By: Senator(s) Michel, Harden, Scoper, Lee To: Rules

## SENATE CONCURRENT RESOLUTION NO. 560

A CONCURRENT RESOLUTION RECOGNIZING THE POSTHUMOUS INDUCTION
OF BERNARD BROWN "BLACKIE" BLACKWELL, INNOVATIVE AND CREATIVE
PLAYER, COACH AND SPORTS ADMINISTRATOR FROM SUCCESS, MISSISSIPPI,
INTO THE MISSISSIPPI SPORTS HALL OF FAME CLASS OF 2001.

5 WHEREAS, the Jackson Touchdown Club and Mississippi Sports 6 Hall of Fame have unveiled the Class of 2001 of the Mississippi 7 Sports Hall of Fame with induction ceremonies to be held on 8 Friday, March 23, 2001, in Jackson; and

WHEREAS, the Mississippi Sports Hall of Fame Class of 2001 9 features induction of the late Bernard Brown "Blackie" Blackwell, 10 innovative and creative player, coach and sports administrator 11 from Success, Mississippi, whose sports career is a matter of 12 record: "Blackie" was born on a sheep farm in Success, 13 Mississippi; Coach Blackwell was the son of Mr. and Mrs. L.B. 14 15 Blackwell who are also deceased. Blackie's sports career spanned nearly half a century. After graduating from Saucier High School, 16 17 Bernard attended Ole Miss and played left guard from 1944 through 18 1947; he is believed to be the first player to start every game for four years at Ole Miss and he played under three head coaches: 19 Harry Mehre, Harold "Red" Drew and Johnny Vaught. Blackwell was a 20 hard-nosed player who gave no quarter on the field. He is 21 regarded as one of the toughest players to step on the gridiron 22 for the Rebels and earned his reputation as a blocker. Blackie 23 24 played in 1944 and 1945 under Harry Mehre and was then coached in 25 1946 by "Red" Drew. He was a senior on Johnny Vaught's first Ole 26 Miss team in 1947 that won the school's first SEC title with a 9-2 record. The Rebels lost only to Vanderbilt in Nashville and 27 28 Arkansas in Memphis during 1947. In the season opening 14-7 win 29 over Kentucky in Oxford, Blackwell played one of his finest games and was named the SEC Lineman of the Week. Blackie was also one 30 31 of the stars in the landmark Ole Miss 43-12 win over Tennessee in 32 Memphis, the first time the Rebels had beaten the Vols. Blackwell's teammates included legendary Ole Miss names such as 33 34 Charlie Conerly, Dixie Howell and Barney Poole. Blackie played in 35 the 1948 Delta Bowl in Memphis as the Rebs capped off their 36 championship season by defeating TCU by a 13-9 score. His play in 37 1947 earned Blackwell a spot on Mississippi State's All Opponent 38 Team. Blackie was selected to the New Orleans Times Picayune All 39 America Team and he was also chosen for several All SEC teams. Τn 40 addition to football, Coach Blackwell also was a member of the Rebel track team from 1944 to 1946, and the Ole Miss basketball 41

