BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-7-203, Mississippi Code of 1972, is
amended as follows:

37-7-203. (1) The boards of trustees of all municipal
separate school districts created under * * * this chapter, either
with or without added territory, shall consist of five (5) members
* * * . In the event the added territory of a municipal separate
school district furnishes fifteen percent (15%) or more of the
pupils enrolled in the schools of such district, then at least one
(1) member of the board of trustees of such school district shall
be a resident of the added territory outside the corporate limits.
In the event the added territory of a municipal separate school
district furnishes thirty percent (30%) or more of the pupils
enrolled in the schools of such district, then * * * two (2)
members of the board of trustees of such school district shall be
residents of the added territory outside the corporate limits. In
the event the added territory of a municipal separate school
district in a county in which Mississippi Highways 8 and 15
intersect furnishes thirty percent (30%) or more of the pupils enrolled in the schools of such district, then the five (5) members of the board of trustees of such school district shall be elected at large from such school district for a term of six (6) years each. However, in order to provide for an orderly transition, the terms of all members of the board of trustees serving on July 1, 2003, shall expire on the first Monday of January 2004, on which date their successors duly elected in the November 2003 election shall assume the duties of office. In the event one (1) of two (2) municipal separate school districts located in any county with two (2) judicial districts, District 1 being comprised of Supervisors Districts 1, 2, 4 and 5, and District 2 being comprised of Supervisors District 3, with added territory embraces three (3) full supervisors districts of a county, one (1) trustee shall be elected from each of the three (3) supervisors districts outside the corporate limits of the municipality. In the further event that the territory of a municipal separate school district located in any county with two (2) judicial districts, District 1 being comprised of Supervisors Districts 1, 2, 4 and 5, and District 2 being comprised of Supervisors District 3, with added territory embraces four (4) full supervisors districts in the county, and in any county in which a municipal separate school district embraces the entire county in which Highways 14 and 15 intersect, one (1) trustee shall be elected from each supervisors district.

Except as otherwise provided herein, the trustees of a municipal separate school district shall be elected by a majority of the governing authorities of the municipality at the first meeting of the governing authorities held in the month of February of each year, and the term of office of the member so elected shall commence on the first Saturday of March following. The term of office of each member of the board of trustees selected by the governing authorities of the municipality shall be for five (5)
years, and such members shall be chosen so that the terms of those
members expire in different years. In the case of a member of the
board of trustees who is required to come from the added territory
outside the corporate limits as is above provided, such member of
the board of trustees shall be elected by the qualified electors
of the school district residing in such added territory outside
the corporate limits * * * in the same manner as is * * * provided
for in Sections 37-7-211 through 37-7-219.

In the event that a portion of a county school district is
reconstituted, in the manner provided by law, into a municipal
separate school district with added territory and in the event
that the trustees to be elected from the added territory are
requested to be elected from separate election districts within
the added territory, instead of elected at-large, by the Attorney
General of the United States as a result of and pursuant to
 preclearance under Section 5 of the Voting Rights Act of 1965 as
amended and extended, and in the event the added territory of a
municipal separate school district of a municipality furnishes
thirty percent (30%) or more of the pupils enrolled in the schools
of such district, then two (2) members of the board of trustees
shall be residents of the added territory outside the corporate
limits of such municipality and shall be elected from special
trustee election districts by the qualified electors thereof as
herein provided. The governing authorities of such municipality
shall apportion the added territory into two (2) special trustee
election districts as nearly as possible according to population
and other factors heretofore pronounced by the courts. The
governing authorities of such municipality shall thereafter
publish the same in a newspaper of general circulation within the
school district for at least two (2) consecutive weeks; and after
having given notice of publication and recording the same upon the
minutes of the governing authorities, the new district lines shall
thereafter be effective. Any person elected from the new trustee
election districts constituted herein shall be elected in the manner provided for in Sections 37-7-211 through 37-7-219 for a term of six (6) years. However, in order to provide for an orderly transition, the term of any elected member of the board of trustees serving on July 1, 2003, shall expire on the first Monday of January 2004, on which date the trustee's successor duly elected in the November 2003 election shall assume the duties of office. Any vacancy in the office of a trustee elected from such trustee election district, whether occasioned by redistricting or by other cause, shall be filled by appointment of the governing authorities of the municipality, provided that the person so appointed shall serve only until the first Tuesday after the first Monday of November following his appointment, at which time a person shall be elected for the remainder of the unexpired term in the manner provided in Section 37-7-215.

In any county organizing a countywide municipal separate school district after January 1, 1965, the trustees thereof to be elected from outside the municipality, such trustees shall be elected by the board of supervisors of such county, and the superintendent of such school district shall have authority to pay out and distribute the funds of the district. In the event a municipal separate school district should occupy territory in a county other than that in which the municipality is located and fifteen percent (15%) or more of the pupils enrolled in the schools of such district shall come from the territory of the district in the county other than that in which the municipality is located, the territory of such county in which the municipality is not located shall be entitled to one (1) member on the board of trustees of such school district. The trustee shall be a resident of the territory of that part of the district lying in the county in which the municipality is not located and shall be elected by the qualified electors of the territory of such county at the same
time and in the same manner as is provided for in Sections 37-7-211 through 37-7-219.

