With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2003 do not exceed Fiscal Year 2002 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2003 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to insure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2002 appropriation for "Personal Services" when annualized. If, at the end of any calendar month, the State Personnel Board determines that the agency has taken action(s) which would cause the agency to exceed this projected annual cost or the Fiscal Year 2002 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met.

It is the intention of the Legislature that the Executive Director of the Department of Rehabilitation Services may transfer
between the various offices authorized herein both funds and
positions not to exceed ten percent (10%) of the receiving office
in addition to any other transfers or escalations made in
accordance with Section 27-104-17 (3), Mississippi Code of 1972,
Annotated. The Executive Director of the Department of
Rehabilitation Services shall submit written justification for the
transfer to the Legislative Budget Office and the Department of
Finance and Administration on or before the fifteenth of the month
prior to the effective date of the transfer. It is further the
intention of the Legislature that any transfers made under the
provisions of this paragraph shall be of an emergency nature and
that in no case shall the transfers be made which substantially
alter the legislative intent for the various offices as set forth
in the original appropriations made under this act.

No general funds authorized to be expended herein shall be
used to replace federal funds and/or other special funds which are
being used for salaries authorized under the provisions of this
act and which are withdrawn and no longer available.

SECTION 5. It is the intent of the Legislature that one (1)
new Office Director I position be created in the Support Services
budget; that PIN 0108 be removed from Exclude 16 status (non-state
service) and changed to state service status in the Vocational
Rehabilitation Services budget; and PIN 0382 be reallocated from a
Division Director II to a Staff Officer II in the Vocational
Rehabilitation Services budget. This PIN shall be Exclude 16
status (non-state service).

SECTION 6. In addition to all other sums herein
appropriated, the following sum, or so much thereof as may be
necessary, is hereby appropriated out of any funds which are
received by or otherwise become available to the Mississippi
Department of Rehabilitation Services to provide funding for
construction grants and establishment grants for the fiscal year
beginning July 1, 2001, and ending June 30, 2002.................
SECTION 7. It shall be unlawful for any officer, employee or other person whatsoever to use or permit or authorize the use of any automobile or any other motor vehicle owned by the State of Mississippi or any department, agency or institution thereof for any purpose other than upon the official business of the State of Mississippi or any agency, department or institution thereof.

It is the intent of the Legislature that motor vehicles authorized to be owned and operated by this agency shall comply with Sections 25-1-77 through 25-1-93, Mississippi Code of 1972.

SECTION 8. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers, in the manner provided by law.

SECTION 9. This act shall take effect and be in force from and after July 1, 2001.
