

REPORT OF CONFERENCE COMMITTEE

MADAM PRESIDENT AND MR. SPEAKER:

We, the undersigned conferees, have had under consideration the amendments to the following entitled BILL:

S. B. No. 2799: Public purchases; delete RFP requirement for certain waste disposal contracts.

We, therefore, respectfully submit the following report and recommendation:

1. That the House recede from its Amendment No. 1.
2. That the Senate and House adopt the following amendment:

Amend by striking all after the enacting clause and inserting in lieu thereof the following:

12 SECTION 1. Section 31-7-13, Mississippi Code of 1972, as
13 amended by Senate Bill No. 3010, 2001 Regular Session, is amended
14 as follows:

15 31-7-13. All agencies and governing authorities shall
16 purchase their commodities and printing; contract for garbage
17 collection or disposal; contract for solid waste collection or
18 disposal; contract for sewage collection or disposal; contract for
19 public construction; and contract for rentals as herein provided.

20 (a) **Bidding procedure for purchases not over \$1,500.00.**

21 Purchases which do not involve an expenditure of more than One
22 Thousand Five Hundred Dollars (\$1,500.00), exclusive of freight or
23 shipping charges, may be made without advertising or otherwise
24 requesting competitive bids. Provided, however, that nothing
25 contained in this paragraph (a) shall be construed to prohibit any
26 agency or governing authority from establishing procedures which
27 require competitive bids on purchases of One Thousand Five Hundred
28 Dollars (\$1,500.00) or less.

29 (b) **Bidding procedure for purchases over \$1,500.00 but**

30 **not over \$10,000.00.** Purchases which involve an expenditure of
31 more than One Thousand Five Hundred Dollars (\$1,500.00) but not
32 more than Ten Thousand Dollars (\$10,000.00), exclusive of freight

33 and shipping charges may be made from the lowest and best bidder
34 without publishing or posting advertisement for bids, provided at
35 least two (2) competitive written bids have been obtained. Any
36 governing authority purchasing commodities pursuant to this
37 paragraph (b) may authorize its purchasing agent, or his designee,
38 with regard to governing authorities other than counties, or its
39 purchase clerk, or his designee, with regard to counties, to
40 accept the lowest and best competitive written bid. Such
41 authorization shall be made in writing by the governing authority
42 and shall be maintained on file in the primary office of the
43 agency and recorded in the official minutes of the governing
44 authority, as appropriate. The purchasing agent or the purchase
45 clerk, or their designee, as the case may be, and not the
46 governing authority, shall be liable for any penalties and/or
47 damages as may be imposed by law for any act or omission of the
48 purchasing agent or purchase clerk, or their designee,
49 constituting a violation of law in accepting any bid without
50 approval by the governing authority. The term "competitive
51 written bid" shall mean a bid submitted on a bid form furnished by
52 the buying agency or governing authority and signed by authorized
53 personnel representing the vendor, or a bid submitted on a
54 vendor's letterhead or identifiable bid form and signed by
55 authorized personnel representing the vendor. Bids may be
56 submitted by facsimile, electronic mail or other generally
57 accepted method of information distribution. Bids submitted by
58 electronic transmission shall not require the signature of the
59 vendor's representative unless required by agencies or governing
60 authorities.

61 (c) **Bidding procedure for purchases over \$10,000.00.**

62 (i) **Publication requirement.** Purchases which
63 involve an expenditure of more than Ten Thousand Dollars
64 (\$10,000.00), exclusive of freight and shipping charges may be

