(b) An order of the Investigations Review Committee of the board which shall cause the executive director of the board to fix a time and place for a hearing by the board. The executive director shall cause a written notice specifying the offense or offenses for which the licensee or permit holder is charged and notice of the time and place of the hearing to be served upon the licensee or permit holder at least thirty (30) days prior to the hearing date. Such notice may be served by mailing a copy thereof by certified mail, postage prepaid, to the last known residence or business address of the licensee or permit holder.

(2) The board shall designate two (2) of its members to serve on a rotating no longer than three-consecutive-month basis with the executive director and legal counsel for the board as an Investigations Review Committee, and the board's investigators shall provide status reports solely to the Investigations Review Committee during monthly meetings of the board. Such reports shall be made on all on-going investigations, and shall apply to any routine inspections which may give rise to the filing of a complaint. In the event any complaint on a licensee comes before the board for possible disciplinary action, the members of the board serving on the Investigations Review Committee which reviewed the investigation of such complaint shall recuse themselves and not participate in the disciplinary proceeding.
(3) The board acting by and through its Investigation Review Committee may, if deemed necessary, issue a letter of reprimand to any licensee, registrant or permit holder in lieu of formal action by the board.

(4) The board, acting by and through its executive director, is hereby authorized and empowered to issue subpoenas for the attendance of witnesses and the production of books and papers at such hearing. Process issued by the board shall extend to all parts of the state and shall be served by any person designated by the board for such service.

(5) The accused shall have the right to appear either personally or by counsel or both to produce witnesses or evidence in his behalf, to cross-examine witnesses and to have subpoenas issued by the board.

(6) At the hearing, the board shall administer oaths as may be necessary for the proper conduct of the hearing. All hearings shall be conducted by the board, which shall not be bound by strict rules of procedure or by the laws of evidence in the conduct of its proceedings, but the determination shall be based upon sufficient evidence to sustain it.

(7) Where, in any proceeding before the board, any witness fails or refuses to attend upon a subpoena issued by the board, refuses to testify, or refuses to produce any books and papers the production of which is called for by a subpoena, the attendance of such witness, the giving of his testimony or the production of the books and papers shall be enforced by any court of competent jurisdiction of this state in the manner provided for the enforcement of attendance and testimony of witnesses in civil cases in the courts of this state.

(8) The board shall, within thirty (30) days after conclusion of the hearing, reduce its decision to writing and forward an attested true copy thereof to the last known residence.
or business address of such licensee or permit holder by way of United States first class, certified mail, postage prepaid.

SECTION 17. Section 73-21-101, Mississippi Code of 1972, is reenacted as follows:

73-21-101. (1) The right to appeal from the action of the board in denying, revoking, suspending or refusing to renew any license, registration or permit issued by the board, or fining or otherwise disciplining any person is hereby granted. Such appeal shall be to the chancery court of the county of the residence of the licensee or permit holder on the record made, including a verbatim transcript of the testimony at the hearing. The appeal shall be taken within thirty (30) days after notice of the action of the board in denying, revoking, suspending or refusing to renew the license or permit, or fining or otherwise disciplining the person. The appeal shall be perfected upon filing notice of the appeal and by the prepayment of all costs, including the cost of the preparation of the record of the proceedings by the board, and the filing of a bond in the sum of Two Hundred Dollars ($200.00), conditioned that if the action of the board in denying, revoking, suspending or refusing to renew the license or permit, or fining or otherwise disciplining the person, be affirmed by the chancery court, the licensee or permit holder will pay the costs of the appeal and the action in the chancery court.

(2) If there is an appeal, such appeal shall act as a supersedeas. The chancery court shall dispose of the appeal and enter its decision promptly. The hearing on the appeal may, in the discretion of the chancellor, be tried in vacation. The scope of review of the chancery court shall be limited to a review of the record made before the board to determine if the action of the board is unlawful for the reason that it was (a) not supported by substantial evidence, (b) arbitrary or capricious, (c) beyond the power of the board to make, or (d) in violation of some statutory or constitutional right of the appellant. The decision of the
chancery court may be appealed to the Supreme Court in the manner provided by law.

