128 affiliated group that includes such permanent business enterprises
129 are allowed a job tax credit for taxes imposed by Section 27-7-5

139 to the Mississippi income tax withholding. Thereafter, the number
140 of new full-time jobs shall be determined by comparing the monthly

188 shall commence on the date selected by the integrated supplier;

193 be determined by using the monthly average number of full-time
194 employees subject to Mississippi income tax withholding.
195 Thereafter, the number of new full-time jobs shall be determined

1320 a project as defined in Section 57-75-5(f)(iv)1 or any facility
1321 related to the project as provided in Section 57-75-11(e)(ii).

1322 SECTION 12. Section 11-27-85, Mississippi Code of 1972, is
1323 amended as follows:[CR7]

1324 11-27-85. (1) Upon the filing of the report of the
1325 appraiser, the clerk shall within three (3) days mail notice to
1326 the parties and the court that the report has been filed. The
1327 court shall review the report of the appraiser and shall, after
1328 not less than five (5) days' notice thereof to the defendants,
1329 enter an order granting to the plaintiff title to the property,
1330 less and except all oil, gas and other minerals which may be
1331 produced through a well bore, and the right to immediate entry
1332 unless, for other cause shown or for uncertainty concerning the
1333 immediate public need for such property pursuant to Section
1334 11-27-83, the judge shall determine that such passing of title,
1335 and right of entry should be denied. However, no person lawfully
1336 occupying real property shall be required to move from a dwelling
1337 or to move his business or farm operation without at least ninety
1338 (90) days' written notice prior to the date by which such move is
1339 required.

1340 (2) Upon entry of said order, the plaintiff may deposit not

1341 less than eighty-five percent (85%) of the amount of the
1342 compensation and damages as determined by the appraiser with the
1343 clerk of the court, and upon so doing, the plaintiff shall be
1344 granted title to the property, less and except all oil, gas and
1345 other minerals which may be produced through a well bore, and
1346 shall have the right to immediate entry to said property. The
1347 defendant, or defendants, shall be entitled to receive the amount
1348 so paid to the clerk of the court, which shall be disbursed as
1349 their interest may appear, pursuant to order of the court.

1350 (3) Notwithstanding any provisions of subsections (1) and
1351 (2) of this section to the contrary, title and immediate
1352 possession to real property, including oil, gas and other mineral
1353 interests, may be granted under this section to (a) any county
1354 authorized to exercise the power of eminent domain under Section
1355 19-7-41 for the purpose of acquiring land for construction of a
1356 federal correctional facility or other federal penal institution,
1357 and (b) the Mississippi Major Economic Impact Authority for the
1358 purpose of acquiring land, property and rights-of-way for a
1359 project as defined in Section 57-75-5(f)(iv)1 and any facility
1360 related to such project.

1361 SECTION 13. Section 31-7-13, Mississippi Code of 1972, is
1362 amended as follows:

1363 31-7-13. All agencies and governing authorities shall
1364 purchase their commodities and printing; contract for garbage
1365 collection or disposal; contract for solid waste collection or
1366 disposal; contract for sewage collection or disposal; contract for
1367 public construction; and contract for rentals as herein provided.

1368 (a) **Bidding procedure for purchases not over \$1,500.00.**

1369 Purchases which do not involve an expenditure of more than One
1370 Thousand Five Hundred Dollars (\$1,500.00), exclusive of freight or
1371 shipping charges, may be made without advertising or otherwise
1372 requesting competitive bids. Provided, however, that nothing
1373 contained in this paragraph (a) shall be construed to prohibit any
1374 agency or governing authority from establishing procedures which
1375 require competitive bids on purchases of One Thousand Five Hundred
1376 Dollars (\$1,500.00) or less.

1377 (b) **Bidding procedure for purchases over \$1,500.00 but**
1378 **not over \$10,000.00.** Purchases which involve an expenditure of
1379 more than One Thousand Five Hundred Dollars (\$1,500.00) but not
1380 more than Ten Thousand Dollars (\$10,000.00), exclusive of freight
1381 and shipping charges may be made from the lowest and best bidder
1382 without publishing or posting advertisement for bids, provided at
1383 least two (2) competitive written bids have been obtained. Any
1384 governing authority purchasing commodities pursuant to this
1385 paragraph (b) may authorize its purchasing agent, or his designee,
1386 with regard to governing authorities other than counties, or its
1387 purchase clerk, or his designee, with regard to counties, to
1388 accept the lowest and best competitive written bid. Such
1389 authorization shall be made in writing by the governing authority
1390 and shall be maintained on file in the primary office of the
1391 agency and recorded in the official minutes of the governing
1392 authority, as appropriate. The purchasing agent or the purchase
1393 clerk, or their designee, as the case may be, and not the
1394 governing authority, shall be liable for any penalties and/or
1395 damages as may be imposed by law for any act or omission of the
1396 purchasing agent or purchase clerk, or their designee,

1397 constituting a violation of law in accepting any bid without
1398 approval by the governing authority. The term "competitive
1399 written bid" shall mean a bid submitted on a bid form furnished by
1400 the buying agency or governing authority and signed by authorized
1401 personnel representing the vendor, or a bid submitted on a
1402 vendor's letterhead or identifiable bid form and signed by
1403 authorized personnel representing the vendor. Bids may be
1404 submitted by facsimile, electronic mail or other generally
1405 accepted method of information distribution. Bids submitted by
1406 electronic transmission shall not require the signature of the
1407 vendor's representative unless required by agencies or governing
1408 authorities.

