and interest are
241 paid by the employee in accordance with that section; provided,
242 further, that the county or municipal separate school district may
243 pay the employer contribution and pro rata share of interest of
244 the retroactive service from available funds. From and after July
245 1, 1998, retroactive service credit shall be purchased at the
246 actuarial cost in accordance with Section 25-11-105(b). Public
247 school bus drivers shall be eligible to become or remain members
248 of the retirement system regardless of the number of hours per
249 week or per month for which they receive compensation.

250 (aa) "Withdrawal from service" shall mean complete

251 severance of employment in the state service of any member by
252 resignation, dismissal or discharge.

253 (bb) The masculine pronoun, wherever used, shall
254 include the feminine pronoun.

255 SECTION 2. Section 25-11-105, Mississippi Code of 1972, is
256 amended as follows:

257 25-11-105. **I. THOSE WHO ARE ELIGIBLE FOR MEMBERSHIP**

258 The membership of this retirement system shall be composed as
259 follows:

260 (a) All persons who shall become employees in the state
261 service after January 31, 1953, and whose wages are subject to
262 payroll taxes and are lawfully reported on IRS Form W-2, except
263 those specifically excluded, or as to whom election is provided in
264 Articles 1 and 3, shall become members of the retirement system as
265 a condition of their employment.

266 (b) All persons who shall become employees in the state
267 service after January 31, 1953, except those specifically excluded
268 or as to whom election is provided in Articles 1 and 3, unless
269 they shall file with the board prior to the lapse of sixty (60)
270 days of employment or sixty (60) days after the effective date of
271 the cited articles, whichever is later, on a form prescribed by
272 the board, a notice of election not to be covered by the
273 membership of the retirement system and a duly executed waiver of
274 all present and prospective benefits which would otherwise inure
275 to them on account of their participation in the system, shall
276 become members of the retirement system; provided, however, that
277 no credit for prior service will be granted to members until they
278 have contributed to Article 3 of the retirement system for a

279 minimum period of at least four (4) years. Such members shall
280 receive credit for services performed prior to January 1, 1953, in
281 employment now covered by Article 3, but no credit shall be
282 granted for retroactive services between January 1, 1953, and the
283 date of their entry into the retirement system unless the employee
284 pays into the retirement system both the employer's and the
285 employee's contributions on wages paid him during the period from
286 January 31, 1953, to the date of his becoming a contributing
287 member, together with interest at the rate determined by the board
288 of trustees. Members reentering after withdrawal from service
289 shall qualify for prior service under the provisions of Section
290 25-11-117. From and after July 1, 1998, upon eligibility as noted
291 above, the member may receive credit for such retroactive service
292 provided:

293 (1) The member shall furnish proof satisfactory to
294 the board of trustees of certification of such service from the
295 covered employer where the services were performed; and

296 (2) The member shall pay to the retirement system
297 on the date he or she is eligible for such credit or at any time
298 thereafter prior to the date of retirement the actuarial cost for
299 each year of such creditable service. The provisions of this
300 subparagraph (2) shall be subject to the limitations of Section
301 415 of the Internal Revenue Code and regulations promulgated
302 thereunder.

303 Nothing contained in this paragraph (b) shall be construed to
304 limit the authority of the board to allow the correction of
305 reporting errors or omissions based on the payment of the employee
306 and employer contributions plus applicable interest.

307 (c) All persons who shall become employees in the state
308 service after January 31, 1953, and who are eligible for
309 membership in any other retirement system shall become members of
310 this retirement system as a condition of their employment unless
311 they elect at the time of their employment to become a member of
312 such other system.

313 (d) All persons who are employees in the state service
314 on January 31, 1953, and who are members of any nonfunded
315 retirement system operated by the State of Mississippi, or any of
316 its departments or agencies, shall become members of this system
317 with prior service credit unless, before February 1, 1953, they
318 shall file a written notice with the board of trustees that they
319 do not elect to become members.

320 (e) All persons who are employees in the state service
321 on January 31, 1953, and who under existing laws are members of
322 any fund operated for the retirement of employees by the State of
323 Mississippi, or any of its departments or agencies, shall not be
324 entitled to membership in this retirement system unless, before
325 February 1, 1953, any such person shall indicate by a notice filed
326 with the board, on a form prescribed by the board, his individual
327 election and choice to participate in this system, but no such
328 person shall receive prior service credit unless he becomes a
329 member on or before February 1, 1953.

330 (f) Each political subdivision of the state and each
331 instrumentality of the state or a political subdivision, or both,
332 is hereby authorized to submit, for approval by the board of
333 trustees, a plan for extending the benefits of this article to
334 employees of any such political subdivision or instrumentality.

