8 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF
9 MISSISSIPPI, That the following amendment to the Mississippi
10 Constitution of 1890 is proposed to the qualified electors of the
11 state:

12 Amend the Mississippi Constitution of 1890 by creating a new
13 section to read as follows:

14 "Section ____ (1) If the governing authorities of any
15 municipality desire to enlarge the boundaries thereof by adding
16 adjacent unincorporated territory, the governing authorities of
17 such municipality shall pass a resolution defining with certainty
18 the territory proposed to be included in the corporate limits, and
19 also defining the entire boundary as changed. The resolution
20 shall describe in general terms the proposed improvements to be
21 made in the annexed territory, the manner and extent of the
22 improvements, and the approximate time within which the
23 improvements are to be made. The resolution also shall contain a
24 statement of the municipal or public services that such
25 municipality proposes to render in the annexed territory.

26 (2) After the passage of the resolution, the board of
27 supervisors of the county in which the territory proposed to be
28 annexed is located shall hold a special election on the question
29 of the proposed annexation. The election shall be held within

30 sixty (60) days after passage of the municipal resolution. Notice
31 of the election shall be published in a newspaper having a general
32 circulation in the territory of the county proposed to be annexed
33 once a week for three (3) consecutive weeks before the election,
34 and the first publication shall be made not less than twenty-one
35 (21) days before the election. The election shall be held in the
36 same manner as are other county elections. Only those electors
37 residing in the proposed annexed area may vote in the election. A
38 majority of those voting in the election must vote in favor of the
39 proposed annexation in order for the annexation to be approved.
40 The results of the election shall be certified by the election
41 commissioners of the county and shall be the final decision on the
42 issue of annexation. If there are no qualified electors residing
43 in the area proposed to be annexed, then no election shall take
44 place and the annexation proceedings shall take place in
45 accordance with the laws and statutes that were in effect
46 immediately before the adoption of this amendment.

47 (3) No election may be held on the question of annexation in
48 a county or municipality more often than once each three (3)
49 years.

50 (4) The provisions of this section shall be self-executing
51 and shall govern the manner and procedure for authorizing
52 annexation of additional territory by a municipality
53 notwithstanding the provisions of any general law or statute to
54 the contrary.

55 (5) The provisions of this section shall be applicable to
56 any municipal annexation proceedings begun on or after January 1,
57 2003, as well as to such proceedings that began before such date
58 which may be still pending in any judicial proceeding or appeal of
59 such proceeding."

61 submitted by the Secretary of State to the qualified electors at
62 an election to be held on the first Tuesday after the first Monday

66 amendment for the ballot shall read as follows: "This proposed
67 constitutional amendment provides that before the governing
68 authorities of a municipality may enlarge the corporate limits of
69 the municipality, a special election must be held approving the
70 annexation in the territory proposed to be annexed. The amendment
71 also prescribes the procedure for conducting the election."

72 BE IT FURTHER RESOLVED, That the Attorney General of the
73 State of Mississippi shall submit this resolution, immediately
74 upon adoption by the Legislature, to the Attorney General of the
75 United States or to the United States District Court for the
76 District of Columbia, in accordance with the provisions of the
77 Voting Rights Act of 1965, as amended and extended.