42 team from 1944 to 1945. He served as vice president of the M Club 43 from 1945 to 1946 and was president of the Health and Physical 44 Education Club for two years. Invited to play in the 1947 Blue 45 Gray Game in Montgomery, Alabama, Bernard instead signed a professional football contract with the New York Giants in early 46 He shocked many friends and family when he opted to enter 47 1948. 48 the coaching profession. At the tender age of 21, Blackwell became the youngest head football coach in the nation at the 49 50 junior college level when he was named as the football mentor at 51 Northwest Junior College in Senatobia. After two seasons at Northwest, Coach Blackwell was hired as head football and track 52 53 coach at West Tallahatchie High School in Webb, Mississippi. From 54 1950 to 1956, he led West Tallahatchie to football and track 55 district championships. In 1952, he was selected as an assistant All Star coach in the Mississippi High School All Star football 56 57 game, the first year high school coaches were allowed to coach 58 rather than college coaches. The year 1954 was a milestone year for Coach Blackwell as he was named Coach of the Year by the Delta 59 60 Valley Conference. He also used his sports administration talents 61 to help form the Mississippi Association of Coaches (MAC), an 62 organization that he devoted his life to during and after his 63 coaching career. He was chosen as a member of the MAC's Board of Directors until 1963, when he was named as Executive Director. 64 He 65 guided the MAC from 1963 until 1991, an amazing 28 years of 66 dedication to the group that is one of the leading coaching 67 associations in America. The year 1954 was also the season in 68 which Coach Blackwell made his West Tallahatchie team scrimmage at half time when they played poorly in the first half during a 69 In 1956, Coach 70 Thanksgiving Day game with Batesville High School. 71 Blackwell left West Tallahatchie to become assistant football 72 coach and head baseball coach at Greenville High School. The 73 Greenville athletic program was one of the best in the South in 74 the old Big Eight Conference. With Blackie on the sidelines, 75 Greenville won the 1957 and 1958 Big Eight football titles. His 76 baseball teams won two district, two North Mississippi and two 77 American Legion District crowns. Coach Blackwell departed the 78 Delta after the 1958 season as he was hired as head football coach 79 on the Coast at Pascagoula High. Just one season later, Blackie 80 arrived at Mississippi College in Clinton where he served as assistant football coach and Associate Professor of Education. 81 82 The Choctaws improved in one season from 0-8 in 1958 to 7-2 in 83 1959, partly due to Blackie's no-nonsense style of coaching and 84 discipline. Mississippi College and Clinton would soon become his 85 adopted home as he spent the rest of his career on or around the 86 Choctaw campus. Blackwell soon settled into his two passions in 87 life--working at Mississippi College and serving as Executive 88 Director of the MAC. Blackie's first increased membership in the 89 organization to effectively carry out new proposals and fresh ideas. Membership in the MAC grew from 300 in 1963, when he took 90 91 over as Executive Director, to nearly 2,000 plus. The loyalty of 92 Blackwell to his coaching brethren was a key to the MAC's 93 unprecedented growth. He also solicited and received corporate 94 sponsorships for MAC and related events, thus broadening the 95 financial base of the group. His hands-on innovative style 96 surfaced while molding the future of the MAC. Under his leadership, the MAC created programs that had not been seen in 97 98 other coaching associations in the nation. The MAC adopted and 99 funded a Memorial Athletic Benefit and Permanent Disability Plan

100 which has paid off temporary and permanent disability plus death 101 The MAC established the first athletic training workshop claims. 102 for high school and college students in the United States. The 103 association also supported the adoption of a program to determine state championships in high school football and established a 104 permanent job and coaching career file for coaches. Coach 105 Blackwell and the MAC established a Coaches Hall of Fame, which 106 held its first class induction in 1973, and is an annual MAC 107 108 event. He served as Chairman of the MAC Hall of Fame Selection 109 Committee. In addition to the Hall of Fame, an entire award 110 program was created for high school and junior college coaches for 111 all sports. The MAC under Blackie expanded football and 112 basketball clinics and added baseball, softball, soccer, track, 113 cross-county, tennis and athletic administration. The group sponsored and supported educational programs in sports medicine, 114 nutrition, drug abuse and athletic training and also established 115 116 the first college credit program for clinic attendance on a 117 statewide level. Cross-country running was adopted by the 118 Mississippi High School Activities Association at the urging of 119 Blackwell and his legion of coaches. The MAC, under Coach Blackwell, assumed sponsorship of the All Star Football, 120 121 Basketball, Softball and Soccer games. The association lobbied 122 the Mississippi Legislature for an indoor track facility for the 123 Mississippi Coliseum and for funding of the Governor's Council on 124 Physical Fitness and Sports. Coach Blackwell and the MAC 125 supported efforts to have Mississippi adopt the "no pass--no play" 126 rule for academic and athletic eligibility. With the support of 127 the MAC, he also chaired a committee to establish "National 128 Coaches Day." Coach Blackwell's influence spread nationally as he 129 was a charter member in 1965 of the National High School Athletic 130 Coaches Association and served on that group's Board of Directors from 1980 to 1986. He served as Chairman on the State Coaches 131 132 Association of Executive Secretaries for a five-year term and 133 helped establish the first college credit program for clinic 134 attendance on a national level, similar to what he had 135 accomplished for Mississippi. In the late 1980's, Coach Blackwell 136 continued to promote and highlight athletic events as he was the 137 Mississippi Chairman to create the Mississippi/Alabama Shrine 138 All-Star Football Game which is annually played in Mobile, 139 Alabama, to benefit the Shriners Burned and Crippled Children 140 Program. The game recently celebrated its 13th anniversary. He 141 negotiated the contract for the Mississippi/Alabama All-Star 142 Basketball Game to be played on a home and home basis. The 143 Mississippi/Alabama hoops contest recently celebrated its 10th 144 Without a doubt, Coach Bernard Blackwell has made a anniversary. 145 permanent mark on the history of Mississippi athletics. In 1994, 146 the Mississippi High School All-Star Game, once operated by the Jackson Touchdown Club and now sponsored solely by the MAC, was 147 148 named after Coach Blackwell posthumously. Behind the scenes, 149 Blackie made major changes in athletics administration and forged 150 strong bonds between coaches, players, fans and families of all 151 athletic phases. In 1972, when his coaching and teaching days 152 came to a close at Mississippi College, the school named him 153 assistant to the President. In 1976, he was chosen as National 154 Director of Alumni Affairs for Mississippi College, a position he 155 held until his death in 1993. During his 12-year tenure as 156 Director of the MC Annual Fund, the number of contributors more 157 than doubled and donations increased from \$150 Thousand Dollars to

