801 considerations for supplemental insurance contracts, or the
802 transaction of any business carried on for gain or profit, or
803 gains, or profits, and income derived from any source whatever and
804 in whatever form paid. The amount of all such items of income

828 (c) Reserves of insurance companies. In the case of

829 insurance companies, any amounts in excess of the legally required

836 for services are not indicative of the true value of the subject
837 matter of the sale, exchange or payment for services, the
838 commissioner shall prescribe uniform and equitable rules for
839 determining the true value of the gross income, gross sales,
840 exchanges or payment for services, or require consolidated returns

892 article.

893 (h) In case of insurance companies, there shall be
