38 or to place the name, mark, initials or other identifying device
39 of any person other than the owner on such container.

40 SECTION 4. The use of a liquefied petroleum gas container or
41 containers by any person other than the person whose name, mark,

49 or other device thereon, without the written consent of such
50 owner, is presumptive evidence of the unlawful use, filling or
51 refilling, transition of or trafficking in of such liquefied
52 petroleum gas containers.

57 such affidavit has reason to believe and does believe that any of
58 its liquefied petroleum gas containers marked with the name,
59 initials, mark or other device of the owner, are in the possession
60 of or being used by or being filled or transferred by, or that
61 liquefied petroleum gas is being withdrawn from the container by,

62 any person whose name, initials, mark or other device does not
63 appear on the containers, and who is in the possession of, filling
64 or refilling or using any such containers without the written
65 consent of the owner of such name, initials or trade mark, the
66 judge, when satisfied that there is reasonable cause, may issue a
67 search warrant and cause the premises designated to be searched
68 for the purpose of discovering and obtaining the same and may also
69 cause to be brought before him the person in whose possession such
70 containers may be found and shall then inquire into the
71 circumstances of such possession. If such judge finds that such
72 person has been guilty of a violation of this act, he shall impose
73 the punishment herein prescribed, and he shall also award the
74 possession of property taken upon such search warrant to the owner
75 thereof.

76 SECTION 6. Any person who fails to comply with any of the

78 conviction, shall be punished by a fine of not less than Five
79 Hundred Dollars (\$500.00).

80 SECTION 7. In an emergency situation, nothing in this act
81 shall prevent a person other than the owner from filling a
82 liquefied petroleum gas container.
