HOUSE BILL NO. 502

1 AN ACT TO AMEND SECTIONS 25-15-9 AND 43-13-117, MISSISSIPPI  
2 CODE OF 1972, TO PROVIDE THAT THE STATE AND SCHOOL EMPLOYEES  
3 HEALTH INSURANCE PLAN AND THE MEDICAID PROGRAM SHALL NOT COVER OR  
4 OTHERWISE PROVIDE REIMBURSEMENT FOR PRESCRIPTION OR LEGEND DRUGS  
5 THAT ARE MAILED OR SHIPPED DIRECTLY TO THE RECIPIENT FROM A  
6 PHARMACY LOCATED OUTSIDE OF THE COUNTY OF THE RECIPIENT'S  
7 RESIDENCE; AND FOR RELATED PURPOSES.

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MISSISSIPPI:

9 **SECTION 1.** Section 25-15-9, Mississippi Code of 1972, is  
10 amended as follows:

11 25-15-9. (1) (a) The board shall design a plan of health  
12 insurance for state employees that provides benefits for  
13 semiprivate rooms in addition to other incidental coverages that  
14 the board deems necessary. The amount of the coverages shall be  
15 in such reasonable amount as may be determined by the board to be  
16 adequate, after due consideration of current health costs in  
17 Mississippi. The plan shall also include major medical benefits  
18 in such amounts as the board \* \* \* determines. The plan shall not  
19 cover or otherwise provide reimbursement for prescription or  
20 legend drugs that are mailed or shipped directly to the recipient  
21 from a pharmacy located outside of the county of the recipient's  
22 residence. The board is also authorized to accept bids for such  
23 alternate coverage and optional benefits as the board \* \* \* deems  
24 proper. Any contract for alternative coverage and optional  
25 benefits shall be awarded by the board after it has carefully  
26 studied and evaluated the bids and selected the best and most  
27 cost-effective bid. The board may reject all such bids; however,  
28 the board shall notify all bidders of the rejection and shall  
29 actively solicit new bids if all bids are rejected. The board may

30 employ or contract for such consulting or actuarial services as  
31 may be necessary to formulate the plan, and to assist the board in  
32 the preparation of specifications and in the process of  
33 advertising for the bids for the plan. Such contracts shall be  
34 solicited and entered into in accordance with Section 25-15-5.  
35 The board shall keep a record of all persons, agents and  
36 corporations who contract with or assist the board in preparing  
37 and developing the plan. The board in a timely manner shall  
38 provide copies of this record to the members of the advisory  
39 council created in this section and those legislators, or their  
40 designees, who may attend meetings of the advisory council. The  
41 board shall provide copies of this record in the solicitation of  
42 bids for the administration or servicing of the self-insured  
43 program. Each person, agent or corporation which, during the  
44 previous fiscal year, has assisted in the development of the plan  
45 or employed or compensated any person who assisted in the  
46 development of the plan, and which bids on the administration or  
47 servicing of the plan, shall submit to the board a statement  
48 accompanying the bid explaining in detail its participation with  
49 the development of the plan. This statement shall include the  
50 amount of compensation paid by the bidder to any such employee  
51 during the previous fiscal year. The board shall make all such  
52 information available to the members of the advisory council and  
53 those legislators, or their designees, who may attend meetings of  
54 the advisory council before any action is taken by the board on  
55 the bids submitted. The failure of any bidder to fully and  
56 accurately comply with this paragraph shall result in the  
57 rejection of any bid submitted by that bidder or the cancellation  
58 of any contract executed when the failure is discovered after the  
59 acceptance of that bid. The board is authorized to promulgate  
60 rules and regulations to implement the provisions of this  
61 subsection.

62           The board shall develop plans for the insurance plan  
63 authorized by this section in accordance with the provisions of  
64 Section 25-15-5.

65           Any corporation, association, company or individual that  
66 contracts with the board for the third-party claims administration  
67 of the self-insured plan shall prepare and keep on file an  
68 explanation of benefits for each claim processed. The explanation  
69 of benefits shall contain such information relative to each  
70 processed claim which the board deems necessary, and, at a  
71 minimum, each explanation shall provide the claimant's name, claim  
72 number, provider number, provider name, service dates, type of  
73 services, amount of charges, amount allowed to the claimant and  
74 reason codes. The information contained in the explanation of  
75 benefits shall be available for inspection upon request by the  
76 board. The board shall have access to all claims information  
77 utilized in the issuance of payments to employees and providers.

