11 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

12 SECTION 1. Section 25-3-93, Mississippi Code of 1972, is

24 However, employees who were hired prior to July 1, 1984, who

36 personal leave.

37 (2) For the purpose of computing credit for personal leave,
38 each appointed officer or employee shall be considered to work not

40 the appointing authority for one (1) year or less shall be
41 permitted without forfeiting previously accumulated continuous
42 service. The provisions of this section shall not apply to
43 military leaves of absence. The time for taking personal leave,
44 except when such leave is taken due to an illness, shall be
45 determined by the appointing authority of which such employees are

61 also be used for an illness in the employee's immediate family as
62 defined in Section 25-3-95. There shall be no limit to the
63 accumulation of personal leave. Upon termination of employment
64 each employee shall be paid for not more than thirty (30) days of
65 accumulated personal leave. Unused personal leave in excess of
66 thirty (30) days shall be counted as creditable service for the
67 purposes of the retirement system as provided in Sections

69 (5) Any officer of the Mississippi Highway Safety Patrol or
70 any sworn law enforcement officer of a state agency who is injured

77 member of his or her immediate family who is suffering from a
78 catastrophic injury or illness, in accordance with subsection (8)
79 of Section 25-3-95.

80 This subsection shall stand repealed from and after July 1,

109 Part-time employees shall accrue major medical leave on a pro

111 leave accumulation. All unused major medical leave shall be
112 counted as creditable service for the purposes of the retirement
113 system as provided in Sections 25-11-103 and 25-13-5.

114 (2) Major medical leave may be used for the illness or
115 injury of an employee or member of the employee's immediate family
116 as defined in subsection (3) of this section, only after the
117 employee has used one (1) day of accrued personal or compensatory
118 leave for each absence due to illness, or leave without pay if the
119 employee has no accrued personal or compensatory leave. Provided
120 that faculty members employed by the eight (8) public universities
121 on a nine-month basis may use major medical leave for the first
122 day of absence due to illness. However, major medical leave may
123 be used, without prior use of personal leave, to cover regularly
124 scheduled visits to a doctor's office or a hospital for the
125 continuing treatment of a chronic disease, as certified in advance
126 by a physician. For the purposes of this section, "physician"
127 means a doctor of medicine, osteopathy, dental medicine, podiatry
128 or chiropractic. For each absence due to illness of thirty-two
129 (32) consecutive working hours (combined personal leave and major
130 medical leave) major medical leave shall be authorized only when
131 certified by their attending physician.

132 (3) An employee may use up to three (3) days of earned major
133 medical leave for each occurrence of death in the immediate family

134 requiring the employee's absence from work. No qualifying time or
135 use of personal leave will be required prior to use of major
136 medical leave for this purpose. For the purpose of this
137 subsection (3), the immediate family is defined as spouse, parent,
138 stepparent, sibling, child, stepchild, grandchild, grandparent,
139 son- or daughter-in-law, mother- or father-in-law or brother- or
140 sister-in-law. Child means a biological, adopted or foster child,
141 or a child for whom the individual stands or stood in loco
142 parentis.

143 (4) Employees and appointed officers of the State of
144 Mississippi having unused, accumulated sick leave or annual leave
145 earned prior to July 1, 1984, shall be credited with major medical
146 leave and personal leave as follows: All unused annual leave
147 shall be credited as personal leave.

148 Unused sick leave shall be divided between major medical
149 leave and personal leave at rates determined by the employee's
150 sick leave balance on June 30, 1984. The rates of conversion
151 shall be as follows:

156 201 - 400 hours	25%	75%
157 401 - 600 hours	30%	70%
158 601 or more hours	35%	65%

159 (5) Upon retirement from active employment each faculty
160 member of the state-supported public universities who is employed
161 on a nine-month basis shall receive credit and be paid for not
162 more than thirty (30) days of unused major medical leave for
163 service as a state employee. Unused major medical leave in excess
164 of thirty (30) days shall be counted as creditable service for the
165 purposes of the retirement system as provided in Sections
166 25-11-103 and 25-13-5.

