96 With the funds herein appropriated, it is the intention of
97 the Legislature that it shall be the agency's responsibility to
98 make certain that funds required to be appropriated for "Personal
99 Services" for Fiscal Year 2002 do not exceed Fiscal Year 2001
100 funds appropriated for that purpose, unless programs or positions
101 are added to the agency's Fiscal Year 2002 budget by the
102 Mississippi Legislature. Based on data provided by the
103 Legislative Budget Office, the State Personnel Board shall
104 determine and publish the projected annual cost to fully fund all
105 appropriated positions in compliance with the provisions of this
106 act. It shall be the responsibility of the agency head to insure
107 that no single personnel action increases this projected annual
108 cost and/or the Fiscal Year 2001 appropriation for "Personal
109 Services" when annualized. If, at the end of any calendar month,
110 the State Personnel Board determines that the agency has taken
111 action(s) which would cause the agency to exceed this projected
112 annual cost or the Fiscal Year 2001 "Personal Services"
113 appropriated level, when annualized, then only those actions which
114 reduce the projected annual cost and/or the appropriation
115 requirement will be processed by the State Personnel Board until
116 such time as the requirements of this provision are met.

117 Any transfers or escalations shall be made in accordance with
118 the terms, conditions, and procedures established by law.

119 No general funds authorized to be expended herein shall be
120 used to replace federal funds and/or other special funds which are
121 being used for salaries authorized under the provisions of this
122 act and which are withdrawn and no longer available.

123 SECTION 4. Of the funds appropriated in Sections 1 and 2,
124 and authorized for expenditure in Section 3, it is the intention
125 of the Legislature that any contractual service payments made by
126 the department to defray medical expenses for inmates shall be at

127 the currently established Medicaid reimbursement rate; however, if
128 hospital and medical providers will not contract at the Medicaid
129 reimbursement rate, the Department of Corrections may enter into a
130 negotiated contract.

131 SECTION 5. Of the funds appropriated in Sections 1 and 2,
132 none shall be expended for personnel housing under the
133 jurisdiction of the Department of Corrections unless the
134 department shall collect a reasonable rent, after a finding of
135 fact as to what is a reasonable rent, and/or the cost of utilities
136 furnished to said housing, except that the Superintendent of the
137 Central Mississippi Correctional Facility may be provided with a
138 housing expense allowance in lieu of being furnished with a
139 dwelling house. The Department of Corrections shall not pay for
140 the installation or monthly service of any telephone installed in
141 a staff residence under its jurisdiction.

142 SECTION 6. Of the funds appropriated in Sections 1 and 2,
143 and authorized for expenditure in Section 3, payment may be
144 authorized for court ordered attorney fees and any accrued
145 interest subject to the approval of the Office of the Attorney
146 General.

147 SECTION 7. No part of the funds herein appropriated shall be
148 used for the purpose of returning escaped state convicts to the
149 State Penitentiary from a distance of over one hundred (100) miles
150 beyond the borders of the state, except upon approval of the
151 Governor in each specific case.

152 SECTION 8. None of the money herein appropriated shall be
153 paid to any person who by the provision of Section 47-5-47,
154 Mississippi Code of 1972, as amended, is prohibited from being an
155 employee of the Mississippi Department of Corrections. The State
156 Department of Finance and Administration shall at least annually
157 make a report to the Joint Legislative Committee on Performance
158 Evaluation and Expenditure Review and to the Attorney General
159 stating the name of any person prohibited under the provisions of

160 Section 47-5-47, Mississippi Code of 1972, as amended, from being
161 an employee of the Mississippi Department of Corrections who has
162 during the preceding year received any money herein appropriated.

163 In the event that any such person prohibited as hereinabove
164 provided from receiving funds herein appropriated should receive
165 any of said funds, the Attorney General shall immediately commence
166 action to recover the monies so paid to said person and to enjoin
167 the further employment of said person at the Mississippi
168 Department of Corrections.

169 SECTION 9. It is the intention of the Legislature that the
170 Commissioner of the Mississippi Department of Corrections may
171 transfer between the divisions of Support, Medical Services,
172 Parole Board, Farming Operations and Local Confinement, both funds
173 and positions not to exceed fifteen percent (15%) of the
174 authorized budgets in the aggregate. The Commissioner of the
175 Mississippi Department of Corrections shall submit written
176 justification for the transfer to the Legislative Budget Office
177 and the Department of Finance and Administration on or before the
178 fifteenth of the month prior to the effective date of the
179 transfer. It is further the intention of the Legislature that no
180 transfer may be made under the provisions of this section to
181 increase or decrease the salaries category of any budget set forth
182 in the original appropriations made under this act, but may be
183 used to contract with counties to house state inmates in
184 facilities authorized by Section 47-5-931, Mississippi Code of
185 1972. It is further the intention of the Legislature that any
186 transfers made under the provisions of this paragraph shall be for
187 the removal of state inmates from county jails or of an emergency
188 nature.

189 SECTION 10. It is the intent of the Legislature that all
190 prisoners at Parchman shall work a minimum of eight (8) hours per
191 day, excluding prisoners with a physical disability or those
192 incarcerated in maximum security.

193 SECTION 11. In compliance with the "Mississippi Performance
 194 Budget and Strategic Planning Act of 1994," it is the intent of
 195 the Legislature that the funds provided herein shall be utilized
 196 in the most efficient and effective manner possible to achieve the
 197 intended mission of this agency. Based on the funding authorized,
