(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

SECTION 5. (1) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi to provide funds for all costs incurred or to be incurred for the purposes described in Sections 1 through 3 of this act. Upon the adoption of a resolution by the Mississippi Development Authority, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the Mississippi Development Authority shall deliver a certified copy of its resolution or resolutions to the commission. Upon receipt of such resolution, the commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The total amount of bonds issued under Sections 4 through 19 of this act shall not exceed One Million Dollars ($1,000,000.00).

before the sale and delivery of such bonds, or who may not have
been in office on the date such bonds may bear, the signatures of
such officers upon such bonds and coupons shall nevertheless be
valid and sufficient for all purposes and have the same effect as
if the person so officially signing such bonds had remained in
office until their delivery to the purchaser, or had been in
office on the date such bonds may bear. However, notwithstanding
anything herein to the contrary, such bonds may be issued as
provided in the Registered Bond Act of the State of Mississippi.

The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under Sections 4 through 19 of this act from the proceeds derived from the sale of such bonds.

The commission shall sell such bonds on sealed bids at public sale, and for such price as it may determine to be for the best interest of the State of Mississippi, but no such sale shall be made at a price less than par plus accrued interest to the date of delivery of the bonds to the purchaser. All interest accruing on such bonds so issued shall be payable semiannually or annually; however, the first interest payment may be for any period of not more than one (1) year.

Notice of the sale of any such bonds shall be published at least one time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, and in one or more other newspapers or financial journals with a national circulation, to be selected by the commission.

SECTION 10. The bonds issued under the provisions of Sections 4 through 19 of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

SECTION 11. Upon the issuance and sale of bonds under the provisions of Sections 4 through 19 of this act, the commission shall transfer the proceeds of any such sale or sales to the special fund created in Section 3 of this act. The proceeds of such bonds shall be disbursed solely upon the order of the Mississippi Development Authority under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds.

SECTION 12. The bonds authorized under Sections 4 through 19 of this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things which are specified or required by Sections 4 through 19 of this act. Any resolution providing for the issuance of bonds under the provisions of Sections 4 through 19 of this act shall become effective immediately upon its adoption by the commission, and any such resolution may be adopted at any regular or special meeting of the commission by a majority of its members.

The notice to taxpayers required by such statutes shall be published in a newspaper published or having a general circulation in the City of Jackson, Mississippi.

SECTION 14. Any holder of bonds issued under the provisions of Sections 4 through 19 of this act or of any of the interest coupons pertaining thereto may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights granted under Sections 4 through 19 of this act, or under such resolution, and may enforce and compel performance of all duties required by Sections 4 through 19 of this act to be performed, in order to provide for the payment of bonds and interest thereon.

SECTION 15. All bonds issued under the provisions of Sections 4 through 19 of this act shall be legal investments for trustees and other fiduciaries, and for savings banks, trust companies and insurance companies organized under the laws of the State of Mississippi, and such bonds shall be legal securities which may be deposited with and shall be received by all public officers and bodies of this state and all municipalities and political subdivisions for the purpose of securing the deposit of public funds.

SECTION 16. Bonds issued under the provisions of Sections 4 through 19 of this act and income therefrom shall be exempt from all taxation in the State of Mississippi.

SECTION 17. The proceeds of the bonds issued under Sections 4 through 19 of this act shall be used solely for the purposes
provided in this act, including the costs incident to the issuance
and sale of such bonds.

SECTION 18. The State Treasurer is authorized, without
further process of law, to certify to the Department of Finance
and Administration the necessity for warrants, and the Department
of Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under Sections 4 through 19 of
this act; and the State Treasurer shall forward the necessary
amount to the designated place or places of payment of such bonds
in ample time to discharge such bonds, or the interest thereon, on
the due dates thereof.

SECTION 19. Sections 4 through 19 of this act shall be
deemed to be full and complete authority for the exercise of the
powers herein granted, but Sections 4 through 19 of this act shall
not be deemed to repeal or to be in derogation of any existing law
of this state.

SECTION 20. This act shall take effect and be in force from
and after its passage.