All vacancies shall be filled for the unexpired terms by appointment of the governing authorities of the municipality; except that in the case of the trustees coming from the added territory outside the corporate limits, the person so appointed shall serve only until the first Tuesday after the first Monday of November following his appointment, at which time a person shall be elected for the remainder of the unexpired term in the manner otherwise provided in Section 37-7-215.

No person who is a member of such governing body, or who is an employee of the municipality, or who is a member of the county board of education, or who is a trustee of any public, private or sectarian school or college located in the county, inclusive of the municipal separate school district, or who is a teacher in or a trustee of said school district, shall be eligible for appointment to the board of trustees.

(2) In counties of less than fifteen thousand (15,000) people having a municipal separate school district with added territory which embraces all the territory of a county, one (1) or more trustees of such district shall be nominated from each supervisors district upon petition of fifty (50) qualified electors of that district, or twenty percent (20%) of the qualified electors of such district, whichever number shall be smaller, and shall be elected by a plurality of the vote of the qualified electors of the county. One (1) trustee so elected shall reside in each supervisors district of the county. In such counties embraced entirely by a municipal separate school district there shall be no county board of education after the formation of such district, and the county superintendent of education shall act as superintendent of schools of the district and shall be appointed by the board of trustees of the district, and the
provisions of subsection (1) of this section and the first paragraph of Section 37-7-211 shall not apply to such districts.

SECTION 2. Section 37-7-207, Mississippi Code of 1972, is amended as follows:

[Until such time as Section 1 of Laws, 1990, Chapter 567, is effectuated under Section 5 of the Voting Rights Act of 1965, as amended and extended, this section will read as follows:]

(1) All school districts reconstituted or created under the provisions of Article 3 of this chapter, and which lie wholly within one (1) county, but not including municipal separate and countywide districts, shall be governed by a board of five (5) trustees. The first board of trustees of such districts shall be appointed by the county board of education, and the original appointments shall be so made that one (1) trustee shall be appointed to serve until the first Saturday of March following such appointments, one (1) for one (1) year longer, one (1) for two (2) years longer, one (1) for three (3) years longer, and one (1) for four (4) years longer. After such original appointments, the trustees of such school districts shall be elected by the qualified electors of such school districts in the manner provided for in Sections 37-7-223 through 37-7-229, with each trustee to be elected for a term of six (6) years. However, in order to provide for an orderly transition, the terms of all members of the board of trustees serving on July 1, 2003, shall expire on the first Monday of January 2004, on which date their successors duly elected in the November 2003 election shall assume the duties of office. Upon request of the board of trustees of any consolidated school district, the board of supervisors of such county shall apportion the consolidated school district into five (5) special trustee election districts. appointment of the consolidated school district trustees, but the
person so appointed shall serve only until the next general
election following such appointment, at which time a person shall
be elected for the remainder of the unexpired term at the same
time and in the same manner as a trustee is elected for the full
term then expiring. The person so elected to the unexpired term
shall take office immediately. The appointee shall be selected
from the qualified electors of the district in which the vacancy
occurs.

(2) All school districts reconstituted and created

as is provided for in Sections 37-7-223 through 37-7-229, for a
term of six (6) years. However, in order to provide for an
orderly transition, the terms of all members of the board of
trustees serving on July 1, 2003, shall expire on the first Monday
of January 2004, on which date their successors duly elected in
the November 2003 election shall assume the duties of office. The
term of service for all members of the board of trustees of such line

election districts by the qualified electors thereof, as herein
provided. Upon request by the board of trustees of any line
consolidated school district, the boards of supervisors of such

supervisors shall place upon their minutes the boundaries
determined for the new five (5) trustee election districts. The
boards of supervisors shall thereafter publish the same in a
newspaper of general circulation within the school district for at
least three (3) consecutive weeks; and after having given notice
of publication and recording the same upon the minutes of the
boards of supervisors, the new district lines shall thereafter be effective.

On the first Tuesday after the first Monday in November in any odd-numbered year, in any line consolidated school district electing to utilize the authority to create single member election districts, an election shall be held for the purpose of electing the board of trustees of such district. However, in order to provide for an orderly transition, the terms of all members of the board of trustees serving on July 1, 2003, shall expire on the first Monday of January 2004, on which date their successors duly elected in the November 2003 election shall assume the duties of office. Trustees elected from single member election districts as provided above shall be elected as provided for in Sections 37-7-223 through 37-7-229. All members of the board of trustees shall take office on the first Monday of January following the date of their election. In all elections, the trustee elected shall be a resident and qualified elector of the district entitled to the representation upon the board, and he shall be elected only by the qualified electors of such district. All vacancies which may occur during a term of office shall be filled by appointment of the consolidated line school district trustees, but the person so appointed shall serve only until the next general election following such appointment, at which time a person shall be elected for the remainder of the unexpired term at the same time and in the same manner as the trustee is elected for the full term then expiring. The person so elected to the unexpired term shall take office immediately.

deemed to be a candidate for a full term.

If, after the time for candidates to file the petition of
nomination provided for herein, there is only one (1) person to
