HOUSE BILL NO. 1056

AN ACT TO AMEND SECTIONS 47-5-138 AND 47-7-3, MISSISSIPPI CODE OF 1972, TO PROVIDE THAT PERSONS CONVICTED OF NONVIOLENT CRIMES OR DRUG POSSESSION MAY RECEIVE AN EARNED-TIME ALLOWANCE OF ONE DAY EARNED FOR EACH DAY SERVED; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 47-5-138, Mississippi Code of 1972, is amended as follows:

47-5-138. (1) The department may promulgate rules and regulations to carry out an earned-time allowance program based on the good conduct and performance of an inmate. An inmate is eligible to receive an earned-time allowance of one-half (1/2) of the period of confinement imposed by the court except those inmates excluded by law. When an inmate is committed to the custody of the department, the department shall determine a conditional earned-time release date by subtracting the earned-time allowance from an inmate’s term of sentence. This subsection does not apply to any sentence imposed after June 30, 1995.

(2) An inmate may forfeit all or part of his earned-time allowance for a serious violation of rules. No forfeiture of the earned-time allowance shall be effective except upon approval of the commissioner or his designee, and forfeited earned time may not be restored.

(3) (a) For the purposes of this subsection, "final order" means an order of a state or federal court that dismisses a lawsuit brought by an inmate while the inmate was in the custody...
of the Department of Corrections as frivolous, malicious or for failure to state a claim upon which relief could be granted.

(b) On receipt of a final order, the department shall forfeit:

(i) Sixty (60) days of an inmate's accrued earned time if the department has received one (1) final order as defined herein;

(ii) One hundred twenty (120) days of an inmate's accrued earned time if the department has received two (2) final orders as defined herein;

(iii) One hundred eighty (180) days of an inmate's accrued earned time if the department has received three (3) or more final orders as defined herein.

(c) The department may not restore earned time forfeited under this subsection.

(4) An inmate who meets the good conduct and performance requirements of the earned-time allowance program may be released on his conditional earned-time release date.

(5) For any sentence imposed after June 30, 1995, an inmate may receive an earned-time allowance of four and one-half (4-1/2) days for each thirty (30) days served if the department determines that the inmate has complied with the good conduct and performance requirements of the earned-time allowance program. The earned-time allowance under this subsection shall not exceed fifteen percent (15%) of an inmate's term of sentence; however, from and after July 1, 2002, any person convicted of a nonviolent crime or drug possession may receive an earned-time allowance of one day earned for each day served.

(6) Any inmate, who is released before the expiration of his term of sentence under this section, shall be placed under earned-release supervision until the expiration of the term of sentence. The inmate shall retain inmate status and remain under the jurisdiction of the department. The period of earned-release
supervision shall be conducted in the same manner as a period of supervised parole. The department shall develop rules, terms and conditions for the earned-release supervision program. The commissioner shall designate the appropriate classification committee or other division within the department to conduct revocation hearings for inmates violating the conditions of earned-release supervision.

(7) If the earned-release supervision is revoked, the inmate shall serve the remainder of the sentence and the time the inmate was on earned-release supervision, shall not be applied to and shall not reduce his sentence.

SECTION 2. Section 47-7-3, Mississippi Code of 1972, is amended as follows:

(2) Notwithstanding any other provision of law, an inmate shall not be eligible to receive earned time, good time or any other administrative reduction of time which shall reduce the time necessary to be served for parole eligibility as provided in subsection (1) of this section; however, this subsection shall not apply to the advancement of parole eligibility dates pursuant to the Prison Overcrowding Emergency Powers Act. Moreover, meritorious earned-time allowances may be used to reduce the time necessary to be served for parole eligibility as provided in paragraph (c) of subsection (1) of this section.

(3) The State Parole Board shall by rules and regulations establish a method of determining a tentative parole hearing date for each eligible offender taken into the custody of the Department of Corrections. The tentative parole hearing date shall be determined within ninety (90) days after the department has assumed custody of the offender. Such tentative parole hearing date shall be calculated by a formula taking into account the offender's age upon first commitment, number of prior incarcerations, prior probation or parole failures, the severity and the violence of the offense committed, employment history and other criteria which in the opinion of the board tend to validly and reliably predict the length of incarceration necessary before the offender can be successfully paroled.
(4) Any inmate within twenty-four (24) months of his parole eligibility date and who meets the criteria established by the classification committee shall receive priority for placement in any educational development and job training programs. Any inmate refusing to participate in an educational development or job training program may be ineligible for parole.
