HOUSE BILL NO. 241

AN ACT TO AMEND SECTION 37-101-15, MISSISSIPPI CODE OF 1972, TO PROHIBIT THE BOARD OF TRUSTEES OF STATE INSTITUTIONS OF HIGHER LEARNING FROM REQUIRING UNIVERSITIES TO PROVIDE REMEDIAL COURSES FOR PERSONS WHO DO NOT MEET ENTRANCE REQUIREMENTS; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-101-15, Mississippi Code of 1972, is amended as follows:

37-101-15. (a) The Board of Trustees of State Institutions of Higher Learning shall succeed to and continue to exercise control of all records, books, papers, equipment, and supplies, and all lands, buildings, and other real and personal property belonging to or assigned to the use and benefit of the board of trustees formerly supervising and controlling the institutions of higher learning named in Section 37-101-1. The board shall have and exercise control of the use, distribution and disbursement of all funds, appropriations and taxes, now and hereafter in possession, levied and collected, received, or appropriated for the use, benefit, support, and maintenance or capital outlay expenditures of the institutions of higher learning, including the authorization of employees to sign vouchers for the disbursement of funds for the various institutions, except where otherwise specifically provided by law.

(b) The board shall have general supervision of the affairs of all the institutions of higher learning, including the departments and the schools thereof. The board shall have the power, in its discretion, to determine who shall be privileged to enter, to remain in, or to graduate therefrom. The board shall
have general supervision of the conduct of libraries and
laboratories; the care of dormitories, buildings, and grounds; the
business methods and arrangement of accounts and records; the
organization of the administrative plan of each institution; and
all other matters incident to the proper functioning of the
institutions. The board shall have the authority to establish
minimum standards of achievement as a prerequisite for entrance
into any of the institutions under its jurisdiction, which
standards need not be uniform between the various institutions and
which may be based upon such criteria as the board may establish;
however, the board may not require any institution to provide
remedial courses for persons failing to meet the minimum standards
established for entrance into the respective institution.

(c) The board shall exercise all the powers and prerogatives
conferred upon it under the laws establishing and providing for
the operation of the several institutions herein specified. The
board shall adopt such bylaws and regulations from time to time as
it deems expedient for the proper supervision and control of the
several institutions of higher learning, insofar as such bylaws
and regulations are not repugnant to the Constitution and laws,
and not inconsistent with the object for which these institutions
were established. The board shall have power and authority to
prescribe rules and regulations for policing the campuses and all
buildings of the respective institutions, to authorize the arrest
of all persons violating on any campus any criminal law of the
state, and to have such law violators turned over to the civil
authorities.

(d) For all institutions specified herein, the board shall
provide a uniform system of recording and of accounting approved
by the State Department of Audit. The board shall annually
prepare, or cause to be prepared, a budget for each institution of
higher learning for the succeeding year which must be prepared and
in readiness for at least thirty (30) days before the convening of
the regular session of the Legislature. All relationships and
negotiations between the state Legislature and its various
committees and the institutions named herein shall be carried on
through the board of trustees. No official, employee or agent
representing any of the separate institutions shall appear before
the Legislature or any committee thereof except upon the written
order of the board or upon the request of the Legislature or a
committee thereof.

(e) For all institutions specified herein, the board shall
prepare an annual report to the Legislature setting forth the
disbursements of all monies appropriated to the respective
institutions. Each report to the Legislature shall show how the
money appropriated to the several institutions has been expended,
beginning and ending with the fiscal years of the institutions,
showing the name of each teacher, officer, and employee, and the
salary paid each, and an itemized statement of each and every item
of receipts and expenditures. Each report must be balanced, and
must begin with the former balance. If any property belonging to
the state or the institution is used for profit, the reports shall
show the expense incurred in managing the property and the amount
received therefrom. The reports shall also show a summary of the
gross receipts and gross disbursements for each year and shall
show the money on hand at the beginning of the fiscal period of
the institution next preceding each session of the Legislature and
the necessary amount of expense to be incurred from that date to
January 1 following. The board shall keep the annual expenditures
of each institution herein mentioned within the income derived
from legislative appropriations and other sources, but in case of
emergency arising from acts of providence, epidemics, fire or
storm with the written approval of the Governor and by written
consent of a majority of the Senators and of the Representatives,
it may exceed the income. The board shall require a surety bond
in a surety company authorized to do business in this state, of
every employee who is the custodian of funds belonging to one or
more of the institutions mentioned herein, which bond shall be in
a sum to be fixed by the board in an amount that will properly
safeguard the *** funds, the premium for which shall be paid out
of the funds appropriated for the institutions.

(f) The board shall have the power and authority to elect
the heads of the various institutions of higher learning and to
contract with all deans, professors, and other members of the
teaching staff, and all administrative employees of the
institutions for a term of not exceeding four (4) years. The
board shall have the power and authority to terminate any such
contract at any time for malfeasance, inefficiency, or
contumacious conduct, but never for political reasons. It shall
be the policy of the board to permit the executive head of each
institution to nominate for election by the board all subordinate
employees of the institution over which he presides. It shall be
the policy of the board to elect all officials for a definite
tenure of service and to reelect during the period of satisfactory
service. The board shall have the power to make any adjustments
it thinks necessary between the various departments and schools of
any institution or between the different institutions.

(g) The board shall keep complete minutes and records of all
proceedings which shall be open for inspection by any citizen of
the state.

(h) The board shall have the power to contract, on a
shared-savings, lease or lease-purchase basis, for energy
efficiency services and/or equipment as prescribed in Section
31-7-14, not to exceed ten (10) years.

(i) The Board of Trustees of State Institutions of Higher
Learning, for and on behalf of Jackson State University, is hereby
authorized to convey by donation or otherwise easements across
portions of certain real estate located in the City of Jackson,
Hinds County, Mississippi, for any right-of-way required for the Metro Parkway Project.

SECTION 2. This act shall take effect and be in force from and after July 1, 2001.
