31 With the funds herein appropriated, it is the intention of
32 the Legislature that it shall be the agency's responsibility to
33 make certain that funds required to be appropriated for "Personal
34 Services" for Fiscal Year 2003 do not exceed Fiscal Year 2002
35 funds appropriated for that purpose, unless programs or positions
36 are added to the agency's Fiscal Year 2003 budget by the
37 Mississippi Legislature. Based on data provided by the
38 Legislative Budget Office, the State Personnel Board shall
39 determine and publish the projected annual cost to fully fund all
40 appropriated positions in compliance with the provisions of this
41 act. It shall be the responsibility of the agency head to insure
42 that no single personnel action increases this projected annual
43 cost and/or the Fiscal Year 2002 appropriation for "Personal
44 Services" when annualized. If, at the end of any calendar month,
45 the State Personnel Board determines that the agency has taken
46 action(s) which would cause the agency to exceed this projected
47 annual cost or the Fiscal Year 2002 "Personal Services"
48 appropriated level, when annualized, then only those actions which
49 reduce the projected annual cost and/or the appropriation
50 requirement will be processed by the State Personnel Board until
51 such time as the requirements of this provision are met.

52 Any transfers or escalations shall be made in accordance with
53 the terms, conditions, and procedures established by law.

54 No general funds authorized to be expended herein shall be
55 used to replace federal funds and/or other special funds which are
56 being used for salaries authorized under the provisions of this
57 act and which are withdrawn and no longer available.

58 SECTION 3. This act shall take effect and be in force from
59 and after July 1, 2001.
