SENATE BILL NO. 2189

1 AN ACT TO AMEND SECTION 43-13-117, MISSISSIPPI CODE OF 1972,  
2 TO ESTABLISH A PROGRAM OF ASSISTANCE PAYMENTS FOR PERSONS WHO  
3 RESIDE IN PERSONAL CARE HOMES AND WHO ARE ELIGIBLE FOR AND  
4 RECEIVING CERTAIN MEDICAID ASSISTANCE; TO AUTHORIZE THE DIVISION  
5 OF MEDICAID TO ADMINISTER THE PROGRAM OF ASSISTANCE PAYMENTS; AND  
6 FOR RELATED PURPOSES.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

8 SECTION 1. Section 43-13-117, Mississippi Code of 1972, is  
9 amended as follows:[RDD1]

10 43-13-117. Medical assistance as authorized by this article  
11 shall include payment of part or all of the costs, at the  
12 discretion of the division or its successor, with approval of the  
13 Governor, of the following types of care and services rendered to  
14 eligible applicants who shall have been determined to be eligible  
15 for such care and services, within the limits of state  
16 appropriations and federal matching funds:

17 (1) Inpatient hospital services.

18 (a) The division shall allow thirty (30) days of  
19 inpatient hospital care annually for all Medicaid recipients;  
20 however, before any recipient will be allowed more than fifteen  
21 (15) days of inpatient hospital care in any one (1) year, he must  
22 obtain prior approval therefor from the division. The division  
23 shall be authorized to allow unlimited days in disproportionate

24 hospitals as defined by the division for eligible infants under  
25 the age of six (6) years.

26 (b) From and after July 1, 1994, the Executive  
27 Director of the Division of Medicaid shall amend the Mississippi  
28 Title XIX Inpatient Hospital Reimbursement Plan to remove the  
29 occupancy rate penalty from the calculation of the Medicaid  
30 Capital Cost Component utilized to determine total hospital costs  
31 allocated to the Medicaid Program.

32 (2) Outpatient hospital services. Provided that where  
33 the same services are reimbursed as clinic services, the division  
34 may revise the rate or methodology of outpatient reimbursement to  
35 maintain consistency, efficiency, economy and quality of care.

36 (3) Laboratory and x-ray services.

37 (4) Nursing facility services.

38 (a) The division shall make full payment to  
39 nursing facilities for each day, not exceeding fifty-two (52) days  
40 per year, that a patient is absent from the facility on home  
41 leave. Payment may be made for the following home leave days in  
42 addition to the 52-day limitation: Christmas, the day before  
43 Christmas, the day after Christmas, Thanksgiving, the day before  
44 Thanksgiving and the day after Thanksgiving. However, before  
45 payment may be made for more than eighteen (18) home leave days in  
46 a year for a patient, the patient must have written authorization  
47 from a physician stating that the patient is physically and  
48 mentally able to be away from the facility on home leave. Such  
49 authorization must be filed with the division before it will be  
50 effective and the authorization shall be effective for three (3)  
51 months from the date it is received by the division, unless it is  
52 revoked earlier by the physician because of a change in the  
53 condition of the patient.

54 (b) From and after July 1, 1993, the division

55 shall implement the integrated case-mix payment and quality  
56 monitoring system developed pursuant to Section 43-13-122, which  
57 includes the fair rental system for property costs and in which  
58 recapture of depreciation is eliminated. The division may revise  
59 the reimbursement methodology for the case-mix payment system by  
60 reducing payment for hospital leave and therapeutic home leave  
61 days to the lowest case-mix category for nursing facilities,  
62 modifying the current method of scoring residents so that only  
63 services provided at the nursing facility are considered in  
64 calculating a facility's per diem, and the division may limit  
65 administrative and operating costs, but in no case shall these  
66 costs be less than one hundred nine percent (109%) of the median  
67 administrative and operating costs for each class of facility, not  
68 to exceed the median used to calculate the nursing facility  
69 reimbursement for fiscal year 1996, to be applied uniformly to all  
70 long-term care facilities.

71 (c) From and after July 1, 1997, all state-owned  
72 nursing facilities shall be reimbursed on a full reasonable costs  
73 basis. From and after July 1, 1997, payments by the division to  
74 nursing facilities for return on equity capital shall be made at  
75 the rate paid under Medicare (Title XVIII of the Social Security  
76 Act), but shall be no less than seven and one-half percent (7.5%)  
77 nor greater than ten percent (10%).