78           (b) There is created an advisory council to advise the  
79 board in the formulation of the State and School Employees Health  
80 Insurance Plan. The council shall be composed of the State  
81 Insurance Commissioner or his designee, an employee-representative  
82 of the institutions of higher learning appointed by the board of  
83 trustees thereof, an employee-representative of the Department of  
84 Transportation appointed by the director thereof, an  
85 employee-representative of the State Tax Commission appointed by  
86 the Commissioner of Revenue, an employee-representative of the  
87 Mississippi Department of Health appointed by the State Health  
88 Officer, an employee-representative of the Mississippi Department  
89 of Corrections appointed by the Commissioner of Corrections, and  
90 an employee-representative of the Department of Human Services  
91 appointed by the Executive Director of Human Services, two (2)  
92 certificated public school administrators appointed by the State  
93 Board of Education, two (2) certificated classroom teachers  
94 appointed by the State Board of Education, a noncertificated

95 school employee appointed by the State Board of Education and a  
96 community/junior college employee appointed by the State Board for  
97 Community and Junior Colleges.

98         The Lieutenant Governor may designate the Secretary of the  
99 Senate, the Chairman of the Senate Appropriations Committee, the  
100 Chairman of the Senate Education Committee and the Chairman of the  
101 Senate Insurance Committee, and the Speaker of the House of  
102 Representatives may designate the Clerk of the House, the Chairman  
103 of the House Appropriations Committee, the Chairman of the House  
104 Education Committee and the Chairman of the House Insurance  
105 Committee, to attend any meeting of the State and School Employees  
106 Insurance Advisory Council. The appointing authorities may  
107 designate an alternate member from their respective houses to  
108 serve when the regular designee is unable to attend such meetings  
109 of the council. Such designees shall have no jurisdiction or vote  
110 on any matter within the jurisdiction of the council. For  
111 attending meetings of the council, such legislators shall receive  
112 per diem and expenses which shall be paid from the contingent  
113 expense funds of their respective houses in the same amounts as  
114 provided for committee meetings when the Legislature is not in  
115 session; however, no per diem and expenses for attending meetings  
116 of the council will be paid while the Legislature is in session.  
117 No per diem and expenses will be paid except for attending  
118 meetings of the council without prior approval of the proper  
119 committee in their respective houses.

120         (c) No change in the terms of the State and School  
121 Employees Health Insurance Plan may be made effective unless the  
122 board, or its designee, has provided notice to the State and  
123 School Employees Health Insurance Advisory Council and has called  
124 a meeting of the council at least fifteen (15) days before the  
125 effective date of such change. In the event that the State and  
126 School Employees Health Insurance Advisory Council does not meet  
127 to advise the board on the proposed changes, the changes to the

128 plan shall become effective at such time as the board has informed  
129 the council that the changes shall become effective.

130 (d) **Medical benefits for retired employees and**  
131 **dependents under age sixty-five (65) years and not eligible for**  
132 **Medicare benefits.** The same health insurance coverage as for all  
133 other active employees and their dependents shall be available to  
134 retired employees and all dependents under age sixty-five (65)  
135 years who are not eligible for Medicare benefits, the level of  
136 benefits to be the same level as for all other active  
137 participants. This section will apply to those employees who  
138 retire due to one hundred percent (100%) medical disability as  
139 well as those employees electing early retirement.

140 (e) **Medical benefits for retired employees and**  
141 **dependents over age sixty-five (65) years or otherwise eligible**  
142 **for Medicare benefits.** The health insurance coverage available to  
143 retired employees over age sixty-five (65) years or otherwise  
144 eligible for Medicare benefits, and all dependents over age  
145 sixty-five (65) years or otherwise eligible for Medicare benefits,  
146 shall be the major medical coverage with the lifetime maximum of  
147 One Million Dollars (\$1,000,000.00). Benefits shall be reduced by  
148 Medicare benefits as though such Medicare benefits were the base  
149 plan.

