83 one (1) person has qualified or been certified as a candidate for  
84 any office, a preferential election for such office shall be held  
85 three (3) weeks prior to such general or regular election.

86       SECTION 3. Any person who has qualified in the manner  
87 provided by law as a candidate for election under Sections 1

305 compensation for each such member may be increased or decreased by  
306 the council, by council action taken prior to the election of  
307 members thereof for the ensuing term, such action to become  
308 effective with the ensuing terms.

309           SECTION 19. Section 21-8-7, Mississippi Code of 1972, is  
310 amended as follows:

311           21-8-7. (1) Each municipality operating under the  
312 mayor-council form of government shall be governed by an elected  
313 council and an elected mayor. Other officers and employees shall  
314 be duly appointed pursuant to this chapter, general law or  
315 ordinance.

316           (2) Except as otherwise provided in subsection (4) of this  
317 section, the mayor and councilmen shall be elected by the voters  
318 of the municipality at a general or regular municipal election  
319 held on the first Tuesday after the first Monday in June as  
320 provided in Section 11, House Bill No. \_\_\_\_\_, 2000 Regular Session,  
321 and shall serve for a term of four (4) years beginning on the  
322 first Monday of July next following his election.

323           (3) The terms of the initial mayor and councilmen shall  
324 commence at the expiration of the terms of office of the elected  
325 officials of the municipality serving at the time of adoption of  
326 the mayor-council form.

327           (4) (a) The council shall consist of five (5), seven (7) or

329 municipality shall be divided into either five (5) or four (4)  
330 wards. In the event there are seven (7) councilmen, the  
331 municipality shall be divided into either seven (7), six (6) or  
332 five (5) wards. In the event there are nine (9) councilmen, the  
333 municipality shall be divided into seven (7) or nine (9) wards.  
334 If the municipality is divided into fewer wards than it has  
335 councilmen, the other councilman or councilmen shall be elected  
336 from the municipality at large. The total number of councilmen  
337 and the number of councilmen elected from wards shall be  
338 established by the petition or petitions presented pursuant to  
339 Section 21-8-3. One (1) councilman shall be elected from each  
340 ward by the voters of that ward. Councilmen elected to represent  
341 wards must be residents of their wards at the time of  
342 qualification for election, and any councilman who removes his  
343 residence from the municipality or from the ward from which he was  
344 elected shall vacate his office. However, any candidate for  
345 councilman who is properly qualified as a candidate under  
346 applicable law shall be deemed to be qualified as a candidate in  
347 whatever ward he resides if his ward has changed after the council  
348 has redistricted the municipality as provided in subparagraphs

354 notwithstanding any other residency or qualification requirements  
355 to the contrary.

356 (b) The council or board existing at the time of the

357 adoption of the mayor-council form of government shall designate  
358 the geographical boundaries of the wards within one hundred twenty  
359 (120) days after the election in which the mayor-council form of  
360 government is selected. In designating the geographical  
361 boundaries of the wards, each ward shall contain, as nearly as  
362 possible, the population factor obtained by dividing the  
363 municipality's population as shown by the most recent decennial  
364 census by the number of wards into which the municipality is to be  
365 divided.

366 (c) (i) It shall be the mandatory duty of the council  
367 to redistrict the municipality by ordinance, which ordinance may  
368 not be vetoed by the mayor, within six (6) months after the  
369 official publication by the United States of the population of the  
370 municipality as enumerated in each decennial census, and within  
371 six (6) months after the effective date of any expansion of  
372 municipal boundaries; however, if the publication of the most  
373 recent decennial census or effective date of an expansion of the  
374 municipal boundaries occurs six (6) months or more prior to the  
375 preferential election in a municipality, then the council shall  
376 redistrict the municipality by ordinance not less than sixty (60)  
377 days prior to such preferential election.

378 (ii) If the publication of the most recent  
379 decennial census occurs less than six (6) months prior to the  
380 preferential election in a municipality, then the council shall  
381 redistrict the municipality by ordinance not later than twenty  
382 (20) days prior to the preferential election.