78 (d) A Review Board for nursing facilities is  
79 established to conduct reviews of the Division of Medicaid's  
80 decision in the areas set forth below:

81 (i) Review shall be heard in the following  
82 areas:

83 (A) Matters relating to cost reports  
84 including, but not limited to, allowable costs and cost  
85 adjustments resulting from desk reviews and audits.

86 (B) Matters relating to the Minimum Data  
87 Set Plus (MDS +) or successor assessment formats including but not  
88 limited to audits, classifications and submissions.

89 (ii) The Review Board shall be composed of  
90 six (6) members, three (3) having expertise in one (1) of the two  
91 (2) areas set forth above and three (3) having expertise in the  
92 other area set forth above. Each panel of three (3) shall only  
93 review appeals arising in its area of expertise. The members  
94 shall be appointed as follows:

95 (A) In each of the areas of expertise  
96 defined under subparagraphs (i) (A) and (i) (B), the Executive  
97 Director of the Division of Medicaid shall appoint one (1) person  
98 chosen from the private sector nursing home industry in the state,  
99 which may include independent accountants and consultants serving  
100 the industry;

101 (B) In each of the areas of expertise  
102 defined under subparagraphs (i) (A) and (i) (B), the Executive  
103 Director of the Division of Medicaid shall appoint one (1) person  
104 who is employed by the state who does not participate directly in  
105 desk reviews or audits of nursing facilities in the two (2) areas  
106 of review;

107 (C) The two (2) members appointed by the  
108 Executive Director of the Division of Medicaid in each area of  
109 expertise shall appoint a third member in the same area of  
110 expertise.

111                   In the event of a conflict of interest on the  
112 part of any Review Board members, the Executive Director of the  
113 Division of Medicaid or the other two (2) panel members, as  
114 applicable, shall appoint a substitute member for conducting a  
115 specific review.

116                   (iii) The Review Board panels shall have the  
117 power to preserve and enforce order during hearings; to issue  
118 subpoenas; to administer oaths; to compel attendance and testimony  
119 of witnesses; or to compel the production of books, papers,  
120 documents and other evidence; or the taking of depositions before  
121 any designated individual competent to administer oaths; to  
122 examine witnesses; and to do all things conformable to law that  
123 may be necessary to enable it effectively to discharge its duties.

124                   The Review Board panels may appoint such person or persons as  
125 they shall deem proper to execute and return process in connection  
126 therewith.

127                   (iv) The Review Board shall promulgate,  
128 publish and disseminate to nursing facility providers rules of  
129 procedure for the efficient conduct of proceedings, subject to the  
130 approval of the Executive Director of the Division of Medicaid and  
131 in accordance with federal and state administrative hearing laws  
132 and regulations.

133                   (v) Proceedings of the Review Board shall be  
134 of record.

135                   (vi) Appeals to the Review Board shall be in  
136 writing and shall set out the issues, a statement of alleged facts  
137 and reasons supporting the provider's position. Relevant  
138 documents may also be attached. The appeal shall be filed within

139 thirty (30) days from the date the provider is notified of the  
140 action being appealed or, if informal review procedures are taken,  
141 as provided by administrative regulations of the Division of  
142 Medicaid, within thirty (30) days after a decision has been  
143 rendered through informal hearing procedures.

144 (vii) The provider shall be notified of the  
145 hearing date by certified mail within thirty (30) days from the  
146 date the Division of Medicaid receives the request for appeal.  
147 Notification of the hearing date shall in no event be less than  
148 thirty (30) days before the scheduled hearing date. The appeal  
149 may be heard on shorter notice by written agreement between the  
150 provider and the Division of Medicaid.

151 (viii) Within thirty (30) days from the date  
152 of the hearing, the Review Board panel shall render a written  
153 recommendation to the Executive Director of the Division of  
154 Medicaid setting forth the issues, findings of fact and applicable  
155 law, regulations or provisions.

156 (ix) The Executive Director of the Division  
157 of Medicaid shall, upon review of the recommendation, the  
158 proceedings and the record, prepare a written decision which shall  
159 be mailed to the nursing facility provider no later than twenty  
160 (20) days after the submission of the recommendation by the panel.

161 The decision of the executive director is final, subject only to  
162 judicial review.

163 (x) Appeals from a final decision shall be  
164 made to the Chancery Court of Hinds County. The appeal shall be  
165 filed with the court within thirty (30) days from the date the  
166 decision of the Executive Director of the Division of Medicaid

167 becomes final.

168                   (xi) The action of the Division of Medicaid  
169 under review shall be stayed until all administrative proceedings  
170 have been exhausted.

171                   (xii) Appeals by nursing facility providers  
172 involving any issues other than those two (2) specified in  
173 subparagraphs (i) (A) and (ii) (B) shall be taken in accordance  
174 with the administrative hearing procedures established by the  
175 Division of Medicaid.

