19 that student is enrolled. Before the close of the current school
20 year, any student, except for students who are on an
21 individualized education program or have limited English
22 proficiency, found not to be reading at the appropriate grade
23 level shall be provided a reading assessment plan which will
24 include a program of instruction in reading designed to enable the
25 student to acquire the appropriate grade level of reading skills.
26 The plan shall include, but not be limited to:

27 (a) Sufficient additional in-school instructional time
28 for the development of reading and comprehension skills of the
29 student;