383 (iii) If the publication of the most recent  
384 decennial census is not received by the council in time to

386 preferential election, then the council shall redistrict the  
387 municipality by ordinance not later than twenty (20) days prior to  
388 a special preferential election provided for hereafter in this  
389 subparagraph. If the census is not received in time to redistrict  
390 the municipality, as provided above, the mayor and councilmen  
391 shall be elected by the voters of the municipality at a special  
392 general or regular municipal election held on the fourth Tuesday  
393 after the first Monday in June, and a special preferential

399 than six (6) months prior to the preferential election in a  
400 municipality the council shall, by ordinance adopted within three  
401 (3) days of the effective date of such annexation, assign such  
402 annexed territory to an adjacent ward or wards so as to maintain  
403 as nearly as possible substantial equality of population between  
404 wards; any subsequent redistricting of the municipality by  
405 ordinance as required by this chapter shall not serve as the basis  
406 for representation until the next regularly scheduled election for  
407 municipal councilmen.

408 (e) If the council shall have failed to redistrict the  
409 municipality as herein required, the members of the council shall  
410 not receive any further salaries until the council shall have  
411 adopted such ordinance and the checks for such salaries for said  
412 periods shall not be issued.

417 hall; provided, however, that in municipalities with populations  
418 of one hundred ninety thousand (190,000) and above, councilmen may  
419 have individual offices in the city hall. Clerical work of  
420 councilmen in the performance of the duties of their office shall  
421 be performed by municipal employees or at municipal expense, and

430 general election, and shall hold their offices for a term of four  
431 (4) years and until their successors are duly elected and  
432 qualified.

433 SECTION 21. Section 23-15-21, Mississippi Code of 1972, is  
434 amended as follows:

435 23-15-21. It shall be unlawful for any person who is not a  
436 citizen of the United States or the State of Mississippi to  
437 register or to vote in any \* \* \* special, preferential or general  
438 election in the state.

439 SECTION 22. Section 23-15-31, Mississippi Code of 1972, is  
440 amended as follows:

441           23-15-31. All of the provisions of this subarticle shall be  
442 applicable, insofar as possible, to municipal, preferential,  
443 general and special elections; and wherever therein any duty is  
444 imposed or any power or authority is conferred upon the county  
445 registrar or county election commissioners \* \* \* with reference to  
446 a state and county election, such duty shall likewise be imposed  
447 and such power and authority shall likewise be conferred upon the  
448 municipal registrar or municipal election commission \* \* \* with  
449 reference to any municipal election.

450           SECTION 23. Section 23-15-129, Mississippi Code of 1972, is

454 administrative division of the pollbook for each county  
455 immediately following any reapportionment of the Mississippi  
456 Legislature or any realignment of supervisors districts, if

458 subprecincts whenever necessary within each voting precinct so  
459 that all persons within a subprecinct shall vote on the same  
460 candidates for each public office. Separate pollbooks for each  
461 subprecinct shall be made. The polling place for all subprecincts  
462 within any given voting precinct shall be the same as the polling  
463 place for the voting precinct. Additional managers may be  
464 appointed for subprecincts in the discretion of the commissioners  
465 of election \* \* \*.

544 limitations set forth in subsection (2) of this section shall not  
545 apply to this subsection.

546 (4) Subject to the following limitations, the commissioners  
547 of election shall be entitled to receive a per diem in the amount  
548 of Seventy Dollars (\$70.00), to be paid from the county general

552 (a) In counties having less than ten thousand (10,000)

553 qualified electors, not more than fifteen (15) days per election;

554           (b) In counties having ten thousand (10,000) qualified

577 qualified electors or more, not more than eighty-five (85) days  
578 per election.

579           It is the intention of the Legislature that the conduct of an  
580 election as required by law and as compensated in this subsection

581 is a separate and distinct function from the purging and revision  
582 of the registration and pollbooks as required by subsection (1) of  
583 this section and the compensation for those revisions provided by  
584 subsection (2) of this section.

585 (5) The commissioners of election shall be entitled to  
586 receive only one (1) per diem payment for those days when the

588 responsibility on the same day.