150 All covered individuals shall be assumed to have full  
151 Medicare coverage, Parts A and B; and any Medicare payments under  
152 both Parts A and B shall be computed to reduce benefits payable  
153 under this plan.

154 (2) Nonduplication of benefits--reduction of benefits by  
155 Title XIX benefits: When benefits would be payable under more  
156 than one (1) group plan, benefits under those plans will be  
157 coordinated to the extent that the total benefits under all plans  
158 will not exceed the total expenses incurred.

159 Benefits for hospital or surgical or medical benefits shall  
160 be reduced by any similar benefits payable in accordance with

161 Title XIX of the Social Security Act or under any amendments  
162 thereto, or any implementing legislation.

163 Benefits for hospital or surgical or medical benefits shall  
164 be reduced by any similar benefits payable by workers'  
165 compensation.

166 (3) (a) Schedule of life insurance benefits--group term:  
167 The amount of term life insurance for each active employee of a  
168 department, agency or institution of the state government shall  
169 not be in excess of One Hundred Thousand Dollars (\$100,000.00), or  
170 twice the amount of the employee's annual wage to the next highest  
171 One Thousand Dollars (\$1,000.00), whichever may be less, but in no  
172 case less than Thirty Thousand Dollars (\$30,000.00), with a like  
173 amount for accidental death and dismemberment on a  
174 twenty-four-hour basis. The plan will further contain a premium  
175 waiver provision if a covered employee becomes totally and  
176 permanently disabled prior to age sixty-five (65) years.  
177 Employees retiring after June 30, 1999, shall be eligible to  
178 continue life insurance coverage in an amount of Five Thousand  
179 Dollars (\$5,000.00), Ten Thousand Dollars (\$10,000.00) or Twenty  
180 Thousand Dollars (\$20,000.00) into retirement.

181 (b) Effective October 1, 1999, schedule of life  
182 insurance benefits--group term: The amount of term life insurance  
183 for each active employee of any school district, community/junior  
184 college, public library or university-based program authorized  
185 under Section 37-23-31 for deaf, aphasic and emotionally disturbed  
186 children or any regular nonstudent bus driver shall not be in  
187 excess of One Hundred Thousand Dollars (\$100,000.00), or twice the  
188 amount of the employee's annual wage to the next highest One  
189 Thousand Dollars (\$1,000.00), whichever may be less, but in no  
190 case less than Thirty Thousand Dollars (\$30,000.00), with a like  
191 amount for accidental death and dismemberment on a  
192 twenty-four-hour basis. The plan will further contain a premium  
193 waiver provision if a covered employee of any school district,

194 community/junior college, public library or university-based  
195 program authorized under Section 37-23-31 for deaf, aphasic and  
196 emotionally disturbed children or any regular nonstudent bus  
197 driver becomes totally and permanently disabled prior to age  
198 sixty-five (65) years. Employees of any school district,  
199 community/junior college, public library or university-based  
200 program authorized under Section 37-23-31 for deaf, aphasic and  
201 emotionally disturbed children or any regular nonstudent bus  
202 driver retiring after September 30, 1999, shall be eligible to  
203 continue life insurance coverage in an amount of Five Thousand  
204 Dollars (\$5,000.00), Ten Thousand Dollars (\$10,000.00) or Twenty  
205 Thousand Dollars (\$20,000.00) into retirement.

206 (4) Any eligible employee who on March 1, 1971, was  
207 participating in a group life insurance program which has  
208 provisions different from those included herein and for which the  
209 State of Mississippi was paying a part of the premium may, at his  
210 discretion, continue to participate in such plan. Such employee  
211 shall pay in full all additional costs, if any, above the minimum  
212 program established by this article. Under no circumstances shall  
213 any individual who begins employment with the state after March 1,  
214 1971, be eligible for the provisions of this paragraph.

215 (5) The board may offer medical savings accounts as defined  
216 in Section 71-9-3 as a plan option.

