SENATE BILL NO. 2542

AN ACT TO PROVIDE FOR THE ISSUANCE OF GENERAL OBLIGATION BONDS TO PROVIDE FUNDS FOR IMPROVEMENTS TO THE LYNN MEADOWS DISCOVERY CENTER IN GULFPORT, MISSISSIPPI; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. (1) Upon the receipt of matching funds or verification that the matching funds described in this subsection are forthcoming, the Department of Finance and Administration, at one time or from time to time, may declare by resolution the necessity for issuance of general obligation bonds of the State of Mississippi in an amount not to exceed Two Million Dollars ($2,000,000.00) to provide funds for Phase II of improvements to the Lynn Meadows Discovery Center in Gulfport, Mississippi. Such improvements shall include the repair and renovation of the gymnasium/cafeteria building at the Lynn Meadows Discovery Center for additional exhibit space, repair and renovation of the education building at the Lynn Meadows Discovery Center, and other necessary improvements to such facility and the grounds of such facility, including design and fabrication of exhibits. The issuance of the bonds described in this subsection and the allocation of such funds are conditioned upon the private sector or local or federal government providing Two Million Dollars ($2,000,000.00) to match the funds provided under this section. The matching funds required pursuant to this subsection may be provided in the form of cash or in kind contributions or any combination of cash or in kind contributions.
(2) Upon the adoption of a resolution by the Department of Finance and Administration, declaring the necessity for the issuance of any part or all of the general obligation bonds authorized by this section, the department shall deliver a certified copy of its resolution or resolutions to the State Bond Commission. Upon receipt of such resolution, the State Bond Commission, in its discretion, may act as the issuing agent, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds.

(3) The amount of bonds issued under this act shall not exceed Two Million Dollars ($2,000,000.00) for the project described in subsection (1) of this section.

SECTION 2. The principal of and interest on the bonds authorized under this act shall be payable in the manner provided in this section. Such bonds shall bear such date or dates, be in such denomination or denominations, bear interest at such rate or rates not exceeding the limits set forth in Section 75-17-101, be payable at such place or places within or without the State of Mississippi, shall mature absolutely at such time or times not to exceed twenty (20) years from date of issue, be redeemable before maturity at such time or times and upon such terms, with or without premium, shall bear such registration privileges, and shall be substantially in such form, all as determined by resolution of the State Bond Commission.

SECTION 3. The bonds authorized under this act shall be signed by the Chairman of the State Bond Commission, or by his facsimile signature, and the official seal of the State Bond Commission shall be affixed thereto, attested by the Secretary of the State Bond Commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed
by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything in this act to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

SECTION 4. All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the State Bond Commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

SECTION 5. The State Bond Commission shall act as the issuing agent for the bonds authorized under this act, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do all other things necessary and advisable in connection with the issuance and sale of the bonds. The State Bond Commission may pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale of the bonds. The State Bond Commission shall sell such bonds on sealed bids at public sale, and for such price as it may determine to be for the best interest of the State of Mississippi, but no such sale may be made at a price less than par plus accrued interest to the date of delivery of the bonds to the purchaser.

All interest accruing on such bonds so issued shall be payable
semiannually or annually; however, the first interest payment may be for any period of not more than one (1) year.

Notice of the sale of any such bond shall be published at least one (1) time, not less than ten (10) days before the date of sale, and shall be so published in one or more newspapers published or having a general circulation in the City of Jackson, Mississippi, and in one or more other newspapers or financial journals with a national circulation, to be selected by the State Bond Commission.

The State Bond Commission, when issuing any bonds under the authority of this act, may provide that the bonds, at the option of the State of Mississippi, may be called in for payment and redemption at the call price named therein and accrued interest on such date or dates named therein.

SECTION 6. The bonds issued under the provisions of this act are general obligations of the State of Mississippi, and for the payment thereof the full faith and credit of the State of Mississippi is irrevocably pledged. If the funds appropriated by the Legislature are insufficient to pay the principal of and the interest on such bonds as they become due, then the deficiency shall be paid by the State Treasurer from any funds in the State Treasury not otherwise appropriated. All such bonds shall contain recitals on their faces substantially covering the provisions of this section.

SECTION 7. The State Treasurer is authorized to certify to the Executive Director of the Department of Finance and Administration the necessity for warrants, and the Executive Director of the Department of Finance and Administration is authorized and directed to issue such warrants, in such amounts as may be necessary to pay when due the principal of, premium, if any, and interest on, or the accreted value of, all bonds issued under this act; and the State Treasurer shall forward the necessary amount to the designated place or places of payment of
such bonds in ample time to discharge such bonds, or the interest on the bonds, on their due dates.

SECTION 8. Upon the issuance and sale of bonds under this act, the State Bond Commission shall deposit the proceeds of any such sale or sales in a special fund created in the State Treasury to be known as the "Lynn Meadows Discovery Center Fund." Such fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state, and investment earnings on amounts in the fund shall be deposited into such fund. The proceeds of such bonds shall be used solely for the purposes provided in this act, including the costs incident to the issuance and sale of such bonds. The costs incident to the issuance and sale of such bonds shall be disbursed by warrant upon requisition of the State Bond Commission, signed by the chairman of the commission. The remaining monies in the fund shall be expended solely under the direction of the Department of Finance and Administration under such restrictions, if any, as may be contained in the resolution providing for the issuance of the bonds, and such funds shall be paid by the State Treasurer upon warrants issued by the Executive Director of the Department of Finance and Administration.

SECTION 9. The bonds authorized under this act may be issued without any other proceedings or the happening of any other conditions or things other than those proceedings, conditions and things that are specified or required by this act. Any resolution providing for the issuance of bonds under this act shall become effective immediately upon its adoption by the State Bond Commission, and any such resolution may be adopted at any regular or special meeting of the State Bond Commission by a majority of its members.

SECTION 10. The bonds authorized under the authority of this act may be validated in the Chancery Court of the First Judicial District of Hinds County, Mississippi, in the manner and with the
force and effect provided by Chapter 13, Title 31, Mississippi
Code of 1972, for the validation of county, municipal, school
district and other bonds. The notice to taxpayers required by
such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

SECTION 11. Any holder of bonds issued under this act or of
any of the interest coupons pertaining to the bonds may, either at
law or in equity, by suit, action, mandamus or other proceeding,
protect and enforce all rights granted under this act, or under
such resolution, and may enforce and compel performance of all
duties required by this act to be performed, in order to provide
for the payment of bonds and interest on the bonds.

SECTION 12. All bonds issued under this act shall be legal
investments for trustees and other fiduciaries, and for savings
banks, trust companies and insurance companies organized under the
laws of the State of Mississippi, and such bonds shall be legal
securities that may be deposited with and shall be received by all
public officers and bodies of this state and all municipalities
and political subdivisions for the purpose of securing the deposit
of public funds.

SECTION 13. Bonds issued under this act and income from the
bonds shall be exempt from all taxation in the State of
Mississippi.

SECTION 14. This act shall be deemed to be full and complete
authority for the exercise of the powers granted, but this act
shall not be deemed to repeal or to be in derogation of any
existing law of this state.

SECTION 15. This act shall take effect and be in force from
and after its passage.