589 (6) The county commissioners of election may provide copies  
590 of the registration books revised pursuant to this section to the  
591 municipal registrar of each municipality located within the  
592 county.

593 SECTION 25. Section 23-15-159, Mississippi Code of 1972, is  
594 amended as follows:

595 23-15-159. (1) When the commissioners of election meet for  
596 the purpose of revising the registration and pollbooks of the  
597 several voting precincts, they may erase therefrom the names of  
598 all persons who have not voted in at least one (1) election,  
599 whether it be a general, preferential or special election, or  
600 primary election, whether on a county, state or federal level, in  
601 the last four (4) successive years.

602 (2) In erasing or removing the names of persons due to  
603 failure to vote in at least one (1) election for four (4)  
604 successive years, the notice procedure hereinafter provided shall  
605 have been completed prior to such erasure or removal.

606 (a) Ninety (90) days before such erasure or removal,  
607 the commissioners of election shall examine the registration books  
608 and pollbooks of the several voting precincts and shall suspend

609 the registration of all electors who have not voted in at least  
610 one (1) general, preferential or special election, or primary  
611 election, whether on the county, state or federal level, during  
612 the last four (4) successive years.

613 (b) Within sixty (60) days after such suspension, the  
614 commissioners of election shall mail notice by first class mail to  
615 each elector whose registration is suspended, at his last known  
616 address, stating substantially as follows: "You are hereby  
617 notified that, according to state law, your registration as a  
618 qualified elector will be canceled for having failed to vote  
619 within the past four (4) successive years, unless within thirty  
620 (30) days of the date this notice is postmarked you continue your  
621 registration by applying in writing to the commissioners of  
622 election." The commissioners shall furnish each elector so  
623 notified with the name and address of the commissioners of  
624 elections printed on the face thereof which may be used by the  
625 elector in notifying the commissioners of elections of the  
626 elector's desire to continue the elector's registration. The  
627 commissioners shall affix sufficient postage to such return card  
628 so as to insure proper delivery to the commissioners.

629 (c) The commissioners shall cancel the registration of  
630 all electors thus notified who have not applied for continuance  
631 within the prescribed time period, and the names of all such  
632 electors shall be removed from the list of qualified electors on  
633 the date designated for erasure. Provided, however, the names of  
634 electors who have been removed from the list of qualified electors  
635 shall be compiled and be made a part of a list entitled "Names of  
636 those purged from the registration books," said list to be

637 attached to the registration books. A copy of said list shall be  
638 furnished to the appropriate municipal election commissioners  
639 within the county, and the persons whose names are contained  
640 thereon shall be removed from the registration books.

641 (d) Any elector whose registration has been thus  
642 canceled may, at any election, cast a vote by affidavit ballot in  
643 the same manner as set forth in Section 23-15-573. Such affidavit  
644 ballot shall be counted at the election in which it is cast, if  
645 not otherwise disqualified, and the name of such person shall be  
646 reentered on the registration books if such person is not  
647 otherwise disqualified. As an alternative to casting such a  
648 ballot, any elector whose registration has been canceled pursuant  
649 to this subsection may reregister in the manner provided for  
650 original registration.

651 (3) Notwithstanding the provisions of this section, no  
652 person who has been registered by any federal registrar shall be  
653 removed except in conformity with any federal law, rules or  
654 regulations providing for the removal of names from the  
655 registration books.

656 (4) No years in which a person has not voted prior to  
657 January 1, 1984, shall be used in calculating the four-year period  
658 provided for in this section.

660 amended as follows:

661 23-15-173. \* \* \* A general municipal election shall be held  
662 in each city, town or village on the first Tuesday after the first

675 court judge and the office of chancery court judge shall be as  
676 prescribed in Sections 23-15-974 through 23-15-985 and Section  
677 23-15-1015.

678 (4) Times for holding elections for the office of county  
679 election commissioners shall be as prescribed in Section  
680 23-15-213.

