For the purposes of this paragraph (c), the terms "medical care" and "prescribed drugs" have the same definitions as those terms have in 26 USCS 213.

(d) A nonresident individual shall be allowed the same individual nonbusiness deductions as are authorized for resident individuals in *** this subsection (3)***; however, the nonresident individual is entitled only to that proportion of the individual nonbusiness deductions as his net income from sources within the State of Mississippi bears to his total or entire net income from all sources.

For any taxable year ending after December 31, 1997, the period for net operating loss carrybacks and net operating loss carryovers shall be the same as those established by the Internal Revenue Code and the rules, regulations, rulings and determinations promulgated thereunder.

The term "net operating loss," for the purposes of this paragraph, shall be the excess of the deductions allowed over the gross income; provided, however, the following deductions shall not be allowed in computing same:

(i) No net operating loss deduction shall be allowed.

(ii) No personal exemption deduction shall be allowed.

(iii) Allowable deductions which are not attributable to taxpayer's trade or business shall be allowed only to the extent of the amount of gross income not derived from such trade or business.

Any taxpayer entitled to a carryback period as provided by this paragraph may elect to relinquish the entire carryback period with respect to a net operating loss for any taxable year ending after December 31, 1991. The election shall be made in the manner prescribed by the State Tax Commission and shall be made by the due date, including extensions of time, for filing the taxpayer's return for the taxable year of the net operating loss for which the election is to be in effect. (iv) Any REIT not allowed the dividend distributed deduction in the federal Internal Revenue Code of 1986, as amended, shall not be allowed a dividend distributed deduction under this chapter.