176                   (e) When a facility of a category that does not  
177 require a certificate of need for construction and that could not  
178 be eligible for Medicaid reimbursement is constructed to nursing  
179 facility specifications for licensure and certification, and the  
180 facility is subsequently converted to a nursing facility pursuant  
181 to a certificate of need that authorizes conversion only and the  
182 applicant for the certificate of need was assessed an application  
183 review fee based on capital expenditures incurred in constructing  
184 the facility, the division shall allow reimbursement for capital  
185 expenditures necessary for construction of the facility that were  
186 incurred within the twenty-four (24) consecutive calendar months  
187 immediately preceding the date that the certificate of need  
188 authorizing such conversion was issued, to the same extent that  
189 reimbursement would be allowed for construction of a new nursing  
190 facility pursuant to a certificate of need that authorizes such  
191 construction. The reimbursement authorized in this subparagraph  
192 (e) may be made only to facilities the construction of which was  
193 completed after June 30, 1989. Before the division shall be  
194 authorized to make the reimbursement authorized in this

195 subparagraph (e), the division first must have received approval  
196 from the Health Care Financing Administration of the United States  
197 Department of Health and Human Services of the change in the state  
198 Medicaid plan providing for such reimbursement.

199 (f) The division shall develop and implement a  
200 case-mix payment add-on determined by time studies and other valid  
201 statistical data which will reimburse a nursing facility for the  
202 additional cost of caring for a resident who has a diagnosis of  
203 Alzheimer's or other related dementia and exhibits symptoms that  
204 require special care. Any such case-mix add-on payment shall be  
205 supported by a determination of additional cost. The division  
206 shall also develop and implement as part of the fair rental  
207 reimbursement system for nursing facility beds, an Alzheimer's  
208 resident bed depreciation enhanced reimbursement system which will  
209 provide an incentive to encourage nursing facilities to convert or  
210 construct beds for residents with Alzheimer's or other related  
211 dementia.

212 (g) The Division of Medicaid shall develop and  
213 implement a referral process for long-term care alternatives for  
214 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
215 shall be admitted to a Medicaid-certified nursing facility unless  
216 a licensed physician certifies that nursing facility care is  
217 appropriate for that person on a standardized form to be prepared  
218 and provided to nursing facilities by the Division of Medicaid.  
219 The physician shall forward a copy of that certification to the  
220 Division of Medicaid within twenty-four (24) hours after it is  
221 signed by the physician. Any physician who fails to forward the  
222 certification to the Division of Medicaid within the time period

223 specified in this paragraph shall be ineligible for Medicaid  
224 reimbursement for any physician's services performed for the  
225 applicant. The Division of Medicaid shall determine, through an  
226 assessment of the applicant conducted within two (2) business days  
227 after receipt of the physician's certification, whether the  
228 applicant also could live appropriately and cost-effectively at  
229 home or in some other community-based setting if home- or  
230 community-based services were available to the applicant. The  
231 time limitation prescribed in this paragraph shall be waived in  
232 cases of emergency. If the Division of Medicaid determines that a  
233 home- or other community-based setting is appropriate and  
234 cost-effective, the division shall:

235 (i) Advise the applicant or the applicant's  
236 legal representative that a home- or other community-based setting  
237 is appropriate;

238 (ii) Provide a proposed care plan and inform  
239 the applicant or the applicant's legal representative regarding  
240 the degree to which the services in the care plan are available in  
241 a home- or in other community-based setting rather than nursing  
242 facility care; and

243 (iii) Explain that such plan and services are  
244 available only if the applicant or the applicant's legal  
245 representative chooses a home- or community-based alternative to  
246 nursing facility care, and that the applicant is free to choose  
247 nursing facility care.

248 The Division of Medicaid may provide the services described  
249 in this paragraph (g) directly or through contract with case  
250 managers from the local Area Agencies on Aging, and shall

251 coordinate long-term care alternatives to avoid duplication with  
252 hospital discharge planning procedures.

253 Placement in a nursing facility may not be denied by the  
254 division if home- or community-based services that would be more  
255 appropriate than nursing facility care are not actually available,  
256 or if the applicant chooses not to receive the appropriate home-  
257 or community-based services.

258 The division shall provide an opportunity for a fair hearing  
259 under federal regulations to any applicant who is not given the  
260 choice of home- or community-based services as an alternative to  
261 institutional care.

