Such bond, with the approval of the board and oath of office endorsed thereon, shall be deposited with the Secretary of State.

Each month, monies received by the secretary of the board shall be paid by him into the State Treasury and deposited in a fund to be known as the "State Board of Chiropractic Examiners Fund" for the use of the board in carrying out the provisions of this chapter. The board shall annually, on or before January 1, make a report to the Governor and Legislature of all its official acts during the preceding year, its receipts and disbursements, and a full and complete report of the conditions of chiropractic in this state.

SECTION 7. Section 73-6-13, Mississippi Code of 1972, is reenacted and amended as follows:

73-6-13. (1) Any adult citizen of the United States of good moral character who has (a) graduated from a school or college of chiropractic recognized by the State Board of Chiropractic Examiners, preceded by the successful completion of a bachelor's degree at an accredited institution of higher learning, however, individuals seeking to be examined on or before July 1, 2005, are only required to have two (2) academic years at an accredited institution of higher learning or accredited junior college, and
(b) successfully completed parts 1, 2, 3 and 4 and the physical

The State Board of Chiropractic Examiners shall keep on file a

recognized. No chiropractic school shall be approved unless it is
recognized and approved by the council of chiropractic education,
offers an accredited course of study of not less than four (4)

its graduates to receive not less than forty (40) clock hours of
instruction in the operation of X-ray machinery and not less than
forty (40) clock hours of instruction in X-ray interpretation and
diagnosis.

(2) Except as otherwise provided in this section, the State
Board of Health shall prescribe rules and regulations for the
operation and use of X-ray machines.

(3) The examination to practice chiropractic used by the
board shall consist of testing on the statutes and the rules and

Examiners to an adult citizen of the United States of good moral
character who (a) is currently an active competent practitioner
for at least eight (8) years and holds an active chiropractic
license in another state with no disciplinary proceeding or
unresolved complaint pending anywhere at the time a license is to
be issued by this state, (b) demonstrates having obtained
licensure as a chiropractor in another state under the same
education requirements which were equivalent to the education
requirements in this state to obtain a chiropractic license at the
time the applicant obtained the license in the other state, (c) satisfactorily passes the examination administered by the State Board of Chiropractic Examiners and the Special Purposes Exam for Chiropractic (SPEC) examination prepared by the National Board of Chiropractic Examiners, and (d) meets the requirements of Section 73-6-1(3) pertaining to therapeutic modalities.

SECTION 8. Section 73-6-15, Mississippi Code of 1972, is reenacted and amended as follows:

Every applicant shall file with the executive secretary of the board an application, verified by oath, setting forth the facts which entitle the applicant to examination under the provisions of this chapter. The State Board of Chiropractic Examiners shall hold at least two (2) examinations each year. In case of failing to pass such examination, the applicant, after the expiration of six (6) months and within two (2) years, shall have the privilege of taking a second examination by the board with the payment of an additional fee equal to that charged the State Board of Chiropractors by the National Board of Chiropractic Examiners. An applicant who fails the examination twice shall not be permitted to retake the examination until completion of further course of study to be outlined by the board and payment of the fee for further examination. Every applicant who passed the examination and otherwise complies with the provisions of this chapter shall receive from the board, under its seal, a certificate of licensure which entitles him to practice chiropractic in this state; however, such certificate does not in any way qualify a chiropractor to make application to practice on the medical staff of any hospital licensed by the State Department of Health. Nothing in this chapter may prevent a chiropractor from making application to any hospital for chiropractic staff privileges or as an allied health provider as outlined under the Minimum Standards for the Operation of Hospitals. Such certificate shall be duly registered in a record book which shall
be properly kept by the executive secretary of the board and which
shall be open to public inspection. A duly certified copy of said
record shall be competent evidence in all courts of this state to
establish licensure.

Each application or filing made under this section shall
include the social security number(s) of the applicant in
accordance with Section 93-11-64, Mississippi Code of 1972.

SECTION 9. Section 73-6-17, Mississippi Code of 1972, is
reenacted and amended as follows:

73-6-17. The State Board of Chiropractic Examiners shall
charge the following fees for application, examination and
issuance of certificates: application, One Hundred Dollars
($100.00); examination and issuance of certificate, Two Hundred
Dollars ($200.00) for all applicants; provided, however, that
resident and nonresident applicants shall have first successfully
completed parts 1, 2, 3 and 4 and the physical modality section of
the examination prepared by the National Board of Chiropractic
Examiners.

Every registered chiropractor in order to continue the
practice of chiropractic shall pay annually to the executive
secretary of the board a registration renewal fee of not more than
Three Hundred Dollars ($300.00) and, in addition to such renewal
fee, shall be required to file with the executive secretary of the
board a certificate, certified by the Council on Chiropractic
Education (CCE) approved provider, approved by the Mississippi
State Board of Chiropractic Examiners, verifying his attendance at
a course of study approved by the board consisting of not less
than twelve (12) hours of instruction in the latest developments
in the practice of chiropractic of which at least three (3) hours
shall be instruction in the subject of risk management. Provided,
that any chiropractor who has reached the age of seventy-five (75)
years and is not participating in an active practice shall not be
required to pay said renewal fee or submit the twelve (12) hours
of continuing education. Any chiropractor who has received a certificate of licensure in this state under the provisions of Section 73-6-21 shall be in good standing in the state of his original licensure in order to renew his certificate in this state, and the board shall refuse to renew the certificate of any such chiropractor whose license has been suspended or revoked for cause in the state of his original licensure. In case of failure to pay the renewal fee, the board may revoke such certificate after giving thirty (30) days' notice to the holder who, within such period, may renew such certificate upon payment of the delinquent fee with a special processing charge of not more than Three Hundred Dollars ($300.00). Lack of participation in active practice for a period of less than two (2) years, except when a doctor is in active military duty, shall not deprive the holder of the right to renew such certificate, without examination, upon the payment of all lapsed fees and proof of required continuing education hours.

