Senate Bill NO. 2629

By Senator(s) Nunnelee

AMEND by striking Section 2 in its entirety and inserting in lieu thereof the following:

SECTION 2. Section 55-13-35, Mississippi Code of 1972, is amended as follows:

55-13-35. It shall be unlawful to construct or erect a building of more than three (3) stories or thirty-five (35) feet in height, whichever is lesser, within one thousand (1,000) feet of the outside boundary of the Natchez Trace Parkway. Such restrictions on buildings shall apply notwithstanding that such area is located inside or outside a municipality and notwithstanding any other provisions of law to the contrary. This section shall not apply to any building in existence on July 1, 1988. Silos and buildings designed for agricultural use, * * * churches, and schools are exempted from the application of this section.

FURTHER AMEND by striking the title in its entirety and inserting in lieu thereof the following:
