(n) Individuals who are recipients of federal Supplemental Security Income (SSI) assistance.

(4) (a) Any person who is otherwise eligible for TANF benefits, including custodial and noncustodial parents, shall be required to attend school and meet the monthly attendance requirement as provided in this subsection if all of the following apply:

(i) The person is under age twenty (20);

(ii) The person has not graduated from a public or private high school or obtained a GED equivalent;

(iii) The person is physically able to attend school and is not excused from attending school; and

(iv) If the person is a parent or caretaker relative with whom a dependent child is living, child care is available for the child.

The monthly attendance requirement under this subsection shall be attendance at the school in which the person is enrolled for each day during a month that the school conducts classes in
which the person is enrolled, with not more than two (2) absences
during the month for reasons other than the reasons listed in
paragraph (e)(iv) of this subsection. Persons who fail to meet
participation requirements in this subsection shall be subject to
sanctions as provided in paragraph (f) of this subsection.

(b) As used in this subsection, "school" means any one
(1) of the following:
   (i) A school as defined in Section 37-13-91(2);
   (ii) A vocational, technical and adult education

program; or
   (iii) A course of study meeting the standards

established by the State Department of Education for the granting
of a declaration of equivalency of high school graduation.

(c) If any compulsory-school-age child, as defined in
Section 37-13-91(2), to which TANF eligibility requirements apply
is not in compliance with the compulsory school attendance
requirements of Section 37-13-91(6), the superintendent of schools
of the school district in which the child is enrolled or eligible
to attend shall notify the county department of human services of
the child's noncompliance. The Department of Human Services shall
review school attendance information as provided under this
paragraph at all initial eligibility determinations and upon
subsequent report of unsatisfactory attendance.

(d) The signature of a person on an application for
TANF benefits constitutes permission for the release of school
attendance records for that person or for any child residing with
that person. The department shall request information from the
child's school district about the child's attendance in the school
district's most recently completed semester of attendance. If
information about the child's previous school attendance is not
available or cannot be verified, the department shall require the
child to meet the monthly attendance requirement for one (1)
semester or until the information is obtained. The department
shall use the attendance information provided by a school district to verify attendance for a child. The department shall review with the parent or caretaker relative a child's claim that he or she has a good cause for not attending school.

A school district shall provide information to the department about the attendance of a child who is enrolled in a public school in the district within five (5) working days of the receipt of a written request for such information from the department. The school district shall define how many hours of attendance count as a full day and shall provide that information, upon request, to the department. In reporting attendance, the school district may add partial days' absence together to constitute a full day's absence.

(e) A child who is required to attend school to meet the requirements under this subsection shall comply except when there is good cause, which shall be demonstrated by any of the following circumstances:

(i) The minor parent is the caretaker of a child less than twelve (12) weeks old; or

(ii) The department determines that child care services are necessary for the minor parent to attend school and there is no child care available; or

(iii) The child is prohibited by the school district from attending school and an expulsion is pending. This exemption no longer applies once the teenager has been expelled; however, a teenager who has been expelled and is making satisfactory progress towards obtaining a GED equivalent shall be eligible for TANF benefits; or

(iv) The child failed to attend school for one or more of the following reasons:

1. Illness, injury or incapacity of the child or the minor parent's child;
2. Court-required appearances or temporary incarceration;

3. Medical or dental appointments for the child or minor parent's child;

4. Death of a close relative;

5. Observance of a religious holiday;

6. Family emergency;

7. Breakdown in transportation;

8. Suspension; or

9. Any other circumstance beyond the control of the child, as defined in regulations of the department.

(f) Upon determination that a child has failed without good cause to attend school as required, the department shall provide written notice to the parent or caretaker relative (whoever is the primary recipient of the TANF benefits) that specifies:

(i) That the family will be sanctioned in the next possible payment month because the child who is required to attend school has failed to meet the attendance requirement of this subsection;

(ii) The beginning date of the sanction, and the child to whom the sanction applies;

(iii) The right of the child's parents or caretaker relative (whoever is the primary recipient of the TANF benefits) to request a fair hearing under this subsection.