1409 (c) **Bidding procedure for purchases over \$10,000.00.**

1410 (i) **Publication requirement.** Purchases which
1411 involve an expenditure of more than Ten Thousand Dollars
1412 (\$10,000.00), exclusive of freight and shipping charges may be
1413 made from the lowest and best bidder after advertising for
1414 competitive sealed bids once each week for two (2) consecutive
1415 weeks in a regular newspaper published in the county or
1416 municipality in which such agency or governing authority is
1417 located. The date as published for the bid opening shall not be
1418 less than seven (7) working days after the last published notice;
1419 however, if the purchase involves a construction project in which
1420 the estimated cost is in excess of Fifteen Thousand Dollars
1421 (\$15,000.00), such bids shall not be opened in less than fifteen
1422 (15) working days after the last notice is published and the
1423 notice for the purchase of such construction shall be published
1424 once each week for two (2) consecutive weeks. The notice of

1425 intention to let contracts or purchase equipment shall state the
1426 time and place at which bids shall be received, list the contracts
1427 to be made or types of equipment or supplies to be purchased, and,
1428 if all plans and/or specifications are not published, refer to the
1429 plans and/or specifications on file. If there is no newspaper
1430 published in the county or municipality, then such notice shall be
1431 given by posting same at the courthouse, or for municipalities at
1432 the city hall, and at two (2) other public places in the county or
1433 municipality, and also by publication once each week for two (2)
1434 consecutive weeks in some newspaper having a general circulation
1435 in the county or municipality in the above provided manner. On
1436 the same date that the notice is submitted to the newspaper for
1437 publication, the agency or governing authority involved shall mail
1438 written notice to, or provide electronic notification to the main
1439 office of the Mississippi Contract Procurement Center that
1440 contains the same information as that in the published notice.

1441 (ii) **Bidding process amendment procedure.** If all
1442 plans and/or specifications are published in the notification,
1443 then the plans and/or specifications may not be amended. If all
1444 plans and/or specifications are not published in the notification,
1445 then amendments to the plans/specifications, bid opening date, bid
1446 opening time and place may be made, provided that the agency or
1447 governing authority maintains a list of all prospective bidders
1448 who are known to have received a copy of the bid documents and all
1449 such prospective bidders are sent copies of all amendments. This
1450 notification of amendments may be made via mail, facsimile,
1451 electronic mail or other generally accepted method of information
1452 distribution. No addendum to bid specifications may be issued

1453 within forty-eight (48) working hours of the time established for
1454 the receipt of bids unless such addendum also amends the bid
1455 opening to a date not less than five (5) working days after the
1456 date of the addendum.

1457 (iii) **Filing requirement.** In all cases involving
1458 governing authorities, before the notice shall be published or
1459 posted, the plans or specifications for the construction or
1460 equipment being sought shall be filed with the clerk of the board
1461 of the governing authority. In addition to these requirements, a
1462 bid file shall be established which shall indicate those vendors
1463 to whom such solicitations and specifications were issued, and
1464 such file shall also contain such information as is pertinent to
1465 the bid.

1466 (iv) **Specification restrictions.** Specifications
1467 pertinent to such bidding shall be written so as not to exclude
1468 comparable equipment of domestic manufacture. Provided, however,
1469 that should valid justification be presented, the Department of
1470 Finance and Administration or the board of a governing authority
1471 may approve a request for specific equipment necessary to perform
1472 a specific job. Further, such justification, when placed on the
1473 minutes of the board of a governing authority, may serve as
1474 authority for that governing authority to write specifications to
1475 require a specific item of equipment needed to perform a specific
1476 job. In addition to these requirements, from and after July 1,
1477 1990, vendors of relocatable classrooms and the specifications for
1478 the purchase of such relocatable classrooms published by local
1479 school boards shall meet all pertinent regulations of the State
1480 Board of Education, including prior approval of such bid by the

1481 State Department of Education.

1482 (d) **Lowest and best bid decision procedure.**

1483 (i) **Decision procedure.** Purchases may be made
1484 from the lowest and best bidder. In determining the lowest and
1485 best bid, freight and shipping charges shall be included.
1486 Life-cycle costing, total cost bids, warranties, guaranteed
1487 buy-back provisions and other relevant provisions may be included
1488 in the best bid calculation. All best bid procedures for state
1489 agencies must be in compliance with regulations established by the
1490 Department of Finance and Administration. If any governing
1491 authority accepts a bid other than the lowest bid actually
1492 submitted, it shall place on its minutes detailed calculations and
1493 narrative summary showing that the accepted bid was determined to
1494 be the lowest and best bid, including the dollar amount of the
1495 accepted bid and the dollar amount of the lowest bid. No agency
1496 or governing authority shall accept a bid based on items not
1497 included in the specifications.

1498 (ii) **Construction project negotiations authority.**

1499 If the lowest and best bid is not more than ten percent (10%)
1500 above the amount of funds allocated for a public construction or
1501 renovation project, then the agency or governing authority shall
1502 be permitted to negotiate with the lowest bidder in order to enter
1503 into a contract for an amount not to exceed the funds allocated.

