288 treatment for breast or cervical cancer. Eligibility of  
289 individuals under this paragraph (24) shall be determined by the  
290 Division of Medicaid.

291 SECTION 2. Section 43-13-117, Mississippi Code of 1972, is  
292 amended as follows:

293 43-13-117. Medical assistance as authorized by this article  
294 shall include payment of part or all of the costs, at the  
295 discretion of the division or its successor, with approval of the  
296 Governor, of the following types of care and services rendered to  
297 eligible applicants who shall have been determined to be eligible  
298 for such care and services, within the limits of state  
299 appropriations and federal matching funds:

300 (1) Inpatient hospital services.

301 (a) The division shall allow thirty (30) days of  
302 inpatient hospital care annually for all Medicaid recipients.

303 Precertification of inpatient days must be obtained as required by

304 the division. The division shall be authorized to allow unlimited  
305 days in disproportionate hospitals as defined by the division for  
306 eligible infants under the age of six (6) years.

307 (b) From and after July 1, 1994, the Executive  
308 Director of the Division of Medicaid shall amend the Mississippi  
309 Title XIX Inpatient Hospital Reimbursement Plan to remove the  
310 occupancy rate penalty from the calculation of the Medicaid  
311 Capital Cost Component utilized to determine total hospital costs  
312 allocated to the Medicaid program.

313 \* \* \*

314 (2) Outpatient hospital services. Provided that where  
315 the same services are reimbursed as clinic services, the division  
316 may revise the rate or methodology of outpatient reimbursement to  
317 maintain consistency, efficiency, economy and quality of care.  
318 The division shall develop a Medicaid-specific cost-to-charge  
319 ratio calculation from data provided by hospitals to determine an  
320 allowable rate payment for outpatient hospital services, and shall  
321 submit a report thereon to the Medical Advisory Committee on or  
322 before December 1, 1999. The committee shall make a  
323 recommendation on the specific cost-to-charge reimbursement method  
324 for outpatient hospital services to the 2000 Regular Session of  
325 the Legislature.

326 (3) Laboratory and x-ray services.

327 (4) Nursing facility services.

328 (a) The division shall make full payment to  
329 nursing facilities for each day, not exceeding fifty-two (52) days  
330 per year, that a patient is absent from the facility on home  
331 leave. Payment may be made for the following home leave days in  
332 addition to the fifty-two-day limitation: Christmas, the day  
333 before Christmas, the day after Christmas, Thanksgiving, the day  
334 before Thanksgiving and the day after Thanksgiving. \* \* \*

335 (b) From and after July 1, 1997, the division  
336 shall implement the integrated case-mix payment and quality

337 monitoring system, which includes the fair rental system for  
338 property costs and in which recapture of depreciation is  
339 eliminated. The division may reduce the payment for hospital  
340 leave and therapeutic home leave days to the lower of the case-mix  
341 category as computed for the resident on leave using the  
342 assessment being utilized for payment at that point in time, or a  
343 case-mix score of 1.000 for nursing facilities, and shall compute  
344 case-mix scores of residents so that only services provided at the  
345 nursing facility are considered in calculating a facility's per  
346 diem. \* \* \*

347 \* \* \*

348 (c) From and after July 1, 1997, all state-owned  
349 nursing facilities shall be reimbursed on a full reasonable cost  
350 basis.

351 (d) When a facility of a category that does not  
352 require a certificate of need for construction and that could not  
353 be eligible for Medicaid reimbursement is constructed to nursing  
354 facility specifications for licensure and certification, and the  
355 facility is subsequently converted to a nursing facility pursuant  
356 to a certificate of need that authorizes conversion only and the  
357 applicant for the certificate of need was assessed an application  
358 review fee based on capital expenditures incurred in constructing  
359 the facility, the division shall allow reimbursement for capital  
360 expenditures necessary for construction of the facility that were  
361 incurred within the twenty-four (24) consecutive calendar months  
362 immediately preceding the date that the certificate of need  
363 authorizing such conversion was issued, to the same extent that  
364 reimbursement would be allowed for construction of a new nursing  
365 facility pursuant to a certificate of need that authorizes such  
366 construction. The reimbursement authorized in this subparagraph  
367 (d) may be made only to facilities the construction of which was  
368 completed after June 30, 1989. Before the division shall be  
369 authorized to make the reimbursement authorized in this

370 subparagraph (d), the division first must have received approval  
371 from the Health Care Financing Administration of the United States  
372 Department of Health and Human Services of the change in the state  
373 Medicaid plan providing for such reimbursement.