(3) Actions taken by the board in suspending a license, registration or permit when required by Section 93-11-157 or 93-11-163 are not actions from which an appeal may be taken under this section. Any appeal of a suspension of a license, registration or permit that is required by Section 93-11-157 or 93-11-163 shall be taken in accordance with the appeal procedure specified in Section 93-11-157 or 93-11-163, as the case may be, rather than the procedure specified in this section.

SECTION 18. Section 73-21-103, Mississippi Code of 1972, is reenacted as follows:

73-21-103. (1) Upon the finding of the existence of grounds for action against any permitted facility or discipline of any person holding a license, registration or permit, seeking a license, registration or permit, or seeking to renew a license or permit under the provisions of this chapter, the board may impose one or more of the following penalties:

(a) Suspension of the offender's license, registration and/or permit for a term to be determined by the board;

(b) Revocation of the offender's license, registration and/or permit;

(c) Restriction of the offender's license, registration and/or permit to prohibit the offender from performing certain acts or from engaging in the practice of pharmacy in a particular manner for a term to be determined by the board;

(d) Imposition of a monetary penalty as follows:

(i) For the first violation, a monetary penalty of not less than Fifty Dollars ($50.00) nor more than Five Hundred Dollars ($500.00) for each violation;

(ii) For the second violation and subsequent violations, a monetary penalty of not less than One Hundred
Dollars ($100.00) nor more than One Thousand Dollars ($1,000.00) for each violation.

Money collected by the board under Section 73-21-103, paragraphs (1)(d)(i), (ii) and (iv) shall be deposited to the credit of the State General Fund of the State Treasury;

(iii) The board may assess a monetary penalty for those reasonable costs that are expended by the board in the investigation and conduct of a proceeding for licensure revocation, suspension or restriction, including but not limited to the cost of process service, court reporters, expert witnesses and investigators.

Money collected by the board under Section 73-21-103, paragraph (1)(d)(iii), shall be deposited to the credit of the Special Fund of the Pharmacy Board;

(iv) The board may impose a monetary penalty for those facilities/businesses registered with the Pharmacy Board as wholesalers/manufacturers of not less than One Hundred Dollars ($100.00) per violation and not more than Twenty-five Thousand Dollars ($25,000.00) per violation;

(e) Refusal to renew offender's license, registration and/or permit;

(f) Placement of the offender on probation and supervision by the board for a period to be determined by the board;

(g) Public or private reprimand.

Whenever the board imposes any penalty under this subsection, the board may require rehabilitation and/or additional education as the board may deem proper under the circumstances, in addition to the penalty imposed.

(2) Any person whose license, registration and/or permit has been suspended, revoked or restricted pursuant to this chapter, whether voluntarily or by action of the board, shall have the right to petition the board at reasonable intervals for
reinstatement of such license, registration and/or permit. Such petition shall be made in writing and in the form prescribed by the board. Upon investigation and hearing, the board may, in its discretion, grant or deny such petition, or it may modify its original finding to reflect any circumstances which have changed sufficiently to warrant such modifications. The procedure for the reinstatement of a license, registration or permit that is suspended for being out of compliance with an order for support, as defined in Section 93-11-153, shall be governed by Section 93-11-157 or 93-11-163, as the case may be.

(3) Nothing herein shall be construed as barring criminal prosecutions for violation of this chapter where such violations are deemed as criminal offenses in other statutes of this state or of the United States.

(4) A monetary penalty assessed and levied under this section shall be paid to the board by the licensee, registrant or permit holder upon the expiration of the period allowed for appeal of such penalties under Section 73-21-101, or may be paid sooner if the licensee, registrant or permit holder elects.

(5) When payment of a monetary penalty assessed and levied by the board against a licensee, registrant or permit holder when due under this section, the board shall have the power to institute and maintain proceedings in its name for enforcement of payment in the chancery court of the county and judicial district of residence of the licensee, registrant or permit holder, or if the licensee, registrant or permit holder is a nonresident of the State of Mississippi, in the Chancery Court of the First Judicial District of Hinds County, Mississippi. When such proceedings are instituted, the board shall certify the record of its proceedings, together with all documents and evidence, to the chancery court and the matter shall thereupon be heard in due course by the court, which shall review
the record and make its determination thereon. The hearing on the
matter may, in the discretion of the chancellor, be tried in
vacation.

