PROPOSED NEW STATE FLAG DESIGN

FOR PROPOSITION 'B': _____"

The qualified electors may indicate their preference on the line following the proposition that they prefer.

The preference of a majority of the qualified electors voting in the election shall determine the design of the official flag of the State of Mississippi. In addition to the enactment of the official state flag as provided in Section 2 of this act, the Legislature shall take whatever other steps are necessary to effectuate the mandate of the electorate's selection of the official state flag and all other provisions of Section 2 of this act.

(2) The statewide special election for the purpose of selecting the official state flag shall be administered by means of ballots containing a uniform representation of the choice of designs proposed for the official state flag, which shall be provided by the Secretary of State to the election commissioners of each county. The Secretary of State shall determine whether, in each county, it would be more efficient to administer the election by paper ballots, voting machines, electronic voting systems, optical mark reading equipment or other mechanized equipment. The method used in each county shall be as uniform as practicable when compared to any other county in which the same method is used. In any event, the Secretary of State shall

68 include a color picture or drawing of each of the proposed
69 official flag designs on all ballots provided for in this section.
70 The Secretary of State is authorized to enter into any necessary
71 contracts for providing the required color picture or drawing of
72 each of the proposed official flag designs on all ballots in all
73 counties of this state. The costs incurred in providing the
74 ballots which are required to include a color picture or drawing
75 of each of the proposed official flag designs shall be borne by
76 the State of Mississippi, and the Legislature shall appropriate
77 the funds necessary for this purpose. All other costs associated
78 with the holding of the statewide special election for the purpose
79 of selecting the official state flag shall be borne by each
80 individual county.

81 (3) Every individual who makes contributions to or
82 expenditures in support of or in opposition to a proposition
83 presented to the electorate in the statewide special election for
84 the selection of the official state flag, in amounts aggregating
85 in excess of Two Hundred Dollars (\$200.00), shall file all reports
86 required to be filed by political committees under Sections
87 23-15-801 through 23-15-817, in the same manner and at the same
88 time as provided for political committees.

89 (4) The county election commissioners shall transmit to the
90 Secretary of State, in the same manner as the vote for state
91 officers is transmitted, a statement of the total number of votes
92 cast for each proposition in the statewide special election. The
93 Secretary of State shall tabulate such returns and certify the
94 results to the Governor and to each house of the Legislature.

95 SECTION 2. The following provision shall be codified as
96 Section 3-3-16, Mississippi Code of 1972:

103 have the following design: with width two-thirds (2/3) of its
104 length; with the union (canton) to be square, in width two-thirds
105 (2/3) of the width of the flag; the ground of the union to be red
106 and a broad blue saltire thereon, bordered with white and

109 the field to be divided into three (3) bars of equal width, the
110 upper one blue, the center one white, and the lower one, extending
111 the whole length of the flag, red (the national colors); this
112 being the flag adopted by the Mississippi Legislature in the 1894
113 Special Session.

114 **[If a majority of the qualified electors voting in the**

136 (2) The flag adopted by the Mississippi Legislature in the
137 1894 Special Session shall be an official historical flag of the
138 State of Mississippi and shall be honored, protected and flown

157 The provisions of this subsection (3) may be amended or
