SENATE BILL NO. 2863

1 AN ACT TO AMEND SECTION 43-13-117, MISSISSIPPI CODE OF 1972,  
2 TO DIRECT THE DIVISION OF MEDICAID TO REIMBURSE PROVIDERS FOR  
3 HOSPITAL EMERGENCY ROOM TREATMENT OF RECIPIENTS WHO PARTICIPATE IN  
4 HEALTHMACS, AND TO DIRECT THE DIVISION TO ADVISE SUCH MANAGED CARE  
5 PARTICIPANTS REGARDING PROCEDURES IN SEEKING CARE; AND FOR RELATED  
6 PURPOSES.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

8 SECTION 1. Section 43-13-117, Mississippi Code of 1972, is  
9 amended as follows:[RDD1]

10 43-13-117. Medical assistance as authorized by this article  
11 shall include payment of part or all of the costs, at the  
12 discretion of the division or its successor, with approval of the  
13 Governor, of the following types of care and services rendered to  
14 eligible applicants who shall have been determined to be eligible  
15 for such care and services, within the limits of state  
16 appropriations and federal matching funds:

17 (1) Inpatient hospital services.

18 (a) The division shall allow thirty (30) days of  
19 inpatient hospital care annually for all Medicaid recipients;  
20 however, before any recipient will be allowed more than fifteen  
21 (15) days of inpatient hospital care in any one (1) year, he must  
22 obtain prior approval therefor from the division. The division  
23 shall be authorized to allow unlimited days in disproportionate  
24 hospitals as defined by the division for eligible infants under  
25 the age of six (6) years.

26 (b) From and after July 1, 1994, the Executive  
27 Director of the Division of Medicaid shall amend the Mississippi  
28 Title XIX Inpatient Hospital Reimbursement Plan to remove the

29 occupancy rate penalty from the calculation of the Medicaid  
30 Capital Cost Component utilized to determine total hospital costs  
31 allocated to the Medicaid Program.

32 (2) Outpatient hospital services. Provided that where  
33 the same services are reimbursed as clinic services, the division  
34 may revise the rate or methodology of outpatient reimbursement to  
35 maintain consistency, efficiency, economy and quality of care.

36 (3) Laboratory and x-ray services.

37 (4) Nursing facility services.

38 (a) The division shall make full payment to  
39 nursing facilities for each day, not exceeding fifty-two (52) days  
40 per year, that a patient is absent from the facility on home  
41 leave. Payment may be made for the following home leave days in  
42 addition to the 52-day limitation: Christmas, the day before  
43 Christmas, the day after Christmas, Thanksgiving, the day before  
44 Thanksgiving and the day after Thanksgiving. However, before  
45 payment may be made for more than eighteen (18) home leave days in  
46 a year for a patient, the patient must have written authorization  
47 from a physician stating that the patient is physically and  
48 mentally able to be away from the facility on home leave. Such  
49 authorization must be filed with the division before it will be  
50 effective and the authorization shall be effective for three (3)  
51 months from the date it is received by the division, unless it is  
52 revoked earlier by the physician because of a change in the  
53 condition of the patient.

54 (b) From and after July 1, 1993, the division  
55 shall implement the integrated case-mix payment and quality  
56 monitoring system developed pursuant to Section 43-13-122, which  
57 includes the fair rental system for property costs and in which  
58 recapture of depreciation is eliminated. The division may revise  
59 the reimbursement methodology for the case-mix payment system by  
60 reducing payment for hospital leave and therapeutic home leave  
61 days to the lowest case-mix category for nursing facilities,  
62 modifying the current method of scoring residents so that only  
63 services provided at the nursing facility are considered in  
64 calculating a facility's per diem, and the division may limit  
65 administrative and operating costs, but in no case shall these

66 costs be less than one hundred nine percent (109%) of the median  
67 administrative and operating costs for each class of facility, not  
68 to exceed the median used to calculate the nursing facility  
69 reimbursement for fiscal year 1996, to be applied uniformly to all  
70 long-term care facilities.

71 (c) From and after July 1, 1997, all state-owned  
72 nursing facilities shall be reimbursed on a full reasonable costs  
73 basis. From and after July 1, 1997, payments by the division to  
74 nursing facilities for return on equity capital shall be made at  
75 the rate paid under Medicare (Title XVIII of the Social Security  
76 Act), but shall be no less than seven and one-half percent (7.5%)  
77 nor greater than ten percent (10%).

78 (d) A Review Board for nursing facilities is  
79 established to conduct reviews of the Division of Medicaid's  
80 decision in the areas set forth below:

81 (i) Review shall be heard in the following  
82 areas:

83 (A) Matters relating to cost reports  
84 including, but not limited to, allowable costs and cost  
85 adjustments resulting from desk reviews and audits.

