SENATE BILL NO. 3035

AN ACT TO AUTHORIZE THE ISSUANCE OF GENERAL OBLIGATION BONDS OF THE STATE OF MISSISSIPPI IN THE AMOUNT OF $500,000.00 FOR THE PURPOSE OF PROVIDING FUNDS TO ASSIST IN THE CONSTRUCTION OF A PARK AT LAKE HICO IN JACKSON, MISSISSIPPI; AND FOR RELATED PURPOSES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

SECTION 1. As used in this act, the following words shall have the meanings ascribed herein unless the context clearly requires otherwise:

(a) "Accreted value" of any bond means, as of any date of computation, an amount equal to the sum of (i) the stated initial value of such bond, plus (ii) the interest accrued thereon from the issue date to the date of computation at the rate, compounded semiannually, that is necessary to produce the approximate yield to maturity shown for bonds of the same maturity.

(b) "State" means the State of Mississippi.

(c) "Commission" means the State Bond Commission.

SECTION 2. (1) (a) A special fund, to be designated as the "Lake Hico Park Construction Fund," is created within the State Treasury. The fund shall be maintained by the State Treasurer as a separate and special fund, separate and apart from the General Fund of the state. Unexpended amounts remaining in the fund at the end of a fiscal year shall not lapse into the State General Fund, and any interest earned or investment earnings on amounts in the fund shall be deposited to the credit of the fund. Monies in the fund may not be used or expended for any purpose except as authorized under this act.
(b) Monies deposited into the fund shall be disbursed, in the discretion of the Department of Finance and Administration, to assist the City of Jackson, Mississippi, in paying the costs of constructing a park at Lake Hico in Jackson, Mississippi, and for other projects and improvements designed to enhance public use of such lake.

(2) Amounts deposited into such special fund shall be disbursed to pay the costs of the project described in subsection (1) of this section. Promptly after the commission has certified, by resolution duly adopted, that the project described in subsection (1) shall have been completed, abandoned, or cannot be completed in a timely fashion, any amounts remaining in such special fund shall be applied to pay debt service on the bonds issued under this act, in accordance with the proceedings authorizing the issuance of such bonds and as directed by the commission.

(3) The Department of Finance and Administration, acting through the Bureau of Building, Grounds and Real Property Management, is expressly authorized and empowered to receive and expend any local or other source funds in connection with the expenditure of funds provided for in this section. The expenditure of monies deposited into the special fund shall be under the direction of the Department of Finance and Administration, and such funds shall be paid by the State Treasurer upon warrants issued by such department, which warrants shall be issued upon requisitions signed by the Executive Director of the Department of Finance and Administration, or his designee.

(4) The Department of Finance and Administration is authorized to pay for constructing and equipping a park at Lake Hico in Jackson, Mississippi, and other projects or improvements designed to enhance the public use of Lake Hico.

SECTION 3. (1) The commission, at one time, or from time to time, may declare by resolution the necessity for issuance of
general obligation bonds of the State of Mississippi to provide
funds for all costs incurred or to be incurred for the purposes
described in Section 2 of this act. Upon the adoption of a
resolution by the Department of Finance and Administration,
declaring the necessity for the issuance of any part or all of the
general obligation bonds authorized by this section, the
Department of Finance and Administration shall deliver a certified
copy of its resolution or resolutions to the commission. Upon
receipt of such resolution, the commission, in its discretion, may
act as the issuing agent, prescribe the form of the bonds,
advertise for and accept bids, issue and sell the bonds so
authorized to be sold and do any and all other things necessary
and advisable in connection with the issuance and sale of such
bonds. The total amount of bonds issued under this act shall not
exceed Five Hundred Thousand Dollars ($500,000.00).

(2) Any investment earnings on amounts deposited into the
special fund created in Section 2 of this act shall be used to pay
debt service on bonds issued under this act, in accordance with
the proceedings authorizing issuance of such bonds.

SECTION 4. The principal of and interest on the bonds
authorized under this act shall be payable in the manner provided
in this section. Such bonds shall bear such date or dates, be in
such denomination or denominations, bear interest at such rate or
rates (not to exceed the limits set forth in Section 75-17-101,
Mississippi Code of 1972), be payable at such place or places
within or without the State of Mississippi, shall mature
absolutely at such time or times not to exceed twenty-five (25)
years from date of issue, be redeemable before maturity at such
time or times and upon such terms, with or without premium, shall
bear such registration privileges, and shall be substantially in
such form, all as shall be determined by resolution of the
commission.
SECTION 5. The bonds authorized by this act shall be signed by the chairman of the commission, or by his facsimile signature, and the official seal of the commission shall be affixed thereto, and attested by the secretary of the commission. The interest coupons, if any, to be attached to such bonds may be executed by the facsimile signatures of such officers. Whenever any such bonds shall have been signed by the officials designated to sign the bonds who were in office at the time of such signing but who may have ceased to be such officers before the sale and delivery of such bonds, or who may not have been in office on the date such bonds may bear, the signatures of such officers upon such bonds and coupons shall nevertheless be valid and sufficient for all purposes and have the same effect as if the person so officially signing such bonds had remained in office until their delivery to the purchaser, or had been in office on the date such bonds may bear. However, notwithstanding anything herein to the contrary, such bonds may be issued as provided in the Registered Bond Act of the State of Mississippi.