(6) The board shall develop and implement a uniform penalty
policy which shall set the minimum and maximum penalty for any
given violation of board regulations and laws governing the
practice of pharmacy. The board shall adhere to its uniform
penalty policy except in such cases where the board specifically
finds, by majority vote, that a penalty in excess of, or less
than, the uniform penalty is appropriate. Such vote shall be
reflected in the minutes of the board and shall not be imposed
unless such appears as having been adopted by the board.

SECTION 19. Section 73-21-105, Mississippi Code of 1972, is

by regulation determine the classification of permit(s) that shall
be required.

(4) The board shall specify by rule or regulation the registration procedures to be followed, including, but not limited to, specification of forms for use in applying for such permits and times, places and fees for filing such applications. However, the biennial fee for an original or renewal permit shall not exceed Three Hundred Dollars ($300.00).

(5) Applications for permits shall include the following information about the proposed business:

(7) The board shall specify by rule or regulation minimum standards for the responsibility in the conduct of any business/facility and/or pharmacy that has been issued a permit. The board is specifically authorized to require that the portion of the facility located in this state to which a pharmacy permit applies be operated only under the direct supervision of no less than one (1) pharmacist licensed to practice in this state, and to provide such other special requirements as deemed necessary. Nothing in this subsection shall be construed to prevent any person from owning a pharmacy.
(8) All businesses permitted by the board shall report to the board the occurrence of any of the following changes:
   (a) Permanent closing;
   (b) Change of ownership, management, location or pharmacist in charge;
   (c) Any and all matters and occurrences as the board may require by rule or regulation.

(9) Disasters, accidents and emergencies which may affect the strength, purity or labeling of drugs, medications, devices or other materials used in the diagnosis or the treatment of injury, illness and disease shall be immediately reported to the board.

(10) No business that is required to obtain a permit shall be operated until a permit has been issued for such business by the board. Any person, firm or corporation violating any of the provisions of this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than One Hundred Dollars ($100.00) nor more than One Thousand Dollars ($1,000.00), or imprisonment in the county jail for not less than thirty (30) days nor more than ninety (90) days, or by both such fine and imprisonment. However, the provisions of this chapter shall not apply to physicians, dentists, veterinarians, osteopaths or other practitioners of the healing arts who are licensed under the laws of the State of Mississippi and are authorized to dispense and administer prescription drugs in the course of their professional practice.

SECTION 20. Section 73-21-106, Mississippi Code of 1972, is reenacted as follows:

The nonresident pharmacy shall maintain at all times a valid unexpired license, permit or registration to conduct the pharmacy in compliance with the laws of the state in which it is a resident. As a prerequisite to registering with the board, the nonresident pharmacy shall submit a copy of the most recent inspection report resulting from an inspection conducted by the regulatory or licensing agency of the state in which it is located; and

section; or

licensing agency fails to initiate an investigation within
forty-five (45) days of the referral.

(6) It is unlawful for any nonresident pharmacy that is not
registered pursuant to this section to advertise its services in
this state, or for any person who is a resident of this state to
advertise the pharmacy services of a nonresident pharmacy that has
not registered with the board, with the knowledge that the
advertisement will or is likely to induce members of the public in
this state to use the pharmacy to fill prescriptions.

(7) When requested to do so by the board, each nonresident
pharmacy shall supply any inspection reports, controlled
substances dispensing records, warning notices, notice of
deficiency reports or any other related reports from the state in
which it is located concerning the operation of a nonresident
pharmacy for review of compliance with state and federal drug
laws.

Any person violating
this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished by a fine of not less than One Hundred Dollars ($100.00) nor more than Three Hundred Dollars ($300.00), or by imprisonment in the county jail for not less than thirty (30) days nor more than ninety (90) days, or by both.