217 (6) Any premium differentials, differences in coverages,  
218 discounts determined by risk or by any other factors shall be  
219 uniformly applied to all active employees participating in the  
220 insurance plan. It is the intent of the Legislature that the  
221 state contribution to the plan be the same for each employee  
222 throughout the state.

223 (7) On October 1, 1999, any school district,  
224 community/junior college district or public library may elect to  
225 remain with an existing policy or policies of group life insurance  
226 with an insurance company approved by the State and School

227 Employees Health Insurance Management Board, in lieu of  
228 participation in the State and School Life Insurance Plan. The  
229 state's contribution of up to fifty percent (50%) of the active  
230 employee's premium under the State and School Life Insurance Plan  
231 may be applied toward the cost of coverage for full-time employees  
232 participating in the approved life insurance company group plan.  
233 For purposes of this subsection (7), "life insurance company group  
234 plan" means a plan administered or sold by a private insurance  
235 company. After October 1, 1999, the board may assess charges in  
236 addition to the existing State and School Life Insurance Plan  
237 rates to such employees as a condition of enrollment in the State  
238 and School Life Insurance Plan. In order for any life insurance  
239 company group plan existing as of October 1, 1999, to be approved  
240 by the State and School Employees Health Insurance Management  
241 Board under this subsection (7), it shall meet the following  
242 criteria:

243 (a) The insurance company offering the group life  
244 insurance plan shall be rated "A-" or better by A.M. Best state  
245 insurance rating service and be licensed as an admitted carrier in  
246 the State of Mississippi by the Mississippi Department of  
247 Insurance.

248 (b) The insurance company group life insurance plan  
249 shall provide the same life insurance, accidental death and  
250 dismemberment insurance and waiver of premium benefits as provided  
251 in the State and School Life Insurance Plan.

252 (c) The insurance company group life insurance plan  
253 shall be fully insured, and no form of self-funding life insurance  
254 by such company shall be approved.

255 (d) The insurance company group life insurance plan  
256 shall have one (1) composite rate per One Thousand Dollars  
257 (\$1,000.00) of coverage for active employees regardless of age and  
258 one (1) composite rate per One Thousand Dollars (\$1,000.00) of  
259 coverage for all retirees regardless of age or type of retiree.

260           (e) The insurance company and its group life insurance  
261 plan shall comply with any administrative requirements of the  
262 State and School Employees Health Insurance Management Board. In  
263 the event any insurance company providing group life insurance  
264 benefits to employees under this subsection (7) fails to comply  
265 with any requirements specified herein or any administrative  
266 requirements of the board, the state shall discontinue providing  
267 funding for the cost of such insurance.

268           **SECTION 2.** Section 43-13-117, Mississippi Code of 1972, is  
269 amended as follows:

270           43-13-117. Medical assistance as authorized by this article  
271 shall include payment of part or all of the costs, at the  
272 discretion of the division or its successor, with approval of the  
273 Governor, of the following types of care and services rendered to  
274 eligible applicants who shall have been determined to be eligible  
275 for such care and services, within the limits of state  
276 appropriations and federal matching funds:

277           (1) Inpatient hospital services.

278           (a) The division shall allow thirty (30) days of  
279 inpatient hospital care annually for all Medicaid recipients.  
280 Precertification of inpatient days must be obtained as required by  
281 the division. The division shall be authorized to allow unlimited  
282 days in disproportionate hospitals as defined by the division for  
283 eligible infants under the age of six (6) years.

284           (b) From and after July 1, 1994, the Executive  
285 Director of the Division of Medicaid shall amend the Mississippi  
286 Title XIX Inpatient Hospital Reimbursement Plan to remove the  
287 occupancy rate penalty from the calculation of the Medicaid  
288 Capital Cost Component utilized to determine total hospital costs  
289 allocated to the Medicaid program.

290           (c) Hospitals will receive an additional payment  
291 for the implantable programmable baclofen drug pump used to treat  
292 spasticity which is implanted on an inpatient basis. The payment

293 pursuant to written invoice will be in addition to the facility's  
294 per diem reimbursement and will represent a reduction of costs on  
295 the facility's annual cost report, and shall not exceed Ten  
296 Thousand Dollars (\$10,000.00) per year per recipient. This  
297 paragraph (c) shall stand repealed on July 1, 2005.

