27 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

28 SECTION 1. Section 37-7-203, Mississippi Code of 1972, is
29 amended as follows:

30 37-7-203. (1) The boards of trustees of all municipal
31 separate school districts created under the provisions of Article
32 1 of this chapter, either with or without added territory, shall
33 consist of five (5) members. On the first Tuesday after the first
34 Monday in June 2001, and every four (4) years thereafter, an
35 election shall be held in each municipal separate school district
36 in this state, in the same manner and at the same time as the
37 regular municipal elections are held, for the purpose of electing
38 the members of the boards of trustees established under the

39 provisions of this article. All members of the boards of trustees
40 as constituted in this section shall take office on the first
41 Monday of July following the date of their election and shall
42 serve for a term of four (4) years. The five (5) members of the
43 board of trustees of the school district shall be elected from
44 special trustee election districts by the qualified electors of
45 the district, as provided in this section. The governing
46 authorities of the municipality shall apportion the municipal
47 separate school district, including added territory, into five (5)
48 special trustee election districts as nearly equal as possible
49 according to population, incumbency and other factors pronounced
50 by the courts before the effective date of this act. The
51 municipal governing authority shall place upon its minutes the
52 boundaries determined for the new five (5) trustee election
53 districts. The municipal governing authority shall thereafter
54 publish the same in a newspaper of general circulation within the
55 school district for at least three (3) consecutive weeks; and
56 after having given notice of publication and recording the same
57 upon the minutes of the municipal governing authority, the new
58 district lines shall thereafter be effective. All incumbent
59 trustees holding office at the time of the creation of the trustee
60 election districts shall continue holding their respective
61 offices, provided they reside within the new district, for the
62 remainder of the term of office to which they have been selected
63 before the effective date of this act, and their successors shall
64 be elected from the new trustee election districts constituted in
65 this section in the manner provided for in this section.

66 (2) Vacancies in the membership of the board of trustees of
67 any municipal separate school district shall be filled by
68 appointment, within sixty (60) days after the vacancy occurs, by
69 the governing authorities of the municipality. The appointee
70 shall be selected from the qualified electors of the district in
71 which the vacancy occurs. The president of the municipal
72 governing authority shall certify to the Secretary of State the
73 fact of the appointment, and the Governor shall commission the
74 person appointed; and if the unexpired term is longer than six (6)
75 months, the appointee shall serve until a successor is elected as

76 provided in this section, unless the vacancy occurs ninety (90)
77 days before the general election in a year in which an election
78 would normally be held for that office as provided by law, in
79 which case the person appointed shall serve the unexpired portion
80 of the term. The vacancies shall be filled for the unexpired term
81 by the qualified electors at the next regular special election day
82 occurring more than ninety (90) days after the occurrence of the
83 vacancy. The president of the municipal governing authority,
84 within ten (10) days after the happening of the vacancy, shall
85 make an order, in writing, directed to the commissioners of
86 election, commanding an election to be held on the next regular
87 special election day to fill the vacancy. The election
88 commissioners shall require each candidate to qualify at least
89 sixty (60) days before the date of the election, and shall give a
90 certificate of election to the person elected, and shall return to
91 the Secretary of State a copy of the order of holding the election
92 and the results of the election, certified by the president of the
93 municipal governing authority. The election shall be held in the
94 same manner provided for other municipal office vacancies. The
95 Governor shall commission the person elected.

96 However, where only one (1) person has qualified with the
97 commissioners of election to be a candidate within the time
98 provided by law, the commissioners of election shall certify to
99 the municipal governing authority that there is but one (1)
100 candidate. The municipal governing authority shall dispense with
101 the election and shall appoint the certified candidate to fill the
102 unexpired term. The president of the municipal governing
103 authority shall certify to the Secretary of State the candidate so
104 appointed to serve in the office and the Governor shall commission
105 the candidate. If no person has qualified at least sixty (60)
106 days before the date of the election, the commissioners of
107 election shall certify that fact to the municipal governing
108 authority, which shall dispense with the election and fill the

109 vacancy by appointment. The president of the municipal governing
110 authority shall certify to the Secretary of State the fact of the
111 appointment, and the Governor shall commission the appointed
112 person.

113 SECTION 2. Section 37-7-703, Mississippi Code of 1972, is
114 amended as follows:

115 37-7-703. In all * * * special municipal separate school
116 districts, * * * the board of trustees of such special municipal
117 separate school district shall be elected in the manner provided
118 by subsection (1) of Section 37-7-203, and all of the provisions
119 thereof shall be fully applicable in all respects to the selection
120 and constitution of such board of trustees.

121 SECTION 3. Sections 37-7-209, 37-7-211, 37-7-213, 37-7-215,
122 37-7-217 and 37-7-219, Mississippi Code of 1972, which provide
123 certain methods for electing trustees of municipal separate school
124 districts from added territory, are repealed.

125 SECTION 4. Sections 37-7-705, 37-7-707, 37-7-709, 37-7-711,
126 37-7-713, 37-7-715 and 37-7-717, Mississippi Code of 1972, which
127 provide certain methods for selecting trustees of special
128 municipal separate school districts, are repealed.

129 SECTION 5. Section 37-9-13, Mississippi Code of 1972, is
130 amended as follows:

131 37-9-13. (1) In all public school districts, the school
132 board, on or before January 15 of each year, shall appoint the
133 superintendent of schools of the district, except in those cases
134 where the superintendent has been previously selected and has a
135 contract which is valid for the ensuing scholastic year.

136 (2) * * * No person shall be eligible to the office of
137 superintendent of schools unless such person shall hold a valid
138 Class AA administrator's certificate issued by the State
139 Department of Education and shall have had not less than four (4)
140 years of classroom or administrative experience.

141 SECTION 6. Section 37-9-25, Mississippi Code of 1972, is

142 amended as follows:

143 37-9-25. The school board shall have the power and
144 authority, in its discretion, to employ the superintendent * * *
145 for not exceeding four (4) scholastic years and the principals or
146 licensed employees for not exceeding three (3) scholastic years.
147 In such case, contracts shall be entered into with such
148 superintendents, principals and licensed employees for the number
149 of years for which they have been employed. All such contracts
150 with licensed employees shall for the years after the first year
151 thereof be subject to the contingency that the licensed employee
152 may be released if, during the life of the contract, the average
153 daily attendance should decrease from that existing during the
154 previous year and thus necessitate a reduction in the number of
155 licensed employees during any year after the first year of the
156 contract. However, in all such cases the licensed employee must
157 be released before July 1 or at least thirty (30) days prior to
158 the beginning of the school term, whichever date should occur
159 earlier. The salary to be paid for the years after the first year
160 of such contract shall be subject to revision, either upward or
161 downward, in the event of an increase or decrease in the funds
162 available for the payment thereof, but, unless such salary is
163 revised prior to the beginning of a school year, it shall remain
164 for such school year at the amount fixed in such contract.
165 However, where school district funds, other than minimum education
166 program funds, are available during the school year in excess of
167 the amount anticipated at the beginning of the school year the
168 salary to be paid for such year may be increased to the extent
169 that such additional funds are available and nothing herein shall
170 be construed to prohibit same.

171 SECTION 7. Section 37-9-12, Mississippi Code of 1972, which
172 provides for a referendum on the question of retaining the
173 elective method of choosing the county superintendent of
174 education, is repealed.

177 provide for the election of county superintendents of education,
178 are repealed from and after January 1, 2003.