65 made from the lowest and best bidder after advertising for
66 competitive sealed bids once each week for two (2) consecutive
67 weeks in a regular newspaper published in the county or
68 municipality in which such agency or governing authority is
69 located. The date as published for the bid opening shall not be
70 less than seven (7) working days after the last published notice;
71 however, if the purchase involves a construction project in which
72 the estimated cost is in excess of Fifteen Thousand Dollars
73 (\$15,000.00), such bids shall not be opened in less than fifteen
74 (15) working days after the last notice is published and the
75 notice for the purchase of such construction shall be published
76 once each week for two (2) consecutive weeks. The notice of
77 intention to let contracts or purchase equipment shall state the
78 time and place at which bids shall be received, list the contracts
79 to be made or types of equipment or supplies to be purchased, and,
80 if all plans and/or specifications are not published, refer to the
81 plans and/or specifications on file. If there is no newspaper
82 published in the county or municipality, then such notice shall be
83 given by posting same at the courthouse, or for municipalities at
84 the city hall, and at two (2) other public places in the county or
85 municipality, and also by publication once each week for two (2)
86 consecutive weeks in some newspaper having a general circulation
87 in the county or municipality in the above provided manner. On
88 the same date that the notice is submitted to the newspaper for
89 publication, the agency or governing authority involved shall mail
90 written notice to, or provide electronic notification to the main
91 office of the Mississippi Contract Procurement Center that
92 contains the same information as that in the published notice.

93 (ii) **Bidding Process Amendment Procedure.** If all
94 plans and/or specifications are published in the notification,
95 then the plans and/or specifications may not be amended. If all
96 plans and/or specifications are not published in the notification,

97 then amendments to the plans/specifications, bid opening date, bid
98 opening time and place may be made, provided that the agency or
99 governing authority maintains a list of all prospective bidders
100 who are known to have received a copy of the bid documents and all
101 such prospective bidders are sent copies of all amendments. This
102 notification of amendments may be made via mail, facsimile,
103 electronic mail or other generally accepted method of information
104 distribution. No addendum to bid specifications may be issued
105 within forty-eight (48) working hours of the time established for
106 the receipt of bids unless such addendum also amends the bid
107 opening to a date not less than five (5) working days after the
108 date of the addendum.

109 (iii) **Filing Requirement.** In all cases involving
110 governing authorities, before the notice shall be published or
111 posted, the plans or specifications for the construction or
112 equipment being sought shall be filed with the clerk of the board
113 of the governing authority. In addition to these requirements, a
114 bid file shall be established which shall indicate those vendors
115 to whom such solicitations and specifications were issued, and
116 such file shall also contain such information as is pertinent to
117 the bid.

118 (iv) **Specification Restrictions.** Specifications
119 pertinent to such bidding shall be written so as not to exclude
120 comparable equipment of domestic manufacture. Provided, however,
121 that should valid justification be presented, the Department of
122 Finance and Administration or the board of a governing authority
123 may approve a request for specific equipment necessary to perform
124 a specific job. Further, such justification, when placed on the
125 minutes of the board of a governing authority, may serve as
126 authority for that governing authority to write specifications to
127 require a specific item of equipment needed to perform a specific
128 job. In addition to these requirements, from and after July 1,

129 1990, vendors of relocatable classrooms and the specifications for
130 the purchase of such relocatable classrooms published by local
131 school boards shall meet all pertinent regulations of the State
132 Board of Education, including prior approval of such bid by the
133 State Department of Education.

134 (d) **Lowest and best bid decision procedure.**

135 (i) **Decision Procedure.** Purchases may be made
136 from the lowest and best bidder. In determining the lowest and
137 best bid, freight and shipping charges shall be included.
138 Life-cycle costing, total cost bids, warranties, guaranteed
139 buy-back provisions and other relevant provisions may be included
140 in the best bid calculation. All best bid procedures for state
141 agencies must be in compliance with regulations established by the
142 Department of Finance and Administration. If any governing
143 authority accepts a bid other than the lowest bid actually
144 submitted, it shall place on its minutes detailed calculations and
145 narrative summary showing that the accepted bid was determined to
146 be the lowest and best bid, including the dollar amount of the
147 accepted bid and the dollar amount of the lowest bid. No agency
148 or governing authority shall accept a bid based on items not
149 included in the specifications.

150 (ii) **Construction Project Negotiations Authority.**

151 If the lowest and best bid is not more than ten percent (10%)
152 above the amount of funds allocated for a public construction or
153 renovation project, then the agency or governing authority shall
154 be permitted to negotiate with the lowest bidder in order to enter
155 into a contract for an amount not to exceed the funds allocated.