The child's parent or caretaker relative (whoever is the primary recipient of the TANF benefits) may request a fair hearing on the department's determination that the child has not been attending school. If the child's parents or caretaker relative does not request a fair hearing under this subsection, or if, after a fair hearing has been held, the hearing officer finds that the child without good cause has failed to meet the monthly attendance requirement, the department shall discontinue or deny...
TANF benefits to the child thirteen (13) years old, or older, in
the next possible payment month. The department shall discontinue
or deny twenty-five percent (25%) of the family grant when a child
six (6) through twelve (12) years of age without good cause has
failed to meet the monthly attendance requirement. Both the child
and family sanction may apply when children in both age groups
fail to meet the attendance requirement without good cause. A
sanction applied under this subsection shall be effective for one
(1) month for each month that the child failed to meet the monthly
attendance requirement. In the case of a dropout, the sanction
shall remain in force until the parent or caretaker relative
provides written proof from the school district that the child has
reenrolled and met the monthly attendance requirement for one (1)
calendar month. Any month in which school is in session for at
least ten (10) days during the month may be used to meet the
attendance requirement under this subsection. This includes
attendance at summer school. The sanction shall be removed the
next possible payment month.

(5) All parents or caretaker relatives shall have their
dependent children receive vaccinations and booster vaccinations
against those diseases specified by the State Health Officer
pursuant to Section 41-23-37 in accordance with the vaccination
and booster vaccination schedule prescribed by the State Health
Officer for children of that age, in order for the parents or
caretaker relatives to be eligible or remain eligible to receive
TANF benefits. Proof of having received such vaccinations and
booster vaccinations shall be given by presenting the certificates
of vaccination issued by any health care provider licensed to
administer vaccinations, and submitted on forms specified by the
State Board of Health. If the parents without good cause do not
have their dependent children receive the vaccinations and booster
vaccinations as required by this subsection and they fail to
comply after thirty (30) days’ notice, the department shall
sanction the family's TANF benefits by twenty-five percent (25%) for the next payment month and each subsequent payment month until the requirements of this subsection are met.

(6) (a) If the parent or caretaker relative applying for TANF assistance is an employable person, as determined by the Department of Human Services, the person shall be required to engage in an allowable work activity once the department determines the parent or caretaker relative is ready to engage in work, or once the parent or caretaker relative has received TANF assistance under the program for twenty-four (24) months, whether or not consecutive, whichever is earlier. No TANF benefits shall be given to any person to whom this section applies who fails without good cause to comply with the Employability Development Plan prepared by the department for the person, or who has refused to accept a referral or offer of employment, training or education in which he or she is able to engage, subject to the penalties prescribed in subsection (6)(e). A person shall be deemed to have refused to accept a referral or offer of employment, training or education if he or she:

(i) Willfully fails to report for an interview with respect to employment when requested to do so by the department; or

(ii) Willfully fails to report to the department the result of a referral to employment; or

(iii) Willfully fails to report for allowable work activities as prescribed in subsections (6)(c) and (d).

(b) The Department of Human Services shall operate a statewide work program for TANF recipients to provide work activities and supportive services to enable families to become self-sufficient and improve their competitive position in the work force in accordance with the requirements of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193), as amended, and the regulations promulgated...
thereunder. All adults who are not specifically exempt shall be referred by the department for allowable work activities. An adult may be exempt from the mandatory work activity requirement for the following reasons:

(ii) Temporary illness or injury, verified by physician's certificate;

(iii) Is in the third trimester of pregnancy, verified by physician's certificate;

(v) Caretaker of an ill or incapacitated person, as verified by physician's certificate;

(vi) Age, if over sixty (60) or under eighteen (18) years of age;

(vii) Receiving treatment for substance abuse, if the person is in compliance with the substance abuse treatment plan;

(viii) In a two-parent family, the caretaker of a severely disabled child, as verified by a physician's certificate; or

(ix) History of having been a victim of domestic violence, which has been reported as required by state law and is substantiated by police reports or court records, and being at risk of further domestic violence, shall be exempt for a period as deemed necessary by the department but not to exceed a total of twelve (12) months, which need not be consecutive, in the sixty-month maximum benefit period. For the purposes of this paragraph (ix), "domestic violence" means that an individual has been subjected to:

1. Physical acts that resulted in, or threatened to result in, physical injury to the individual;
2. Sexual abuse;
3. Sexual activity involving a dependent child;
4. Being forced as the caretaker relative of a dependent child to engage in nonconsensual sexual acts or activities;
5. Threats of, or attempts at, physical or sexual abuse;
6. Mental abuse; or
7. Neglect or deprivation of medical care.