374 (e) The division shall develop and implement, not  
375 later than January 1, 2001, a case-mix payment add-on determined  
376 by time studies and other valid statistical data which will  
377 reimburse a nursing facility for the additional cost of caring for  
378 a resident who has a diagnosis of Alzheimer's or other related  
379 dementia and exhibits symptoms that require special care. Any  
380 such case-mix add-on payment shall be supported by a determination  
381 of additional cost. The division shall also develop and implement  
382 as part of the fair rental reimbursement system for nursing  
383 facility beds, an Alzheimer's resident bed depreciation enhanced  
384 reimbursement system which will provide an incentive to encourage  
385 nursing facilities to convert or construct beds for residents with  
386 Alzheimer's or other related dementia.

387 (f) The Division of Medicaid shall develop and  
388 implement a referral process for long-term care alternatives for  
389 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
390 shall be admitted to a Medicaid-certified nursing facility unless  
391 a licensed physician certifies that nursing facility care is  
392 appropriate for that person on a standardized form to be prepared  
393 and provided to nursing facilities by the Division of Medicaid.  
394 The physician shall forward a copy of that certification to the  
395 Division of Medicaid within twenty-four (24) hours after it is  
396 signed by the physician. Any physician who fails to forward the  
397 certification to the Division of Medicaid within the time period  
398 specified in this paragraph shall be ineligible for Medicaid  
399 reimbursement for any physician's services performed for the  
400 applicant. The Division of Medicaid shall determine, through an  
401 assessment of the applicant conducted within two (2) business days  
402 after receipt of the physician's certification, whether the

403 applicant also could live appropriately and cost-effectively at  
404 home or in some other community-based setting if home- or  
405 community-based services were available to the applicant. The  
406 time limitation prescribed in this paragraph shall be waived in  
407 cases of emergency. If the Division of Medicaid determines that a  
408 home- or other community-based setting is appropriate and  
409 cost-effective, the division shall:

410 (i) Advise the applicant or the applicant's  
411 legal representative that a home- or other community-based setting  
412 is appropriate;

413 (ii) Provide a proposed care plan and inform  
414 the applicant or the applicant's legal representative regarding  
415 the degree to which the services in the care plan are available in  
416 a home- or in other community-based setting rather than nursing  
417 facility care; and

418 (iii) Explain that such plan and services are  
419 available only if the applicant or the applicant's legal  
420 representative chooses a home- or community-based alternative to  
421 nursing facility care, and that the applicant is free to choose  
422 nursing facility care.

423 The Division of Medicaid may provide the services described  
424 in this paragraph (f) directly or through contract with case  
425 managers from the local Area Agencies on Aging, and shall  
426 coordinate long-term care alternatives to avoid duplication with  
427 hospital discharge planning procedures.

428 Placement in a nursing facility may not be denied by the  
429 division if home- or community-based services that would be more  
430 appropriate than nursing facility care are not actually available,  
431 or if the applicant chooses not to receive the appropriate home-  
432 or community-based services.

433 The division shall provide an opportunity for a fair hearing  
434 under federal regulations to any applicant who is not given the

435 choice of home- or community-based services as an alternative to  
436 institutional care.

437 The division shall make full payment for long-term care  
438 alternative services.

439 The division shall apply for necessary federal waivers to  
440 assure that additional services providing alternatives to nursing  
441 facility care are made available to applicants for nursing  
442 facility care.