86 (B) Matters relating to the Minimum Data  
87 Set Plus (MDS +) or successor assessment formats including but not  
88 limited to audits, classifications and submissions.

89 (ii) The Review Board shall be composed of  
90 six (6) members, three (3) having expertise in one (1) of the two  
91 (2) areas set forth above and three (3) having expertise in the  
92 other area set forth above. Each panel of three (3) shall only  
93 review appeals arising in its area of expertise. The members  
94 shall be appointed as follows:

95 (A) In each of the areas of expertise  
96 defined under subparagraphs (i)(A) and (i)(B), the Executive  
97 Director of the Division of Medicaid shall appoint one (1) person  
98 chosen from the private sector nursing home industry in the state,

99 which may include independent accountants and consultants serving  
100 the industry;

101 (B) In each of the areas of expertise  
102 defined under subparagraphs (i)(A) and (i)(B), the Executive  
103 Director of the Division of Medicaid shall appoint one (1) person  
104 who is employed by the state who does not participate directly in  
105 desk reviews or audits of nursing facilities in the two (2) areas  
106 of review;

107 (C) The two (2) members appointed by the  
108 Executive Director of the Division of Medicaid in each area of  
109 expertise shall appoint a third member in the same area of  
110 expertise.

111 In the event of a conflict of interest on the part of any  
112 Review Board members, the Executive Director of the Division of  
113 Medicaid or the other two (2) panel members, as applicable, shall  
114 appoint a substitute member for conducting a specific review.

115 (iii) The Review Board panels shall have the  
116 power to preserve and enforce order during hearings; to issue  
117 subpoenas; to administer oaths; to compel attendance and testimony  
118 of witnesses; or to compel the production of books, papers,  
119 documents and other evidence; or the taking of depositions before  
120 any designated individual competent to administer oaths; to  
121 examine witnesses; and to do all things conformable to law that  
122 may be necessary to enable it effectively to discharge its duties.

123 The Review Board panels may appoint such person or persons as  
124 they shall deem proper to execute and return process in connection  
125 therewith.

126 (iv) The Review Board shall promulgate,  
127 publish and disseminate to nursing facility providers rules of  
128 procedure for the efficient conduct of proceedings, subject to the  
129 approval of the Executive Director of the Division of Medicaid and  
130 in accordance with federal and state administrative hearing laws  
131 and regulations.

132 (v) Proceedings of the Review Board shall be  
133 of record.

134 (vi) Appeals to the Review Board shall be in  
135 writing and shall set out the issues, a statement of alleged facts  
136 and reasons supporting the provider's position. Relevant  
137 documents may also be attached. The appeal shall be filed within  
138 thirty (30) days from the date the provider is notified of the  
139 action being appealed or, if informal review procedures are taken,  
140 as provided by administrative regulations of the Division of  
141 Medicaid, within thirty (30) days after a decision has been  
142 rendered through informal hearing procedures.

143 (vii) The provider shall be notified of the  
144 hearing date by certified mail within thirty (30) days from the  
145 date the Division of Medicaid receives the request for appeal.  
146 Notification of the hearing date shall in no event be less than  
147 thirty (30) days before the scheduled hearing date. The appeal  
148 may be heard on shorter notice by written agreement between the  
149 provider and the Division of Medicaid.

150 (viii) Within thirty (30) days from the date  
151 of the hearing, the Review Board panel shall render a written  
152 recommendation to the Executive Director of the Division of  
153 Medicaid setting forth the issues, findings of fact and applicable  
154 law, regulations or provisions.

155 (ix) The Executive Director of the Division  
156 of Medicaid shall, upon review of the recommendation, the  
157 proceedings and the record, prepare a written decision which shall  
158 be mailed to the nursing facility provider no later than twenty  
159 (20) days after the submission of the recommendation by the panel.  
160 The decision of the executive director is final, subject only to  
161 judicial review.

162 (x) Appeals from a final decision shall be  
163 made to the Chancery Court of Hinds County. The appeal shall be  
164 filed with the court within thirty (30) days from the date the

165 decision of the Executive Director of the Division of Medicaid  
166 becomes final.

167 (xi) The action of the Division of Medicaid  
168 under review shall be stayed until all administrative proceedings  
169 have been exhausted.

170 (xii) Appeals by nursing facility providers  
171 involving any issues other than those two (2) specified in  
172 subparagraphs (i)(A) and (ii)(B) shall be taken in accordance with  
173 the administrative hearing procedures established by the Division  
174 of Medicaid.

