304 ambulatory facility, then such facility is considered to be  
305 "freestanding" and must comply with all licensing agency  
306 ambulatory surgical licensure standards governing a "freestanding"  
307 facility.

308 If such organization or facility is to be owned or operated

338 safe recovery and desirable results. General anesthesia is used  
339 in most cases. The patient must arrive at the facility and expect

350 surgical facility or hospital licensed to perform such service.

351 (f) "Abortion facility" means a facility operating  
352 substantially for the purpose of performing abortions and is a  
353 separate identifiable legal entity from any other health care  
354 facility. Abortions shall only be performed by physicians  
355 licensed to practice in the State of Mississippi. The term  
356 "abortion facility" includes physicians' offices which are used

357 substantially for the purpose of performing abortions. An  
358 abortion facility operates substantially for the purpose of  
359 performing abortions if any of the following conditions are met:

364 (ii) The abortion facility, if operating less than  
365 twenty (20) days per calendar month, is a provider for performing  
366 ten (10) or more abortion procedures, or performing a number of  
367 abortion procedures which would be equivalent to ten (10)  
368 procedures per month, if the facility were operating twenty (20)  
369 or more days per calendar month, in any month of a calendar year.

370 (iii) The abortion facility holds itself out to the  
371 public as an abortion provider by advertising by any public means,  
372 such as newspaper, telephone directory, magazine or electronic

377 Health.

378 (h) "Operating" an abortion facility means that the facility  
379 is open for any period of time during a day and has on site at the  
380 facility or on call a physician licensed to practice in the State

383 1996, shall not be located within fifteen hundred (1500) feet from  
384 the property on which any church, school or kindergarten is  
385 located. An abortion facility shall not be in violation of this  
386 paragraph if it is in compliance with this paragraph on the date  
387 it begins operation and the property on which a church, school or  
388 kindergarten is located is subsequently within fifteen hundred  
389 (1500) feet from the facility.

402 or revoked, shall be renewable annually upon payment of a renewal  
403 fee of Three Thousand Dollars (\$3,000.00), which shall be paid to  
404 the licensing agency, and upon filing by the licensee and approval  
405 by the licensing agency of an annual report upon such uniform  
406 dates and containing such information in such form as the  
407 licensing agency requires. Each license shall be issued only for

414 establishing, managing or operating an ambulatory surgical  
415 facility or conducting the business of an ambulatory surgical  
416 facility without the required license, or which otherwise violate  
417 any of the provisions of this chapter \* \* \* or the rules,  
418 regulations or standards promulgated in furtherance of any law in  
419 which the licensing agency has authority therefor, shall be  
420 subject to the following penalties and sanctions:

421 (a) Revocation of the license of the ambulatory surgical  
422 facility or a designated section, component or service thereof; or

423           (b) Nonlicensure of a specific or designated service  
424 offered by the ambulatory surgical facility.

425           In addition, any violation of any provision of this chapter  
426 or any rules or regulations promulgated in furtherance thereof by  
427 intent, fraud, deceit, unlawful design, willful and/or deliberate  
428 misrepresentation, or by careless, negligent or incautious  
429 disregard for such statutes or rules and regulations, either by  
430 persons acting individually or in concert with others, shall  
431 constitute a misdemeanor and shall be punishable by a fine not to  
432 exceed One Thousand Dollars (\$1,000.00) for each such offense.  
433 Each day of continuing violation shall be considered a separate  
434 offense. The venue for prosecution of any such violation shall be  
435 in any county of the state in which any such violation, or portion  
436 thereof, occurred.

437           SECTION 13. Section 41-77-1, Mississippi Code of 1972, is  
438 amended as follows:

439           41-77-1. For purposes of this chapter:

440           (a) "Birthing center" shall mean a publicly or  
441 privately owned facility, place or institution constructed,  
442 renovated, leased or otherwise established where nonemergency  
443 births are planned to occur away from the mother's usual residence  
444 following a documented period of prenatal care for a normal  
445 uncomplicated pregnancy which has been determined to be low risk  
446 through a formal risk scoring examination. Care provided in a  
447 birthing center shall be provided by a licensed physician, or  
448 certified nurse midwife, and a registered nurse. Services  
449 provided in a birthing center shall be limited in the following  
450 manner: (i) surgical services shall be limited to those normally  
451 performed during uncomplicated childbirth, such as episiotomy and  
452 repair, and shall not include operative obstetrics or caesarean  
453 sections; (ii) labor shall not be inhibited, stimulated or  
454 augmented with chemical agents during the first or second stage of  
455 labor; (iii) systemic analgesia may be administered and local

456 anesthesia for pudendal block and episiotomy repair may be  
457 performed. General and conductive anesthesia shall not be  
458 administered at birthing centers; (iv) patients shall not remain  
459 in the facility in excess of twenty-four (24) hours.

460 Hospitals are excluded from the definition of a "birthing  
461 center" unless they choose to and are qualified to designate a  
462 portion or part of the hospital as a birthing center, and nothing  
463 herein shall be construed as referring to the usual service  
464 provided the pregnant female in the obstetric-gynecology service  
465 of an acute care hospital. Such facility or center, as heretofore  
466 stated, shall include the offices of physicians in private  
467 practice alone or in groups of two (2) or more; and such facility  
468 or center rendering service to pregnant female persons, as stated  
469 heretofore and by the rules and regulations promulgated by the  
470 licensing agency in furtherance thereof, shall be deemed to be a  
471 "birthing center" whether using a similar or different name. Such  
472 center or facility if in any manner is deemed to be or considered  
473 to be operated or owned by a hospital or a hospital holding  
474 leasing or management company, for profit or not for profit, is  
475 required to comply with all birthing center standards governing a  
476 "hospital affiliated" birthing center as adopted by the licensing  
477 authority.