167 (6) Any officer of the Mississippi Highway Safety Patrol or
168 any sworn law enforcement officer of a state agency who is injured
169 by wound or accident in the line of duty shall not be required to
170 use earned major medical leave during the period of recovery from
171 such injury.

172 (7) For the purpose of Sections 25-3-91 through 25-3-99, the
173 earned major medical leave of each employee shall be credited
174 monthly after the completion of each calendar month, and the
175 appointing authority shall not increase the amount of major
176 medical leave to an employee's credit. It shall be unlawful for
177 an appointing authority to grant major medical leave in an amount
178 greater than was earned and accumulated by the officer or
179 employee.

180 (8) Any employee may donate a portion of his or her earned
181 personal leave or major medical leave to another employee who is
182 suffering from a catastrophic injury or illness, as defined in
183 Section 25-3-91, or to another employee who has a member of his or
184 her immediate family who is suffering from a catastrophic injury
185 or illness, in accordance with the following:

186 (a) The employee donating the leave (the "donor
187 employee") shall designate the employee who is to receive the
188 leave (the "recipient employee") and the amount of earned personal
189 leave and major medical leave that is to be donated, and shall
190 notify the donor employee's appointing authority or supervisor of
191 his or her designation. The donor employee's appointing authority
192 or supervisor then shall notify the recipient employee's
193 appointing authority or supervisor of the amount of leave that has
194 been donated by the donor employee to the recipient employee.

195 (b) The maximum amount of earned personal leave that an
196 employee may donate to any other employee may not exceed a number
197 of days that would leave the donor employee with fewer than seven
198 (7) days of personal leave left, and the maximum amount of earned
199 major medical leave that an employee may donate to any other

200 employee may not exceed fifty percent (50%) of the earned major
201 medical leave of the donor employee.

202 (c) An employee must have exhausted all of his or her
203 earned personal leave and major medical leave before he or she
204 will be eligible to receive any leave donated by another employee.

205 (d) Before an employee may receive donated leave, he or
206 she must provide his or her appointing authority or supervisor
207 with a physician's statement that states the beginning date of the
208 catastrophic injury or illness, a description of the injury or
209 illness, and a prognosis for recovery and the anticipated date
210 that the recipient employee will be able to return to work.

211 (e) If an employee is aggrieved by the decision of his
212 or her appointing authority that the employee is not eligible to
213 receive donated leave because the injury or illness of the
214 employee or member of the employee's immediate family is not, in
215 the appointing authority's determination, a catastrophic injury or
216 illness, the employee may appeal the decision to the employee
217 appeals board.

218 (f) If the total amount of leave that is donated to any
219 employee is not used by the recipient employee, the donated leave
220 shall be returned to the donor employees on a pro rata basis,
221 based on the ratio of the number of days of leave donated by each
222 donor employee to the total number of days of leave donated by all
223 donor employees.

224 (g) The failure of any appointing authority or
225 supervisor of any employee to properly deduct an employee's
226 donation of leave to another employee from the donor employee's
227 earned personal leave or major medical leave shall constitute just
228 cause for the dismissal of the appointing authority or supervisor.

229 (h) Donated leave shall not be used in lieu of
230 disability retirement.

231 (i) For the purposes of this subsection, "immediate
232 family" means spouse, parent, stepparent, sibling, child or

233 stepchild.

234 (j) This subsection shall stand repealed from and after
235 July 1, 2000.

236 SECTION 3. Any firefighter, emergency medical service
237 technician or sworn law enforcement officer of a county or
238 municipality who is injured by wound or accident in the line of
239 duty shall not be required to use earned personal or major medical
240 leave during the period of recovery from such injury.

241 SECTION 4. This act shall take effect and be in force from
242 and after its passage.