262 The division shall make full payment for long-term care  
263 alternative services.

264 The division shall apply for necessary federal waivers to  
265 assure that additional services providing alternatives to nursing  
266 facility care are made available to applicants for nursing  
267 facility care.

268 (5) Periodic screening and diagnostic services for  
269 individuals under age twenty-one (21) years as are needed to  
270 identify physical and mental defects and to provide health care  
271 treatment and other measures designed to correct or ameliorate  
272 defects and physical and mental illness and conditions discovered  
273 by the screening services regardless of whether these services are  
274 included in the state plan. The division may include in its  
275 periodic screening and diagnostic program those discretionary  
276 services authorized under the federal regulations adopted to  
277 implement Title XIX of the federal Social Security Act, as  
278 amended. The division, in obtaining physical therapy services,

279 occupational therapy services, and services for individuals with  
280 speech, hearing and language disorders, may enter into a  
281 cooperative agreement with the State Department of Education for  
282 the provision of such services to handicapped students by public  
283 school districts using state funds which are provided from the  
284 appropriation to the Department of Education to obtain federal  
285 matching funds through the division. The division, in obtaining  
286 medical and psychological evaluations for children in the custody  
287 of the State Department of Human Services may enter into a  
288 cooperative agreement with the State Department of Human Services  
289 for the provision of such services using state funds which are  
290 provided from the appropriation to the Department of Human  
291 Services to obtain federal matching funds through the division.

292 On July 1, 1993, all fees for periodic screening and  
293 diagnostic services under this paragraph (5) shall be increased by  
294 twenty-five percent (25%) of the reimbursement rate in effect on  
295 June 30, 1993.

296 (6) Physician's services. All fees for physicians'  
297 services that are covered only by Medicaid shall be reimbursed at  
298 ninety percent (90%) of the rate established on January 1, 1999,  
299 and as adjusted each January thereafter, under Medicare (Title  
300 XVIII of the Social Security Act), as amended, and which shall in  
301 no event be less than seventy percent (70%) of the rate  
302 established on January 1, 1994. All fees for physicians' services  
303 that are covered by both Medicare and Medicaid shall be reimbursed  
304 at ten percent (10%) of the adjusted Medicare payment established  
305 on January 1, 1999, and as adjusted each January thereafter, under  
306 Medicare (Title XVIII of the Social Security Act), as amended, and

307 which shall in no event be less than seven percent (7%) of the  
308 adjusted Medicare payment established on January 1, 1994.

309 (7) (a) Home health services for eligible persons, not  
310 to exceed in cost the prevailing cost of nursing facility  
311 services, not to exceed sixty (60) visits per year.

312 (b) Repealed.

313 (8) Emergency medical transportation services. On  
314 January 1, 1994, emergency medical transportation services shall  
315 be reimbursed at seventy percent (70%) of the rate established  
316 under Medicare (Title XVIII of the Social Security Act), as  
317 amended. "Emergency medical transportation services" shall mean,  
318 but shall not be limited to, the following services by a properly  
319 permitted ambulance operated by a properly licensed provider in  
320 accordance with the Emergency Medical Services Act of 1974  
321 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced  
322 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,  
323 (vi) disposable supplies, (vii) similar services.

324 (9) Legend and other drugs as may be determined by the  
325 division. The division may implement a program of prior approval  
326 for drugs to the extent permitted by law. Payment by the division  
327 for covered multiple source drugs shall be limited to the lower of  
328 the upper limits established and published by the Health Care  
329 Financing Administration (HCFA) plus a dispensing fee of Four  
330 Dollars and Ninety-one Cents (\$4.91), or the estimated acquisition  
331 cost (EAC) as determined by the division plus a dispensing fee of  
332 Four Dollars and Ninety-one Cents (\$4.91), or the providers' usual  
333 and customary charge to the general public. The division shall  
334 allow five (5) prescriptions per month for noninstitutionalized

335 Medicaid recipients; however, exceptions for up to ten (10)  
336 prescriptions per month shall be allowed, with the approval of the  
337 director.

338 Payment for other covered drugs, other than multiple source  
339 drugs with HCFA upper limits, shall not exceed the lower of the  
340 estimated acquisition cost as determined by the division plus a  
341 dispensing fee of Four Dollars and Ninety-one Cents (\$4.91) or the  
342 providers' usual and customary charge to the general public.

343 Payment for nonlegend or over-the-counter drugs covered on  
344 the division's formulary shall be reimbursed at the lower of the  
345 division's estimated shelf price or the providers' usual and  
346 customary charge to the general public. No dispensing fee shall  
347 be paid.

348 The division shall develop and implement a program of payment  
349 for additional pharmacist services, with payment to be based on  
350 demonstrated savings, but in no case shall the total payment  
351 exceed twice the amount of the dispensing fee.