298 (2) Outpatient hospital services. Provided that where  
299 the same services are reimbursed as clinic services, the division  
300 may revise the rate or methodology of outpatient reimbursement to  
301 maintain consistency, efficiency, economy and quality of care.  
302 The division shall develop a Medicaid-specific cost-to-charge  
303 ratio calculation from data provided by hospitals to determine an  
304 allowable rate payment for outpatient hospital services, and shall  
305 submit a report thereon to the Medical Advisory Committee on or  
306 before December 1, 1999. The committee shall make a  
307 recommendation on the specific cost-to-charge reimbursement method  
308 for outpatient hospital services to the 2000 Regular Session of  
309 the Legislature.

310 (3) Laboratory and x-ray services.

311 (4) Nursing facility services.

312 (a) The division shall make full payment to  
313 nursing facilities for each day, not exceeding fifty-two (52) days  
314 per year, that a patient is absent from the facility on home  
315 leave. Payment may be made for the following home leave days in  
316 addition to the fifty-two-day limitation: Christmas, the day  
317 before Christmas, the day after Christmas, Thanksgiving, the day  
318 before Thanksgiving and the day after Thanksgiving.

319 (b) From and after July 1, 1997, the division  
320 shall implement the integrated case-mix payment and quality  
321 monitoring system, which includes the fair rental system for  
322 property costs and in which recapture of depreciation is  
323 eliminated. The division may reduce the payment for hospital  
324 leave and therapeutic home leave days to the lower of the case-mix  
325 category as computed for the resident on leave using the

326 assessment being utilized for payment at that point in time, or a  
327 case-mix score of 1.000 for nursing facilities, and shall compute  
328 case-mix scores of residents so that only services provided at the  
329 nursing facility are considered in calculating a facility's per  
330 diem.

331 (c) From and after July 1, 1997, all state-owned  
332 nursing facilities shall be reimbursed on a full reasonable cost  
333 basis.

334 (d) When a facility of a category that does not  
335 require a certificate of need for construction and that could not  
336 be eligible for Medicaid reimbursement is constructed to nursing  
337 facility specifications for licensure and certification, and the  
338 facility is subsequently converted to a nursing facility pursuant  
339 to a certificate of need that authorizes conversion only and the  
340 applicant for the certificate of need was assessed an application  
341 review fee based on capital expenditures incurred in constructing  
342 the facility, the division shall allow reimbursement for capital  
343 expenditures necessary for construction of the facility that were  
344 incurred within the twenty-four (24) consecutive calendar months  
345 immediately preceding the date that the certificate of need  
346 authorizing such conversion was issued, to the same extent that  
347 reimbursement would be allowed for construction of a new nursing  
348 facility pursuant to a certificate of need that authorizes such  
349 construction. The reimbursement authorized in this subparagraph  
350 (d) may be made only to facilities the construction of which was  
351 completed after June 30, 1989. Before the division shall be  
352 authorized to make the reimbursement authorized in this  
353 subparagraph (d), the division first must have received approval  
354 from the Health Care Financing Administration of the United States  
355 Department of Health and Human Services of the change in the state  
356 Medicaid plan providing for such reimbursement.

357 (e) The division shall develop and implement, not  
358 later than January 1, 2001, a case-mix payment add-on determined

359 by time studies and other valid statistical data which will  
360 reimburse a nursing facility for the additional cost of caring for  
361 a resident who has a diagnosis of Alzheimer's or other related  
362 dementia and exhibits symptoms that require special care. Any  
363 such case-mix add-on payment shall be supported by a determination  
364 of additional cost. The division shall also develop and implement  
365 as part of the fair rental reimbursement system for nursing  
366 facility beds, an Alzheimer's resident bed depreciation enhanced  
367 reimbursement system which will provide an incentive to encourage  
368 nursing facilities to convert or construct beds for residents with  
369 Alzheimer's or other related dementia.