158 more than \$1 Million Dollars annually. Coach Blackwell was the 159 coordinator of the committee to build Moody Adams Field House and 160 Robinson-Hale Stadium, facilities still in active use today. 161 Similar to the MAC, Blackie established the Mississippi College Sports Hall of Fame along with an endowment fund and the Hillman 162 College--MP&L Berry Endowed Scholarship. He served as secretary 163 and advisor for the MC Booster Club and coordinated the first ever 164 All-Star cheerleader clinics. The cheerleader clinics are now 165 166 nationally known at MC and have an annual attendance well above 167 500. Coach Blackwell had a number of professional, civic and 168 religious affiliations. He was a member of the Clinton United 169 Methodist Church where he served as a lay leader of the Jackson District. He was a three-term Chairman of the church's 170 administrative board, was President of Methodist Men and was the 171 172 Superintendent of Sunday School. Blackie also belonged to the Morrison Heights Baptist Church where he worked for two years as 173 Chairman of the church's building and grounds. He was President 174 of the PTA at Clinton High School, a member of the Clinton Chamber 175 176 of Commerce, and served a term, from 1962 to 1963, as President of 177 the Clinton Youth Council. Coach Blackwell also assisted in 178 establishing the first Magnolia State Games, now played in 179 Meridian, through his relationship with the Governor's Council on 180 Physical Fitness and Sports, a group he helped organize. He was a 181 member of the Central Mississippi Chapter of the National Football 182 Foundation and Hall of Fame and was Vice President of this group 183 from 1984 through 1986. Coach Blackwell has received numerous 184 Distinguished Service Awards from various groups such as the 185 Clinton Chamber of Commerce (1965), the National High School Athletic Coaches Association (1969 and 1973) and the MAC (1976). 186 187 He was honored with the Contribution to Amateur Football Award by 188 the Central Mississippi Chapter of the NFFHOF in 1973 and was the 189 Clinton Chamber of Commerce Man of the Year in 1962. The Clinton 190 Junior Chamber of Commerce bestowed upon him the Mississippi 191 Sportsman of the Year Award in 1971. Mississippi College has 192 presented Coach Blackwell with a number of distinctions including 193 the National Alumni Association's Certificate of Appreciation in 194 1984, the National M Club's Certificate of Appreciation in 1985, 195 and the prestigious 1991 Order of the Golden Arrow which is 196 awarded to a non-alumnus for outstanding professional achievement, 197 exceptional performance and leadership. In 1987, the National 198 High School Athletic Coaches Association honored Blackie once 199 again with the group's highest award they can present: the Dwight 200 Keith Award. During his lifetime, Bernard received honors and 201 accolades for distinguished service and sportsmanship on 14 202 different occasions from 11 separate organizations. With his 203 MSHOF induction, this is the third Hall of Fame membership for 204 Coach Blackwell. He was inducted into the MAC Coaches Hall of 205 Fame in 1980 and the Mississippi College Athletic Hall of Fame in 206 1991, ironically, two of the Halls of Fame he helped to create. 207 Coach Blackwell was known as a showman, gentleman and communicator 208 of the highest order. His public appearance at banquets and other 209 formal events are memorable for his colorful sports jackets, 210 particularly the familiar bright yellow gold Mississippi College 211 Alumni Blazer. His spirit was always upbeat as he provided class 212 dignity to any enterprise, game, banquet, event or any other activity in which he was involved. Coach Blackwell is survived by 213 214 his wife, the former Mary Catherine Holston. He and Catherine have five sons: Bernard "Bernie" Blackwell, Jr., who lives in 215

Magee; Doug Blackwell, an assistant track coach to Joe Walker at Ole Miss; Jim Blackwell, who lives in Vermont; Hal Blackwell, who resides in Florence; and Sid Blackwell, who lives in Connecticut. They also have 17 grandchildren and one great grandchild; and WHEREAS, it is with great pride that we recognize the memory of this outstanding athlete and coach who brought honor to the State of Mississippi:

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE OF THE STATE OF MISSISSIPPI, THE HOUSE OF REPRESENTATIVES CONCURRING THEREIN, That we do hereby recognize the Posthumous Induction of Bernard Blackie" Blackwell into the Mississippi Sports Hall of Fame Class of 2001, and send the Legislature's respect to his family on this occasion.

BE IT FURTHER RESOLVED, That a copy of this resolution be presented to the family of "Blackie" Blackwell at induction ceremonies and be made available to the Capitol Press Corps.