175 (e) When a facility of a category that does not  
176 require a certificate of need for construction and that could not  
177 be eligible for Medicaid reimbursement is constructed to nursing  
178 facility specifications for licensure and certification, and the  
179 facility is subsequently converted to a nursing facility pursuant  
180 to a certificate of need that authorizes conversion only and the  
181 applicant for the certificate of need was assessed an application  
182 review fee based on capital expenditures incurred in constructing  
183 the facility, the division shall allow reimbursement for capital  
184 expenditures necessary for construction of the facility that were  
185 incurred within the twenty-four (24) consecutive calendar months  
186 immediately preceding the date that the certificate of need  
187 authorizing such conversion was issued, to the same extent that  
188 reimbursement would be allowed for construction of a new nursing  
189 facility pursuant to a certificate of need that authorizes such  
190 construction. The reimbursement authorized in this subparagraph  
191 (e) may be made only to facilities the construction of which was  
192 completed after June 30, 1989. Before the division shall be  
193 authorized to make the reimbursement authorized in this  
194 subparagraph (e), the division first must have received approval  
195 from the Health Care Financing Administration of the United States  
196 Department of Health and Human Services of the change in the state  
197 Medicaid plan providing for such reimbursement.

198                   (f) The division shall develop and implement a  
199 case-mix payment add-on determined by time studies and other valid  
200 statistical data which will reimburse a nursing facility for the  
201 additional cost of caring for a resident who has a diagnosis of  
202 Alzheimer's or other related dementia and exhibits symptoms that  
203 require special care. Any such case-mix add-on payment shall be  
204 supported by a determination of additional cost. The division  
205 shall also develop and implement as part of the fair rental  
206 reimbursement system for nursing facility beds, an Alzheimer's  
207 resident bed depreciation enhanced reimbursement system which will  
208 provide an incentive to encourage nursing facilities to convert or  
209 construct beds for residents with Alzheimer's or other related  
210 dementia.

211                   (g) The Division of Medicaid shall develop and  
212 implement a referral process for long-term care alternatives for  
213 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
214 shall be admitted to a Medicaid-certified nursing facility unless  
215 a licensed physician certifies that nursing facility care is  
216 appropriate for that person on a standardized form to be prepared  
217 and provided to nursing facilities by the Division of Medicaid.  
218 The physician shall forward a copy of that certification to the  
219 Division of Medicaid within twenty-four (24) hours after it is  
220 signed by the physician. Any physician who fails to forward the  
221 certification to the Division of Medicaid within the time period  
222 specified in this paragraph shall be ineligible for Medicaid  
223 reimbursement for any physician's services performed for the  
224 applicant. The Division of Medicaid shall determine, through an  
225 assessment of the applicant conducted within two (2) business days  
226 after receipt of the physician's certification, whether the  
227 applicant also could live appropriately and cost-effectively at  
228 home or in some other community-based setting if home- or  
229 community-based services were available to the applicant. The  
230 time limitation prescribed in this paragraph shall be waived in

231 cases of emergency. If the Division of Medicaid determines that a  
232 home- or other community-based setting is appropriate and  
233 cost-effective, the division shall:

234 (i) Advise the applicant or the applicant's  
235 legal representative that a home- or other community-based setting  
236 is appropriate;

237 (ii) Provide a proposed care plan and inform  
238 the applicant or the applicant's legal representative regarding  
239 the degree to which the services in the care plan are available in  
240 a home- or in other community-based setting rather than nursing  
241 facility care; and

242 (iii) Explain that such plan and services are  
243 available only if the applicant or the applicant's legal  
244 representative chooses a home- or community-based alternative to  
245 nursing facility care, and that the applicant is free to choose  
246 nursing facility care.

247 The Division of Medicaid may provide the services described  
248 in this paragraph (g) directly or through contract with case  
249 managers from the local Area Agencies on Aging, and shall  
250 coordinate long-term care alternatives to avoid duplication with  
251 hospital discharge planning procedures.

252 Placement in a nursing facility may not be denied by the  
253 division if home- or community-based services that would be more  
254 appropriate than nursing facility care are not actually available,  
255 or if the applicant chooses not to receive the appropriate home-  
256 or community-based services.

257 The division shall provide an opportunity for a fair hearing  
258 under federal regulations to any applicant who is not given the  
259 choice of home- or community-based services as an alternative to  
260 institutional care.

261 The division shall make full payment for long-term care  
262 alternative services.

263 The division shall apply for necessary federal waivers to

264 assure that additional services providing alternatives to nursing  
265 facility care are made available to applicants for nursing  
266 facility care.