1504 (e) **Lease-purchase authorization.** For the purposes of
1505 this section, the term "equipment" shall mean equipment, furniture
1506 and, if applicable, associated software and other applicable
1507 direct costs associated with the acquisition. Any lease-purchase
1508 of equipment which an agency is not required to lease-purchase

1509 under the master lease-purchase program pursuant to Section
1510 31-7-10 and any lease-purchase of equipment which a governing
1511 authority elects to lease-purchase may be acquired by a
1512 lease-purchase agreement under this paragraph (e). Lease-purchase
1513 financing may also be obtained from the vendor or from a
1514 third-party source after having solicited and obtained at least
1515 two (2) written competitive bids, as defined in paragraph (b) of
1516 this section, for such financing without advertising for such
1517 bids. Solicitation for the bids for financing may occur before or
1518 after acceptance of bids for the purchase of such equipment or,
1519 where no such bids for purchase are required, at any time before
1520 the purchase thereof. No such lease-purchase agreement shall be
1521 for an annual rate of interest which is greater than the overall
1522 maximum interest rate to maturity on general obligation
1523 indebtedness permitted under Section 75-17-101, and the term of
1524 such lease-purchase agreement shall not exceed the useful life of
1525 equipment covered thereby as determined according to the upper
1526 limit of the asset depreciation range (ADR) guidelines for the
1527 Class Life Asset Depreciation Range System established by the
1528 Internal Revenue Service pursuant to the United States Internal
1529 Revenue Code and regulations thereunder as in effect on December
1530 31, 1980, or comparable depreciation guidelines with respect to
1531 any equipment not covered by ADR guidelines. Any lease-purchase
1532 agreement entered into pursuant to this paragraph (e) may contain
1533 any of the terms and conditions which a master lease-purchase
1534 agreement may contain under the provisions of Section 31-7-10(5),
1535 and shall contain an annual allocation dependency clause
1536 substantially similar to that set forth in Section 31-7-10(8).

1537 Each agency or governing authority entering into a lease-purchase
1538 transaction pursuant to this paragraph (e) shall maintain with
1539 respect to each such lease-purchase transaction the same
1540 information as required to be maintained by the Department of
1541 Finance and Administration pursuant to Section 31-7-10(13).
1542 However, nothing contained in this section shall be construed to
1543 permit agencies to acquire items of equipment with a total
1544 acquisition cost in the aggregate of less than Ten Thousand
1545 Dollars (\$10,000.00) by a single lease-purchase transaction. All
1546 equipment, and the purchase thereof by any lessor, acquired by
1547 lease-purchase under this paragraph and all lease-purchase
1548 payments with respect thereto shall be exempt from all Mississippi
1549 sales, use and ad valorem taxes. Interest paid on any
1550 lease-purchase agreement under this section shall be exempt from
1551 State of Mississippi income taxation.

1552 (f) **Alternate bid authorization.** When necessary to
1553 ensure ready availability of commodities for public works and the
1554 timely completion of public projects, no more than two (2)
1555 alternate bids may be accepted by a governing authority for
1556 commodities. No purchases may be made through use of such
1557 alternate bids procedure unless the lowest and best bidder, for
1558 reasons beyond his control, cannot deliver the commodities
1559 contained in his bid. In that event, purchases of such
1560 commodities may be made from one (1) of the bidders whose bid was
1561 accepted as an alternate.

1562 (g) **Construction contract change authorization.** In the
1563 event a determination is made by an agency or governing authority
1564 after a construction contract is let that changes or modifications

1565 to the original contract are necessary or would better serve the
1566 purpose of the agency or the governing authority, such agency or
1567 governing authority may, in its discretion, order such changes
1568 pertaining to the construction that are necessary under the
1569 circumstances without the necessity of further public bids;
1570 provided that such change shall be made in a commercially
1571 reasonable manner and shall not be made to circumvent the public
1572 purchasing statutes. In addition to any other authorized person,
1573 the architect or engineer hired by an agency or governing
1574 authority with respect to any public construction contract shall
1575 have the authority, when granted by an agency or governing
1576 authority, to authorize changes or modifications to the original
1577 contract without the necessity of prior approval of the agency or
1578 governing authority when any such change or modification is less
1579 than one percent (1%) of the total contract amount. The agency or
1580 governing authority may limit the number, manner or frequency of
1581 such emergency changes or modifications.

1582 (h) **Petroleum purchase alternative.** In addition to
1583 other methods of purchasing authorized in this chapter, when any
1584 agency or governing authority shall have a need for gas, diesel
1585 fuel, oils and/or other petroleum products in excess of the amount
1586 set forth in paragraph (a) of this section, such agency or
1587 governing authority may purchase the commodity after having
1588 solicited and obtained at least two (2) competitive written bids,
1589 as defined in paragraph (b) of this section. If two (2)
1590 competitive written bids are not obtained the entity shall comply
1591 with the procedures set forth in paragraph (c) of this section.
1592 In the event any agency or governing authority shall have

1593 advertised for bids for the purchase of gas, diesel fuel, oils and
1594 other petroleum products and coal and no acceptable bids can be
1595 obtained, such agency or governing authority is authorized and
1596 directed to enter into any negotiations necessary to secure the
1597 lowest and best contract available for the purchase of such
1598 commodities.

