HOUSE BILL NO. 604

AN ACT TO AMEND SECTION 27-65-201, MISSISSIPPI CODE OF 1972, TO CREATE A SALES TAX EXEMPTION ON THE TRANSFER OR SALE OF A MOTOR VEHICLE FROM ONE SIBLING TO ANOTHER SIBLING; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 27-65-201, Mississippi Code of 1972, is amended as follows:

27-65-201. (1) For the purposes of this section, unless the context otherwise requires, the term "motor vehicle" means a motor vehicle required to be registered or licensed by the county tax collectors pursuant to Section 27-19-43, Mississippi Code of 1972.

(2) Upon every person, firm or corporation purchasing other than at wholesale within this state any motor vehicle required to be registered or licensed with the tax collector of any county in this state from any person, firm or corporation which is not a licensed dealer engaged in selling motor vehicles, there shall be levied and collected a sales tax at the rate of three percent (3%) of the true value of the motor vehicle as calculated by using the most current official motor vehicle assessment schedule supplied by the State Tax Commission.

(3) Upon every person, firm or corporation purchasing other than at wholesale outside the state any motor vehicle required to be registered or licensed with the tax collector of any county in this state from any person, firm or corporation which is not a licensed dealer engaged in selling motor vehicles, for use, storage or other consumption within this state there is levied a use tax at the rate of three percent (3%) of the true value of the motor vehicle as calculated by using the most current official assessment schedule supplied by the State Tax Commission.
motor vehicle assessment schedule supplied by the State Tax Commission.

(4) Where any motor vehicle is taken in trade as a credit or part payment on the sale of a motor vehicle taxable under this section, the tax levied by this section shall be paid on the net difference, that is, the true value of the motor vehicle sold less the credit for the motor vehicle taken in trade.

(5) The tax levied by this section shall be collected by the tax collector at the time of, and as a prerequisite to, the registration of or licensing of any such motor vehicle. The tax collector shall give to the person registering the vehicle a receipt in a form prescribed and furnished by the State Tax Commission for the amount of tax collected.

(6) County tax collectors shall be liable for the tax they are required to collect, and taxes which are in fact collected, under this section and failure to properly collect or maintain proper records shall not relieve them of liability for payment to the State Tax Commission. Deficiencies in collection or payment shall be assessed against the tax collector, or his successor, in the same manner and subject to the same penalties and provisions for appeal as are deficiencies assessed against taxpayers under Chapter 65, Title 27, Mississippi Code of 1972.

Each tax collector of the several counties shall, on or before the twentieth day of each month, file a report with and pay to the State Tax Commission all funds collected under the provisions of this section, less a commission of three percent (3%) which shall be retained by the tax collector as a commission for collecting such tax, and such commission shall be deposited in the county general fund. The report required to be filed shall cover all collections made during the calendar month next preceding the date on which the report is due and filed. All funds remitted to the State Tax Commission shall be deposited to the credit of the State General Fund.
Any error in the report and remittance to the State Tax Commission may be adjusted on a subsequent report. If the error was in the collection by the tax collector, it shall be adjusted through the tax collector with the taxpayer before credit is allowed by the State Tax Commission.

All information relating to the collection of this tax by tax collectors and such records as the State Tax Commission may require shall be preserved in the tax collector's office for a period of three (3) years for audit by the State Tax Commission.

(7) The tax levied by this section shall not apply to the following:

(a) Transfers of legal ownership of motor vehicles between husband and wife, parent and child, or grandparents and grandchildren, unless the transferor is a licensed dealer of motor vehicles and the transfer of the motor vehicle is made in the regular course of business.

(b) Transfers of legal ownership of motor vehicles pursuant to a will or pursuant to any law providing for the distribution of the property of one dying intestate.

(c) Transfers of legal ownership of motor vehicles ten (10) or more years after the date of the manufacture of such vehicle.

(d) Sales or transfers of legal ownership of motor vehicles between siblings, unless the seller or transferor is a licensed dealer of motor vehicles and the sale or transfer of the motor vehicle is made in the regular course of business.

SECTION 2. Nothing in this act shall affect or defeat any claim, assessment, appeal, suit, right or cause of action for taxes due or accrued under the sales tax laws before the date on which this act becomes effective, whether such claims, assessments, appeals, suits or actions have been begun before the date on which this act becomes effective or are begun thereafter; and the provisions of the sales tax laws are expressly continued
in full force, effect and operation for the purpose of the
assessment, collection and enrollment of liens for any taxes due
or accrued and the execution of any warrant under such laws before
the date on which this act becomes effective, and for the
imposition of any penalties, forfeitures or claims for failure to
comply with such laws.

SECTION 3. This act shall take effect and be in force from
and after July 1, 2001.
