With the funds herein appropriated, it is the intention of the Legislature that it shall be the agency's responsibility to make certain that funds required to be appropriated for "Personal Services" for Fiscal Year 2003 do not exceed Fiscal Year 2002 funds appropriated for that purpose, unless programs or positions are added to the agency's Fiscal Year 2003 budget by the Mississippi Legislature. Based on data provided by the Legislative Budget Office, the State Personnel Board shall determine and publish the projected annual cost to fully fund all appropriated positions in compliance with the provisions of this act. It shall be the responsibility of the agency head to insure that no single personnel action increases this projected annual cost and/or the Fiscal Year 2002 appropriation for "Personal Services" when annualized. If, at the end of any calendar month, the State Personnel Board determines that the agency has taken action(s) which would cause the agency to exceed this projected annual cost or the Fiscal Year 2002 "Personal Services" appropriated level, when annualized, then only those actions which reduce the projected annual cost and/or the appropriation requirement will be processed by the State Personnel Board until such time as the requirements of this provision are met. Any transfers or escalations shall be made in accordance with the terms, conditions, and procedures established by law. No general funds authorized to be expended herein shall be used to replace federal funds and/or other special funds which are being used for salaries authorized under the provisions of this act and which are withdrawn and no longer available.

SECTION 3. None of the funds appropriated by this act shall be expended for any purpose that is not actually required or necessary for performing any of the powers or duties of the Office
of the Secretary of State that are authorized by the Mississippi
Constitution of 1890, state or federal law, or rules or
regulations that implement state or federal law.

SECTION 4. No part of the funds appropriated herein shall be
used either directly or indirectly, for the purpose of paying any
clerk, stenographer, assistant, deputy, or other person who may be
related by blood or marriage within the third degree, computed by
the rules of the civil law, to the official employing or having
the right of employment or selection thereof; and in the event of
any such payment, then the official or person approving and making
or receiving such payment shall be jointly and severally liable to
return to the State of Mississippi and to pay into the State
Treasury three (3) times any such amount so paid or received, to
be recovered at suit of the Attorney General; provided that when
the relationship is by affinity and the person through whom the
relationship was established is dead, this provision shall not
apply.

SECTION 5. It is the intention of the Legislature that the
Secretary of State shall have the authority to accept proceeds and
revenues from fines, awards, or settlements produced by
administrative or court actions involving the enforcement of the
Mississippi Securities Act and the Regulation of Charitable
Solicitations Act. Such funds are to be escalated in accordance
with procedures for federal fund escalations as established in
Section 27-104-21, Mississippi Code of 1972, and expended for the
purposes of enforcement of the Mississippi Securities Act and the
regulation of the Charitable Solicitations Act in accordance with
applicable rules and regulations of the State Fiscal Officer. It
is the intention of the Legislature that the funds deposited to
the Securities Enforcement Act and Regulation of Charitable
Solicitations Act Fund be maintained separate and apart from other
special funds derived from fees charged by the Secretary of State
and shall remain in that fund to be used by the Secretary of State as authorized herein.

SECTION 6. It is the intention of the Legislature that the Secretary of State shall have the authority to accept proceeds and revenues from the sale of tax forfeited properties in accordance with Section 29-1-95. These funds shall be deposited into a Special Fund in the State Treasury called the Land Records Maintenance Fund. Such funds are to be escalated in accordance with procedures for federal fund escalations as established in Section 27-104-21, Mississippi Code of 1972, and expended for the purposes of preserving state land records and disposition of tax forfeited properties in accordance with applicable rules and regulations of the State Fiscal Officer. It is the intention of the Legislature that the funds deposited to the Land Records Maintenance Fund be maintained separate and apart from other Special Funds derived from fees charged by the Secretary of State and shall remain in that fund to be used by the Secretary of State as authorized herein.

SECTION 7. It is the intention of the Legislature that the Secretary of State shall have the authority to accept proceeds and revenues from the lease rentals of tidelands and submerged lands in accordance with Section 29-1-107, Mississippi Code of 1972. These funds shall be deposited into a special fund in the State Treasury called the Public Trust Tidelands Fund. Such funds are to be escalated in accordance with procedures for federal fund escalations as established in Section 27-104-21, Mississippi Code of 1972, and expended for the purposes of managing the state tidelands and submerged lands in accordance with applicable rules and regulations of the State Fiscal Officer. It is the intention of the Legislature that the funds deposited to the Public Trust Tidelands Fund be maintained separate and apart from other special funds derived from fees charged by the Secretary of State and shall be used by the Secretary of State as authorized herein.
SECTION 8. The money herein appropriated shall be paid by the State Treasurer out of any money in the State Treasury to the credit of the proper fund or funds as set forth in this act, upon warrants issued by the State Fiscal Officer; and the State Fiscal Officer shall issue his warrants upon requisitions signed by the proper person, officer or officers in the manner provided by law.