1599 (i) **Road construction petroleum products price**
1600 **adjustment clause authorization.** Any agency or governing
1601 authority authorized to enter into contracts for the construction,
1602 maintenance, surfacing or repair of highways, roads or streets,
1603 may include in its bid proposal and contract documents a price
1604 adjustment clause with relation to the cost to the contractor,
1605 including taxes, based upon an industry-wide cost index, of
1606 petroleum products including asphalt used in the performance or
1607 execution of the contract or in the production or manufacture of
1608 materials for use in such performance. Such industry-wide index
1609 shall be established and published monthly by the Mississippi
1610 Department of Transportation with a copy thereof to be mailed,
1611 upon request, to the clerks of the governing authority of each
1612 municipality and the clerks of each board of supervisors
1613 throughout the state. The price adjustment clause shall be based
1614 on the cost of such petroleum products only and shall not include
1615 any additional profit or overhead as part of the adjustment. The
1616 bid proposals or document contract shall contain the basis and
1617 methods of adjusting unit prices for the change in the cost of
1618 such petroleum products.

1619 (j) **State agency emergency purchase procedure.** If the
1620 executive head of any agency of the state shall determine that an

1621 emergency exists in regard to the purchase of any commodities or
1622 repair contracts, so that the delay incident to giving opportunity
1623 for competitive bidding would be detrimental to the interests of
1624 the state, then the provisions herein for competitive bidding
1625 shall not apply and the head of such agency shall be authorized to
1626 make the purchase or repair. Total purchases so made shall only
1627 be for the purpose of meeting needs created by the emergency
1628 situation. In the event such executive head is responsible to an
1629 agency board, at the meeting next following the emergency
1630 purchase, documentation of the purchase, including a description
1631 of the commodity purchased, the purchase price thereof and the
1632 nature of the emergency shall be presented to the board and placed
1633 on the minutes of the board of such agency. The head of such
1634 agency shall, at the earliest possible date following such
1635 emergency purchase, file with the Department of Finance and
1636 Administration (i) a statement under oath certifying the
1637 conditions and circumstances of the emergency, and (ii) a
1638 certified copy of the appropriate minutes of the board of such
1639 agency, if applicable.

1640 (k) **Governing authority emergency purchase procedure.**

1641 If the governing authority, or the governing authority acting
1642 through its designee, shall determine that an emergency exists in
1643 regard to the purchase of any commodities or repair contracts, so
1644 that the delay incident to giving opportunity for competitive
1645 bidding would be detrimental to the interest of the governing
1646 authority, then the provisions herein for competitive bidding
1647 shall not apply and any officer or agent of such governing
1648 authority having general or special authority therefor in making

1649 such purchase or repair shall approve the bill presented therefor,
1650 and he shall certify in writing thereon from whom such purchase
1651 was made, or with whom such a repair contract was made. At the
1652 board meeting next following the emergency purchase or repair
1653 contract, documentation of the purchase or repair contract,
1654 including a description of the commodity purchased, the price
1655 thereof and the nature of the emergency shall be presented to the
1656 board and shall be placed on the minutes of the board of such
1657 governing authority.

1658 (1) **Hospital purchase or lease authorization.** The
1659 commissioners or board of trustees of any hospital owned or owned
1660 and operated separately or jointly by one or more counties,
1661 cities, towns, supervisors districts or election districts, or
1662 combinations thereof, may contract with such lowest and best
1663 bidder for the purchase or lease of any commodity under a contract
1664 of purchase or lease-purchase agreement whose obligatory terms do
1665 not exceed five (5) years. In addition to the authority granted
1666 herein, the commissioners or board of trustees are authorized to
1667 enter into contracts for the lease of equipment or services, or
1668 both, which it considers necessary for the proper care of patients
1669 if, in its opinion, it is not financially feasible to purchase the
1670 necessary equipment or services. Any such contract for the lease
1671 of equipment or services executed by the commissioners or board
1672 shall not exceed a maximum of five (5) years' duration and shall
1673 include a cancellation clause based on unavailability of funds.
1674 If such cancellation clause is exercised, there shall be no
1675 further liability on the part of the lessee.

1676 (m) **Exceptions from bidding requirements.** Excepted

1677 from bid requirements are:

1678 (i) **Purchasing agreements approved by department.**

1679 Purchasing agreements, contracts and maximum price regulations
1680 executed or approved by the Department of Finance and
1681 Administration.

1682 (ii) **Outside equipment repairs.** Repairs to
1683 equipment, when such repairs are made by repair facilities in the
1684 private sector; however, engines, transmissions, rear axles and/or
1685 other such components shall not be included in this exemption when
1686 replaced as a complete unit instead of being repaired and the need
1687 for such total component replacement is known before disassembly
1688 of the component; provided, however, that invoices identifying the
1689 equipment, specific repairs made, parts identified by number and
1690 name, supplies used in such repairs, and the number of hours of
1691 labor and costs therefor shall be required for the payment for
1692 such repairs.