267           (5) Periodic screening and diagnostic services for  
268 individuals under age twenty-one (21) years as are needed to  
269 identify physical and mental defects and to provide health care  
270 treatment and other measures designed to correct or ameliorate  
271 defects and physical and mental illness and conditions discovered  
272 by the screening services regardless of whether these services are  
273 included in the state plan. The division may include in its  
274 periodic screening and diagnostic program those discretionary  
275 services authorized under the federal regulations adopted to  
276 implement Title XIX of the federal Social Security Act, as  
277 amended. The division, in obtaining physical therapy services,  
278 occupational therapy services, and services for individuals with  
279 speech, hearing and language disorders, may enter into a  
280 cooperative agreement with the State Department of Education for  
281 the provision of such services to handicapped students by public  
282 school districts using state funds which are provided from the  
283 appropriation to the Department of Education to obtain federal  
284 matching funds through the division. The division, in obtaining  
285 medical and psychological evaluations for children in the custody  
286 of the State Department of Human Services may enter into a  
287 cooperative agreement with the State Department of Human Services  
288 for the provision of such services using state funds which are  
289 provided from the appropriation to the Department of Human  
290 Services to obtain federal matching funds through the division.

291           On July 1, 1993, all fees for periodic screening and  
292 diagnostic services under this paragraph (5) shall be increased by  
293 twenty-five percent (25%) of the reimbursement rate in effect on  
294 June 30, 1993.

295           (6) Physician's services. All fees for physicians'  
296 services that are covered only by Medicaid shall be reimbursed at

297 ninety percent (90%) of the rate established on January 1, 1999,  
298 and as adjusted each January thereafter, under Medicare (Title  
299 XVIII of the Social Security Act), as amended, and which shall in  
300 no event be less than seventy percent (70%) of the rate  
301 established on January 1, 1994. All fees for physicians' services  
302 that are covered by both Medicare and Medicaid shall be reimbursed  
303 at ten percent (10%) of the adjusted Medicare payment established  
304 on January 1, 1999, and as adjusted each January thereafter, under  
305 Medicare (Title XVIII of the Social Security Act), as amended, and  
306 which shall in no event be less than seven percent (7%) of the  
307 adjusted Medicare payment established on January 1, 1994.

308 (7) (a) Home health services for eligible persons, not  
309 to exceed in cost the prevailing cost of nursing facility  
310 services, not to exceed sixty (60) visits per year.

311 (b) Repealed.

312 (8) Emergency medical transportation services. On  
313 January 1, 1994, emergency medical transportation services shall  
314 be reimbursed at seventy percent (70%) of the rate established  
315 under Medicare (Title XVIII of the Social Security Act), as  
316 amended. "Emergency medical transportation services" shall mean,  
317 but shall not be limited to, the following services by a properly  
318 permitted ambulance operated by a properly licensed provider in  
319 accordance with the Emergency Medical Services Act of 1974  
320 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced  
321 life support, (iii) mileage, (iv) oxygen, (v) intravenous fluids,  
322 (vi) disposable supplies, (vii) similar services.

323 (9) Legend and other drugs as may be determined by the  
324 division. The division may implement a program of prior approval  
325 for drugs to the extent permitted by law. Payment by the division  
326 for covered multiple source drugs shall be limited to the lower of  
327 the upper limits established and published by the Health Care  
328 Financing Administration (HCFA) plus a dispensing fee of Four  
329 Dollars and Ninety-one Cents (\$4.91), or the estimated acquisition

330 cost (EAC) as determined by the division plus a dispensing fee of  
331 Four Dollars and Ninety-one Cents (\$4.91), or the providers' usual  
332 and customary charge to the general public. The division shall  
333 allow five (5) prescriptions per month for noninstitutionalized  
334 Medicaid recipients; however, exceptions for up to ten (10)  
335 prescriptions per month shall be allowed, with the approval of the  
336 director.

337 Payment for other covered drugs, other than multiple source  
338 drugs with HCFA upper limits, shall not exceed the lower of the  
339 estimated acquisition cost as determined by the division plus a  
340 dispensing fee of Four Dollars and Ninety-one Cents (\$4.91) or the  
341 providers' usual and customary charge to the general public.

342 Payment for nonlegend or over-the-counter drugs covered on  
343 the division's formulary shall be reimbursed at the lower of the  
344 division's estimated shelf price or the providers' usual and  
345 customary charge to the general public. No dispensing fee shall  
346 be paid.

347 The division shall develop and implement a program of payment  
348 for additional pharmacist services, with payment to be based on  
349 demonstrated savings, but in no case shall the total payment  
350 exceed twice the amount of the dispensing fee.

