33 greater than one (1) year.

34           (4) In addition to the authority granted in subsection (1)  
35 of this section, from and after October 1, 1989, the board of

38 grade, gravel, shell or overlay, and/or to maintain gravel, shell,  
39 asphalt or concrete roads, driveways or parking lots of public

41 of supervisors shall spread upon its official minutes the written  
42 request of the school board for such work, the written approval of  
43 the board of supervisors for such work and the specific location

76 needed permanently, the certificate shall be valid only for a  
77 period of twelve (12) months from the date of issue. Such  
78 certificates may be renewed annually; however, no repair or