1693 (iii) **In-house equipment repairs.** Purchases of
1694 parts for repairs to equipment, when such repairs are made by
1695 personnel of the agency or governing authority; however, entire
1696 assemblies, such as engines or transmissions, shall not be
1697 included in this exemption when the entire assembly is being
1698 replaced instead of being repaired.

1699 (iv) **Raw gravel or dirt.** Raw unprocessed deposits
1700 of gravel or fill dirt which are to be removed and transported by
1701 the purchaser.

1702 (v) **Governmental equipment auctions.** Motor
1703 vehicles or other equipment purchased from a federal or state
1704 agency or a governing authority at a public auction held for the

1705 purpose of disposing of such vehicles or other equipment. Any
1706 purchase by a governing authority under the exemption authorized
1707 by this paragraph (v) shall require advance authorization spread
1708 upon the minutes of the governing authority to include the listing
1709 of the item or items authorized to be purchased and the maximum
1710 bid authorized to be paid for each item or items.

1711 (vi) **Intergovernmental sales and transfers.**

1712 Purchases, sales, transfers or trades by governing authorities or
1713 state agencies when such purchases, sales, transfers or trades are
1714 made by a private treaty agreement or through means of
1715 negotiation, from any federal agency or authority, another
1716 governing authority or state agency of the State of Mississippi,
1717 or any state agency of another state. Nothing in this section
1718 shall permit such purchases through public auction except as
1719 provided for in paragraph (v) of this section. It is the intent
1720 of this section to allow governmental entities to dispose of
1721 and/or purchase commodities from other governmental entities at a
1722 price that is agreed to by both parties. This shall allow for
1723 purchases and/or sales at prices which may be determined to be
1724 below the market value if the selling entity determines that the
1725 sale at below market value is in the best interest of the
1726 taxpayers of the state. Governing authorities shall place the
1727 terms of the agreement and any justification on the minutes, and
1728 state agencies shall obtain approval from the Department of
1729 Finance and Administration, prior to releasing or taking
1730 possession of the commodities.

1731 (vii) **Perishable supplies or food.** Perishable
1732 supplies or foods purchased for use in connection with hospitals,

1733 the school lunch programs, homemaking programs and for the feeding
1734 of county or municipal prisoners.

1735 (viii) **Single source items.** Noncompetitive items
1736 available from one (1) source only. In connection with the
1737 purchase of noncompetitive items only available from one (1)
1738 source, a certification of the conditions and circumstances
1739 requiring the purchase shall be filed by the agency with the
1740 Department of Finance and Administration and by the governing
1741 authority with the board of the governing authority. Upon receipt
1742 of that certification the Department of Finance and Administration
1743 or the board of the governing authority, as the case may be, may,
1744 in writing, authorize the purchase, which authority shall be noted
1745 on the minutes of the body at the next regular meeting thereafter.

1746 In those situations, a governing authority is not required to
1747 obtain the approval of the Department of Finance and
1748 Administration.

1749 (ix) **Waste disposal facility construction**
1750 **contracts.** Construction of incinerators and other facilities for
1751 disposal of solid wastes in which products either generated
1752 therein, such as steam, or recovered therefrom, such as materials
1753 for recycling, are to be sold or otherwise disposed of; provided,
1754 however, in constructing such facilities a governing authority or
1755 agency shall publicly issue requests for proposals, advertised for
1756 in the same manner as provided herein for seeking bids for public
1757 construction projects, concerning the design, construction,
1758 ownership, operation and/or maintenance of such facilities,
1759 wherein such requests for proposals when issued shall contain
1760 terms and conditions relating to price, financial responsibility,

1761 technology, environmental compatibility, legal responsibilities
1762 and such other matters as are determined by the governing
1763 authority or agency to be appropriate for inclusion; and after

2177 (a) On the use, storage or consumption of any tangible
2178 personal property if the sale thereof has already been included in
2179 the measure of this tax or the tax imposed by Section 27-65-24 or

2181 included in the measure of a sales tax imposed by another state in
2182 which the property was sold or use tax imposed by some other state
2183 in which the property was used. If the rate of sales or use tax
2184 paid another state by the person using the property in Mississippi
2185 is not equal to or greater than the rate imposed by this article,
2186 then the user or purchaser shall apply the difference in these
2187 rates to the purchase price or value of the property and pay to
2188 the commissioner the amount of tax thus computed. Persons using

2194 this state which was acquired from another person who used it in
2195 other states shall be entitled to a credit equal to the applicable
2196 rate in the state of last prior use multiplied by the value of the
2197 property at the time of importation into this state. Provided,
2198 however, that credit for use tax paid to another state shall not
2199 apply on the purchase price of tangible personal property that has
2200 been only stored or warehoused in the other state and the first
2201 use of the property occurs in Mississippi. Provided, further,
2202 that credit for sales or use tax paid to another state shall not
2203 apply on the purchase price or value of automobiles, trucks,
2204 truck-tractors and semitrailers imported and first used in
2205 Mississippi.

2206 Credit for sales or use tax paid to another state as provided
2207 above shall be evidenced by an invoice clearly and correctly
2208 showing the amount of such tax as a separate item, and no credit

2209 shall be allowed otherwise.

2210 (b) On the use, storage or consumption of tangible
2211 personal property to the extent that sales of similar property in
2212 Mississippi are either excluded or specifically exempt from sales
2213 tax or are taxed at the wholesale rate.