681 SECTION 28. Section 23-15-313, Mississippi Code of 1972, is  
682 amended as follows:

683 23-15-313. If there be any political party, or parties, in  
684 any municipality which shall not have a party executive committee  
685 for such municipality, such political party, or parties, shall  
686 select temporary executive committees to serve until executive  
687 committees shall be regularly elected, said selection to be in the  
688 following manner, to wit: The chairman of the county executive  
689 committee of the party desiring to select a municipal executive  
690 committee shall, upon petition of five (5) or more members of that  
691 political faith, call a mass meeting of the electors of their  
692 political faith, residing in the municipality, to meet at some

693 convenient place within said municipality, at a time to be  
694 designated in the call, and at such mass convention the members of  
695 that political faith shall select an executive committee which  
696 shall serve until the next \* \* \* election. The public shall be  
697 given notice of such mass meeting as provided in the next  
698 succeeding section.

699 SECTION 29. Section 23-15-367, Mississippi Code of 1972, is  
700 amended as follows:

701 23-15-367. \* \* \* The size, print and quality of paper of the  
702 official ballot is left to the discretion of the officer charged  
703 with printing the official ballot \* \* \*. It is the duty of the  
704 Secretary of State, with the approval of the Governor, to furnish  
705 the election commission of each county a sample of the official  
706 ballot, not less than fifty (50) days prior to the election, the  
707 general form of which shall be followed as nearly as  
708 practicable \* \* \*.

709 SECTION 30. Section 23-15-375, Mississippi Code of 1972, is  
710 amended as follows:

711 23-15-375. Local issue elections may be held on the same  
712 date as any regular or general election. A local issue election  
713 held on the same date as the regular or general election shall be  
714 conducted in the same manner as the regular or general election  
715 using the same poll workers and the same equipment. A local issue  
716 may be placed on the regular or general election ballot pursuant  
717 to the provisions of Section 10 of House Bill No. \_\_\_\_\_, 2000  
718 Regular Session. The provisions of this section and Section 10 of  
719 House Bill No. \_\_\_\_\_, 2000 Regular Session, with regard to local  
720 issue elections shall not be construed to affect any statutory

721 requirements specifying the notice procedure and the necessary  
722 percentage of qualified electors voting in such an election which  
723 is needed for adoption of the local issue. Whether or not a local  
724 issue is adopted or defeated at a local issue election held on the  
725 same day as a regular or general election shall be determined in  
726 accordance with relevant statutory requirements regarding the  
727 necessary percentage of qualified electors who voted in such local  
728 issue election, and only those persons voting for or against such  
729 issue shall be counted in making that determination. As used in  
730 this section "local issue elections" include elections regarding  
731 the issuance of bonds, local option elections, elections regarding  
732 the levy of additional ad valorem taxes and other similar  
733 elections authorized by law that are called to consider issues  
734 that affect a single local governmental entity. As used in this  
735 section "local issue" means any issue that may be voted on in a  
736 local issue election.

737 SECTION 31. Section 23-15-403, Mississippi Code of 1972, is  
738 amended as follows:

739 23-15-403. The board of supervisors of any county in the  
740 State of Mississippi and the governing authorities of any  
741 municipality in the State of Mississippi are hereby authorized and  
742 empowered, in their discretion, to purchase or rent any voting  
743 machine or machines which shall be so constructed as to fulfill  
744 the following requirements: It shall secure to the voter secrecy  
745 in the act of voting; it shall provide facilities for voting for  
746 all candidates of as many political parties or organizations as  
747 may make nominations, and for or against as many questions as  
748 submitted; it shall \* \* \* permit the voter to vote for \* \* \* as

749 many persons for an office as he is lawfully entitled to vote for,  
750 but not more; it shall prevent the voter from voting for the same  
751 person more than once for the same office; it shall permit the  
752 voter to vote for or against any question he may have the right to  
753 vote on, but no other; \* \* \* it shall correctly register or record  
754 and accurately count all votes cast for any and all persons and  
755 for or against any and all questions; it shall be provided with a  
756 "protective counter" or "protective device" whereby any operation  
757 of the machine before or after the election will be detected; it  
758 shall be provided with a counter which shall show at all times  
759 during an election how many persons have voted; it shall be  
760 provided with a mechanical model, illustrating the manner of  
761 voting on the machine, suitable for the instruction of voters; it  
762 may also be provided with one (1) device for each party for voting  
763 for all the presidential electors of that party by one (1)  
764 operation, and a ballot therefor containing only the words  
765 "Presidential Electors For" preceded by the name of that party and  
766 followed by the names of the candidates thereof for the offices of  
767 President and Vice President, and a registering device therefor  
768 which shall register the vote cast for said electors when thus  
769 voted collectively; provided, however, that means shall be  
770 furnished whereby the voter can cast a vote for individual  
771 electors when permitted to do so by law.