352 As used in this paragraph (9), "estimated acquisition cost"  
353 means the division's best estimate of what price providers  
354 generally are paying for a drug in the package size that providers  
355 buy most frequently. Product selection shall be made in  
356 compliance with existing state law; however, the division may  
357 reimburse as if the prescription had been filled under the generic  
358 name. The division may provide otherwise in the case of specified  
359 drugs when the consensus of competent medical advice is that  
360 trademarked drugs are substantially more effective.

361 (10) Dental care that is an adjunct to treatment of an  
362 acute medical or surgical condition; services of oral surgeons and

363 dentists in connection with surgery related to the jaw or any  
364 structure contiguous to the jaw or the reduction of any fracture  
365 of the jaw or any facial bone; and emergency dental extractions  
366 and treatment related thereto. On July 1, 1999, all fees for  
367 dental care and surgery under authority of this paragraph (10)  
368 shall be increased to one hundred sixty percent (160%) of the  
369 amount of the reimbursement rate that was in effect on June 30,  
370 1999. It is the intent of the Legislature to encourage more  
371 dentists to participate in the Medicaid program.

372 (11) Eyeglasses necessitated by reason of eye surgery,  
373 and as prescribed by a physician skilled in diseases of the eye or  
374 an optometrist, whichever the patient may select.

375 (12) Intermediate care facility services.

376 (a) The division shall make full payment to all  
377 intermediate care facilities for the mentally retarded for each  
378 day, not exceeding eighty-four (84) days per year, that a patient  
379 is absent from the facility on home leave. Payment may be made  
380 for the following home leave days in addition to the 84-day  
381 limitation: Christmas, the day before Christmas, the day after  
382 Christmas, Thanksgiving, the day before Thanksgiving and the day  
383 after Thanksgiving. However, before payment may be made for more  
384 than eighteen (18) home leave days in a year for a patient, the  
385 patient must have written authorization from a physician stating  
386 that the patient is physically and mentally able to be away from  
387 the facility on home leave. Such authorization must be filed with  
388 the division before it will be effective, and the authorization  
389 shall be effective for three (3) months from the date it is  
390 received by the division, unless it is revoked earlier by the

391 physician because of a change in the condition of the patient.

392 (b) All state-owned intermediate care facilities  
393 for the mentally retarded shall be reimbursed on a full reasonable  
394 cost basis.

395 (13) Family planning services, including drugs,  
396 supplies and devices, when such services are under the supervision  
397 of a physician.

398 (14) Clinic services. Such diagnostic, preventive,  
399 therapeutic, rehabilitative or palliative services furnished to an  
400 outpatient by or under the supervision of a physician or dentist  
401 in a facility which is not a part of a hospital but which is  
402 organized and operated to provide medical care to outpatients.  
403 Clinic services shall include any services reimbursed as  
404 outpatient hospital services which may be rendered in such a  
405 facility, including those that become so after July 1, 1991. On  
406 July 1, 1999, all fees for physicians' services reimbursed under  
407 authority of this paragraph (14) shall be reimbursed at ninety  
408 percent (90%) of the rate established on January 1, 1999, and as  
409 adjusted each January thereafter, under Medicare (Title XVIII of  
410 the Social Security Act), as amended, and which shall in no event  
411 be less than seventy percent (70%) of the rate established on  
412 January 1, 1994. All fees for physicians' services that are  
413 covered by both Medicare and Medicaid shall be reimbursed at ten  
414 percent (10%) of the adjusted Medicare payment established on  
415 January 1, 1999, and as adjusted each January thereafter, under  
416 Medicare (Title XVIII of the Social Security Act), as amended, and  
417 which shall in no event be less than seven percent (7%) of the  
418 adjusted Medicare payment established on January 1, 1994. On July

419 1, 1999, all fees for dentists' services reimbursed under  
420 authority of this paragraph (14) shall be increased to one hundred  
421 sixty percent (160%) of the amount of the reimbursement rate that  
422 was in effect on June 30, 1999.

423 (15) Home- and community-based services, as provided  
424 under Title XIX of the federal Social Security Act, as amended,  
425 under waivers, subject to the availability of funds specifically  
426 appropriated therefor by the Legislature. Payment for such  
427 services shall be limited to individuals who would be eligible for  
428 and would otherwise require the level of care provided in a  
429 nursing facility. The home- and community-based services  
430 authorized under this paragraph shall be expanded over a five-year  
431 period beginning July 1, 1999. The division shall certify case  
432 management agencies to provide case management services and