444 individuals under age twenty-one (21) years as are needed to  
445 identify physical and mental defects and to provide health care  
446 treatment and other measures designed to correct or ameliorate  
447 defects and physical and mental illness and conditions discovered  
448 by the screening services regardless of whether these services are  
449 included in the state plan. The division may include in its  
450 periodic screening and diagnostic program those discretionary  
451 services authorized under the federal regulations adopted to  
452 implement Title XIX of the federal Social Security Act, as  
453 amended. The division, in obtaining physical therapy services,  
454 occupational therapy services, and services for individuals with  
455 speech, hearing and language disorders, may enter into a  
456 cooperative agreement with the State Department of Education for  
457 the provision of such services to handicapped students by public  
458 school districts using state funds which are provided from the  
459 appropriation to the Department of Education to obtain federal  
460 matching funds through the division. The division, in obtaining  
461 medical and psychological evaluations for children in the custody  
462 of the State Department of Human Services may enter into a  
463 cooperative agreement with the State Department of Human Services  
464 for the provision of such services using state funds which are  
465 provided from the appropriation to the Department of Human  
466 Services to obtain federal matching funds through the division.

475 and as adjusted each January thereafter, under Medicare (Title  
476 XVIII of the Social Security Act, as amended), and which shall in  
477 no event be less than seventy percent (70%) of the rate  
478 established on January 1, 1994. All fees for physicians' services  
479 that are covered by both Medicare and Medicaid shall be reimbursed  
480 at ten percent (10%) of the adjusted Medicare payment established  
481 on January 1, 1999, and as adjusted each January thereafter, under  
482 Medicare (Title XVIII of the Social Security Act, as amended), and  
483 which shall in no event be less than seventy percent (70%) of the  
484 adjusted Medicare payment established on January 1, 1994.

485           (7) (a) Home health services for eligible persons, not  
486 to exceed in cost the prevailing cost of nursing facility

493 under Medicare (Title XVIII of the Social Security Act, as  
494 amended). "Emergency medical transportation services" shall mean,  
495 but shall not be limited to, the following services by a properly  
496 permitted ambulance operated by a properly licensed provider in  
497 accordance with the Emergency Medical Services Act of 1974  
498 (Section 41-59-1 et seq.): (i) basic life support, (ii) advanced

500 (vi) disposable supplies, (vii) similar services.

503 for drugs to the extent permitted by law. Payment by the division  
504 for covered multiple source drugs shall be limited to the lower of  
505 the upper limits established and published by the Health Care

522 be paid.

523 The division shall develop and implement a program of payment  
524 for additional pharmacist services, with payment to be based on  
525 demonstrated savings, but in no case shall the total payment  
526 exceed twice the amount of the dispensing fee.

527 As used in this paragraph (9), "estimated acquisition cost"  
528 means the division's best estimate of what price providers  
529 generally are paying for a drug in the package size that providers  
530 buy most frequently. Product selection shall be made in  
531 compliance with existing state law; however, the division may

532 reimburse as if the prescription had been filled under the generic  
533 name. The division may provide otherwise in the case of specified

543 shall be increased to one hundred sixty percent (160%) of the

577 authority of this paragraph (14) shall be reimbursed at ninety  
578 percent (90%) of the rate established on January 1, 1999, and as  
579 adjusted each January thereafter, under Medicare (Title XVIII of  
580 the Social Security Act, as amended), and which shall in no event

599 nursing facility. The home- and community-based services  
600 authorized under this paragraph shall be expanded over a five-year  
601 period beginning July 1, 1999. The division shall certify case

852 such program or programs, it being the intent of the Legislature  
853 that expenditures during any fiscal year shall not exceed the  
854 amounts appropriated for such fiscal year.