370 (f) The Division of Medicaid shall develop and  
371 implement a referral process for long-term care alternatives for  
372 Medicaid beneficiaries and applicants. No Medicaid beneficiary  
373 shall be admitted to a Medicaid-certified nursing facility unless  
374 a licensed physician certifies that nursing facility care is  
375 appropriate for that person on a standardized form to be prepared  
376 and provided to nursing facilities by the Division of Medicaid.  
377 The physician shall forward a copy of that certification to the  
378 Division of Medicaid within twenty-four (24) hours after it is  
379 signed by the physician. Any physician who fails to forward the  
380 certification to the Division of Medicaid within the time period  
381 specified in this paragraph shall be ineligible for Medicaid  
382 reimbursement for any physician's services performed for the  
383 applicant. The Division of Medicaid shall determine, through an  
384 assessment of the applicant conducted within two (2) business days  
385 after receipt of the physician's certification, whether the  
386 applicant also could live appropriately and cost-effectively at  
387 home or in some other community-based setting if home- or  
388 community-based services were available to the applicant. The  
389 time limitation prescribed in this paragraph shall be waived in  
390 cases of emergency. If the Division of Medicaid determines that a

391 home- or other community-based setting is appropriate and  
392 cost-effective, the division shall:

393 (i) Advise the applicant or the applicant's  
394 legal representative that a home- or other community-based setting  
395 is appropriate;

396 (ii) Provide a proposed care plan and inform  
397 the applicant or the applicant's legal representative regarding  
398 the degree to which the services in the care plan are available in  
399 a home- or in other community-based setting rather than nursing  
400 facility care; and

401 (iii) Explain that such plan and services are  
402 available only if the applicant or the applicant's legal  
403 representative chooses a home- or community-based alternative to  
404 nursing facility care, and that the applicant is free to choose  
405 nursing facility care.

406 The Division of Medicaid may provide the services described  
407 in this paragraph (f) directly or through contract with case  
408 managers from the local Area Agencies on Aging, and shall  
409 coordinate long-term care alternatives to avoid duplication with  
410 hospital discharge planning procedures.

411 Placement in a nursing facility may not be denied by the  
412 division if home- or community-based services that would be more  
413 appropriate than nursing facility care are not actually available,  
414 or if the applicant chooses not to receive the appropriate home-  
415 or community-based services.

416 The division shall provide an opportunity for a fair hearing  
417 under federal regulations to any applicant who is not given the  
418 choice of home- or community-based services as an alternative to  
419 institutional care.

420 The division shall make full payment for long-term care  
421 alternative services.

422 The division shall apply for necessary federal waivers to  
423 assure that additional services providing alternatives to nursing

424 facility care are made available to applicants for nursing  
425 facility care.

426 (5) Periodic screening and diagnostic services for  
427 individuals under age twenty-one (21) years as are needed to

505 be paid.

506 The division shall develop and implement a program of payment  
507 for additional pharmacist services, with payment to be based on  
508 demonstrated savings, but in no case shall the total payment  
509 exceed twice the amount of the dispensing fee.

560 Clinic services shall include any services reimbursed as

857 these services are specifically appropriated for this purpose by  
858 the Legislature, or if funds are voluntarily provided by affected  
859 agencies.

870 prevent the division from changing the payments or rates of  
871 reimbursement to providers without an amendment to this section  
872 whenever such changes are required by federal law or regulation,  
873 or whenever such changes are necessary to correct administrative  
874 errors or omissions in calculating such payments or rates of  
875 reimbursement.

886 year, the Governor, after consultation with the director, shall  
887 discontinue any or all of the payment of the types of care and  
888 services as provided herein which are deemed to be optional  
889 services under Title XIX of the federal Social Security Act, as  
890 amended, for any period necessary to not exceed appropriated  
891 funds, and when necessary shall institute any other cost  
892 containment measures on any program or programs authorized under  
893 the article to the extent allowed under the federal law governing  
894 such program or programs, it being the intent of the Legislature  
895 that expenditures during any fiscal year shall not exceed the  
896 amounts appropriated for such fiscal year.

898 be the duty of each nursing facility, intermediate care facility

904 period of three (3) years after the date of submission to the  
905 Division of Medicaid of an original cost report, or three (3)  
906 years after the date of submission to the Division of Medicaid of  
907 an amended cost report.

909 and after July 1, 2002.
