AMENDMENT No. 1 PROPOSED TO

Senate Bill NO. 3053

By Representative(s) Committee

AMEND on line 671 by inserting the following new section,
"SECTION 21. This act shall not be construed to authorize a district to deny access to the storm water management system or any portion of that system to any person holding a valid water pollution control permit or coverage under a general permit from the Environmental Quality Permit Board."

AMEND further by renumbering succeeding section numbers.