855 SECTION 3. Section 43-13-121, Mississippi Code of 1972, is  
856 amended as follows:

857 43-13-121. (1) The division is authorized and empowered to  
858 administer a program of medical assistance under the provisions of  
859 this article, and to do the following:

860           (a) Adopt and promulgate reasonable rules, regulations  
861 and standards, with approval of the Governor, and in accordance  
862 with the Administrative Procedures Law, Section 25-43-1 et seq.:

863           (i) Establishing methods and procedures as may be  
864 necessary for the proper and efficient administration of this  
865 article;

866           (ii) Providing medical assistance to all qualified  
867 recipients under the provisions of this article as the division  
868 may determine and within the limits of appropriated funds;

869           (iii) Establishing reasonable fees, charges and  
870 rates for medical services and drugs; and in doing so shall fix  
871 all such fees, charges and rates at the minimum levels absolutely  
872 necessary to provide the medical assistance authorized by this  
873 article, and shall not change any such fees, charges or rates  
874 except as may be authorized in Section 43-13-117;

875           (iv) Providing for fair and impartial hearings;

876           (v) Providing safeguards for preserving the  
877 confidentiality of records; and

878           (vi) For detecting and processing fraudulent  
879 practices and abuses of the program;

880           (b) Receive and expend state, federal and other funds  
881 in accordance with court judgments or settlements and agreements  
882 between the State of Mississippi and the federal government, the  
883 rules and regulations promulgated by the division, with the  
884 approval of the Governor, and within the limitations and  
885 restrictions of this article and within the limits of funds  
886 available for such purpose;

887           (c) Subject to the limits imposed by this article, to  
888 submit a plan for medical assistance to the federal Department of  
889 Health and Human Services for approval pursuant to the provisions  
890 of the Social Security Act, to act for the state in making  
891 negotiations relative to the submission and approval of such plan,  
892 to make such arrangements, not inconsistent with the law, as may

893 be required by or pursuant to federal law to obtain and retain  
894 such approval and to secure for the state the benefits of the  
895 provisions of such law;

896 No agreements, specifically including the general plan for  
897 the operation of the Medicaid program in this state, shall be made  
898 by and between the division and the Department of Health and Human  
899 Services unless the Attorney General of the State of Mississippi  
900 has reviewed the agreements, specifically including the  
901 operational plan, and has certified in writing to the Governor and  
902 to the director of the division that the agreements, including the  
903 plan of operation, have been drawn strictly in accordance with the  
904 terms and requirements of this article;

905 (d) Pursuant to the purposes and intent of this article  
906 and in compliance with its provisions, provide for aged persons  
907 otherwise eligible for the benefits provided under Title XVIII of  
908 the federal Social Security Act by expenditure of funds available  
909 for such purposes;

910 (e) To make reports to the federal Department of Health  
911 and Human Services as from time to time may be required by such  
912 federal department and to the Mississippi Legislature as  
913 hereinafter provided;

914 (f) Define and determine the scope, duration and amount  
915 of medical assistance which may be provided in accordance with  
916 this article and establish priorities therefor in conformity with  
917 this article;

918 (g) Cooperate and contract with other state agencies  
919 for the purpose of coordinating medical assistance rendered under  
920 this article and eliminating duplication and inefficiency in the  
921 program;

922 (h) Adopt and use an official seal of the division;

923 (i) Sue in its own name on behalf of the State of  
924 Mississippi and employ legal counsel on a contingency basis with  
925 the approval of the Attorney General;

926           (j) To recover any and all payments incorrectly made by  
927 the division or by the Medicaid Commission to a recipient or  
928 provider from the recipient or provider receiving the payments;

929           (k) To recover any and all payments by the division or  
930 by the Medicaid Commission fraudulently obtained by a recipient or  
931 provider. Additionally, if recovery of any payments fraudulently  
932 obtained by a recipient or provider is made in any court, then,  
933 upon motion of the Governor, the judge of the court may award  
934 twice the payments recovered as damages;

935           (1) Have full, complete and plenary power and authority  
936 to conduct such investigations as it may deem necessary and  
937 requisite of alleged or suspected violations or abuses of the  
938 provisions of this article or of the regulations adopted hereunder  
939 including, but not limited to, fraudulent or unlawful act or deed  
940 by applicants for medical assistance or other benefits, or  
941 payments made to any person, firm or corporation under the terms,  
942 conditions and authority of this article, to suspend or disqualify  
943 any provider of services, applicant or recipient for gross abuse,  
944 fraudulent or unlawful acts for such periods, including  
945 permanently, and under such conditions as the division may deem  
946 proper and just, including the imposition of a legal rate of  
947 interest on the amount improperly or incorrectly paid. Recipients  
948 who are found to have misused or abused medical assistance  
949 benefits may be locked into one (1) physician and/or one (1)  
950 pharmacy of the recipient's choice for a reasonable amount of time  
951 in order to educate and promote appropriate use of medical  
952 services, in accordance with federal regulations. Should an  
953 administrative hearing become necessary, the division shall be  
954 authorized, should the provider not succeed in his defense, in  
955 taxing the costs of the administrative hearing, including the  
956 costs of the court reporter or stenographer and transcript, to the  
957 provider. The convictions of a recipient or a provider in a state  
958 or federal court for abuse, fraudulent or unlawful acts under this