2214 This exemption shall be confined to the use of property the
2215 sale of which is an itemized exemption in the Mississippi Sales
2216 Tax Law, or to use by persons who are listed in said law as being
2217 exempt from sales tax.

2218 (c) On the use, storage or consumption of tangible
2219 personal property brought into this state by a nonresident for his
2220 or her use or enjoyment while temporarily within the state, but
2221 not including tangible personal property brought in for use in
2222 connection with a business activity. This exemption shall not
2223 apply to property which remains situated in this state for the
2224 repeated use, storage or consumption by out-of-state visitors, or
2225 which is acquired by visitors and first used in this state.

2226 (d) On the use of a motor vehicle for which a
2227 registration is required by the motor vehicle law, when such motor
2228 vehicle was purchased by a natural person for his personal or
2229 family use while such person was a bona fide resident of another
2230 state and who thereafter became a resident of this state, but not
2231 to include a motor vehicle which is transferred by the owner
2232 thereof for commercial use or for use by another person within
2233 this state.

2240 a person paying Mississippi sales tax on gross income from
2241 admissions for such exhibitions or by a person operating a
2242 television or radio broadcasting station.

2243 (g) On any vehicle purchased in another state for use
2244 outside of this state by a Mississippi citizen serving in the
2245 Armed Forces and stationed in another state who elects to license
2246 the vehicle in Mississippi.

2247 (h) On the cost or value and on the use, storage and
2248 consumption of rail rolling stock and component parts thereof.

2249 (i) On the use, storage or consumption of literature,
2250 video tapes and photographic slides used by religious institutions
2251 for the propagation of their creeds or for carrying on their
2252 customary nonprofit religious activities, and on the use of any
2253 tangible personal property purchased and first used in another
2254 state by religious institutions for the propagation of their
2255 creeds or for carrying on their customary nonprofit religious
2256 activities. "Religious institution," for the purpose of this
2257 exemption, means any religious institution granted an exemption
2258 under 26 USCS Section 501(c)(3). Any exemption under this
2259 paragraph obtained by fraud, misstatement or misrepresentation,
2260 shall be cancelled by the State Tax Commission, and the person
2261 committing the fraud, misstatement or misrepresentation shall be
2262 liable for prosecution for fraud on the assessment, and, on
2263 conviction, shall be fined not less than One Thousand Dollars
2264 (\$1,000.00), or punished by imprisonment in the State Penitentiary

2265 for a term not to exceed five (5) years, or both, within the
2266 discretion of the court.

2267 (j) The tax on the cost or value of farm machinery used
2268 in the harvesting of agricultural products shall be limited to the
2269 ratio of use within this state to the life of the property.

2270 (k) On the use, storage or consumption, between July 1,
2271 1993, and June 30, 1994, of machinery and equipment to
2272 corporations qualified as tax-exempt organizations under Section
2273 501(c)(4) of the Internal Revenue Code and established in response
2274 to the Federal Oil Pollution Act of 1990 to provide a private
2275 capability to respond to major oil spills. For purposes of this
2276 exemption, "machinery and equipment" means property with a useful
2277 life of at least three (3) years which is used primarily in the
2278 operations of the Marine Oil Spill Response Corporation and shall
2279 include, without limitation, vessels, barges, booms and skimmers.

2280 This paragraph shall stand repealed on July 1, 1995.

2281 (l) On the use of machinery and equipment; special
2282 tooling such as dies, molds, jigs and similar items treated as
2283 special tooling for federal income tax purposes; or repair parts
2284 therefor or replacements thereof; or repair services thereon; by a
2285 taxpayer other than the manufacturer when the manufacturer still
2286 holds title to the items and the items are purchased by the
2287 manufacturer as a part of a project as defined in Section
2288 57-75-5(f)(iv)1.

2289 (m) On the use, storage or consumption of utilities
2290 purchased by a manufacturer described in Section 27-65-101(x).

2291 SECTION 16. Section 28, Chapter 1, Laws of 2000, Second
2292 Extraordinary Session, is amended as follows:

2293 Section 28. (1) Except as otherwise provided in this
2294 section, a qualified business or industry that meets the
2295 qualifications specified in the Mississippi Advantage Jobs Act may
2296 receive quarterly incentive payments for a period not to exceed
2297 ten (10) years from the State Tax Commission pursuant to the
2298 provisions of the Mississippi Advantage Jobs Act in an amount
2299 which shall be equal to the net benefit rate multiplied by the
2300 actual gross payroll of new direct jobs for a calendar quarter as
2301 verified by the Mississippi Employment Security Commission, but
2302 not to exceed the amount of money previously paid into the fund by
2303 the employer. A qualified business or industry that is a project
2304 as defined in Section 57-75-5(f)(iv)1 may elect the date upon
2305 which the ten-year period will begin. Such date may not be later
2306 than sixty (60) months after the date the business or industry
2307 applied for incentive payments.

