BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 37-7-307, Mississippi Code of 1972, is amended as follows:

37-7-307. (1) For purposes of this section, the term "licensed employee" means any employee of a public school district required to hold a valid license by the Commission on Teacher and Administrator Education, Certification and Licensure and Development.

(2) The school board of a school district shall establish by rules and regulations a policy of sick leave with pay for licensed employees employed in the school district, and such policy shall include the following minimum provisions for sick and emergency leave with pay:

(a) Each licensed employee, at the beginning of each school year, shall be credited with a minimum sick leave allowance, with pay, of seven (7) days for absences caused by illness or physical disability of the employee during that school year.

(b) Any unused portion of the total sick leave allowance shall be carried over to the next school year and credited to such licensed employee if the licensed employee remains employed in the same school district. In the event any
public school licensed employee transfers from one public school
district in Mississippi to another, any unused portion of the
total sick leave allowance credited to such licensed employee
shall be credited to such licensed employee in the computation of
unused leave for retirement purposes under Section 25-11-109.
Accumulation of sick leave allowed under this section shall be
unlimited.

(c) No deduction from the pay of such licensed employee
may be made because of absence of such licensed employee caused by
illness or physical disability of the licensed employee until
after all sick leave allowance credited to such licensed employee
has been used.

(d) For the first ten (10) days of absence of a
licensed employee because of illness or physical disability, in
any school year, in excess of the sick leave allowance credited to
such licensed employee, there may be deducted from the pay of such
licensed employee the established substitute amount of licensed
employee compensation paid in that local school district,
necessitated because of the absence of the licensed employee as a
result of illness or physical disability. Thereafter, the regular
pay of such absent licensed employee may be suspended and withheld
in its entirety for any period of absence because of illness or
physical disability during that school year.

(3) Beginning with the school year 1983-1984, each licensed
employee at the beginning of each school year shall be credited
with a minimum personal leave allowance, with pay, of two (2) days
for absences caused by personal reasons during that school year.
Such personal leave shall not be taken on the first day of the
school term, the last day of the school term, on a day previous to
a holiday or a day after a holiday. Personal leave may be used
for professional purposes, including absences caused by attendance
of such licensed employee at a seminar, class, training program,
professional association or other functions designed for
educators. No deduction from the pay of such licensed employee
may be made because of absence of such licensed employee caused by
personal reasons until after all personal leave allowance credited
to such licensed employee has been used. However, the
superintendent of a school district, in his discretion, may allow
a licensed employee personal leave in addition to any minimum
personal leave allowance, under the condition that there shall be
deducted from the salary of such licensed employee the actual
amount of any compensation paid to any person as a substitute,
necessitated because of the absence of the licensed employee.

(4) Beginning with the school year 1992-1993, each licensed
employee shall be credited with a professional leave allowance,
with pay, for each day of absence caused by reason of such
employee's statutorily required membership and attendance at a
regular or special meeting held within the State of Mississippi of
the State Board of Education, the Commission on Teacher and
Administrator Education, Certification and Licensure and
Development, the Commission on School Accreditation, the
Mississippi Authority for Educational Television and the meetings
of the state textbook rating committees.

(5) Upon retirement from employment, each licensed and
nonlicensed employee shall be paid for not more than thirty (30)
days of unused accumulated leave earned while employed by the
school district in which the employee is last employed. Such
payment for licensed employees shall be made by the school
district at a rate equal to the amount paid to substitute teachers
and for nonlicensed employees, the payment shall be made by the
school district at a rate equal to the federal minimum wage. The
payment shall be treated in the same manner for retirement
purposes as a lump sum payment for personal leave as provided in
Section 25-11-103(e). Any remaining lawfully credited unused
leave, for which payment has not been made, shall be certified to
the Public Employees' Retirement System in the same manner and

(6) The school board may adopt rules and regulations which will reasonably aid to implement the policy of sick and personal leave, including, but not limited to, rules and regulations having the following general effect:

(a) Requiring the absent licensed employee to furnish the certificate of a physician or dentist or other medical practitioner as to the illness of the absent licensed employee, where the absence is for four (4) or more consecutive school days, or for two (2) consecutive school days immediately preceding or following a nonschool day;

(b) Providing penalties, by way of full deduction from salary, or entry on the work record of the licensed employee, or other appropriate penalties, for any materially false statement by the licensed employee as to the cause of absence;

(c) Forfeiture of accumulated or future sick leave, if the absence of the licensed employee is caused by optional dental or medical treatment or surgery which could, without medical risk, have been provided, furnished or performed at a time when school was not in session;

(d) Enlarging, increasing or providing greater sick or personal leave allowances than the minimum standards established by this section in the discretion of the school board of each school district.