156 (e) **Lease-purchase authorization.** For the purposes of
157 this section, the term "equipment" shall mean equipment, furniture
158 and, if applicable, associated software and other applicable
159 direct costs associated with the acquisition. Any lease-purchase
160 of equipment which an agency is not required to lease-purchase

161 under the master lease-purchase program pursuant to Section
162 31-7-10 and any lease-purchase of equipment which a governing
163 authority elects to lease-purchase may be acquired by a
164 lease-purchase agreement under this paragraph (e). Lease-purchase
165 financing may also be obtained from the vendor or from a
166 third-party source after having solicited and obtained at least
167 two (2) written competitive bids, as defined in paragraph (b) of
168 this section, for such financing without advertising for such
169 bids. Solicitation for the bids for financing may occur before or
170 after acceptance of bids for the purchase of such equipment or,
171 where no such bids for purchase are required, at any time before
172 the purchase thereof. No such lease-purchase agreement shall be
173 for an annual rate of interest which is greater than the overall
174 maximum interest rate to maturity on general obligation
175 indebtedness permitted under Section 75-17-101, and the term of
176 such lease-purchase agreement shall not exceed the useful life of
177 equipment covered thereby as determined according to the upper
178 limit of the asset depreciation range (ADR) guidelines for the
179 Class Life Asset Depreciation Range System established by the
180 Internal Revenue Service pursuant to the United States Internal
181 Revenue Code and regulations thereunder as in effect on December
182 31, 1980, or comparable depreciation guidelines with respect to
183 any equipment not covered by ADR guidelines. Any lease-purchase
184 agreement entered into pursuant to this paragraph (e) may contain
185 any of the terms and conditions which a master lease-purchase
186 agreement may contain under the provisions of Section 31-7-10(5),
187 and shall contain an annual allocation dependency clause
188 substantially similar to that set forth in Section 31-7-10(8).
189 Each agency or governing authority entering into a lease-purchase
190 transaction pursuant to this paragraph (e) shall maintain with
191 respect to each such lease-purchase transaction the same
192 information as required to be maintained by the Department of

193 Finance and Administration pursuant to Section 31-7-10(13).
194 However, nothing contained in this section shall be construed to
195 permit agencies to acquire items of equipment with a total
196 acquisition cost in the aggregate of less than Ten Thousand
197 Dollars (\$10,000.00) by a single lease-purchase transaction. All
198 equipment, and the purchase thereof by any lessor, acquired by
199 lease-purchase under this paragraph and all lease-purchase
200 payments with respect thereto shall be exempt from all Mississippi
201 sales, use and ad valorem taxes. Interest paid on any
202 lease-purchase agreement under this section shall be exempt from
203 State of Mississippi income taxation.

204 (f) **Alternate bid authorization.** When necessary to
205 ensure ready availability of commodities for public works and the
206 timely completion of public projects, no more than two (2)
207 alternate bids may be accepted by a governing authority for
208 commodities. No purchases may be made through use of such
209 alternate bids procedure unless the lowest and best bidder, for
210 reasons beyond his control, cannot deliver the commodities
211 contained in his bid. In that event, purchases of such
212 commodities may be made from one (1) of the bidders whose bid was
213 accepted as an alternate.

214 (g) **Construction contract change authorization.** In the
215 event a determination is made by an agency or governing authority
216 after a construction contract is let that changes or modifications
217 to the original contract are necessary or would better serve the
218 purpose of the agency or the governing authority, such agency or
219 governing authority may, in its discretion, order such changes
220 pertaining to the construction that are necessary under the
221 circumstances without the necessity of further public bids;
222 provided that such change shall be made in a commercially
223 reasonable manner and shall not be made to circumvent the public
224 purchasing statutes. In addition to any other authorized person,

225 the architect or engineer hired by an agency or governing
226 authority with respect to any public construction contract shall
227 have the authority, when granted by an agency or governing
228 authority, to authorize changes or modifications to the original
229 contract without the necessity of prior approval of the agency or
230 governing authority when any such change or modification is less
231 than one percent (1%) of the total contract amount. The agency or
232 governing authority may limit the number, manner or frequency of
233 such emergency changes or modifications.

234 (h) **Petroleum purchase alternative.** In addition to
235 other methods of purchasing authorized in this chapter, when any
236 agency or governing authority shall have a need for gas, diesel
237 fuel, oils and/or other petroleum products in excess of the amount
238 set forth in paragraph (a) of this section, such agency or
239 governing authority may purchase the commodity after having
240 solicited and obtained at least two (2) competitive written bids,
241 as defined in paragraph (b) of this section. If two (2)
242 competitive written bids are not obtained the entity shall comply
243 with the procedures set forth in paragraph (c) of this section.
244 In the event any agency or governing authority shall have
245 advertised for bids for the purchase of gas, diesel fuel, oils and
246 other petroleum products and coal and no acceptable bids can be
247 obtained, such agency or governing authority is authorized and
248 directed to enter into any negotiations necessary to secure the
249 lowest and best contract available for the purchase of such
250 commodities.

251 (i) **Road construction petroleum products price**
252 **adjustment clause authorization.** Any agency or governing
253 authority authorized to enter into contracts for the construction,
254 maintenance, surfacing or repair of highways, roads or streets,
255 may include in its bid proposal and contract documents a price
256 adjustment clause with relation to the cost to the contractor,

257 including taxes, based upon an industry-wide cost index, of
258 petroleum products including asphalt used in the performance or
259 execution of the contract or in the production or manufacture of
260 materials for use in such performance. Such industry-wide index
261 shall be established and published monthly by the Mississippi
262 Department of Transportation with a copy thereof to be mailed,
263 upon request, to the clerks of the governing authority of each
264 municipality and the clerks of each board of supervisors
265 throughout the state. The price adjustment clause shall be based
266 on the cost of such petroleum products only and shall not include
267 any additional profit or overhead as part of the adjustment. The
268 bid proposals or document contract shall contain the basis and
269 methods of adjusting unit prices for the change in the cost of
270 such petroleum products.

271 (j) **State agency emergency purchase procedure.** If the
272 executive head of any agency of the state shall determine that an
273 emergency exists in regard to the purchase of any commodities or
274 repair contracts, so that the delay incident to giving opportunity
275 for competitive bidding would be detrimental to the interests of
276 the state, then the provisions herein for competitive bidding
277 shall not apply and the head of such agency shall be authorized to
278 make the purchase or repair. Total purchases so made shall only
279 be for the purpose of meeting needs created by the emergency
280 situation. In the event such executive head is responsible to an
281 agency board, at the meeting next following the emergency
282 purchase, documentation of the purchase, including a description
283 of the commodity purchased, the purchase price thereof and the
284 nature of the emergency shall be presented to the board and placed
285 on the minutes of the board of such agency. The head of such
286 agency shall, at the earliest possible date following such
287 emergency purchase, file with the Department of Finance and
288 Administration (i) a statement * * * certifying the conditions and

289 circumstances of the emergency, and (ii) a certified copy of the
290 appropriate minutes of the board of such agency, if applicable.

291 (k) **Governing authority emergency purchase procedure.**

292 If the governing authority, or the governing authority acting
293 through its designee, shall determine that an emergency exists in
294 regard to the purchase of any commodities or repair contracts, so
295 that the delay incident to giving opportunity for competitive
296 bidding would be detrimental to the interest of the governing
297 authority, then the provisions herein for competitive bidding
298 shall not apply and any officer or agent of such governing
299 authority having general or special authority therefor in making
300 such purchase or repair shall approve the bill presented therefor,
301 and he shall certify in writing thereon from whom such purchase
302 was made, or with whom such a repair contract was made. At the
303 board meeting next following the emergency purchase or repair
304 contract, documentation of the purchase or repair contract,
305 including a description of the commodity purchased, the price
306 thereof and the nature of the emergency shall be presented to the
307 board and shall be placed on the minutes of the board of such
308 governing authority.

309 (l) **Hospital purchase or lease authorization.** The
310 commissioners or board of trustees of any hospital owned or owned
311 and operated separately or jointly by one or more counties,
312 cities, towns, supervisors districts or election districts, or
313 combinations thereof, may contract with such lowest and best
314 bidder for the purchase or lease of any commodity under a contract
315 of purchase or lease-purchase agreement whose obligatory terms do
316 not exceed five (5) years. In addition to the authority granted
317 herein, the commissioners or board of trustees are authorized to
318 enter into contracts for the lease of equipment or services, or
319 both, which it considers necessary for the proper care of patients
320 if, in its opinion, it is not financially feasible to purchase the

321 necessary equipment or services. Any such contract for the lease
322 of equipment or services executed by the commissioners or board
323 shall not exceed a maximum of five (5) years' duration and shall
324 include a cancellation clause based on unavailability of funds.
325 If such cancellation clause is exercised, there shall be no
326 further liability on the part of the lessee.

327 (m) **Exceptions from bidding requirements.** Excepted
328 from bid requirements are:

329 (i) **Purchasing agreements approved by department.**
330 Purchasing agreements, contracts and maximum price regulations
331 executed or approved by the Department of Finance and
332 Administration.

333 (ii) **Outside equipment repairs.** Repairs to
334 equipment, when such repairs are made by repair facilities in the
335 private sector; however, engines, transmissions, rear axles and/or
336 other such components shall not be included in this exemption when
337 replaced as a complete unit instead of being repaired and the need
338 for such total component replacement is known before disassembly
339 of the component; provided, however, that invoices identifying the
340 equipment, specific repairs made, parts identified by number and
341 name, supplies used in such repairs, and the number of hours of
342 labor and costs therefor shall be required for the payment for
343 such repairs.

344 (iii) **In-house equipment repairs.** Purchases of
345 parts for repairs to equipment, when such repairs are made by
346 personnel of the agency or governing authority; however, entire
347 assemblies, such as engines or transmissions, shall not be
348 included in this exemption when the entire assembly is being
349 replaced instead of being repaired.

350 (iv) **Raw gravel or dirt.** Raw unprocessed deposits
351 of gravel or fill dirt which are to be removed and transported by
352 the purchaser.

353 (v) **Governmental equipment auctions.** Motor
354 vehicles or other equipment purchased from a federal or state
355 agency or a governing authority at a public auction held for the
356 purpose of disposing of such vehicles or other equipment. Any
357 purchase by a governing authority under the exemption authorized
358 by this subparagraph (v) shall require advance authorization
359 spread upon the minutes of the governing authority to include the
360 listing of the item or items authorized to be purchased and the
361 maximum bid authorized to be paid for each item or items.

362 (vi) **Intergovernmental sales and transfers.**
363 Purchases, sales, transfers or trades by governing authorities or
364 state agencies when such purchases, sales, transfers or trades are
365 made by a private treaty agreement or through means of
366 negotiation, from any federal agency or authority, another
367 governing authority or state agency of the State of Mississippi,
368 or any state agency of another state. Nothing in this section
369 shall permit such purchases through public auction except as
370 provided for in subparagraph (v) of this section. It is the
371 intent of this section to allow governmental entities to dispose
372 of and/or purchase commodities from other governmental entities at
373 a price that is agreed to by both parties. This shall allow for
374 purchases and/or sales at prices which may be determined to be
375 below the market value if the selling entity determines that the
376 sale at below market value is in the best interest of the
377 taxpayers of the state. Governing authorities shall place the
378 terms of the agreement and any justification on the minutes, and
379 state agencies shall obtain approval from the Department of
380 Finance and Administration, prior to releasing or taking
381 possession of the commodities.

382 (vii) **Perishable supplies or food.** Perishable
383 supplies or foods purchased for use in connection with hospitals,
384 the school lunch programs, homemaking programs and for the feeding

385 of county or municipal prisoners.

386 (viii) **Single source items.** Noncompetitive items
387 available from one (1) source only. In connection with the
388 purchase of noncompetitive items only available from one (1)
389 source, a certification of the conditions and circumstances
390 requiring the purchase shall be filed by the agency with the
391 Department of Finance and Administration and by the governing
392 authority with the board of the governing authority. Upon receipt
393 of that certification the Department of Finance and Administration
394 or the board of the governing authority, as the case may be, may,
395 in writing, authorize the purchase, which authority shall be noted
396 on the minutes of the body at the next regular meeting thereafter.

397 In those situations, a governing authority is not required to
398 obtain the approval of the Department of Finance and
399 Administration.