2308 (2) (a) A qualified business or industry that is a project
2309 as defined in Section 57-75-5(f)(iv)1 may apply to the MDA to
2310 receive incentive payments for an additional period not to exceed
2311 five (5) years beyond the expiration date of the initial ten-year
2312 period if:

2313 (i) The qualified business or industry creates at
2314 least three thousand (3,000) new direct jobs within five (5) years
2315 after the date the business or industry commences commercial
2316 production;

2317 (ii) Within five (5) years after the date the
2318 business or industry commences commercial production, the average
2319 annual wage of the jobs is at least one hundred fifty percent
2320 (150%) of the most recently published state average annual wage or

2321 the most recently published average annual wage of the county in
2322 which the qualified business or industry is located as determined
2323 by the Mississippi Employment Security Commission, whichever is
2324 the lesser. The criteria for the average annual wage requirement
2325 shall be based upon the state average annual wage or the average
2326 annual wage of the county whichever is appropriate, at the time of
2327 creation of the minimum number of jobs, and the threshold
2328 established at that time will remain constant for the duration of
2329 the additional period; and

2330 (iii) The qualified business or industry meets and
2331 maintains the job and wage requirements of subparagraphs (i) and
2332 (ii) of this paragraph (a) for four (4) consecutive calendar
2333 quarters.

2334 (b) A qualified business or industry that is a project
2335 as defined in Section 57-75-5(f)(iv)1 and qualified to receive
2336 incentive payments for the additional period provided in paragraph
2337 (a) of this subsection (2) may apply to the MDA to receive
2338 incentive payments for an additional period not to exceed ten (10)
2339 years beyond the expiration date of the additional period provided
2340 in paragraph (a) of this subsection (2) if:

2341 (i) The qualified business or industry creates at
2342 least four thousand (4,000) new direct jobs after qualifying for
2343 the additional incentive period provided in paragraph (a) of this
2344 subsection (2) but before the expiration of the additional period.

2345 For purposes of determining whether the business or industry
2346 meets the minimum jobs requirement of this subparagraph (i), the
2347 number of jobs the business or industry created in order to meet
2348 the minimum jobs requirement of paragraph (a) of this subsection

2349 (2) shall be subtracted from the minimum jobs requirement of this
2350 subparagraph (i);

2351 (ii) The average annual wage of the jobs is at
2352 least one hundred fifty percent (150%) of the most recently
2353 published state average annual wage or the most recently published
2354 average annual wage of the county in which the qualified business
2355 or industry is located as determined by the Mississippi Employment
2356 Security Commission, whichever is the lesser. The criteria for
2357 the average annual wage requirement shall be based upon the state
2358 average annual wage or the average annual wage of the county
2359 whichever is appropriate, at the time of creation of the minimum
2360 number of jobs, and the threshold established at that time will
2361 remain constant for the duration of the additional period; and

2362 (iii) The qualified business or industry meets and
2363 maintains the job and wage requirements of subparagraphs (i) and
2364 (ii) of this paragraph (b) for four (4) consecutive calendar
2365 quarters.

2366 (3) In order to receive incentive payments, an establishment
2367 shall apply to the MDA. The application shall be on a form
2368 prescribed by the MDA and shall contain such information as may be
2369 required by the MDA to determine if the applicant is qualified.

2370 (4) In order to qualify to receive such payments, the
2371 establishment applying shall be required to:

2372 (a) Be engaged in a qualified business or industry;

2373 (b) Provide an average salary, excluding benefits which
2374 are not subject to Mississippi income taxes, of at least one
2375 hundred twenty-five percent (125%) of the most recently published
2376 state average annual wage or the most recently published average

2377 annual wage of the county in which the qualified business or
2378 industry is located as determined by the Mississippi Employment
2379 Security Commission, whichever is the lesser. The criteria for
2380 this requirement shall be based upon the state average annual wage
2381 or the average annual wage of the county whichever is appropriate,
2382 at the time of application, and the threshold established upon
2383 application will remain constant for the duration of the project;

2384 (c) The business or industry must create and maintain a
2385 minimum of ten (10) full-time jobs in counties that have an
2386 average unemployment rate over the previous twelve-month period
2387 which is at least one hundred fifty percent (150%) of the most
2388 recently published state unemployment rate, as determined by the
2389 Mississippi Employment Security Commission or in Tier Three
2390 counties as determined under Section 57-73-21. In all other
2391 counties, the business or industry must create and maintain a
2392 minimum of twenty-five (25) full-time jobs. The criteria for this
2393 requirement shall be based on the designation of the county at the
2394 time of the application. The threshold established upon the
2395 application will remain constant for the duration of the project.

2396 The business or industry must meet its job creation commitment
2397 within twenty-four (24) months of the application approval.

2398 However, if the qualified business or industry is applying for
2399 incentive payments for an additional period under subsection (2)
2400 of this section, the business or industry must comply with the
2401 applicable job and wage requirements of subsection (2) of this
2402 section.

2403 (5) The MDA shall determine if the applicant is qualified to
2404 receive incentive payments. If the applicant is determined to be

2405 qualified by the MDA, the MDA shall conduct a cost/benefit
2406 analysis to determine the estimated net direct state benefits and
2407 the net benefit rate applicable for a period not to exceed ten
2408 (10) years and to estimate the amount of gross payroll for the
2409 period. If the applicant is determined to be qualified to receive
2410 incentive payments for an additional period under subsection (2)
2411 of this section, the MDA shall conduct a cost/benefit analysis to
2412 determine the estimated net direct state benefits and the net
2413 benefit rate applicable for the appropriate additional period and
2414 to estimate the amount of gross payroll for the additional period.

