(2) 44 In the computation of membership service or prior service under the provisions of this article, the total months of 45 accumulative service during any fiscal year shall be calculated in 46 accordance with the schedule as follows: ten (10) or more months 47 of creditable service during any fiscal year shall constitute a 48 year of creditable service; seven (7) months to nine (9) months 49 50 inclusive, three-quarters (3/4) of a year of creditable service; 51 four (4) months to six (6) months inclusive, one-half-year of creditable service; one (1) month to three (3) months inclusive, 52 one-quarter (1/4) of a year of creditable service. 53 In no case 54 shall credit be allowed for any period of absence without 55 compensation except for disability while in receipt of a disability retirement allowance, nor shall less than fifteen (15) 56 57 days of service in any month, or service less than the equivalent of one-half (1/2) of the normal working load for the position and 58 59 less than one-half (1/2) of the normal compensation for the position in any month, constitute a month of creditable service, 60 61 nor shall more than one (1) year of service be creditable for all services rendered in any one (1) fiscal year; provided that for a 62 school employee, substantial completion of the legal school term 63 64 when and where the service was rendered shall constitute a year of service credit for both prior service and membership service. 65 Any state or local elected official shall be deemed a full-time 66 employee for the purpose of creditable service for prior service 67 68 or membership service.
