158 Mississippi Legislature. Based on data provided by the
159 Legislative Budget Office, the State Personnel Board shall
160 determine and publish the projected annual cost to fully fund all
161 appropriated positions in compliance with the provisions of this

179 written justification for the transfer to the Legislative Budget
180 Office and the Department of Finance and Administration on or
181 before the fifteenth of the month prior to the effective date of

201 Wildlife, Fisheries and Parks incidental thereto. Such boards of

202 supervisors are further authorized and empowered, in their
203 discretion, to enter into agreements necessary to carry out the
204 purposes of this act with any other county, the United States
205 Forest Service or any other agency if same should be necessary for
206 the acquisition of land by lease or otherwise for such purposes.

243 become available to the department in accordance with the rules
244 and regulations of the Department of Finance and Administration.