772 SECTION 32. Section 23-15-411, Mississippi Code of 1972, is  
773 amended as follows:

774 23-15-411. The officer who furnishes the official ballots  
775 for any polling place where a voting machine is to be used shall  
776 also provide two (2) sample ballots or instruction ballots, which

777 sample or instruction ballots shall be arranged in the form of a  
778 diagram showing such portion of the front of the voting machine as  
779 it will appear after the official ballots are arranged thereon or  
780 therein for voting on election day. Such sample ballots shall be  
781 open to the inspection of all voters on election day in all  
782 preferential and general or regular elections where voting  
783 machines are used.

784 SECTION 33. Section 23-15-463, Mississippi Code of 1972, is  
785 amended as follows:

786 23-15-463. The board of supervisors of any county in the  
787 State of Mississippi and the governing authorities of any  
788 municipality in the State of Mississippi are hereby authorized and  
789 empowered, in their discretion, to purchase or rent voting devices  
790 and automatic tabulating equipment used in an electronic voting  
791 system which meets the requirements of Section 23-15-465, and may  
792 use such system in all or a part of the precincts within its  
793 boundaries or in combination with paper ballots in any  
794 election \* \* \*. It may enlarge, consolidate or alter the  
795 boundaries of precincts where an electronic voting system is used.

796 The provisions of Sections 23-15-461 through 23-15-485 shall be  
797 controlling with respect to elections where an electronic voting  
798 system is used, and shall be liberally construed so as to carry  
799 out the purpose of this chapter. The provisions of the election  
800 law relating to the conduct of elections with paper ballots,  
801 insofar as they are applicable and not inconsistent with the  
802 efficient conduct of elections with electronic voting systems,  
803 shall apply. Absentee ballots shall be voted as now provided by  
804 law.

805 SECTION 34. Section 23-15-465, Mississippi Code of 1972, is  
806 amended as follows:

812 booths;

813 (b) Permit each voter to vote at any election for all  
814 persons and offices for whom and for which he is lawfully entitled  
815 to vote; to vote for as many persons for an office as he is  
816 entitled to vote for; to vote for or against any question upon  
817 which he is entitled to vote; and the automatic tabulating  
818 equipment shall reject choices recorded on his ballot card or  
819 paper ballot if the number of choices exceeds the number which he  
820 is entitled to vote for the office or on the measure;

821 (c) Permit each voter at presidential elections by one  
822 (1) mark or punch to vote for the candidates of that party for

824 vote individually for the electors of his choice when permitted by  
825 law;

826 (d) Permit each voter \* \* \* to vote for the candidates  
827 of one or more parties and for independent candidates;

828 \* \* \*

829 (e) Permit each voter to vote for persons whose names

831 (f) Prevent the voter from voting for the same person  
832 more than once for the same office;

834 durable construction, and may be used safely, efficiently and  
835 accurately in the conduct of elections and counting ballots;

836           (h) Be provided with means for sealing the voting or  
837 marking device against any further voting after the close of the  
838 polls and the last voter has voted;

839           (i) When properly operated, record correctly and count  
840 accurately every vote cast;

841           (j) Be provided with a mechanical model for instructing  
842 voters, and be so constructed that a voter may readily learn the  
843 method of operating it;

844           (k) Be safely transportable, and include a light to  
845 enable voters to read the ballot labels and instructions.

