Mississippi by meeting the following requirements:

(a) Conforming to the provisions of this act and the
regulation of this board.

(b) By having a qualifying agent from their company
residing in the State of Mississippi and meeting the above
requirements or holding a valid alarm systems contractor's license
in another state with which reciprocity has been established by
the board.

(8) A licensee shall display the license at its normal place
of business and in a manner easily readable by the general public.

(9) A notice shall be displayed prominently in the place of
business of each licensee regulated pursuant to this act
containing the name, mailing address, and telephone number of the
board, and a statement informing consumers that complaints against
licensees may be directed to the board.

(10) The license number of a licensee shall be displayed in
all advertising.

(11) The board shall prepare information of consumer
interest describing the regulatory functions and describing the
procedures of the board by which consumer complaints shall be
filed with and resolved by the board. The board shall make the
information available to the general public and appropriate state
agencies. The board shall provide upon request a listing of all
licenses. The board may collect a fee for the cost of duplicating
and mailing materials.

(12) Each written contract for services in the state of a
licensee shall contain the name, mailing address and telephone
number of the board and a statement informing consumers that
complaints against licensees may be directed to the board.

(13) Notice of the issuance, revocation, reinstatement, or
expiration of every license issued by the board shall be furnished
to the sheriff of the county and the chief of police, as
appropriate, and the inspection department of the city where the
principal place of business of a licensee is located.

(14) Any person who can demonstrate to the board that he has
installed at least five (5) burglar alarm systems within the last
twelve (12) months preceding the effective date of this act shall
be licensed without taking the examination required by this act.

SECTION 6. The licensing and regulatory provisions of this
act shall not apply to any of the following persons, entities or
activities:

(a) A person or business entity which sells burglar
alarm systems at the premises of the customer and does not
install, service or respond to the burglar alarm system at the
premises of the customer.

(b) The installation, servicing, or responding to an
alarm device which is installed in a motor vehicle, aircraft or
boat that is a nonmonitored account.

(c) A locksmith who does not install burglar alarm
systems.
(d) A person or business entity whose sale of a burglar alarm system is exclusively over the counter or by mail order of nonmonitored systems.

(e) A person or business entity in the business of building construction that installs electrical wiring and devices that may include in part the installation of a burglar alarm system if both of the following apply:

(i) The person or business entity who is a party to a contract which provides for the installation to be performed under the direct supervision of, inspected, and certified by a person or business entity licensed to install a burglar alarm system and that the licensee assumes full responsibility for the installation and service of the burglar alarm system.

(ii) The person or business entity does not service or maintain the burglar alarm system.

(f) The response to a burglar alarm system by a law enforcement agency or by a law enforcement officer acting in an official capacity.

(g) A business that engages in the installation or operation of telecommunications facilities or equipment which are used for the transport of any signal, data, or information outside the continuous premises on which any burglar alarm system is installed or maintained.

(h) Any business entity, business owner, or person, or the agent or employee of such business entity, business owner, or person engaging in the routine visual inspection or manufacturer's or installer's recommended testing of a burglar alarm system subject to this act owned by the business entity, business owner, or person and installed on property under the control of the business entity, business owner or person.

(i) Any business entity, or person, or those engaged in property management, or agent or subcontractors or employees thereof, who, in the normal course of business, engage in the
routine inspection, service, or replacement of such burglar alarm systems, or subject to this act, on or in property owned or under the control of such business entity, or person or property manager.

(j) Consulting engineers who design, develop, modify or offer other services within the scope of their profession regarding burglar alarm systems.

(k) An electrician who is licensed by the state as an electrical contractor or an electrician who is licensed by the city or county as a master electrician.

(l) Any person who installs a burglar alarm system on his own personal or real property.

SECTION 7. (1) Effective July 1, 2002, it shall be unlawful for any person or business entity to engage in a business regulated by this act in this state without a current valid license or in violation of this act and applicable rules and regulations of the board.

(2) Effective July 1, 2002, it shall be unlawful for a person or business entity not licensed under this act to advertise or hold out to the public that he or she is a licensee of the board.

(3) Any person who violates any provision of this act or any rule or regulation of the board shall be guilty of a misdemeanor and, upon conviction, shall be fined not more than Five Hundred Dollars ($500.00).

(4) Effective July 1, 2002, it shall also constitute a misdemeanor to willfully or intentionally do any of the following:

(a) Obliterate the serial number on a burglar alarm system for the purpose of falsifying service reports.

(b) While holding a license, allow another person or business entity to use the license or license number.

(c) Use any credential, method, means or practice to impersonate a representative of the board.
(d) Refuse to furnish the board information or records required or requested pursuant to statute or regulation.

(5) The board may institute proceedings in equity to enjoin any person or business entity from engaging in any unlawful act enumerated in this act. Such proceedings shall be brought in the name of this state by the board in the circuit court of the county in which the unlawful act occurred or in which the defendant resides.

(6) In addition to any other disciplinary action taken by the board, any person or business entity licensed by the board who violates this act or rule or regulation promulgated pursuant to this act shall be subject to a monetary penalty. If the board determines that the person is in fact guilty of the violation, the board shall determine the amount of the monetary penalty for the violation, which shall not exceed Five Hundred Dollars ($500.00) for each violation. The board may file a civil action to collect the penalty.

(7) The board is entitled to costs and reasonable attorney's fees in any civil action in which it prevails.

SECTION 8. (1) This act and the rules and regulations promulgated pursuant to this act shall have uniform force and effect throughout the state. A municipality or county shall not enact an order, ordinance, rule, or regulation requiring a person or business entity to obtain a certification from the municipality or county, other than proof of a valid license issued by the board.

(2) This act shall not affect any general statute or municipal ordinance requiring a business license for a burglar alarm system installer.

(3) Nothing in this act shall limit the power of a municipality, a county, or the state to require the submission and approval of plans and specifications or to regulate the quality and character of work performed by contractors through a system of
licenses, fees and inspections otherwise authorized by law for the protection of the public health and safety.

SECTION 9. A separate special revenue trust fund in the State Treasury to be known as the Mississippi Electronic Security Board of Licensure Fund is established. All receipts collected by the board under this act are to be deposited into this fund and shall be used only to carry out the provisions of this act. The receipts shall be disbursed only by warrant of the State Fiscal Officer upon the State Treasury, upon itemized vouchers approved by the chair of the board. No funds shall be withdrawn or expended except as budgeted, and only in amounts as stipulated in the general appropriations bill or other appropriations bills. If any funds remain in the fund at the end of the fiscal year such funds shall not lapse into the General Fund but shall remain in the fund and any interest accruing to the fund shall remain in the fund.

SECTION 10. The provisions of this act are severable. If any part of this act is declared invalid or unconstitutional, that declaration shall not affect the remaining part.

SECTION 11. This act shall take effect and be in force from and after July 1, 2001.