335 Each such plan or any amendment to the plan for extending benefits
336 thereof shall be approved by the board of trustees if it finds
337 that such plan, or such plan as amended, is in conformity with
338 such requirements as are provided in Articles 1 and 3; however,
339 upon approval of such plan or any such plan heretofore approved by
340 the board of trustees, the approved plan shall not be subject to
341 cancellation or termination by the political subdivision or
342 instrumentality. No such plan shall be approved unless:

343 (1) It provides that all services which constitute
344 employment as defined in Section 25-11-5 and are performed in the
345 employ of the political subdivision or instrumentality, by any
346 employees thereof, shall be covered by the plan; with the
347 exception of municipal employees who are already covered by
348 existing retirement plans; provided, however, those employees in
349 this class may elect to come under the provisions of this article;

350 (2) It specifies the source or sources from which
351 the funds necessary to make the payments required by subsection
352 (d) of Section 25-11-123 and of subsections (f) (5)b and c of this
353 section are expected to be derived and contains reasonable
354 assurance that such sources will be adequate for such purpose;

355 (3) It provides for such methods of administration
356 of the plan by the political subdivision or instrumentality as are
357 found by the board of trustees to be necessary for the proper and
358 efficient administration thereof;

359 (4) It provides that the political subdivision or
360 instrumentality will make such reports, in such form and
361 containing such information, as the board of trustees may from
362 time to time require;

363 (5) It authorizes the board of trustees to
364 terminate the plan in its entirety in the discretion of the board
365 if it finds that there has been a failure to comply substantially
366 with any provision contained in such plan, such termination to
367 take effect at the expiration of such notice and on such
368 conditions as may be provided by regulations of the board and as
369 may be consistent with applicable federal law.

370 A. The board of trustees shall not finally
371 refuse to approve a plan submitted under subsection (f), and shall
372 not terminate an approved plan without reasonable notice and
373 opportunity for hearing to each political subdivision or
374 instrumentality affected thereby. The board's decision in any
375 such case shall be final, conclusive and binding unless an appeal
376 be taken by the political subdivision or instrumentality aggrieved
377 thereby to the Circuit Court of Hinds County, Mississippi, in
378 accordance with the provisions of law with respect to civil causes
379 by certiorari.

380 B. Each political subdivision or
381 instrumentality as to which a plan has been approved under this
382 section shall pay into the contribution fund, with respect to
383 wages (as defined in Section 25-11-5), at such time or times as
384 the board of trustees may by regulation prescribe, contributions
385 in the amounts and at the rates specified in the applicable
386 agreement entered into by the board.

387 C. Every political subdivision or
388 instrumentality required to make payments under subsection (f)(5)b
389 hereof is authorized, in consideration of the employees' retention
390 in or entry upon employment after enactment of Articles 1 and 3,

391 to impose upon its employees, as to services which are covered by
392 an approved plan, a contribution with respect to wages (as defined
393 in Section 25-11-5) not exceeding the amount provided in Section
394 25-11-123(d) if such services constituted employment within the
395 meaning of Articles 1 and 3, and to deduct the amount of such
396 contribution from the wages as and when paid. Contributions so
397 collected shall be paid into the contribution fund as partial
398 discharge of the liability of such political subdivisions or
399 instrumentality under subsection (f)(5)b hereof. Failure to
400 deduct such contribution shall not relieve the employee or
401 employer of liability thereof.

402 D. Any state agency, school, political
403 subdivision, instrumentality or any employer that is required to
404 submit contribution payments or wage reports under any section of
405 this chapter shall be assessed interest on delinquent payments or
406 wage reports as determined by the board of trustees in accordance
407 with rules and regulations adopted by the board and such assessed
408 interest may be recovered by action in a court of competent
409 jurisdiction against such reporting agency liable therefor or may,
410 upon due certification of delinquency and at the request of the
411 board of trustees, be deducted from any other monies payable to
412 such reporting agency by any department or agency of the state.

413 E. Each political subdivision of the state
414 and each instrumentality of the state or a political subdivision
415 or subdivisions which submits a plan for approval of the board, as
416 provided in this section, shall reimburse the board for coverage
417 into the expense account, its pro rate share of the total expense
418 of administering Articles 1 and 3 as provided by regulations of

419 said board.

420 (g) The board may, in its discretion, deny the right of
421 membership in this system to any class of employees whose
422 compensation is only partly paid by the state or who are occupying
423 positions on a part-time or intermittent basis. The board may, in
424 its discretion, make optional with employees in any such classes
425 their individual entrance into this system. However, the board
426 may not deny the right of membership in the system to public
427 school bus drivers.

428 (h) An employee whose membership in this system is
429 contingent on his own election, and who elects not to become a
430 member, may thereafter apply for and be admitted to membership;
431 but no such employee shall receive prior service credit unless he
432 becomes a member prior to July 1, 1953, except as provided in
433 subsection (b).

434 (i) In the event any member of this system should
435 change his employment to any agency of the state having an
436 actuarially funded retirement system, the board of trustees may
437 authorize the transfer of the member's creditable service and of
438 the present value of the member's employer's accumulation account
439 and of the present value of the member's accumulated membership
440 contributions to such other system, provided the employee agrees
441 to the transfer of his accumulated membership contributions and
442 provided such other system is authorized to receive and agrees to
443 make such transfer.

444 In the event any member of any other actuarially funded
445 system maintained by an agency of the state changes his employment
446 to an agency covered by this system, the board of trustees may

447 authorize the receipt of the transfer of the member's creditable
448 service and of the present value of the member's employer's
449 accumulation account and of the present value of the member's
450 accumulated membership contributions from such other system,
451 provided the employee agrees to the transfer of his accumulated
452 membership contributions to this system and provided the other
453 system is authorized and agrees to make such transfer.

454 (j) Wherever herein state employment is referred to, it
455 shall include joint employment by state and federal agencies of
456 all kinds.

457 (k) Employees of a political subdivision or
458 instrumentality who were employed by such political subdivision or
459 instrumentality prior to an agreement between such entity and the
460 Public Employees' Retirement System to extend the benefits of this