846           SECTION 35. Section 23-15-507, Mississippi Code of 1972, is  
847 amended as follows:

848           23-15-507. No optical mark reading system shall be acquired  
849 or used in accordance with this chapter unless it shall:

850           (a) Permit each voter to vote at any election for all  
851 persons and no others for whom and for which they are lawfully  
852 entitled to vote; to vote for as many persons for an office as  
853 they are entitled to vote for; to vote for or against any  
854 questions upon which they are entitled to vote;

855           (b) The OMR tabulating equipment shall be capable of  
856 rejecting choices recorded on the ballot if the number of choices  
857 exceeds the number which the voter is entitled to vote for the  
858 office or on the measure;

859           (c) Permit each voter at presidential elections by one  
860 (1) mark to vote for the candidates of that party for President,

863 law;

864 (d) Permit each voter \* \* \* to vote for the candidates  
865 of one or more parties and for independent candidates;

866 \* \* \*

867 (e) Permit each voter to vote for persons whose names  
868 are not on the printed ballot;

869 (f) Be suitably designed for the purpose used, of  
870 durable construction, and may be used safely, efficiently and  
871 accurately in the conduct of elections and the counting of  
872 ballots;

873 (g) Be provided with means for sealing the ballots  
874 after the close of the polls and the last voter has voted;

875 (h) When properly operated, record correctly and count  
876 accurately all votes cast; and

877 (i) Provide the voter with a set of instructions that  
878 will be so displayed that a voter may readily learn the method of  
879 voting.

880 SECTION 36. Section 23-15-511, Mississippi Code of 1972, is  
881 amended as follows:

882 23-15-511. The ballots shall, as far as practicable, be in  
883 the same order of arrangement as provided for paper ballots that  
884 are to be counted manually, except that such information may be  
885 printed in vertical or horizontal rows. Nothing in this chapter  
886 shall be construed as prohibiting the information being presented  
887 to the voters from being printed on both sides of a single ballot.

888 In those years when a special election shall occur on the same

889 day as the general election, the names of candidates in any  
890 special election and the general election shall be placed on the  
891 same ballot by the commissioners of elections or officials in  
892 charge of the election, but the general election candidates shall  
893 be clearly distinguished from the special election  
894 candidates \* \* \*.

895 Ballots shall be printed in plain clear type in black ink and  
896 upon clear white materials of such size and arrangement as to be  
897 compatible with the OMR tabulating equipment. Absentee ballots  
898 shall be prepared and printed in the same form and shall be on the  
899 same size and texture as the regular official ballots, except that  
900 they shall be printed on tinted paper; or the ink used to print  
901 the ballots shall be of a color different from that of the ink  
902 used to print the regular official ballots. Arrows may be printed  
903 on the ballot to indicate the place to mark the ballot, which may  
904 be to the right or left of the names of candidates and  
905 propositions. The titles of offices may be arranged in vertical  
906 columns on the ballot and shall be printed above or at the side of  
907 the names of candidates so as to indicate clearly the candidates  
908 for each office and the number to be elected. In case there are  
909 more candidates for an office than can be printed in one (1)  
910 column, the ballot shall be clearly marked that the list of  
911 candidates is continued on the following column. The names of  
912 candidates for each office shall be printed in vertical columns,  
913 grouped by the offices which they seek. \* \* \* The party  
914 designation, if any, of each candidate \* \* \* shall be printed  
915 following his name, as provided for in Section 10, House Bill No.  
916 \_\_\_\_\_, 2000 Regular Session.

917 Two (2) sample ballots, which shall be facsimile ballots of  
918 the official ballot and instructions to the voters, shall be  
919 provided for each precinct and shall be posted in each polling  
920 place on election day.

921 A separate ballot security envelope or suitable equivalent in  
922 which the voter can place his ballot after voting shall be  
923 provided to conceal the choices the voter has made. Absentee  
924 voters will receive a similar ballot security envelope provided by  
925 the county in which the absentee voter will insert their voted  
926 ballot, which then can be inserted into a return envelope to be  
927 mailed back to the election official. Absentee ballots will not  
928 be required to be folded when a ballot security envelope is  
929 provided.