2415 In conducting such cost/benefit analysis, the MDA shall consider
2416 quantitative factors, such as the anticipated level of new tax
2417 revenues to the state along with the cost to the state of the
2418 qualified business or industry, and such other criteria as deemed
2419 appropriate by the MDA, including the adequacy of retirement
2420 benefits that the business or industry provides to individuals it
2421 employs in new direct jobs in this state. In no event shall
2422 incentive payments, cumulatively, exceed the estimated net direct
2423 state benefits. Once the qualified business or industry is
2424 approved by the MDA, an agreement shall be deemed to exist between
2425 the qualified business or industry and the State of Mississippi,
2426 requiring the continued incentive payment to be made as long as
2427 the qualified business or industry retains its eligibility.

2428 (6) Upon approval of such an application, the MDA shall
2429 notify the State Tax Commission and shall provide it with a copy
2430 of the approved application and the estimated net direct state
2431 benefits. The State Tax Commission may require the qualified
2432 business or industry to submit such additional information as may

2433 be necessary to administer the provisions of Sections 24 through
2434 33 of this act. The qualified business or industry shall report
2435 to the State Tax Commission periodically to show its continued
2436 eligibility for incentive payments. The qualified business or
2437 industry may be audited by the State Tax Commission to verify such
2438 eligibility.

2439 SECTION 17. Section 30, Chapter 1, Laws of 2000, Second
2440 Extraordinary Session, is amended as follows:

2441 Section 30. (1) As soon as practicable after the end of a
2442 calendar quarter for which a qualified business or industry has
2443 qualified to receive an incentive payment, the qualified business
2444 or industry shall file a claim for the payment with the State Tax
2445 Commission and shall specify the actual number of full-time jobs
2446 created and maintained by the business or industry for the
2447 calendar quarter and the gross payroll thereof. The State Tax
2448 Commission shall verify the actual number of full-time jobs
2449 created and maintained by the business or industry and compliance
2450 with the average annual wage requirements for such business or
2451 industry under Section 28(4) of this act. If the qualified
2452 business or industry files a claim for an incentive payment during
2453 an additional incentive period provided under Section 28(2) of
2454 this act, the State Tax Commission shall verify the actual number
2455 of full-time jobs created and maintained by the business or
2456 industry and compliance with the average annual wage requirements
2457 for such business or industry under Section 28(2) of this act. If
2458 the State Tax Commission is not able to provide such verification
2459 utilizing all available resources, the State Tax Commission may
2460 request such additional information from the business or industry

2461 as may be necessary.

2462 (2) (a) The business or industry must meet the salary and
2463 job requirements of Section 28(4) of this act for four (4)
2464 consecutive calendar quarters prior to payment of the first
2465 incentive payment. If the business or industry does not maintain
2466 the salary or job requirements of Section 28(4) of this act at any
2467 other time during the ten-year period after the date the first
2468 payment was made, the incentive payments shall not be made and
2469 shall not be resumed until such time as the actual verified number
2470 of full-time jobs created and maintained by the business or
2471 industry equals or exceeds the amounts specified in Section 28(4)
2472 of this act for one (1) calendar quarter.

2473 (b) If the business or industry is qualified to receive
2474 incentive payments for an additional period provided under Section
2475 28(2) of this act, the business or industry must meet the wage and
2476 job requirements of Section 28(2) of this act, for four (4)
2477 consecutive calendar quarters prior to payment of the first
2478 incentive payment. If the business or industry does not maintain
2479 the wage or job requirements of Section 28(2) of this act, at any
2480 other time during the appropriate additional period after the date
2481 the first payment was made, the incentive payments shall not be
2482 made and shall not be resumed until such time as the actual
2483 verified number of full-time jobs created and maintained by the
2484 business or industry equals or exceeds the amounts specified in
2485 Section 28(2) of this act, for one (1) calendar quarter.

2486 (3) An establishment that has qualified pursuant to Sections
2487 24 through 33 of this act may receive payments only in accordance
2488 with the provision under which it initially applied and was

2489 approved. If an establishment that is receiving incentive
2490 payments expands, it may apply for additional incentive payments
2491 based on the new gross payroll for new direct jobs anticipated
2492 from the expansion only, pursuant to Sections 24 through 33 of
2493 this act.

2494 (4) As soon as practicable after verification of the
2495 qualified business or industry meeting the requirements of
2496 Sections 24 through 33 of this act and all rules and regulations,
2497 the Department of Finance and Administration, upon requisition of
2498 the State Tax Commission, shall issue a warrant drawn on the
2499 Mississippi Advantage Jobs Incentive Payment Fund to the
2500 establishment in the amount of the net benefit rate multiplied by
2501 the actual gross payroll as determined pursuant to subsection (1)
2502 of this section for the calendar quarter.

2503 SECTION 18. All real and personal property owned by a
2504 manufacturer of motor vehicles operating a project that has been
2505 certified by the Mississippi Major Economic Impact Authority as a
2506 project as defined in Section 57-75-5(f)(iv)1 shall be exempt from
2507 ad valorem taxation.