959 chapter shall constitute an automatic disqualification of the  
960 recipient or automatic disqualification of the provider from  
961 participation under the Medicaid program.

962 A conviction, for the purposes of this chapter, shall include  
963 a judgment entered on a plea of nolo contendere or a  
964 nonadjudicated guilty plea and shall have the same force as a  
965 judgment entered pursuant to a guilty plea or a conviction  
966 following trial. A certified copy of the judgment of the court of  
967 competent jurisdiction of such conviction shall constitute prima  
968 facie evidence of such conviction for disqualification purposes;

969 (m) Establish and provide such methods of  
970 administration as may be necessary for the proper and efficient  
971 operation of the program, fully utilizing computer equipment as  
972 may be necessary to oversee and control all current expenditures  
973 for purposes of this article, and to closely monitor and supervise  
974 all recipient payments and vendors rendering such services  
975 hereunder; \* \* \*

976 (n) To cooperate and contract with the federal  
977 government for the purpose of providing medical assistance to  
978 Vietnamese and Cambodian refugees, pursuant to the provisions of  
979 Public Law 94-23 and Public Law 94-24, including any amendments  
980 thereto, only to the extent that such assistance and the  
981 administrative cost related thereto are one hundred percent (100%)  
982 reimbursable by the federal government. For the purposes of  
983 Section 43-13-117, persons receiving medical assistance pursuant  
984 to Public Law 94-23 and Public Law 94-24, including any amendments  
985 thereto, shall not be considered a new group or category of  
986 recipient; and

987 (o) The division shall impose penalties upon  
988 Medicaid-only, Title XIX participating nursing facilities and  
989 psychiatric residential treatment facilities found to be in  
990 noncompliance with division and licensure and certification  
991 standards in accordance with federal and state regulations,

992 including interest at the same rate calculated by the Department  
993 of Health and Human Services and/or the Health Care Financing  
994 Administration under federal regulations.

995 (2) The division also shall exercise such additional powers  
996 and perform such other duties as may be conferred upon the  
997 division by act of the Legislature hereafter.

998 (3) The division, and the State Department of Health as the  
999 agency for licensure of health care facilities and certification  
1000 and inspection for the Medicaid and/or Medicare programs, shall  
1001 contract for or otherwise provide for the consolidation of on-site  
1002 inspections of health care facilities which are necessitated by  
1003 the respective programs and functions of the division and the  
1004 department.

1005 (4) The division and its hearing officers shall have power  
1006 to preserve and enforce order during hearings; to issue subpoenas  
1007 for, to administer oaths to and to compel the attendance and  
1008 testimony of witnesses, or the production of books, papers,  
1009 documents and other evidence, or the taking of depositions before  
1010 any designated individual competent to administer oaths; to  
1011 examine witnesses; and to do all things conformable to law which  
1012 may be necessary to enable them effectively to discharge the  
1013 duties of their office. In compelling the attendance and  
1014 testimony of witnesses, or the production of books, papers,  
1015 documents and other evidence, or the taking of depositions, as  
1016 authorized by this section, the division or its hearing officers  
1017 may designate an individual employed by the division or some other  
1018 suitable person to execute and return such process, whose action  
1019 in executing and returning such process shall be as lawful as if  
1020 done by the sheriff or some other proper officer authorized to  
1021 execute and return process in the county where the witness may  
1022 reside. In carrying out the investigatory powers under the  
1023 provisions of this article, the director or other designated  
1024 person or persons shall be authorized to examine, obtain, copy or