930 SECTION 37. Section 23-15-559, Mississippi Code of 1972, is  
931 amended as follows:

932 23-15-559. The provisions of Section \* \* \* 23-15-173 fixing  
933 the time for the holding of \* \* \* general elections shall not  
934 apply to any municipality operating under a special or private  
935 charter where the governing board or authority thereof, on or  
936 before June 25, 1952, shall have adopted and spread upon its  
937 minutes a resolution or ordinance declining to accept such  
938 provisions, in which event \* \* \* general elections shall be held  
939 at the time fixed by the charter of such municipality.

940 The provisions of Section 23-15-859 shall be applicable to  
941 all municipalities of this state, whether operating under a code  
942 charter, special charter or the commission form of government,  
943 except in cases of conflicts between the provisions of such  
944 section and the provisions of the special charter of a

945 municipality or the law governing the commission form of  
946 government, in which cases of conflict the provisions of the  
947 special charter or the statutes relative to the commission form of  
948 government shall apply.

949 SECTION 38. Section 23-15-561, Mississippi Code of 1972, is  
950 amended as follows:

951 23-15-561. (1) It shall be unlawful during any \* \* \*  
952 election for any candidate for any elective office or any  
953 representative of such candidate or any other person to publicly  
954 or privately put up or in any way offer any prize, cash award or  
955 other item of value to be raffled, drawn for, played for or  
956 contested for in order to encourage persons to vote or to refrain  
957 from voting in any election.

958 (2) Any person who shall violate the provisions of  
959 subsection (1) of this section shall, upon conviction thereof, be  
960 punished by a fine in an amount not to exceed Five Thousand  
961 Dollars (\$5,000.00).

962 (3) Any candidate who shall violate the provisions of  
963 subsection (1) of this section shall, upon conviction thereof, in  
964 addition to the fine prescribed above, be punished by:

965 (a) Disqualification as a candidate in the race for the  
966 elective office; or

967 (b) Removal from the elective office, if the offender  
968 has been elected thereto.

969 SECTION 39. Section 23-15-573, Mississippi Code of 1972, is  
970 amended as follows:

971 23-15-573. No person whose name does not appear upon the  
972 pollbooks shall be permitted to vote in an election; but if any

973 person offering to vote in any election whose name does not appear  
974 upon the pollbook shall make affidavit before one (1) of the  
975 managers of election in writing that he is entitled to vote, or  
976 that he has been illegally denied registration, his vote may be  
977 prepared by him and handed to the proper election officer who  
978 shall enclose the same in an envelope with the written affidavit  
979 of the voter and seal it and mark plainly upon it the name of the  
980 person offering to vote. In canvassing the returns of the  
981 election, \* \* \* the election commissioners shall examine the  
982 records and allow the ballot to be counted, or not, as shall  
983 appear to be legal.

984 SECTION 40. Section 23-15-593, Mississippi Code of 1972, is  
985 amended as follows:

986 23-15-593. When the ballot box is opened and examined by  
987 the \* \* \* county election commissioners \* \* \* and it is found that  
988 there have been failures in material particulars to comply with  
989 the requirements of Section 23-15-591 and Section 23-15-895 to  
990 such an extent that it is impossible to arrive at the will of the  
991 voters at such precinct, the entire box may be thrown out unless  
992 it be made to appear with reasonable certainty that the  
993 irregularities were not deliberately permitted or engaged in by  
994 the managers at that box, or by one (1) of them responsible for  
995 the wrong or wrongs, for the purpose of electing or defeating a  
996 certain candidate or candidates by manipulating the election or  
997 the returns thereof at that box in such manner as to have it  
998 thrown out; in which latter case \* \* \* the county election  
999 commission \* \* \* shall conduct such hearing and make such  
1000 determination in respect to said box as may appear lawfully just,

1001 subject to a judicial review of said matter as elsewhere provided  
1002 by this chapter. Or the \* \* \* election commission, or the court  
1003 upon review, may order another election to be held at that box  
1004 appointing new managers to hold the same.