SECTION 10. Section 73-6-18, Mississippi Code of 1972, is reenacted as follows:

73-6-18. These standards apply to all licensed chiropractors and chiropractic assistants. These standards also apply to those consultations and examinations advertised as a reduced fee or free (no charge) service:

(a) The chiropractor shall maintain records for patients which accurately, legibly and completely reflect the evaluation and treatment of the patient.

(b) All patient records shall include patient history, symptomatology, examination, diagnosis, prognosis and treatment. If abbreviations or symbols are used in daily recordkeeping, a key must be provided.

(c) In the event that the board takes disciplinary action against a chiropractor for any reason, these minimum recordkeeping standards will apply. It is understood that these
procedures are the accepted standard(s) and anything less than this shall be considered unprofessional conduct in the practice of chiropractic.

SECTION 11. Section 73-6-19, Mississippi Code of 1972, is reenacted and amended as follows:

73-6-19. (1) The board may refuse to grant a certificate of licensure to any applicant or may cancel, revoke or suspend the certificate upon the finding of any of the following facts regarding the applicant or licensed practitioner:

(j) Professional incompetency in the practice of chiropractic;

(k) Having disciplinary action taken by his peers within any professional chiropractic association or society;

(l) Offering to accept or accepting payment for services rendered by assignment from any third-party payor after offering to accept or accepting whatever the third-party payor covers as payment in full, if the effect of the offering or acceptance is to eliminate or give the impression of eliminating the need for payment by an insured of any required deductions applicable in the policy of the insured;

(m) Associating his practice with any chiropractor who does not hold a valid chiropractic license in Mississippi, or teach chiropractic manipulation to nonqualified persons under Section 73-6-13;

(n) Failure to make payment on chiropractic student loans; * * *

(o) Failure to follow recordkeeping requirements prescribed in Section 73-6-18; or

(p) Conviction of a crime of fraud as to insurance benefits or otherwise.

(2) Any holder of such certificate or any applicant therefor against whom is preferred any of the designated charges shall be furnished a copy of the complaint and given an opportunity to respond in writing. If the matter is not otherwise resolved, the licensee shall receive a formal hearing in Jackson, Mississippi, before the board, at which time he may be represented by counsel and examine witnesses. The board is authorized to administer oaths as may be necessary for the proper conduct of any such hearing. In addition, the board is authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers. The process issued by the board shall extend to all parts of the state. Where in any proceeding before the
board any witness shall fail or refuse to attend upon subpoena

issued by the board, shall refuse to testify, or shall refuse to
produce any books and papers, the production of which is called
for by the subpoena, the attendance of such witness and the giving
of his testimony and the production of the books and papers shall
be enforced by any court of competent jurisdiction of this state
in the manner provided for the enforcement of attendance and
testimony of witnesses in civil cases in the courts of this state.

(3) In addition to any other investigators the board
employs, the board may appoint one or more licensed chiropractors
to act for the board when necessary in investigating the conduct
relating to the competency of a chiropractor, whenever
disciplinary action is being considered for professional
incompetence and unprofessional conduct.

(4) Whenever the board finds any licensee or applicant in
violation of any of the grounds set forth in subsection (1) of
this section, after a proper due process hearing has been timely
noticed and conducted as prescribed by this section, the board may
enter an order imposing one or more of the following:

(a) Deny his application for a license or other
authorization to practice chiropractic;
(b) Administer a public or private reprimand;
(c) Suspend, limit or restrict his license or other
authorization to practice chiropractic for up to five (5) years;
(d) Revoke or cancel his license or other authorization
to practice chiropractic;
(e) Require him to submit to care, counseling or
treatment by physicians or chiropractors designated by the board,
as a condition for initial, continued or renewal of licensure or
other authorization to practice chiropractic;
(f) Require him to participate in a program of
education prescribed by the board; * * *
(g) Require him to practice under the direction of a chiropractor designated by the board for a specified period of time; or

If there is an appeal, such appeal shall not act as a supersedeas. The circuit court shall dispose of the appeal and enter its decision promptly. Either party shall have the right of appeal to the Supreme Court as provided by law from any decision of the circuit court.

(6) In a proceeding conducted under this section by the board concerning an application, or for the revocation, suspension or cancellation of a license to practice chiropractic, or other matter, after a due process hearing has been conducted as prescribed by this section, the board shall have the power and authority for the grounds stated in subsection (1) of this section, with the exception of paragraph (c) thereof, to assess and levy upon any person licensed to practice chiropractic in the state a monetary penalty in addition to such revocation, suspension or cancellation, as follows:

(a) For the first violation, a monetary penalty of not less than Five Hundred Dollars ($500.00) nor more than One Thousand Dollars ($1,000.00) for each violation.
(b) For the second and each subsequent violation, a monetary penalty of not less than One Thousand Dollars ($1,000.00) nor more than Two Thousand Five Hundred Dollars ($2,500.00) for each violation.
The power and authority of the board to assess and levy such monetary penalties under this section shall not be affected or diminished by any other proceeding, civil or criminal, concerning the same violation or violations. A licensee shall have the right of appeal from the assessment and levy of a monetary penalty as provided in this section to the circuit court under the same conditions as a right of appeal is provided for in this section for appeals from an adverse ruling, or order, or decision of the board. * * *

(7) In addition to the grounds specified in subsection (1) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 12. Section 73-6-23, Mississippi Code of 1972, is reenacted as follows:
