64 2003 budget by the Mississippi Legislature. Based on data
65 provided by the Legislative Budget Office, the State Personnel
66 Board shall determine and publish the projected annual cost to
67 fully fund all appropriated positions in compliance with the

73 that the agency has taken action(s) which would cause the agency

75 "Personal Services" appropriated level, when annualized, then only
76 those actions which reduce the projected annual cost and/or the
77 appropriation requirement will be processed by the State Personnel

122 buildings. Monies received for rent of such office space are to
123 be deposited in a special fund in the State Treasury. Any funds
124 on hand at the end of the fiscal year shall lapse into the State
125 General Fund.

126 SECTION 12. It is the intention of the Legislature that the
127 Department of Finance and Administration shall maintain complete
