BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 63-1-35, Mississippi Code of 1972, is amended as follows:

63-1-35. The Commissioner of Public Safety shall prescribe the form of licenses issued pursuant to this article which shall, among other features, include a driver's license number assigned by the Department of Public Safety which, at the option of the licensee, may or may not be the social security number of the licensee. A licensee who chooses not to use his social security number as his driver's license number shall list his social security number with the department which shall cross reference the social security number with the driver's license number for purposes of identification. Additionally, each license shall bear a full face color photograph of the licensee in such form that the license and the photograph cannot be separated. Such photograph shall be taken so that one (1) exposure will photograph the applicant and the application simultaneously on the same film.

The department shall use a process in the issuance of a license with a color photograph which shall prevent as nearly as possible any alteration, counterfeiting, duplication, reproduction, forging...
or modification of such license or the superimposition of a photograph without ready detection. Such photograph shall be replaced by the department at the time of renewal. Driver licenses, including photographs appearing thereon, may be renewed by electronic means according to rules and regulations promulgated by the commissioner. The Department of Public Safety may accept bank credit cards and debit cards in payment of fees for driver license renewals that are processed by electronic means and may charge an additional fee to the applicant photograph for the actual costs incurred by the department for the use of such cards.

SECTION 2. Section 63-1-37, Mississippi Code of 1972, is amended as follows:

63-1-37. In the event that a license or temporary driving permit issued under the provisions of this article is lost or destroyed, the licensee shall obtain from the commissioner a duplicate copy thereof and shall pay a fee in the amount of Three Dollars ($3.00) plus the applicable photograph fee therefor. The license or permit shall be marked "Duplicate."

SECTION 3. Section 63-1-43, Mississippi Code of 1972, is amended as follows:

63-1-43. All originals and renewals of regular operators' licenses shall be in compliance with Section 63-1-47.

(2) The fee for receiving the application and issuing a motorcycle endorsement shall be Five Dollars ($5.00). Motorcycle endorsements shall be valid for the same period of time as the applicant's operator's license.

All originals and renewals of restricted motorcycle licenses shall be valid for a period of four (4) years, in compliance with Section 63-1-47.

All originals and renewals of commercial licenses issued under this section shall be valid for a period of four (4) years, in compliance with Section 63-1-47. Only persons who operate the above-mentioned vehicles in the course of the regular and customary business of the owner shall be required to obtain a Class D commercial operator's license, and persons operating such vehicles for private purposes or in emergencies shall not be required to obtain such license.

(5) The Commissioner of Public Safety, by rule or regulation, shall establish a driver's license photograph fee which shall be the actual cost of the photograph rounded off to the next highest dollar. Monies collected for the photograph fee shall be deposited into a special photograph fee account which the
Department of Public Safety shall use to pay the actual cost of producing the photographs. Any monies collected in excess of the actual costs of the photography shall be deposited to the general fund of the State of Mississippi.
