AN ACT TO AMEND SECTION 69-1-13, MISSISSIPPI CODE OF 1972, TO
AUTHORIZE THE COMMISSIONER OF AGRICULTURE TO INSPECT DISEASED OR
DEAD POULTRY BEING RAISED UNDER CONTRACT FOR HUMAN CONSUMPTION TO
DETERMINE THE CAUSE OF ILLNESS AND TO ANALYZE CHICKEN FEED FOR
NUTRITIONAL CONTENT; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. Section 69-1-13, Mississippi Code of 1972, is
amended as follows:

69-1-13. The following are the duties of the Commissioner of
Agriculture and Commerce:

(a) He shall encourage the proper development of
agriculture, horticulture and kindred industries.

(b) He shall encourage the organization of neighborhood
and county agricultural clubs and associations, and out of these
the organization of the state agricultural association.

(c) He shall collect and publish statistics and such
other information regarding such industries of this state and of
other states as may be of benefit in developing the agricultural
resources of the state. To this end he shall put himself in
connection and shall cooperate with the agricultural department of
other states and with the Commissioner of Agriculture of the
United States, and shall provide for the proper and careful
distribution of all documents and information coming into his
possession on account of the department that may be of interest
and benefit to the people of the state.

(d) He shall cause to be investigated the diseases of
grain, cotton, fruit and other crops grown in this state and also
remedies for such diseases, and also the habits and propagation of
the various insects that are injurious to the crops of the state
and the proper mode of their destruction.

(e) He shall investigate the subject of grasses and
report upon their value and the cultivation of the varieties best
adapted to the different sections of the state.

(f) He shall inquire into the subjects connected with
dairying that he may deem of interest to the people of the state,
and in this connection the raising of stock and poultry, the
obtaining of such as are of most value, and the breeding and
propagation of the same; and shall encourage raising of fish and
the culture of bees.

(g) He shall investigate the subjects of subsoiling,
drainage, etc., and the best modes of effecting each, and of
irrigation and what portions of the state can be best benefited
thereby.

(h) He shall investigate and report upon the culture of
wool and the utility and profit of sheep-raising, also the culture
of silk and its manufacture and preparation for market.

(i) He shall investigate and report on the question of
broadening the market for cotton and cotton goods in the United
States and foreign countries.

(j) He shall cause a proper collection of agricultural
statistics to be made annually, and to this end shall furnish
blank forms to the tax assessors of each county, and it is made
the special duty of the tax assessor to whom said blanks are
furnished to report to the bureau a list of all public or private
ginners in his county, with their post offices, upon the demand of
the commissioner. It shall be the duty of the commissioner to
furnish to such ginner a form or forms of report to be made to the
bureau at such time as the commissioner may direct. A failure to
make such reports on the part of the ginner or assessor as
required by said commissioner shall be deemed a misdemeanor, and,
upon conviction, punished as provided by law. It shall be the
duty of the members of the boards of supervisors and the county
tax assessor of each county in this state to make such reports as
may be required by this bureau touching the matter within the
scope of this chapter; and failure of any supervisor or tax
assessor to make such report when required shall be deemed a
misdemeanor and shall be punished as provided by law.

(k) He shall appoint county correspondents who shall
report to him from time to time, as may be desired.

(l) He shall collect specimens of wood suitable for
manufacture and other purposes, and specimens of agricultural,
mineral, phosphate and marl deposits of the state; cause correct
analysis of such as may be deemed expedient to be made and
recorded in a substantial book to be kept for this purpose.

(m) He shall also, as soon as practicable, prepare a
convenient handbook with necessary illustrated maps, which shall
contain all necessary information as to the mines, mineral,
forest, soil, and other products, climate, water, waterpower for
the establishing of factories, land, flowers, fisheries,
mountains, streams, and all other statistics as are best adapted
to the giving of proper information and the attraction of
advantages which the state affords to immigrants, and shall make
illustrated expositions thereof whenever practicable at
international and state expositions.

(n) He shall have the primary responsibility for
developing programs that will enhance the marketing of the state's
agricultural products to both national and international markets.

(o) He may cause to be inspected or autopsied, or both,
any diseased or dead poultry that is being grown under contract
for eventual human consumption; and he may cause to be analyzed
the nutritional and other content of poultry food being fed to any
poultry raised under contract for eventual human consumption. He
has the authority to perform the duties under this paragraph (o)
without having to obtain the authorization of either the owner of
such poultry or poultry food or the contract grower responsible
for growing the poultry regardless of any terms of the contract
between the owner and contract grower that are written to prevent
such examination and analysis.

SECTION 2. This act shall take effect and be in force from
and after its passage.