400 (ix) **Waste disposal facility construction**
401 **contracts.** Construction of incinerators and other facilities for
402 disposal of solid wastes in which products either generated
403 therein, such as steam, or recovered therefrom, such as materials
404 for recycling, are to be sold or otherwise disposed of; provided,
405 however, in constructing such facilities a governing authority or
406 agency shall publicly issue requests for proposals, advertised for
407 in the same manner as provided herein for seeking bids for public
408 construction projects, concerning the design, construction,
409 ownership, operation and/or maintenance of such facilities,
410 wherein such requests for proposals when issued shall contain
411 terms and conditions relating to price, financial responsibility,
412 technology, environmental compatibility, legal responsibilities
413 and such other matters as are determined by the governing
414 authority or agency to be appropriate for inclusion; and after
415 responses to the request for proposals have been duly received,
416 the governing authority or agency may select the most qualified

417 proposal or proposals on the basis of price, technology and other
418 relevant factors and from such proposals, but not limited to the
419 terms thereof, negotiate and enter contracts with one or more of
420 the persons or firms submitting proposals.

421 (x) **Hospital group purchase contracts.** Supplies,
422 commodities and equipment purchased by hospitals through group
423 purchase programs pursuant to Section 31-7-38.

424 (xi) **Information Technology Products.** Purchases
425 of information technology products made by governing authorities
426 under the provisions of purchase schedules, or contracts executed
427 or approved by the Mississippi Department of Information
428 Technology Services and designated for use by governing
429 authorities.

430 (xii) **Energy efficiency services and equipment.**
431 Energy efficiency services and equipment acquired by school
432 districts, community and junior colleges, institutions of higher
433 learning and state agencies or other applicable governmental
434 entities on a shared-savings, lease or lease-purchase basis
435 pursuant to Section 31-7-14.

436 (xiii) **Municipal electrical utility system fuel.**
437 Purchases of coal and/or natural gas by municipally-owned electric
438 power generating systems that have the capacity to use both coal
439 and natural gas for the generation of electric power.

440 (xiv) **Library books and other reference materials.**
441 Purchases by libraries or for libraries of books and periodicals;
442 processed film, video cassette tapes, filmstrips and slides;
443 recorded audio tapes, cassettes and diskettes; and any such items
444 as would be used for teaching, research or other information
445 distribution; however, equipment such as projectors, recorders,
446 audio or video equipment, and monitor televisions are not exempt
447 under this subparagraph.

448 (xv) **Unmarked vehicles.** Purchases of unmarked

449 vehicles when such purchases are made in accordance with
450 purchasing regulations adopted by the Department of Finance and
451 Administration pursuant to Section 31-7-9(2).

452 (xvi) **Election ballots.** Purchases of ballots
453 printed pursuant to Section 23-15-351.

454 (xvii) **Multichannel interactive video systems.**
455 From and after July 1, 1990, contracts by Mississippi Authority
456 for Educational Television with any private educational
457 institution or private nonprofit organization whose purposes are
458 educational in regard to the construction, purchase, lease or
459 lease-purchase of facilities and equipment and the employment of
460 personnel for providing multichannel interactive video systems
461 (ITSF) in the school districts of this state.

462 (xviii) **Purchases of prison industry products.**
463 From and after January 1, 1991, purchases made by state agencies
464 or governing authorities involving any item that is manufactured,
465 processed, grown or produced from the state's prison industries.

466 (xix) **Undercover operations equipment.** Purchases
467 of surveillance equipment or any other high-tech equipment to be
468 used by law enforcement agents in undercover operations, provided
469 that any such purchase shall be in compliance with regulations
470 established by the Department of Finance and Administration.

471 (xx) **Junior college books for rent.** Purchases by
472 community or junior colleges of textbooks which are obtained for
473 the purpose of renting such books to students as part of a book
474 service system.

475 (xxi) **Certain school district purchases.**
476 Purchases of commodities made by school districts from vendors
477 with which any levying authority of the school district, as
478 defined in Section 37-57-1, has contracted through competitive
479 bidding procedures for purchases of the same commodities.

480 (xxii) **Garbage, solid waste and sewage contracts.**

481 Contracts for garbage collection or disposal, contracts for solid
482 waste collection or disposal and contracts for sewage collection
483 or disposal.

484 (xxiii) **Municipal water tank maintenance**