478 (b) "Hospital affiliated" birthing center shall mean a  
479 separate and distinct unit of a hospital or a building owned,  
480 leased, rented or utilized by a hospital and located in the same  
481 county as the hospital for the purpose of providing the service of  
482 a "birthing center." Such center or facility is not required to  
483 be licensed separately, and may operate under the license issued  
484 to the hospital if it is in compliance with Section 41-9-1 et  
485 seq., where applicable, and the rules and regulations promulgated  
486 by the licensing agency in furtherance thereof.

487 (c) "Freestanding" birthing center shall mean a  
488 separate and distinct facility or center or a separate and

489 distinct organized unit of a hospital or other \* \* \* person \* \* \*  
490 for the purpose of performing the service of a "birthing center."  
491 Such facility or center must be separately licensed and must  
492 comply with all licensing standards promulgated by the licensing  
493 agency by virtue of this chapter. Further, such facility or  
494 center must be a separate, identifiable entity and must be  
495 physically, administratively and financially independent from  
496 other operations of any hospital or other health care facility or  
497 service and shall maintain a separate and required staff,  
498 including administrative staff. \* \* \*

499 (d) "Licensing agency" shall mean the State Department  
500 of Health.

501 SECTION 14. Section 41-77-5, Mississippi Code of 1972, is  
502 amended as follows:

503 41-77-5. No person \* \* \*, acting severally or jointly with  
504 any other person, shall establish, conduct or maintain a "birthing  
505 center" in this state without a license under this chapter.

506 SECTION 15. Section 41-77-21, Mississippi Code of 1972, is  
507 amended as follows:

508 41-77-21. Any applicant or licensee aggrieved by the  
509 decision of the licensing agency after a hearing may, within  
510 thirty (30) days after the mailing or serving of notice of the  
511 decision as provided in Section 43-11-11, file a notice of appeal  
512 to the Chancery Court of the First Judicial District of Hinds  
513 County or in the chancery court of the county in which the  
514 institution is located or proposed to be located. \* \* \* Thereupon,  
515 the licensing agency shall \* \* \* certify and file with the court a  
516 copy of the record and decision, including the transcript of the  
517 hearings in which the decision is based. No new or additional  
518 evidence shall be introduced in court; the case shall be  
519 determined upon the record certified to the court. The court may  
520 sustain or dismiss the appeal, modify or vacate the order  
521 complained of in whole or in part, as the case may be; but in case

522 the order is wholly or partly vacated, the court may also, in its  
523 discretion, remand the matter to the licensing agency for such  
524 further proceedings, not inconsistent with the court's order, as,  
525 in the opinion of the court, justice may require. The order may  
526 not be vacated or set aside, either in whole or in part, except  
527 for errors of law, unless the court finds that the order of the  
528 licensing agency is not supported by substantial evidence, is  
529 contrary to the manifest weight of the evidence, is in excess of  
530 the statutory authority or jurisdiction of the licensing agency,  
531 or violates any vested constitutional rights of any party involved  
532 in the appeal. Pending final disposition of the matter, the  
533 status quo of the applicant or licensee shall be preserved, except  
534 as the court otherwise orders in the public interest. Rules with  
535 respect to court costs in other cases in chancery shall apply  
536 equally to cases hereunder. Appeals in accordance with law may be  
537 had to the Supreme Court of the State of Mississippi from any  
538 final judgment of the chancery court.

539 SECTION 16. Section 41-77-23, Mississippi Code of 1972, is  
540 amended as follows:

541 41-77-23. Any person or persons or other entity or entities  
542 establishing, managing or operating a "birthing center" or  
543 conducting the business of a "birthing center" without the  
544 required license, or which otherwise violate any of the provisions  
545 of this chapter \* \* \* or the rules, regulations or standards  
546 promulgated in furtherance of any law in which the licensing  
547 agency has authority therefor, shall be subject to the following  
548 penalties and sanctions:

549 (a) Revocation of the license of the birthing center or  
550 a designated section, component or service thereof; or

551 (b) Nonlicensure of a specific or designated service  
552 offered by the birthing center.

553 In addition, any violation of any provision of this chapter  
554 or any rules or regulations promulgated in furtherance thereof by

555 intent, fraud, deceit, unlawful design, willful and/or deliberate  
556 misrepresentation, or by careless, negligent or incautious  
557 disregard for such statutes or rules and regulations, either by  
558 persons acting individually or in concert with others, shall  
559 constitute a misdemeanor and shall be punishable by a fine not to  
560 exceed One Thousand Dollars (\$1,000.00) for each such offense.  
561 Each day of continuing violation shall be considered a separate  
562 offense. The venue for prosecution of any such violation shall be  
563 in any county of the state in which any such violation, or portion  
564 thereof, occurred.

565 SECTION 17. Section 41-77-25, Mississippi Code of 1972, is  
566 amended as follows:

568 license fee, the licensing agency shall issue a license if the  
569 applicant and the institutional facilities meet the requirements  
570 established under this chapter \* \* \*. A license, unless suspended  
571 or revoked, shall be renewable annually upon payment of a renewal  
572 fee of Three Hundred Dollars (\$300.00), which shall be paid to the  
573 licensing agency, and upon filing by the licensee and approval by  
574 the licensing agency of an annual report upon such uniform dates  
575 and containing such information in such form as the licensing  
576 agency requires. Each license shall be issued only for the  
577 premises and person or persons named in the application and shall  
578 not be transferable or assignable. Licenses shall be posted in a  
579 conspicuous place on the licensed premises.