351 As used in this paragraph (9), "estimated acquisition cost"  
352 means the division's best estimate of what price providers  
353 generally are paying for a drug in the package size that providers  
354 buy most frequently. Product selection shall be made in  
355 compliance with existing state law; however, the division may  
356 reimburse as if the prescription had been filled under the generic  
357 name. The division may provide otherwise in the case of specified  
358 drugs when the consensus of competent medical advice is that  
359 trademarked drugs are substantially more effective.

360 (10) Dental care that is an adjunct to treatment of an  
361 acute medical or surgical condition; services of oral surgeons and  
362 dentists in connection with surgery related to the jaw or any

363 structure contiguous to the jaw or the reduction of any fracture  
364 of the jaw or any facial bone; and emergency dental extractions  
365 and treatment related thereto. On July 1, 1999, all fees for  
366 dental care and surgery under authority of this paragraph (10)  
367 shall be increased to one hundred sixty percent (160%) of the  
368 amount of the reimbursement rate that was in effect on June 30,  
369 1999. It is the intent of the Legislature to encourage more  
370 dentists to participate in the Medicaid program.

371 (11) Eyeglasses necessitated by reason of eye surgery,  
372 and as prescribed by a physician skilled in diseases of the eye or  
373 an optometrist, whichever the patient may select.

374 (12) Intermediate care facility services.

375 (a) The division shall make full payment to all  
376 intermediate care facilities for the mentally retarded for each  
377 day, not exceeding eighty-four (84) days per year, that a patient  
378 is absent from the facility on home leave. Payment may be made  
379 for the following home leave days in addition to the 84-day  
380 limitation: Christmas, the day before Christmas, the day after  
381 Christmas, Thanksgiving, the day before Thanksgiving and the day  
382 after Thanksgiving. However, before payment may be made for more  
383 than eighteen (18) home leave days in a year for a patient, the  
384 patient must have written authorization from a physician stating  
385 that the patient is physically and mentally able to be away from  
386 the facility on home leave. Such authorization must be filed with  
387 the division before it will be effective, and the authorization  
388 shall be effective for three (3) months from the date it is  
389 received by the division, unless it is revoked earlier by the  
390 physician because of a change in the condition of the patient.

391 (b) All state-owned intermediate care facilities  
392 for the mentally retarded shall be reimbursed on a full reasonable  
393 cost basis.

394 (13) Family planning services, including drugs,  
395 supplies and devices, when such services are under the supervision

396 of a physician.

397           (14) Clinic services. Such diagnostic, preventive,  
398 therapeutic, rehabilitative or palliative services furnished to an  
399 outpatient by or under the supervision of a physician or dentist  
400 in a facility which is not a part of a hospital but which is  
401 organized and operated to provide medical care to outpatients.  
402 Clinic services shall include any services reimbursed as  
403 outpatient hospital services which may be rendered in such a  
404 facility, including those that become so after July 1, 1991. On  
405 July 1, 1999, all fees for physicians' services reimbursed under  
406 authority of this paragraph (14) shall be reimbursed at ninety  
407 percent (90%) of the rate established on January 1, 1999, and as  
408 adjusted each January thereafter, under Medicare (Title XVIII of  
409 the Social Security Act), as amended, and which shall in no event  
410 be less than seventy percent (70%) of the rate established on  
411 January 1, 1994. All fees for physicians' services that are  
412 covered by both Medicare and Medicaid shall be reimbursed at ten  
413 percent (10%) of the adjusted Medicare payment established on  
414 January 1, 1999, and as adjusted each January thereafter, under  
415 Medicare (Title XVIII of the Social Security Act), as amended, and  
416 which shall in no event be less than seven percent (7%) of the  
417 adjusted Medicare payment established on January 1, 1994. On July  
418 1, 1999, all fees for dentists' services reimbursed under  
419 authority of this paragraph (14) shall be increased to one hundred  
420 sixty percent (160%) of the amount of the reimbursement rate that  
421 was in effect on June 30, 1999.

422           (15) Home- and community-based services, as provided  
423 under Title XIX of the federal Social Security Act, as amended,  
424 under waivers, subject to the availability of funds specifically  
425 appropriated therefor by the Legislature. Payment for such  
426 services shall be limited to individuals who would be eligible for  
427 and would otherwise require the level of care provided in a  
428 nursing facility. The home- and community-based services

429 authorized under this paragraph shall be expanded over a five-year  
430 period beginning July 1, 1999. The division shall certify case  
431 management agencies to provide case management services and  
432 provide for home- and community-based services for eligible  
433 individuals under this paragraph. The home- and community-based