(7) School boards may include in their budgets provisions for the payment of substitute teachers, necessitated because of the absence of regular licensed employees. All such substitute teachers shall be paid wholly from district funds other than minimum education program funds, except as otherwise provided for long-term substitute teachers in Section 37-19-20. Local school boards may elect to pay substitute teachers twice per month. Such school boards, in their discretion, also may pay, from district
funds other than minimum education program funds, the whole or any
part of the salaries of licensed employees granted leaves for the
purpose of special studies or training.

(8) The school board may further adopt rules and regulations
which will reasonably implement such leave policies for all other
nonlicensed school employees as the board deems appropriate.

(9) (a) For the purposes of this subsection, the following
words and phrases shall have the meaning ascribed in this
paragraph unless the context requires otherwise:

(i) "Catastrophic injury or illness" means a
severe condition or combination of conditions affecting the mental
or physical health of an employee or a member of an employee's
immediate family, including pregnancy, that requires the services
of a licensed physician for an extended period of time and that
forces the employee to exhaust all leave time accumulated by that
employee, thereby resulting in the loss of compensation from the
school district for the employee.

(ii) "Immediate family" means spouse, parent,
stepparent, sibling, child or stepchild.

(b) Any school district employee may donate a portion
of his or her unused accumulated personal leave or sick leave to

personal leave that an employee may donate to any other employee

may not exceed a number of days that would leave the donor
employee with fewer than seven (7) days of personal leave
remaining, and the maximum amount of unused accumulated sick leave
that an employee may donate to any other employee may not exceed
fifty percent (50%) of the unused accumulated sick leave of the
donor employee.

(iii) An employee must have exhausted all of his
or her accumulated personal leave and sick leave before he or she
will be eligible to receive any leave donated by another employee.
Eligibility for donated leave shall be based upon review and
approval by the donor employee's supervisor.

(iv) Before an employee may receive donated leave,
he or she must provide the school district superintendent or his
designee with a physician's statement that states the beginning
date of the catastrophic injury or illness, a description of the
injury or illness, and a prognosis for recovery and the
anticipated date that the recipient employee will be able to
return to work.

(v) If the total amount of leave that is donated
to any employee is not used by the recipient employee, the whole
days of donated leave shall be returned to the donor employees on
a pro rata basis, based on the ratio of the number of days of
leave donated by each donor employee to the total number of days
of leave donated by all donor employees.

(vi) Donated leave shall not be used in lieu of

(b) Any offense committed or attempted in any other state shall result in the same penalty as if committed or attempted in this state.

However, any such license which has voluntarily been surrendered by a licensed employee may be reinstated by a unanimous vote of all members of the commission.

(14) A person whose license has been suspended on any grounds except criminal grounds may petition for reinstatement of the license after one (1) year from the date of suspension, or after one-half (1/2) of the suspended time has lapsed, whichever is greater. (15) Reporting procedures and hearing procedures for dealing with infractions under this section shall be promulgated by the commission, subject to the approval of the State Board of Education. The appeal shall be filed within thirty (30) days after notification of the action of the board is mailed or served and the proceedings in chancery court shall be conducted as other matters coming before the court. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of preparation of the record of the proceedings by the State Board of Education, and the filing of a bond in the sum of Two Hundred Dollars ($200.00) conditioned that if the action of the board be affirmed by the chancery court, the applicant or license holder shall pay the costs of the appeal and the action of the chancery court.

(17) All such programs, rules, regulations, standards and criteria recommended or authorized by the commission shall become effective upon approval by the State Board of Education as designated by appropriate orders entered upon the minutes thereof.

(18) The granting of a license shall not be deemed a property right nor a guarantee of employment in any public school district. A license is a privilege indicating minimal eligibility for teaching in the public schools of Mississippi. This section shall in no way alter or abridge the authority of local school districts to require greater qualifications or standards of
performance as a prerequisite of initial or continued employment in such districts.

(19) In addition to the reasons specified in subsections (12) and (13) of this section, the board shall be authorized to suspend the license of any licensee for being out of compliance with an order for support, as defined in Section 93-11-153. The procedure for suspension of a license for being out of compliance with an order for support, and the procedure for the reissuance or reinstatement of a license suspended for that purpose, and the payment of any fees for the reissuance or reinstatement of a license suspended for that purpose, shall be governed by Section 93-11-157 or 93-11-163, as the case may be. Actions taken by the board in suspending a license when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a license suspension that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section. If there is any conflict between any provision of Section 93-11-157 or 93-11-163 and any provision of this chapter, the provisions of Section 93-11-157 or 93-11-163, as the case may be, shall control.

SECTION 3. This act shall take effect and be in force from and after July 1, 2001.