(c) For all families, all adults who are not specifically exempt shall be required to participate in work activities for at least the minimum average number of hours per week specified by federal law or regulation, not fewer than twenty (20) hours per week (thirty-five (35) hours per week for two-parent families) of which are attributable to the following allowable work activities:

(i) Unsubsidized employment;
(ii) Subsidized private employment;
(iii) Subsidized public employment;
(iv) Work experience (including work associated with the refurbishing of publicly assisted housing), if sufficient private employment is not available;
(v) On-the-job training;
(vi) Job search and job readiness assistance consistent with federal TANF regulations;
(vii) Community service programs;
(viii) Vocational educational training (not to exceed twelve (12) months with respect to any individual);
(ix) The provision of child care services to an individual who is participating in a community service program;
(x) Satisfactory attendance at high school or in a course of study leading to a high school equivalency certificate,
for heads of household under age twenty (20) who have not completed high school or received such certificate;

   (xi) Education directly related to employment, for heads of household under age twenty (20) who have not completed high school or received such equivalency certificate.

   (d) The following are allowable work activities which may be attributable to hours in excess of the minimum specified in paragraph (6)(c):

   (i) Job skills training directly related to employment;

   (ii) Education directly related to employment for individuals who have not completed high school or received a high school equivalency certificate;

   (iii) Satisfactory attendance at high school or in a course of study leading to a high school equivalency, for individuals who have not completed high school or received such equivalency certificate;

   (iv) Job search and job readiness assistance consistent with federal TANF regulations.

   (e) If any adult or caretaker relative refuses to participate in allowable work activity as required under this subsection (6), the following full family TANF benefit penalty will apply, subject to due process to include notification, conciliation and a hearing if requested by the recipient:

   (i) For the first violation, the department shall terminate the TANF assistance otherwise payable to the family for a two-month period or until the person has complied with the required work activity, whichever is longer;

   (ii) For the second violation, the department shall terminate the TANF assistance otherwise payable to the family for a six-month period or until the person has complied with the required work activity, whichever is longer;
(iii) For the third violation, the department shall terminate the TANF assistance otherwise payable to the family for a twelve-month period or until the person has complied with the required work activity, whichever is longer;

(iv) For the fourth violation, the person shall be permanently disqualified.

For a two-parent family, unless prohibited by state or federal law, Medicaid assistance shall be terminated only for the person whose failure to participate in allowable work activity caused the family's TANF assistance to be sanctioned under this subsection (6)(e), unless an individual is pregnant, but shall not be terminated for any other person in the family who is meeting that person's applicable work requirement or who is not required to work. Minor children shall continue to be eligible for Medicaid benefits regardless of the disqualification of their parent or caretaker relative for TANF assistance under this subsection (6), unless prohibited by state or federal law.

(f) Any person enrolled in a two-year or four-year college program who meets the eligibility requirements to receive TANF benefits, and who is meeting the applicable work requirements and all other applicable requirements of the TANF program, shall continue to be eligible for TANF benefits while enrolled in the college program for as long as the person meets the requirements of the TANF program, unless prohibited by federal law.

(g) No adult in a work activity required under this subsection (6) shall be employed or assigned (i) when any other individual is on layoff from the same or any substantially equivalent job within six (6) months before the date of the TANF recipient's employment or assignment; or (ii) if the employer has terminated the employment of any regular employee or otherwise caused an involuntary reduction of its work force in order to fill the vacancy so created with an adult receiving TANF assistance.
Section 71-5-101, shall appoint one or more impartial hearing officers to hear and decide claims by employees of violations of this paragraph (g). The hearing officer shall hear all the evidence with respect to any claim made hereunder and such additional evidence as he may require and shall make a determination and the reason therefor. The claimant shall be promptly notified of the decision of the hearing officer and the reason therefor. Within ten (10) days after the decision of the hearing officer has become final, any party aggrieved thereby may secure judicial review thereof by commencing an action, in the circuit court of the county in which the claimant resides, against the commission for the review of such decision, in which action any other party to the proceeding before the hearing officer shall be made a defendant. Any such appeal shall be on the record which shall be certified to the court by the commission in the manner provided in Section 71-5-531, and the jurisdiction of the court shall be confined to questions of law which shall render its decision as provided in that section.

