

By: Senator(s) Farris

To: Public Health and Welfare

COMMITTEE SUBSTITUTE  
FOR  
SENATE BILL NO. 2507

1 AN ACT TO AMEND SECTION 43-11-13, MISSISSIPPI CODE OF 1972,  
2 TO DIRECT THE STATE BOARD OF HEALTH TO ADOPT CERTAIN REGULATIONS  
3 REGARDING PERSONAL CARE HOME PATIENT'S PERSONAL DEPOSIT ACCOUNTS  
4 AND THE USE OF PATIENT FOOD AND MEDICINE RECORDS IN NURSING  
5 FACILITIES; AND FOR RELATED PURPOSES.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

7 SECTION 1. Section 43-11-13, Mississippi Code of 1972, is  
8 amended as follows:

9 43-11-13. (1) The licensing agency shall adopt, amend,  
10 promulgate and enforce such rules, regulations and standards,  
11 including classifications, with respect to all institutions for  
12 the aged or infirm to be licensed hereunder as may be designed to  
13 further the accomplishment of the purpose of this chapter in  
14 promoting adequate care of individuals in such institutions in the  
15 interest of public health, safety and welfare. Such rules,  
16 regulations and standards shall be adopted and promulgated by the  
17 licensing agency and shall be recorded and indexed in a book to be  
18 maintained by the licensing agency in its main office in the State  
19 of Mississippi, entitled "Rules, Regulations and Minimum Standards  
20 for Institutions for the Aged or Infirm" and said book shall be  
21 open and available to all institutions for the aged or infirm and  
22 the public generally at all reasonable times. Upon the adoption  
23 of such rules, regulations and standards, the licensing agency  
24 shall mail copies thereof to all such institutions in the state  
25 which have filed with said agency their names and addresses for  
26 this purpose, but the failure to mail the same or the failure of  
27 the institutions to receive the same shall in nowise affect the  
28 validity thereof. Said rules, regulations and standards may be

29 amended by the licensing agency from time to time as necessary to  
30 promote the health, safety and welfare of persons living in said  
31 institutions.

32 (2) The licensee shall keep posted in a conspicuous place on  
33 the licensed premises all current rules, regulations and minimum  
34 standards applicable to fire protection measures as adopted by the  
35 licensing agency. The licensee shall furnish to the licensing  
36 agency at least once each six (6) months a certificate of approval  
37 and inspection by state or local fire authorities. Failure to  
38 comply with state laws and/or municipal ordinances and current  
39 rules, regulations and minimum standards as adopted by the  
40 licensing agency, relative to fire prevention measures, shall be  
41 prima facie evidence for revocation of license.

42 (3) The State Board of Health shall promulgate rules and  
43 regulations restricting the storage, quantity and classes of drugs  
44 allowed in personal care homes. Residents requiring  
45 administration of Schedule II Narcotics as defined in the Uniform  
46 Controlled Substances Law may be admitted to a personal care home.  
47 Schedule drugs may only be allowed in a personal care home if they  
48 are administered or stored utilizing proper procedures under the  
49 direct supervision of a licensed physician or nurse.

50 (4) The State Board of Health shall promulgate rules and  
51 regulations restricting the handling of a resident's personal  
52 deposits by the director of a personal care home. Any funds given  
53 or provided for the purpose of supplying extra comforts,  
54 conveniences or services to any patient in any personal care home,  
55 and any funds otherwise received and held from, for or on behalf  
56 of any such resident, shall be deposited by the director or other  
57 proper officer of the personal care home to the credit of that  
58 patient in an account which shall be known as the Resident's  
59 Personal Deposit Fund. No more than one (1) month charge for the  
60 care, support, maintenance and medical attention of the patient  
61 shall be applied from such account at any one (1) time. After the

62 death, discharge or transfer of any resident for whose benefit any  
63 such fund has been provided, any unexpended balance remaining in  
64 his personal deposit fund shall be applied for the payment of  
65 care, cost of support, maintenance and medical attention which is  
66 accrued. In the event any unexpended balance remains in that  
67 resident's personal deposit fund after complete reimbursement has  
68 been made for payment of care, support, maintenance and medical  
69 attention, and the director or other proper officer of the  
70 personal care home has been or shall be unable to locate the  
71 person or persons entitled to such unexpended balance, the  
72 director or other proper officer may, after the lapse of one (1)  
73 year from the date of such death, discharge or transfer, deposit  
74 the unexpended balance to the credit of the personal care home's  
75 operating fund.

76 (5) The State Board of Health shall promulgate rules and  
77 regulations requiring personal care homes to maintain a daily  
78 record of the food intake, diet, health condition, medicine  
79 dispensed and administered and any reaction to such medicine.  
80 The director of the personal care home shall be responsible for  
81 explaining the availability of such records to the family of the  
82 resident at any time upon reasonable request.

83 SECTION 2. This act shall take effect and be in force from  
84 and after July 1, 2001.