1005 SECTION 41. Section 23-15-595, Mississippi Code of 1972, is  
1006 amended as follows:

1007 23-15-595. The box containing the ballots and other records  
1008 required by this chapter shall, as soon as practical after the  
1009 ballots have been counted, be delivered by one (1) of the precinct  
1010 managers to the clerk of the circuit court of the county and said  
1011 clerk shall, in the presence of the manager making delivery of the  
1012 box, place upon the lock of such box a metal seal similar to the  
1013 seal commonly used in sealing the doors of railroad freight cars.

1014 Such seals shall be numbered consecutively to the number of  
1015 ballot boxes used in the election in the county, and the clerk  
1016 shall keep in a place separate from such boxes a record of the  
1017 number of the seal of each separate box in the county. The board  
1018 of supervisors of the county shall pay the cost of providing such  
1019 seals. Upon demand of a county election commissioner the boxes  
1020 and their contents shall be delivered to the county election  
1021 commission, and after such commission has finished the work of  
1022 tabulating returns and counting ballots as required by law the  
1023 said commission shall return all papers and ballots to the box of  
1024 the precinct where such election was held, and it shall make  
1025 redelivery of such boxes and their contents to the circuit clerk  
1026 who shall reseal said boxes. Upon every occasion said boxes shall  
1027 be reopened and each resealing shall be done as provided in this  
1028 chapter.

1029 SECTION 42. Section 23-15-601, Mississippi Code of 1972, is  
1030 amended as follows:

1031 23-15-601. When the result of the election shall have been  
1032 ascertained by the managers they, or one (1) of their number, or  
1033 some fit person designated by them, shall, by noon of the \* \* \*  
1034 day following the election, deliver to the commissioners of  
1035 election, at the courthouse, a statement of the whole number of  
1036 votes given for each person and for what office; and the  
1037 commissioners of election shall, on the first or second day after  
1038 the preferential election and after the general election, canvass  
1039 the returns, ascertain and declare the result, and announce the  
1040 names of the candidates who have received a majority of the votes  
1041 cast for representative in the Legislature of districts composed  
1042 of one (1) county or less, or other county office, board of  
1043 supervisors, justice court judge and constable, and shall also  
1044 announce the names of those candidates for the above mentioned  
1045 offices that are to be submitted to the general election.

1046 The vote for state and state district offices shall be  
1047 tabulated by precincts and certified to and returned to the state  
1048 election commissioners, such returns to be mailed by registered  
1049 letter or any safe mode of transportation within thirty-six (36)  
1050 hours after the returns are canvassed and the results ascertained.

1051 The state election commissioners shall meet a week from the day  
1052 following the preferential election held for state and district  
1053 offices, and shall proceed to canvass the returns and to declare  
1054 the results and announce the names of the candidates for the  
1055 different offices who have received a majority of the votes cast  
1056 and the names of those candidates whose names are to be submitted

1057 to the general election. The state election commissioners shall  
1058 also meet a week from the day on which the general election is  
1059 held and receive and canvass the returns for state and district  
1060 offices voted on in such general election. An exact and full  
1061 duplicate of all tabulations by precincts, as certified under this  
1062 section, shall be filed with the circuit clerk of the county who  
1063 shall safely preserve the same in his office.

1064 SECTION 43. Section 23-15-605, Mississippi Code of 1972, is  
1065 amended as follows:

1066 23-15-605. The Secretary of State, immediately after  
1067 receiving the returns of a general election, not longer than  
1068 thirty (30) days after the election, shall sum up the whole number  
1069 of votes given for each candidate other than for state offices,  
1070 ascertain the person or persons having the largest number of votes  
1071 for each office, and declare such person or persons to be duly  
1072 elected; and thereupon all persons chosen to any office at the  
1073 election shall be commissioned by the Governor; but if it appears  
1074 that two (2) or more candidates for any district office where the  
1075 district is composed of two (2) or more counties, standing highest  
1076 on the list and not elected, have an equal number of votes, the  
1077 election shall be forthwith decided between the candidates having  
1078 an equal number of votes by lot, fairly and publicly drawn, under  
1079 the direction of the Governor and Secretary of State.

1080 SECTION 44. Section 23-15-673, Mississippi Code of 1972, is