(7) The Department of Human Services may provide child care for eligible participants who require such care so that they may accept employment or remain employed. The department may also provide child care for those participating in the TANF program when it is determined that they are satisfactorily involved in education, training or other allowable work activities. The department may contract with Head Start agencies to provide child care services to TANF recipients. The department may also arrange for child care by use of contract or vouchers, provide vouchers in advance to a caretaker relative, reimburse a child care provider, or use any other arrangement deemed appropriate by the department, and may establish different reimbursement rates for child care services depending on the category of the facility or home. Any paragraph shall be licensed by the State Department of Health.
pursuant to law. When child care is being provided in the child's own home, in the home of a relative of the child, or in any other unlicensed setting, the provision of such child care may be monitored on a random basis by the Department of Human Services or the State Department of Health. Transitional child care assistance may be continued if it is necessary for parents to maintain employment once support has ended, unless prohibited under state or federal law. Transitional child care assistance may be provided for up to twenty-four (24) months after the last month during which the family was eligible for TANF assistance, if federal funds are available for such child care assistance.

(8) The Department of Human Services may provide transportation or provide reasonable reimbursement for transportation expenses that are necessary for individuals to be able to participate in allowable work activity under the TANF program.

(9) Medicaid assistance shall be provided to a family of TANF program participants for up to twenty-four (24) consecutive calendar months following the month in which the participating family would be ineligible for TANF benefits because of increased income, expiration of earned income disregards, or increased hours of employment of the caretaker relative; however, Medicaid assistance for more than twelve (12) months may be provided only if a federal waiver is obtained to provide such assistance for more than twelve (12) months and federal and state funds are available to provide such assistance.

(10) The department shall require applicants for and recipients of public assistance from the department to sign a personal responsibility contract that will require the applicant or recipient to acknowledge his or her responsibilities to the state.

(11) The department shall enter into an agreement with the State Personnel Board and other state agencies that will allow
those TANF participants who qualify for vacant jobs within state agencies to be placed in state jobs. State agencies participating in the TANF work program shall receive any and all benefits received by employers in the private sector for hiring TANF recipients. This subsection (11) shall be effective only if the state obtains any necessary federal waiver or approval and if federal funds are available therefor.

(12) The department shall require applicants for and recipients of TANF benefits to enter into an agreement that will require the applicant or recipient to participate in and use the program administered by the department under Section 1 of House Bill No. ___, 2001 Regular Session, if the applicant or recipient starts a business.

(13) No new TANF program requirement or restriction affecting a person's eligibility for TANF assistance, or allowable work activity, which is not mandated by federal law or regulation may be implemented by the Department of Human Services after the effective date of this act, unless such is specifically authorized by an amendment to this section by the Legislature.

SECTION 3. Section 43-17-33, Mississippi Code of 1972, is amended as follows:

43-17-33. The Department of Human Services shall seek federal funds for entrepreneurial development so that recipients of Temporary Assistance for Needy Families (TANF) benefits can create jobs and provide incentives for TANF recipients in their efforts to attain self-sufficiency and independence. The TANF Implementation Council shall identify opportunities for entrepreneurial development for TANF recipients. In carrying out this program, the department shall work in conjunction with public, community and private sector entities including businesses, banks, and other institutions to develop strategies that provide training, technical assistance, planning, and research to TANF recipients in their efforts to own their own
businesses. The TANF recipient must be enrolled in an allowable work activity to be considered for eligibility for the funds under this section. A TANF recipient also must participate in and use the program administered by the department under Section 1 of House Bill No. , 2001 Regular Session, in order to be considered for eligibility for the funds under this section.

SECTION 4. This act shall take effect and be in force from and after July 1, 2001.