SECTION 6. All bonds and interest coupons issued under the provisions of this act have all the qualities and incidents of negotiable instruments under the provisions of the Uniform Commercial Code, and in exercising the powers granted by this act, the commission shall not be required to and need not comply with the provisions of the Uniform Commercial Code.

SECTION 7. The commission shall act as the issuing agent for the bonds authorized under this act, prescribe the form of the bonds, advertise for and accept bids, issue and sell the bonds so authorized to be sold, pay all fees and costs incurred in such issuance and sale, and do any and all other things necessary and advisable in connection with the issuance and sale of such bonds. The commission is authorized and empowered to pay the costs that are incident to the sale, issuance and delivery of the bonds authorized under this act from the proceeds derived from the sale.
of such bonds. The commission shall sell such bonds on sealed
bids at public sale, and for such price as it may determine to be
for the best interest of the State of Mississippi, but no such
sale shall be made at a price less than par plus accrued interest
to the date of delivery of the bonds to the purchaser. All
interest accruing on such bonds so issued shall be payable
semiannually or annually; however, the first interest payment may
be for any period of not more than one (1) year.

Notice of the sale of any such bond shall be published at
least one (1) time, not less than ten (10) days before the date of
sale, and shall be so published in one or more newspapers
published or having a general circulation in the City of Jackson,
Mississippi, and in one or more other newspapers or financial
journals with a national circulation, to be selected by the
commission.

The commission, when issuing any bonds under the authority of
this act, may provide that bonds, at the option of the state, may
be called in for payment and redemption at the call price named
therein and accrued interest on such date or dates named therein.

SECTION 8. The bonds issued under the provisions of this act
are general obligations of the State of Mississippi, and for the
payment thereof the full faith and credit of the State of
Mississippi is irrevocably pledged. If the funds appropriated by
the Legislature are insufficient to pay the principal of and the
interest on such bonds as they become due, then the deficiency
shall be paid by the State Treasurer from any funds in the State
Treasury not otherwise appropriated. All such bonds shall contain
recitals on their faces substantially covering the provisions of
this section.

SECTION 9. Upon the issuance and sale of bonds under the
provisions of this act, the commission shall transfer the proceeds
of any such sale or sales to the special fund created in Section 2
of this act. The proceeds of such bonds shall be disbursed solely
upon the order of the Department of Finance and Administration
under such restrictions, if any, as may be contained in the
resolution providing for the issuance of the bonds.

SECTION 10. The bonds authorized under this act may be
issued without any other proceedings or the happening of any other
conditions or things other than those proceedings, conditions and
things which are specified or required by this act. Any
resolution providing for the issuance of bonds under the
provisions of this act shall become effective immediately upon its
adoption by the commission, and any such resolution may be adopted
at any regular or special meeting of the commission by a majority
of its members.

SECTION 11. The bonds authorized under the authority of this
act may be validated in the Chancery Court of the First Judicial
District of Hinds County, Mississippi, in the manner and with the
force and effect provided by Chapter 13, Title 31, Mississippi
Code of 1972, for the validation of county, municipal, school
district and other bonds. The notice to taxpayers required by
such statutes shall be published in a newspaper published or
having a general circulation in the City of Jackson, Mississippi.

SECTION 12. Any holder of bonds issued under the provisions
of this act or of any of the interest coupons pertaining thereto
may, either at law or in equity, by suit, action, mandamus or
other proceeding, protect and enforce any and all rights granted
under this act, or under such resolution, and may enforce and
compel performance of all duties required by this act to be
performed, in order to provide for the payment of bonds and
interest thereon.

SECTION 13. All bonds issued under the provisions of this
act shall be legal investments for trustees and other fiduciaries,
and for savings banks, trust companies and insurance companies
organized under the laws of the State of Mississippi, and such
bonds shall be legal securities which may be deposited with and
shall be received by all public officers and bodies of this state
and all municipalities and political subdivisions for the purpose
of securing the deposit of public funds.

SECTION 14. Bonds issued under the provisions of this act
and income therefrom shall be exempt from all taxation in the
State of Mississippi.

SECTION 15. The proceeds of the bonds issued under this act
shall be used solely for the purposes therein provided, including
the costs incident to the issuance and sale of such bonds.

SECTION 16. The State Treasurer is authorized, without
further process of law, to certify to the Department of Finance
and Administration the necessity for warrants, and the Department
of Finance and Administration is authorized and directed to issue
such warrants, in such amounts as may be necessary to pay when due
the principal of, premium, if any, and interest on, or the
accreted value of, all bonds issued under this act; and the State
Treasurer shall forward the necessary amount to the designated
place or places of payment of such bonds in ample time to
discharge such bonds, or the interest thereon, on the due dates
thereof.

SECTION 17. This act shall be deemed to be full and complete
authority for the exercise of the powers therein granted, but this
act shall not be deemed to repeal or to be in derogation of any
existing law of this state.

SECTION 18. This act shall take effect and be in force from
and after July 1, 2001.