1025 reproduce the books, papers, documents, medical charts,  
1026 prescriptions and other records relating to medical care and  
1027 services furnished by the provider to a recipient or designated  
1028 recipients of Medicaid services under investigation. In the  
1029 absence of the voluntary submission of the books, papers,  
1030 documents, medical charts, prescriptions and other records, the  
1031 Governor, the director, or other designated person shall be  
1032 authorized to issue and serve subpoenas instantly upon such  
1033 provider, his agent, servant or employee for the production of the  
1034 books, papers, documents, medical charts, prescriptions or other  
1035 records during an audit or investigation of the provider. If any  
1036 provider or his agent, servant or employee should refuse to  
1037 produce the records after being duly subpoenaed, the director  
1038 shall be authorized to certify such facts and institute contempt  
1039 proceedings in the manner, time, and place as authorized by law  
1040 for administrative proceedings. As an additional remedy, the  
1041 division shall be authorized to recover all amounts paid to the  
1042 provider covering the period of the audit or investigation,  
1043 inclusive of a legal rate of interest and a reasonable attorney's  
1044 fee and costs of court if suit becomes necessary. Division staff  
1045 shall have immediate access to the provider's physical location,  
1046 facilities, records, documents, books, and any other records  
1047 relating to medical care and services rendered to recipients  
1048 during regular business hours.

1049 (5) If any person in proceedings before the division  
1050 disobeys or resists any lawful order or process, or misbehaves  
1051 during a hearing or so near the place thereof as to obstruct the  
1052 same, or neglects to produce, after having been ordered to do so,  
1053 any pertinent book, paper or document, or refuses to appear after  
1054 having been subpoenaed, or upon appearing refuses to take the oath  
1055 as a witness, or after having taken the oath refuses to be  
1056 examined according to law, the director shall certify the facts to  
1057 any court having jurisdiction in the place in which it is sitting,

1058 and the court shall thereupon, in a summary manner, hear the  
1059 evidence as to the acts complained of, and if the evidence so  
1060 warrants, punish such person in the same manner and to the same  
1061 extent as for a contempt committed before the court, or commit  
1062 such person upon the same condition as if the doing of the  
1063 forbidden act had occurred with reference to the process of, or in  
1064 the presence of, the court.

1065 (6) In suspending or terminating any provider from  
1066 participation in the Medicaid program, the division shall preclude  
1067 such provider from submitting claims for payment, either  
1068 personally or through any clinic, group, corporation or other  
1069 association to the division or its fiscal agents for any services  
1070 or supplies provided under the Medicaid program except for those  
1071 services or supplies provided prior to the suspension or  
1072 termination. No clinic, group, corporation or other association  
1073 which is a provider of services shall submit claims for payment to  
1074 the division or its fiscal agents for any services or supplies  
1075 provided by a person within such organization who has been  
1076 suspended or terminated from participation in the Medicaid program  
1077 except for those services or supplies provided prior to the  
1078 suspension or termination. When this provision is violated by a  
1079 provider of services which is a clinic, group, corporation or  
1080 other association, the division may suspend or terminate such  
1081 organization from participation. Suspension may be applied by the  
1082 division to all known affiliates of a provider, provided that each  
1083 decision to include an affiliate is made on a case-by-case basis  
1084 after giving due regard to all relevant facts and circumstances.  
1085 The violation, failure, or inadequacy of performance may be  
1086 imputed to a person with whom the provider is affiliated where  
1087 such conduct was accomplished with the course of his official duty  
1088 or was effectuated by him with the knowledge or approval of such  
1089 person.

1090           (7) If the division ascertains that a provider has been  
1091 convicted of a felony under federal or state law for an offense  
1092 which the division determines is detrimental to the best interests  
1093 of the program or of Medicaid recipients, the division may refuse  
1094 to enter into an agreement with such provider, or may terminate or  
1095 refuse to renew an existing agreement.

1096           SECTION 4. This act shall take effect and be in force from  
1097 and after July 1, 2001.
